COOLIDGE HAS 5,300 VOTES IN NEWTON

Largest Vote Ever Cast in History of City, with Big Pluralities for All Republican Candidates—Two Platoon Plan Defeated

Newton, in common with the rest of the Commonwealth, did itself proud last Tuesday, in casting a tremendous vote for the re-election of Governor Calvin Coolidge. Over 87 per cent. of the registered voters went to the polls as against 76 per cent. last year, showing that the people were thoroughly aroused to the seriousness of the issue of straight Americanism which the election involved. Governor Coolidge received an even 5,300 votes, compared with 3,863 last year, and Long, the Democratic candidate had 1,827, as compared with 1,959 in 1918, the Governor's plurality jumping from 1904 in 1918 to 3473 on Tuesday. The entire Republican ticket was also elected by large majorities. Burrell for state treasurer being low man with 3723, his opponent, Wood, having 3020 votes. Mr. J. Weston Allen of Newton Highlands was elected attorney general of the state, although his total vote in Newton was next to the lowest of the state-wide candidates. Senator Thomas Weston, Jr., was handsomely re-elected in this district, his vote in Newton being 4719 to 2230 for his opponent, James S. Cannon. District Attorney Nathan A. Tufts received a splendid vote here, 4787 against William E. Russell who had 2032, and a man who was expected to appeal particularly well to Newton citizens. County Commissioner Barlow had over 3300 majority in Newton, Councilor Harris and Associate County Commissioners Major Fred P. Barnes of West Newton and H. Harding Hale of Hudson, were unopposed. Representatives Bernard Early and Abbott B. Rice were re-elected and J. C. Brimblecom, editor of the Graphic, chosen as the third representative from this district, all without opposition.

Favorable action was taken by the voters on four of the five referendums, the re-arrangement of the state constitution being approved 4377 to 917, the act establishing continuation schools in this city accepted, 4759 to 839, the act in regard to monthly in-

terest on savings approved 4017 to 1664. The representatives to the general court were instructed to favor 4 per cent. alcohol legislation by a vote of 3716 to 2888. The election machinery, under direction of City Clerk Frank M. Grant, worked smoothly and there were no delays in polling the largest vote ever cast in the history of the city. The Republican city committee worked hard all day getting out the vote and the result is, in no small degree, due to their efforts. Ward 7 cast the largest vote, although it is not first in the number of registered voters, and its showing of 505 for Governor Coolidge is the largest of any precinct. Ward 239 for Coolidge to 13 for Long has the greatest percentage of Republican votes cast.

The returns were late in reaching City Hall, the last (Auburndale) coming in about 11 o'clock. It is interesting to note that Long carried but 2 of the 16 precincts in the city, as compared with five precincts last year. The two platoon referendum was acted upon favorably by three precincts, while the 4 per cent. referendum received a favorable majority in twelve precincts.

The greatest interest probably centered over the vote on the establishment of the two platoon system in the Newton Fire Department, which, to the surprise of many who have noted the general tendency of the average man to vote "Yes" was defeated by a vote of 4136 "No" to 3447 "Yes."

The vote for Governor, the two platoon referendum and that on 4 per cent. alcohol, will be found tabulated by precincts, the total vote for other candidates and questions was as follows:

For Governor	
Ernst	15
King	26
Paulson	13
For Lieutenant-Governor	
Cox	5083
Herbert	1861

HARVEST LUNCHEON

The Woman's Association of Central Congregational Church, Newtonville, is accustomed to large gatherings, to enthusiastic atmosphere, to generous donations, but it is not accustomed to rainy days—in fact it has been a slogan that it can't rain on Association Day. So it was a most delightful surprise to find that the crowd, the enthusiasm, the ingathering were not lacking because of a downpour. On Wednesday, November 6th, about 150 members, and the guests of honor, Dr. and Mrs. Lichliter, assembled for the "Harvest Luncheon" for the occasion marked the harvesting of the "Holy day—holy day bags" which were given out in the spring to be filled with dimes to swell the association treasury. The tables were beautifully decorated with fruit and autumn foliage and the room was credit to the committee providing it. At the close of the luncheon the bags were gathered and, while the contents were being counted, the president, Miss Abby A. Miller, said that the time had come to speak, if not of "cabbages and kings," of pumpkin pie and queens—for, if it had not been for the foresight and the generosity of one of the members, there would have been no sugar for the pumpkin pie, and therefore no pies! Miss Miller then introduced Mrs. Eleanor Nagle, who helped to organize the association.

Prof. Blakeslee's Lecture

That we are less idealistic today and more self-seeking than we were a year ago when the armistice was signed, was the statement of Professor Blakeslee of Clark University in his lecture on current events before the Community Club yesterday afternoon. Such a period of reaction has followed every period of heroic self-sacrifice and we are in the midst of such a reaction, yet he feels that every great nation has made a distinct advance in civilization. He traced the happenings over the world which have grown out of the war and discussed the provisions of the Treaty, explaining the difference between amendments to the Treaty and reservations. He said that in his opinion some sort of an international organization was absolutely necessary in order to maintain the peace of this world. That the class is going to be very popular was evidenced by the fact that the large hall of the Hunnewell Club was almost filled. The next lecture occurs on December 4.

EVERY AFTERNOON THIS WEEK

fellowship of its Woman's Association and feel herself at home.

The president, just as the members were beginning to feel quite satisfied with what they had done, proved true to her habit of always setting her standard a little higher, just before it is reached, and made a strong appeal for greater consecration, larger gifts, closing with a "poem" which she had remembered since her school days.

Given in sincerity and with the force of high ideal and unswerving purpose, it greatly improved her audience.

Go on, go on, go on, go on;
Go on, go on, go on, go on;
Go on, go on, go on, go on;
Go on, go on, go on, go on;
Go on, go on, go on!

At this point the result of the counting was declared to be \$238.35—and all joined heartily in singing the doxology.

Then came one of the pleasantest features of the program—a word of greeting from the wife of the new pastor, Mrs. Lichliter, spoke gratefully of her welcome to Central Church, of the well-stocked pantry which greeted her in the "temporary manse," and expressed a spirit of friendliness which endeared her to every woman present.

Notwithstanding all the accounts of glorious achievements in the past and even Miss Miller's announcement that he was about to address "the finest body of women in the world," the time in sounding a still higher call to service—opening up new avenues, pointing out new byways, inspiring everyone with a new desire to press forward to greater things—and filling

everyone with thanksgiving that Central Church has found a pastor.

The assembly then broke up into groups to plan for the fair of next week which is the next Red-letter day of the program.

The Woman's Association has had many happy days and one of its happiest was the Harvest Day of 1919.

EXPRESSES THANKS

To the Citizens of Newton.

As the representative of the Republican City Committee of Newton and in their behalf, I extend to all those who contributed in any way in bringing about the splendid result of Tuesday's sweeping victory, assisting either in registration, or at the grand rally and on election day, by your personal services or in the use of automobiles, and to many whose autos could not be utilized; please accept our hearty thanks of sincere gratitude for services rendered.

It will be an inspiration for us all to enter into another campaign not far distant.

Cordially,
REUBEN FORKNALL,
Chairman.

POLITICAL NOTES

Senator Thomas Weston, Jr., of this city, was re-elected Tuesday with a splendid majority of 3299 votes. The vote in the district was as follows: Weston, 338; Cannon, 58; Ashland, Weston, 216; Cannon, 113; Framingham, Weston, 1497; Cannon, 1267; Holliston, Weston, 318; Cannon, 153; Hopkinton, Weston, 225; Cannon, 211; Natick, Weston, 1011; Cannon, 1119; Sherborn, Weston, 172; Cannon, 46; totals, Weston, 8496; Cannon, 5197.

WHAT WILL BECOME OF YOUR INSURANCE MONEY?

There is only one way fully to insure the effective use of your insurance money and that is to provide now for a definite plan outlining its investment or distribution. The Life Insurance Trust is just such a plan. It enables you to say who shall handle this fund, how it shall be invested, to whom and how the income shall be paid, and what disposition shall be made of the principal. In short, it enables you to surround insurance money with every safeguard.

You are cordially invited to discuss this service with our officers.

MUSICAL PROGRAM BY WALDORF CONCERT ORCHESTRA

VICTORY BALL

Newton Post 48, of the American Legion will celebrate the first anniversary of Armistice Day, next Tuesday, with a grand ball at the State Armory, West Newton, with a concert from 8 to 9 o'clock, followed by dancing until 1 o'clock.

The Newton Lodge of Elks will present the Post with the national colors. The committee in charge consists of Joseph A. Campbell, Clifford S. J. White, Thomas W. Quinn, John Pendergast and Walter Terrio.

The invited guests include Mayor Edwin O. Childs, former Senator John W. Weeks and others.

HOLIDAY SALE

Woman's Association, Central Church, Newtonville.
The two days following Armistice Day, November 12-13.

To swell the budget of the Woman's Association for the support of their missionary work in Turkey, for the mission work in our own land and for the upkeep of the church furnishings, the women have been as busy as a hive of bees all summer, with every woman on one of the large committees.

No more comfortable opportunity could be presented for Christmas shoppers than at this sale with everything at a reasonable price and articles suitable for everybody.

Come, meet the workers and buy. Admission free.

Christmas cards and place cards in artistic and plentiful array at Mrs. W. E. Strong's table. Mrs. Austin Decatur, acting chairman.

Mrs. Leonard Roberts has the Mystery Table and the workers have wrought on mysteries within mysteries to delight all ages.

Mrs. Charles Wilkins is chairman for a committee furnishing practical household articles, worthy a careful survey and generous patronage.

Mrs. Belden Sly in charge of handkerchiefs, handmade and plain will show a popular line.

Articles for little folks in charge of Mrs. Harold Sherman will be sure to fill many a need.

Candies of all kinds are provided by Mrs. E. P. Crowe and her large committee, warranted to be up to a high standard.

Miss Bertha Miller at the apron table has those necessary articles for all possible occasions and an early selection is advised.

Cake and plain foods will be sold under direction of Mrs. Albert Auryan.

Mrs. A. E. Vose and her committee offer beautiful and useful bags and baskets in goodly variety.

Ice cream and cake will be served both afternoons and evenings by Miss Mary Rolfe and her assistants.

Dinner at 6:30, Thursday, will be furnished and served by the men of Central Club, Mr. J. A. Stafford, chairman, with special music to enliven the excellent menu.

No better time can be found to meet the new pastor, Mr. Lichliter and his wife and all the Central Church friends.

Hours 1 to 10 P. M. Central Church parlors, Wednesday and Thursday, November 12 and 13.

SHUBERT THEATRE—The Messrs. Shubert will present "Oh, What a Girl!" at the Shubert Theatre next week, with the usual matinees. Imparting an excruciatingly funny story about the adventures of Deacon Amos Timonson on Broadway, and enacted by a large cast of musical comedy favorites, including Harry Kelly, Frank Fay, Sam Ash and Hazel Kirke, this play won for itself the kind of popularity that has necessitated the use of the S. R. O. sign at the Shubert and Central Theatres, New York.

The book and lyrics are by Edgar Smith and Edward Clark; and the music by Charles Jules and Jacques Presburg. For the presentation of this highly diverting musical piece the Messrs. Lee and J. J. Shubert have brought together an exceptional company of singers and dancers, as well as a chorus of charming young girls.

NEWTON CLASSICAL HIGH SCHOOL

A list of the graduates in the "Class of 1919" with the colleges which each one entered this fall, has just been prepared by the Secretary of the school. Thirteen have been accepted at the Massachusetts Institute of Technology, ten chose Harvard, and six are now at Dartmouth. Among the girls eight have gone to Wellesley, six to Simmons, and four to Mt. Holyoke. An exceptionally fine record has been reported for the Harvard fellows who were graduates of 19 from Newton. Roger Lutz, Clair Leonard, George Owen did such fine work in the entrance examinations that they all were awarded the Price-Greenleaf scholarship. Owen received honorable mention in Latin, French, and chemistry, his marks being very nearly the best among all the others. Ferry Allen had the highest honors in mathematics and physics; S. A. Freeman the highest honors in chemistry together with most creditable work in mathematics; Leonard in Latin, German, and chemistry; Young in French; and Anderson and Bolster in Mathematics. Newton has always tried to send out students who are thoroughly prepared in all subjects, but this record has rarely been reached, and consequently it stands out most prominently among those which have been of high degree in the past.

The meeting held Wednesday, October 21, in the Assembly Hall was attended by the three upper classes. At this time Mr. Adams gave a concise talk about the conditions of the laboring classes and the strikers, in connection with true Americanism, and proper observance of Halloween in this city. The comparison which he made between such men as make up the striking laborers and the kind of citizens which we all should be, was very true and impressive. Following this address the Juniors and Sophomores were dismissed, in order that the Senior Class might bring up a number of matters which needed attention. Candidates were elected for the office of manager of the "Newtonian," the Senior Class Book, and the names of students, appointed by the head of the English Department to serve as candidates for editor of the same magazine, were read. The matter of dues for the coming season was also settled.

The English department has conducted a very vigorous and interesting campaign throughout the week, in behalf of speech improvement. The official name given to this observance everywhere in the country was "American Speech Week." The idea has been to promote the use of better English among all students in order that "slang," and all other kinds of bad English might be obliterated. Every kind of activity which might turn attention to this needed reform has been encouraged by the teachers. So far the success has been wonderful, which is due primarily to the hearty co-operation of the pupils in all the classes. A great deal of enthusiasm has been shown by various classes in the preparation of original exercises and the working out of devices for presenting the value not only of correct English but also of clear enunciation and better expression. Early in the week large placards appeared on the walls of the corridors which were artistically lettered with the heading, "Pronounce These Words" and the list of troublesome common expressions that are so commonly "murdered" in our speech.

The English Club has organized and elected its officers for the coming year: Katherine Slayter has the position of president, Wendell Burbank is vice-president, and Catherine Chipman is secretary. Plans have been formulated to take an outing which probably will be held near South Framingham.

Football has progressed rapidly during the past two weeks. Newton won its first Suburban League victory, defeating Rindge 16-0. The team has been worked hard and fast since its defeat at Somerville, so that now it stands ready to give the best kind of a struggle against Malden, next Saturday. Annabel, a halfback of promise, has been showing great speed in the work-out lately, and certainly seems to strengthen the already weak backfield, a great deal. Seavey is a great aid to the line and his work as centre proved its worth in the game with Rindge. Rane has had a great deal of trouble with his hip and now it appears that he may be forced to leave the game entirely. Who will take his place as end has not been decided, but Boyce and Harris seem to be the logical substitutes.

This week Wednesday marks the end of the first quarter and consequently examinations are due this week. In general, these tests which have been given seem exceptionally difficult, but the marks alone will tell.

MacGillivray won the golf tournament, defeating Hodder, one up. The "Faulstich" advantage of the farmer in his drive which always carried a good way along the open spaces, but the shots which the winner made at the green, were far superior to those of Hodder's and consequently they gave the victory to MacGillivray.

It sounds almost too good to be true. Rich indeed the community that boasts such a blessing.

THE COMMUNITY KITCHEN

It requires little investigation to show that we, in common with the rest of the world, are suffering from a shortage of domestic help; and that every where women, especially young mothers, no matter how competent they may be, are finding it impossible to do all that is required of them, to care for the house and the babies, and have any leisure for the home-coming of their husband. Dinner at night seems the last straw, with the babies to be fed and put to bed and dinner to be prepared for the family at one and the same time. An increasing number of families in which there are older children are frequently queuing hotels, restaurants and cafes, sacrificing family life and interests to necessity. It is therefore we can do to prevent this disintegration of the family table?

In New York City, Princeton, Montclair, N. J., and Haverford, Pa., the domestic problem is being partially solved by the Community Kitchen. It is well known that central kitchens have existed in different parts of Europe for many years and that during the war, the English government had established them in great numbers to feed the women industrial workers and their families. The most successful Community Kitchen in this country is the one established in Evansville, Ill., which prepares and distributes home-cooked food in thermos containers. Several hundred four-course dinners are sent to homes every day.

It sounds almost too good to be true. Rich indeed the community that boasts such a blessing.

LOST ARMY BAGGAGE

If any of the Newton boys who served overseas lost any of their belongings on their journey home they may be interested to know that there are at present approximately 150,000 pieces of lost baggage belonging to members of the A. E. F., on the Government docks at Hoboken, N. J., made up of 20,000 trunk lockers, 150,000 bed-rolls, 5,000 suitcases, and 110,000 baggage bags which have come from overseas and remain unclaimed by their owners.

Much of this baggage is marked with names only and cannot be forwarded to the owners. In all cases a new shipping address is required. All owners of lost baggage should forward their claims and present addresses to the LOST BAGGAGE BRANCH, PIER NO. 2, HOBOKEN, NEW JERSEY, with an accurate description of the missing property.

A complete card index permits prompt identification and the baggage will be forwarded by express at Government expense if on hand at Hoboken.

HUNNEWELL CLUB

The first Neighborhood Night for the season took place Tuesday evening with a good attendance of members and their ladies. Bowling, billiards, pool, bridge and dancing were enjoyed during the evening.

On Wednesday evening the bowling team took two out of three from Commercial.

Newton

Telephone MacLean, 725 or 2654-M
North, for anything in the carpenter line.

The apartment 33-35 Nonantum place has been sold to Mrs. Theresa Hughes.

Mr. Frank V. Holmes has returned from the Deaconess Hospital and is recovering from an operation on his finger.

This Sunday evening at 7:30 at Grace Church the Rev. Laurens MacLure will give the second address in the series, "The Ten Commandments for today."

Mrs. Edwin O. Childs of Richardson street, announces the engagement of her daughter, Mary Chaffin Childs, to Alderman Arthur Kendrick of Hunnewell avenue.

The Home Guards of the Methodist Church are to hold their regular meeting tomorrow afternoon at 2:30 at the home of Miss Helen Nagle, 20 Maple avenue.

The Girl Scouts of Troop II, will give an entertainment in Channing Church parlors, Thursday, November 13th, at 3 o'clock and Saturday evening, November 15th at 8 o'clock. The Saturday evening performance will be followed by dancing.

The Ladies Aid Society of the Methodist Church held an all-day sewing meeting Wednesday at the home of Mrs. Elliston H. Bell, of Waverley avenue. There were basket lunches which were greatly enjoyed, and all members brought their "Sunshine Bags."

On Wednesday evening the young ladies of the Methodist Church gave a clever and amusing entertainment in behalf of the Epworth League, called, "The Summer Girl Minstrels." The cast included Miss Vera Forsythe, Miss Hazel Chivers, Miss Grace Leonard, Miss Doris Hubbard, Mrs. Franklin Jones, and Mrs. Arthur S. Flinn sang. Mrs. C. J. Mansfield coached the play.

The Methodist Church is to hold special musical services of worship for four successive Sundays beginning next Sunday evening at 7:30 o'clock. Members of the Boston Symphony Orchestra under the direction of Mr. Paul Shirley will assist the pastor, Rev. Henry H. Crane, and the organist, Miss Elsa M. Leonard, in this service.

The first church supper of the Immanuel Baptist Church will be held next Wednesday evening at the church. It is the first real get-together time this fall, and all are urged to attend. The committee are Mrs. Fuller, Mrs. McCaul, Mrs. Sylvester, Mrs. Anders, and Mrs. Somerby.

The following from Channing Church attended the South Middlesex Conference held last Thursday at Lexington: Miss Anna Whiting, Rev. and Mrs. Harry Lutz, Mrs. William F. Hammett, Miss E. M. Southwick, Mrs. Gerald F. Zedden, Miss Kate Hobart, Mrs. Hattie I. Grow, Miss Jessie Fisher, Mrs. F. A. Burt, Miss Helen Wells, and Mr. Irving Angell.

Last Friday Edward Mellus son of Mr. and Mrs. Edward Mellus of Cotton street gave a Halloween party to some of his young friends. The party took the form of a cob-web party, with appropriate tricks following.

The guests were Mary Russ, Katherine Nichols, Alice Leeds, Nancy Howard, Elizabeth Sweet, Nancy Hinkley, Beatrice Colby, Hildegard Hathaway, Hamilton Lincoln, Miner Robinson, Baldwin Pearson, Gifford Currier, Ralph Angier, Donald Strohmeyer, and Nathan Heard.

It sounds almost too good to be true. Rich indeed the community that boasts such a blessing.

THE COMMUNITY KITCHEN

It requires little investigation to show that we, in common with the rest of the world, are suffering from a shortage of domestic help; and that every where women, especially young mothers, no matter how competent they may be, are finding it impossible to do all that is required of them, to care for the house and the babies, and have any leisure for the home-coming of their husband. Dinner at night seems the last straw, with the babies to be fed and put to bed and dinner to be prepared for the family at one and the same time. An increasing number of families in which there are older children are frequently queuing hotels, restaurants and cafes, sacrificing family life and interests to necessity. It is therefore we can do to prevent this disintegration of the family table?

In New York City, Princeton, Montclair, N. J., and Haverford, Pa., the domestic problem is being partially solved by the Community Kitchen. It is well known that central kitchens have existed in different parts of Europe for many years and that during the war, the English government had established them in great numbers to feed the women industrial workers and their families. The most successful Community Kitchen in this country is the one established in Evansville, Ill., which prepares and distributes home-cooked food in thermos containers. Several hundred four-course dinners are sent to homes every day.

It sounds almost too good to be true. Rich indeed the community that boasts such a blessing.

Y. M. C. A. BASKET BALL

The Newton Y. M. C. A. basketball team played the first game on its schedule last night when it defeated the strong Somerville team 37 to 22. It was a fast and interesting game as both teams displayed plenty of speed and team-work. The Somerville five had it on the locals in weight but the Newton aggregation showed greater speed and better passing, also greater accuracy in shooting. Hunt of Newton showed the way in this department of the game, caging seven goals from field and five from the foul line for a total of nineteen points. His teammates while not scoring as many points assisted greatly in the final score by close guarding and fast passing.

A heavy schedule is being arranged for the Newton Y. M. C. A. including games with the following teams: Brockton, Fitchburg, Gloucester, Manchester, Boston, New Bedford, Springfield, Dean Academy, Bridgewater Club, and several others in that class. Printed schedules will be out shortly. This schedule has been arranged on the theory that good teams provide good attractions and with a strong local team to hold up Newton's end of the score good sized crowds are expected to turn out to help support the team. Home games will be played Wednesday nights, and games away from home will be played Saturday nights.

The Newton Y. M. C. A. also won their opening contest, defeating the Somerville Second team 46 to 11. Brookline was the big show for Newton, shooting ten goals from field for a total of 20 points. Porter of Newton came next with seven, and Edith with five to his credit.

There will be a basketball game here next Wednesday evening, with the Wakefield Y. M. C. A.

Y. M. C. A.

Messrs. C. D. Kepner, A. C. Emery, and H. W. Bascom of the Newton Association are to be the delegates to the fortieth international convention of the Young Men's Christian Association to be held in Detroit, Michigan, November 19th to the 23rd.

The Newton Y. M. C. A. swimming team opened the season last week with a meet with the Riverside team in the latter's tank. While the Y. M. C. A. team lost by a few points it was an interesting meet. Jaquith for Newton was the strong man for the locals. Following is the result of the different events:

One Length Dash—First, Eliot Jaquith, Newton. Time 10 seconds. Second, Brown, Riverside.

Two Length Dash—First, Brown, Riverside, 24—3. Second, Cunningham, Newton.

Plunge for Distance—First, Brigham, Newton, distance, 66 feet, length of tank. Second, Jaquith, Newton, distance, 60 feet, length of tank.

100-Yard Swim—First, Millard, Riverside, 60—3 seconds. Second, Jaquith, Newton.

Relay, four men, two lengths per man. Won by Riverside.

Fancy Diving—Won by Millard, Riverside.

A return meet will be held in the near future when the Y. M. C. A. team hopes to make a strong come-back.

SUNDAY EVENING SERVICES

The fourth in the series of nine Sunday evening services will be held in the Immanuel Baptist Church Newton next Sunday evening at 7:30 o'clock and all are most cordially invited. Rev. Newton A. Merritt, Jr., is preaching at the services and his gospel theme is "The Gospel for a Restless World." The topic for Sunday will be "Our Interdependence." That these meetings are popular is attested by the interest shown at the first three for at all the attendance was large.

Music has an important part of the program. Congregational singing led by the chorus choir gives all an opportunity to sing the grand old hymns which are loved by all church goers. Sunday evening Miss Lillian Sawyer cornetist will render selections. Miss Sawyer will be remembered as the soloist who helped to make the Norumbega Musical Festival last spring a success.

During the remainder of the series there will be a number of instrumental and vocal soloists of reputation in fact at each service. Rev. Mr. Merritt will strive to make the program of great interest. The topics for the remainder of the meetings follow:

November 16. The Weakest Spot.

November 23. Capital and Interest.

November 30. Purchasing Power.

December 7. The New Basis of Society.

December 14. The Great Leader.

ARLINGTON THEATRE—The winter opera season at the Arlington Theatre begins Monday evening with a performance of Gounod's masterpiece "Faust." It will be sung by the Boston English Opera company, under the direction of Edward M. Beck. This is the only company singing in America today which is presenting opera in English by capable young American singers. The chorus is well-trained and capable, numbering forty singers, and the orchestra of twenty-five players is under the direction of Mr. Dunham, one of the foremost of American musicians, and leader of the famous Chicago Philharmonic Orchestra.

to the payments of GAINADAY and the saving soon pays for this Washer-Wringer which washes and wrings clothes with more than human care. GAINADAY washes everything washable, blankets, sheets, laces and woollens, everything which makes up the family wash—turn the switch on, swing the wringer over the clean basket and they are ready for the line.

Telephone or call any of the following stores of the Edison Electric Illuminating Co. of Boston and tell them you wish to have a Gainaday placed in your home on ten days' free trial. When you buy it, you have a year to pay for it.

Boston, 39 Boylston St.; Beach 3300 Roslindale, 752 South St.; Bellevue 580 Arlington, 647 Mass. Ave.; Arl. 550 Brookline, 1334 Beacon St.; Brookline 3350.

Chelsea, 275 Broadway; Chelsea 48 Framingham, Union Ave.; Framingham 650.

Natick, 8 North Ave.; Natick 350 Needham, 980 Great Plain Ave.; Needham 130.

Newton, 311 Centre St.; New N. 184 Somerville, 4 Holland St.; Somv. 81 Waltham, 83 Moody St.; Wal. 1840 Winchester, 555 Main St.; Win. 1250 Woburn, 395 Main St.; Woburn 328.

Remember it costs you nothing to try GAINADAY for ten days, and it pays for itself every time you use it. Don't wait to come in town—use your phone. If you do not live near one of these Edison stores communicate with John W. Lockerbie, 372 Boylston St., Boston.

CITY OF NEWTON Forestry Department

NOTICE TO PROPERTY OWNERS

You are hereby required on or before November 15, 1919, to destroy the gypsy and brown tail moths on your property in this City.

This notification is in accordance with Chapter 381, Acts of 1905, and the amendments thereto, which requires cities and towns to destroy the eggs, caterpillars, pupae and nests of the gypsy and brown tail moths under heavy penalty for failure to comply with the provisions of the law.

If a property owner fails to destroy such eggs, pupae and nests, then the city or town is required to destroy the same, and the cost of the work, in whole or in part, according to the value of the land, is assessed upon and becomes a lien on the land. (See Section 6, of said Chapter 381, and amendments thereto.)

**The City Will Perform All
Winter Moth Work Unless
Otherwise Notified by Prop-
erty Owners.**

Full instructions as to the best methods of work against the moths may be obtained from the Forestry Department, City Hall, or from the State Forester, State House, Boston, Mass.

Work done by contractors should be inspected and approved by the Local Superintendent, before payment for the same is made.

CHARLES BENYON,
Acting Forest Commissioner.
This notice is issued by order
of Edwin O. Childs, Mayor.

Get Married ON THE STAGE WED. NOV. 12 AT GORDON'S CAMBRIDGE CENTRAL SQ. THEATRE —AND RECEIVE— \$300. BEDROOM SUITE FREE

NEWLYWEDS-TO-BE

Here's Your Opportunity to set the date ahead a few days and receive a wonderful gift for doing so:

Get Married Wednesday, November 12th, on the stage of Gordon's Cambridge Central Square Theatre, and receive a \$300. Bedroom Suite free.

That's the story—now read on—Through the courtesy of the H. W. Berry Company and the management of Gordon's Cambridge Central Square Theatre, arrangements have been made to donate a handsome Bedroom Suite, valued at \$300, to the couple who will be married on the stage during the regular performance

on Wednesday evening, November 12th. At least one of the contestants in this matrimonial offer must be a resident of Cambridge.

Now then, Bride and Groom, set your date ahead a few days and get this wonderful gift free. In placing yourselves before the limelight, you will be doing this with the showing of Viola Dana in her master production "Please Get Married", which is to be shown at this theatre on November 10th, 11th, and 12th.

Get in touch with Mr. J. Sayer, resident manager of Gordon's Cambridge Central Square Theatre, today and leave your intention application with him.

Newton Centre

—Mr. Otis S. Phillips of Morton street has bought the property at 50 Beacon street.

—Miss Lillian Dwyer of Beacon street is spending a ten weeks' vacation in Ringe, N. H.

—Mrs. W. C. Brooks of Laurel street has returned from the Colonial Inn, Woodstock, Vermont.

—The Newton W. C. T. U. met at the house of Mrs. E. W. Varney, 34 Tyler terrace, on Thursday.

—Miss Elsie Putnam of Langley road, left last week for Troy, N. Y., where she will stay a month.

—Miss Gertrude May Whitaker of Commonwealth ave. has gone to Pittsburgh, Pa., where she will stay for a few weeks.

—Mr. and Mrs. L. B. Dowley of Hancock avenue, announce the engagement of their daughter, Muriel, to Mr. Stanley W. Merrill, of Sumner street.

—Mr. and Mrs. Samuel Holmes of Seaford, Ontario, announce the engagement of their daughter, Eva Kathleen, to Mr. Chester M. Jones, of Gray Cliff road. He is a Williams College man, class of 1913.

—The Red Cross House will be open every day except Saturday from 9 to 5. Basket lunch, with coffee and doughnuts, furnished at a nominal price. Four hundred garments for refugees is the final Red Cross quota for the Newton Centre Branch. It is desired to finish the work by Thanksgiving. This is the end of the Red Cross sewing.

—Sunday evening at the Methodist Church at 7 P. M. there will be a special musical service consisting of a violinist, Dole d'Amour, and a harpist from the Boston Symphony Orchestra, accompanied by Professor Harris Shaw, organist. At the close of the hour of song, the Rev. James E. Wagner will deliver a short address. The public is cordially invited.

—The United Church has formed a branch of the Layman's League with the following as officers: Mr. Robert Clark of Newton Highlands, president, Mr. Arthur Lewis of Parker street, vice-president, Mr. Edgar Libby of Commonwealth avenue, secretary. The League is to hold a series of special meetings beginning November 30th and continuing for a week.

CENTRAL SQUARE THEATRE

"Please Get Married" is the intriguing title of the Screen Classics, Inc. photo production starring dainty Viola Dana, that is booked as the feature attraction at the Gordon's Cambridge Central Square Theatre, Monday, Tuesday and Wednesday.

There will also be five all-star vaudeville acts, including, Dale and Burch; Page and Gray, comedy talking and singing act; Technow's Cats, an unusual animal offering; Dixie Duo, an original singing and piano act; and the Four Cliffords in a singing and dancing act entitled "Jazzing Them Up."

On Thursday, Friday and Saturday there will be an entire change of vaudeville and photoplays, featuring Pauline Frederick in "Bonds of Love."

FATAL ACCIDENT

Phillip Pierce, the nine-year-old son and only child of Mr. and Mrs. C. W. Pierce (formerly Mae Sculley of Newton Centre) of Northern Maine Junction, died at the Eastern Maine General Hospital in Bangor, Saturday morning in consequence of injuries received the day before when he was struck by an automobile. Funeral services were held on Tuesday morning at St. Mary's Catholic Church, Bangor.

GRAND BALL

The Newton Police Benefit Association will hold its sixth grand concert and ball at the State Armory, West Newton, next Wednesday evening, November 12.

Auburndale

—The Men's Bible Class of the Congregational Church has increased to 60 members.

—Miss Sarah Estabrook has moved into the old Estabrook house on Woodland road.

—The Walker house number 107 Hancock street has been leased to Mr. Ralph Davis.

—Mr. and Mrs. Garfield E. Moreck of Newell road left Saturday for a trip to Cleveland and Chicago.

—Mr. and Mrs. J. Cilly of Auburn street have returned from a trip to Hanover, N. H. and Hartford, Vt.

—The John L. Stone House on 297 Auburn street has been bought by M. A. Theiling. Thomas Conley has also moved into the house.

—Money deposited in Auburndale Co-operative Bank goes on interest monthly. Interest is compounded four times a year. Last dividends at rate of 5 1/2 per cent. adv.

—Lieut. Harry H. Shaw of the Charlestown Navy Yard has taken the Higgins house on Woodbine street for the winter, while Mr. C. W. Higgins and his wife have gone to Chicago to spend the winter with their son.

—The Mothers' Association of the Congregational Church was held Wednesday afternoon, at 3 o'clock, in the Episcopal Church. The speaker was Miss Alice Jordan, head of the Children's Department of the Boston Public Library.

—On Tuesday evening there was a meeting of the Newton Circuit of the Epworth League at the Methodist Church. Dean L. J. Birney of Boston University Theological School was the speaker. There was a special reception for the men who have been in the service.

—Mr. Frederick Crosby Allen of Auburndale is one of the winners of the Allis scholarships in the Yale Divinity School. He is a graduate of Amherst College in the class of 1916, and is a member of the senior class in the Divinity School. The Allis premiums are awarded annually for generally high scholarship.

—Dean Johnson Almy formerly a lieutenant in the U. S. A. and more recently a member of Company A, 11th Regulars, M. S. G. has been appointed second lieutenant of the M. G. Company, 11th Regular and is attached to the headquarters company as Ordnance Officer. Lieutenant Almy received his military training at Norwich University and Plattsburg. He has been on duty with the 11th Regiment since the beginning of the police strike in Boston.

—At the annual meeting of the Congregational Society of Auburndale, held in the chapel on Tuesday evening, the following officers and committees were elected for the ensuing year: Clerk, Charles E. Almy; treasurer, Fred R. Miller; collector, Warren Conn; auditor, Waldo W. Cole; standing committee, Will C. Eddy, Mrs. George D. Harvey, Chauncey B. Conn; pulpit supply committee, Frederick J. Ranlett, Dr. Guy M. Winslow, Dr. George E. Martin; music committee, Henry G. Hildreth, Mrs. Arthur C. Farley; committee on pew, Henry G. Hildreth, Olin F. Herlick, Fred R. Miller (ex officio); finance committee, George F. Howland, Chas. P. Darling, Charles H. Hunter, Frank L. H. Nason, Charles A. Brown, Mrs. George D. Harvey, W. Kirke Corey, Mrs. Edward J. Frost, Dr. Eugene U. Ufford.

LODGES

At the meeting Monday night in Dennison Hall, Newtonville, of the Daughters of Isabella, Rev. William J. Farrell, formerly chaplain with the 103d in France, gave an interesting talk on his overseas experiences. Rev. John F. Keleher also spoke. Walter Kearns and John Barwise offered several song selections.

Newton Lodge of Odd Fellows will hold a whist party next Monday evening at their lodge rooms, Nickerson Block, West Newton.

Newtonville

—Rev. and Mr. M. H. Lichter are now at home at 197 Walnut street.

—Mrs. Edward D. Van Tassel of Newtonville avenue is spending the week in New York.

—Mr. William F. Kimball has leased 367 Newtonville avenue to Mr. William M. Crichtett.

—Four new members were received in the Central Church at the morning service last Sunday.

—Last Sunday flowers were presented to the Central Church as a memorial to Mr. Howard Mitchell.

—The Woman's Guild of St. John's Church met Tuesday with Mrs. H. H. Ballard, Jr., of Mt. Vernon terrace.

—The Woman's Auxiliary of St. John's Church is working on Mondays for a Christmas box to be sent to Arden, N. C.

—Do not forget the Pop Concert and Dance at Temple Hall tomorrow night for the benefit of the Parish House of St. John's Church.

—The Young People's League of the Church of the New Jerusalem will give a dance in the church parlors on Monday evening, preceding Armistice Day.

—The Clafin Club of the Methodist Church have organized 12 bowling teams and are to have matches twice a week beginning the first of the month.

—The Epworth League of the Methodist Church will hold its business meeting next Tuesday at 8 P. M. at the home of Miss Esther Smith, 33 Beaumont street.

—The Newton Club held a Halloween dance last Friday night that was greatly enjoyed by all who attended. The club is to give a tea dance on Armistice Day.

—The Woman's Association of Central Church will hold a sale next Wednesday and Thursday at the church. On Thursday there will be a supper given by the men of the church.

—The next meeting of the Q. M. Club of St. John's Church will be held on November 10th at 7 P. M. at the church. The club has a fine president in Mr. Robert M. Irwin, and it is earnestly desired to make this year a huge success.

—The first meeting of the Men's Club of St. John's Church was held at the home of the Rev. Richard T. Loring, last Monday. Mr. Earl G. Manning spoke on "A suggested distribution of the home budget in relation to the present cost of living."

—Clarissa S. H. Chapman has bought the property known as the Hall estate at 36 Beaumont avenue, consisting of a large stone and frame mansion house, and 107,248 feet of land. The total tax value is \$28,300, of which \$13,300 is on the land. James M. Clark is the grantor.

—The following people are to receive all contributions for the Food Sale for the benefit of the Lynn Neighborhood House to be held in the Boston Church of the New Jerusalem of November 14. Mrs. Carl T. White, Mrs. E. D. Robb, fancy work, Mrs. E. M. Ransom, food, Mrs. E. M. L. Gould, candy.

—The Aces Club of Central Church has organized for the year with the following officers: President, Stanley H. Lyon; vice-president, Robert C. Strong; secretary-treasurer, Raymond D. Leonard; adult leader, W. H. Sears. The club meets in the Tower Rooming at 10 o'clock each Sunday morning. A cordial welcome to its membership is extended to all the older boys and young men of the church.

—The date for the sale given by the Woman's Association, Central Church, is changed from November 10-11, to Wednesday and Thursday, the 12th and 13th. As large committees under industrial chairman have been at work all summer and fall, preparing for this sale, great success will be assured. The men of the church will take complete charge of a supper, Thursday evening.

—The Ladies' Aid Society of the Universalist Church will hold its regular meeting in the Parish House on the afternoon of Thursday, November 13th. Business meeting at 3 o'clock. Supper served at 6:30 o'clock. There will be an entertainment in the evening, followed by dancing. The ladies are planning for a two days' Fair to be held the second week in December, at which all the regular tables will be found, and supper will be served both nights.

—The Young People's League of the Church of the New Jerusalem met Monday at the home of Mrs. C. B. Willey on Linwood avenue. It was decided to form two groups: "League," and the older group, about eighteen in all, to form a club for the discussion of timely subjects. Mr. R. B. Carter was chosen temporary chairman of the older group. The next meeting of this group will be at the home of Mrs. E. D. Robb, Grove Hill avenue, on November 17th. The discussion will be on "Moving Pictures and their Influence on the Community."

TEACHERS' SALARIES

A petition has been submitted by the Newton Grade Teachers' Club to the Mayor, Board of Aldermen, School Board and School Superintendent of Newton. This comes as no surprise to Newton citizens who know from personal experience the financial problems of the present day.

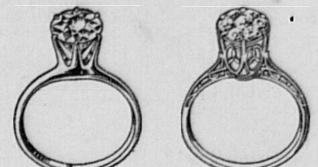

The petition reads as follows:—The members of the Newton Grade Teachers' Club urge immediate and serious consideration of the present financial needs of the Elementary Teachers of Newton.

Economic conditions are such that the present salaries are decidedly inadequate to meet living expenses. In spite of the extra increase of \$50, last year, approximately 30 per cent. of the Newton Grade Teachers now receive less than \$1175. Although the maximum voted last year was \$1300, no grade teacher in the city is now receiving \$1200. This makes the average wage, in terms of 1914, about \$550.

We therefore request a \$600 increase in the salary of every Elementary Teacher in the Newton schools, this increase to date from September, 1919.

Opposite Newton R. R. Station

MUSICAL SERVICE

At the Newton Methodist Church next Sunday evening at 7:30 the following musical service will be given by Mr. Di Natale, first violin, Mr. Robert Gunderson, second violin, Mr. Vladimir Berlin, viola and Miss La Palma, cello.

Andante from the Unfinished Symphony Schubert

Canzonetta Mendelssohn

Legende (Mr. Di Natale) Wieniawski

Andante Cantabile Tchaikovsky

Intermezzo sinfonico Mascagni

Elegie (Miss La Palma) Massenet

Humoresque MacDowell

To a Wild Rose Bocherini

Prize-Song, from "Meistersinger" Wagner

GIVEN D. S. C.

John R. Manning, a Newton boy who stayed on the line in Bois de Boutherville and set up his machine gun after he and it had been "sprayed" by a bursting shell and both were considerably the worse for the encounter, received the distinguished service cross. The decoration was recently attached by Major Frederick B. Shaw, recruiting officer of the army, at the recruiting tent on the Common.

Manning, who lives at 233 Walnut street, Wellesley, was a private in company D of the 342d machine gun battalion of the 89th division. The citation which Major Shaw read sets forth that Private Manning, "wounded in the face, head and waist by a bursting shell in the Bois de Boutherville, continued to perform his duties, setting up his gun, which was partly buried by debris, replacing the damaged parts. Through his efforts the gun was put in action again in a few minutes and by his bravery he restored the equilibrium of his company."

HALLOWEEN PARTY

Newton Lodge of Elks held a most successful Halloween party last Friday night in their rooms in Eliot Block, Newton. There was a most excellent entertainment given by a violinist, Mr. C. Axel Collins rendered several tenor selections, Miss Lyons was capital as a reader, and Mr. and Mrs. Collins of Boston gave some clever impersonations.

The prizes for the best costumes were awarded to Miss Helen Kinchin, as a clown, and Miss Helen Goodrich, as Red Riding Hood. Dancing followed until a late hour.

The committee in charge consisted of Messrs. George P. Flood, Bancroft L. Goodwin, Harold Moore, and O. J. McCourt.

MATERNITY

Gowns, Dresses, Skirts, Blouses, Corsets, Brassiers, and Ruffles.

We confidently feel that the true reason for the success and steady growth of this shop has been due to a quiet and dignified atmosphere that aims to particularly satisfy women looking for such garments as we carry.

Miss Creed
7 Temple Place,

EDITORIAL

Much to our surprise the voters of Newton were in no mood to grant a two platoon system for the Newton Fire department. Whether this was caused by the greater need of granting more salary to our school teachers or because it was a matter which ought to be handled exclusively by the city government, we are unable to say, but we are glad that the people, as a whole refused to grant this concession at the present time. We still believe that the firemen at some time, we hope in the near future, will obtain this privilege from the city government, but until the tax-payers can absorb the tremendous burden which the pending increase in teachers' salaries will impose, nothing but absolutely necessary expenses should be authorized. We wonder if our readers understand just what the proposed increase in teachers' salaries will impose on our taxpayers. If the request just received from the school committee for \$75,000 for increases from Sept. 1 to Dec. 31 is granted, and carried along throughout 1920, about \$300,000 will be added to our tax levy for that year, and which will amount to about \$4.00 on the tax rate. We believe that the school teachers should have the first call, and that the greater part, if not all of their request should be granted. To add something like \$40,000 more to the cost of the Fire Department, merely to allow the men a few hours less duty, can very well wait. In the meantime we hope the firemen will ask the city government to increase their salaries to the figure now paid the police and feel sure that the men would much prefer the money to the time.

Let us not be carried away with the apparently popular notion that the great verdict for law and order on Tuesday was due to the turning over of many Democratic votes to Governor Coolidge. An analysis of the votes cast in Newton does not bear this statement out. Mr. Long received within 125 votes of his total in 1918 and received a much larger vote than the other Democratic candidates on the state ticket except the state treasurer. The Democratic precincts in Newton gave Mr. Long substantially the

"At Home"

Since 1830

It is almost ninety years since the Boston Transcript made its first home run, and it has been running home ever since.

The Transcript is a business man's paper; it frequents the financial districts; it is a fixed institution in educational circles; but first of all and most lasting of all it is a HOME newspaper.

Under the family lamp it is much more than a newspaper. It is a good magazine. This is particularly true of the Wednesday and Saturday issues.

If you are one of the few good advertisers who are not "At Home" with the Transcript, look through its pages and see what good company you are missing.

GET THE BEST

The NEW EDISON

"The Phonograph with a Soul"

the only phonograph which has successfully met the tone test, the test of direct comparison with the living artist. To achieve this result it cost \$3,000,000 in experimental work.

Whichever one of the famous NEW Edison models you choose, you are sure of securing the last word in phonographic perfection, attained only after the unlimited application of treasure and genius on the part of the illustrious Edison.

same vote as last year, and even the Chestnut hill precinct where, if anywhere in the city, the turnover should have been marked, Mr. Long lost only 14 votes. The great result on Tuesday was due to the coming out of the reserve Republican vote and to nothing else.

The citizens of Newton did themselves proud on Tuesday when over 7200 votes were cast and Governor Coolidge and the principles of real Americanism for which he stood were given a plurality of nearly 3500 votes, about double the vote received by the Democratic candidate. It was a great day for the average American who is sick of strikes and riots and all kinds of demagoguism, and when more real Americans realize their strength some of these self constituted leaders of all kinds of trouble will be taught their place, and it won't be in the lime light, either.

The Red Cross membership campaign is not progressing very favorably in this city and every one should wake up and take such an interest that it will go over the top with a whoop like every other drive in Newton. If a solicitor doesn't call on you, hunt one up. You can show your pride in what the Newton Chapter of the Red Cross has done in no better way than to continue your membership, if already a member, or by becoming one, if you are not.

The editor is greatly honored in his election as a representative from this city to the Legislature and is doubly honored at the opportunity to serve under such a leader as Governor Calvin Coolidge.

On account of the unexpected volume of advertising at the last moment, we will postpone several interesting articles until next week.

BOARD OF ALDERMEN

Routine business was transacted at the regular meeting of the aldermen Monday evening. President Harriman was in the chair and the number of absentees was unusually large, including, Aldermen Morse, Heathcote, McCarthy, McAuslan, Spaulding and Clement.

There were many hearings, no one appearing on pole locations on Alameda road, Rockledge road, and Beacon street, on petition of W. A. Sweet to increase gasoline tank Washington street at Commonwealth avenue from 530 to 2,000 gallons, on a

sewer in Mason road and on the laying out of Eden avenue.

On the proposed further widening of Walnut street, north of Washington street from 60 to 70 feet, Mr. A. M. Lyon for the Newtonville Improvement Association, Mr. Horace W. Orr, Mrs. David E. Baker, and Mr. Charles E. Gibson of the Planning Board spoke. Messrs. Lyon and Orr agreed that a physical widening to 70 feet through the Dennison property and a 60-foot widening with a building line 10 feet further, as far as Page road, would be satisfactory to them.

Six jurors were drawn for service in the Civil and Criminal sessions at East Cambridge, on November 10—they were Thomas Mellor, Bridge street, George A. Frost, Chestnut street, Simon A. White, Hawthorn street, Andrew J. McGlinchey, Elm road, Stanley L. Blood, Boylston street and Robert S. Bowen, Parsons street.

Mayor Childs sent in the appointments of Frederick J. Ranlett and Joseph J. Murray as trustees of the Free Library in place of Messrs. William M. Bullivant and William D. Nugent, resigned. The appointments were confirmed.

The Mayor also sent in a large number of communications. Requests \$226.34 for Laborers' Pension for Patrick McGauley, \$100 for electric lighting at Stearns' School, \$200 for overtime, Engineering Department, \$6,110 for water mains on Beaumont avenue, Mayflower road, Albemarle road, Bulloughs Park, Holley road, and Commonwealth avenue, were granted. He also asked for \$200 for automobiles maintenance Health Department, \$500 for study preparatory for a new fire station at Auburndale, salary of \$1,000 for school nurses, \$75 for office expenses, Fire Department, and communications from the school committee requesting \$69,000 for teachers and \$6,300 for janitors' salaries for balance of the year.

The Street Commissioner reported that it cost \$1,612.21 to build Furber lane.

Petitions of Patrick Iadonisi for victualer license at 193 Adams street, Lillie & McCammon for second-class automobile dealers' license, W. J. Furber for first-class automobile dealers' license, Isabel B. Stevens for a private garage, Berwick road, the Edison Co. for relocation on Pulisier street, and attachments on Austin street, and the Telephone Co. for relocation on Trowbridge avenue were granted.

Other petitions were received from Charles Blakely for pool room 69 Elmwood street, E. J. Shirland, private garage, Carlton road, Foss et al for laying out of Brae Burn road, Bond et al for laying out of Oak avenue, Ward et al for improvements on Grant avenue and Prentice road, T. J. Maloney for bowling alleys, 855 Washington street, Giovanni & Geraci for pool room 6 Hartford street, for surface drainage in Waban avenue, of the Newton City Employees' Union for a Saturday half holiday all the year, of the Telephone Co. for attachments on Ballard street, of L. I. Van Baskirk for private garage, and Mrs. E. P. Young for private garage on Glenwood avenue.

Windermere road was laid out under the betterment act at cost of \$4,160, sewers were ordered in Mason road, and Bailey place, a hearing ordered on a sewer off Pleasant street, curbing assessments levied on Cook street, Ward J. and Leonard granted to C. W. Henderson, Jr., for private garage, Hampshire street, R. S. Cummings, multiple garage, Washington street, John Dolan Co., private garage, Concord street, Russell L. Dana, private garage, Montvale road, W. H. Newcombe, private garage, Homer street, Amanda C. Freeman, private garage, Knowles street, A. C. H. Walker, private garage, Canterbury road, Fred R. Reid, two auto licenses.

The matter of a sewer in Mayflower road and gravel sidewalks on Beacon street, Waban were referred to the next city government.

Leave to withdraw was granted on petitions of J. A. Aharonian for a jitney license, Edward H. Gleason for public garage in Waban, Angelo Dinucci for pool room at Nonantum, and A. J. Jones for private garage, Omar terrace.

The Public Works committee reported it was inexpedient to take land from the Brackett estate to widen Centre place.

The report of the Finance committee that it was inexpedient to appropriate \$500 for expenses of Newton Post, 48 American Legion on Armistice Day was questioned, but the City Solicitor called in to explain that the board had no legal right to make such an appropriation. The City Solicitor was also called upon for an opinion on an order granting the World war veterans in the employ of the city a holiday on Armistice Day, and on his ruling that the board could not legally take action, the order was not pressed.

A committee consisting of Aldermen Fernald and Gooding, the Street Commissioner, City Clerk and City Engineer was appointed to permulate the lines between Newton and Waltham.

The salary of the Assistant Chief of Fire Department was fixed at \$2,100 a year from November 1st. It was voted inexpedient to construct sewers in Wiltshire road and court at the present time.

The special committee on Consolidation of Departments reported that it was unwise under existing conditions to disturb the present situation by a consolidation of all the departments, but it was impressed with the possibilities of greater efficiency and economy which would result from a consolidation of the Forestry Department with the Street Department and with the care of playgrounds placed in the hands of the Street Commissioner. The committee also recommended the establishment of the office of Purchasing Agent, responsible to the Mayor and confirmed by the aldermen, as it believed important economies would be effected in the city's purchases. The Rules committee was directed to prepare ordinances on these lines.

COLLINS, at Newton, Nov. 4th, Margaret Wilson Collins, wife of Mr. Frederick K. Collins, age 67 yrs. 11 mos. 27 days.

Newton Centre

—Federation Rummage Sale, Nov. 19-22.

Mabel Webster Hart has purchased over four acres of land near Suffolk road, adjoining the estate of Mr. C. S. Houghton, and will erect a modern house and garage.

Mr. Charles Wentworth of Lake avenue is enjoying the rest of the month at Laconia, N. H.

Miss Eva D. Smith of Homer street is spending a few days with relatives in Putnam, Conn.

Miss Alberta Marshall, who has been ill at her home on Centre street for the past week is able to be out.

Miss Martha Valentine of Langley road has gone to Provincetown, where she will visit with her parents.

Miss Carrie Louise Otis of Institution avenue has gone to Atlantic City for the rest of the winter months.

Mrs. Alfred Putnam has returned to her home on Morseland avenue, after visiting in Washington, D. C., for the past two weeks.

Next Sunday evening will be "Armistice Night" at Trinity Church.

General Cole, of the 26th Division will speak on "After the Armistice, What?"

Master George D. Preston, who has been confined to his home on Trowbridge street for the past few days with a slight attack of the grippe, is able to be out.

Next Sunday is Mr. Hamer's first Sunday at the organ of Trinity Church. For the prelude at the morning service he will play the Third Movement of Widor's Second Symphony.

The meeting of the Men's Club of Trinity Church next Monday night will be Ladies' Night. The subject will be, "Fashionable in Women's Clothes." The speaker will be Miss Dorothy Entwistle, who is Chief of the Woman's Division of the Advertising Department of Filene's. Refreshments will be served after the lecture.

PROBATE COURT.

To the heirs-at-law, next of kin and all other persons interested in the estate of James Cramp, late of Newton in said County, deceased.

WHEREAS, a certain instrument purporting to be the last will and testament of said deceased has been presented to said Court, for Probate, by Henry Joseph Cramp, who prays that letters testamentary may be issued to him, the executor therein named, without giving a surety on his official bond.

You are hereby cited to appear at a Probate Court, to be held at Cambridge in said County of Middlesex, on the first day of December A. D. 1919, at nine o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.

And said petitioner is hereby directed to give public notice thereof, by publishing this citation once in each week, for three successive weeks, in the Newton Graphic, a newspaper published in Newton, the last publication to be one day, at least, before said Court, and by mailing postpaid, or delivering a copy of this citation to all known persons interested in the estate, seven days at least before said Court.

Witness, Charles J. McIntire, Esquire, First Judge of said Court, this fifth day of November in the year one thousand nine hundred and nineteen.

—Where's your Red Cross button?
Federation Rummage Sale, Nov. 19-22.

—Auburndale Woman's Club Bazaar, Nov. 12-13. Toggery Shop, showing the newest hats, blouses, lingerie. Adv.

—The Newton Club bowling team won two out of three matches Wednesday night from the North Gate Club of West Newton.

—Miss Claire Maglinchee of Elm road has been awarded one of the Elizabeth Cary Agassiz scholarships at Radcliffe college.

—Miss Elizabeth Maxwell Jenkins entertained friends at a Halloween party at the home of her parents, Mr. and Mrs. George Jenkins.

—The library in this village will be open on Sunday afternoon from two until six until further notice. It will be closed Armistice Day, November 11th.

—Mrs. J. F. Carey recently of Washington park at present making her home with her daughter in Washington, during her service in the Naval Department, is visiting in Cambridge.

—Mr. W. H. Sears, adult leader, reports an enrollment of twenty in the newly organized Aces Club of Central church, meeting each Sunday at 10 A. M. in the tower room. All lads of High School age receive a cordial welcome.

—The first meeting of the Sunday Evening Club of Central Church, will be held Sunday, November 9th, at the Church at 7 o'clock. Mr. Litcher will be present and discuss plans with the club members for the coming year.

In spite of the raging elements, Wednesday, the Harvest Lunch of the Woman's Association, Central church, was attended by a very large number of members, and a royal welcome was extended Mr. and Mrs. Litcher who both gave cordial greetings and inspiring messages. Historical sketches and prospective hopes were interestingly given by Mrs. Eleanor Nagle, Mrs. Boyden and Miss Abby Miller and a generous offering was poured into the treasury, marking the Holidays and Holy Days since the May Birthday Party.

West Newton

—Federation Rummage Sale, Nov. 19-22.

—Mrs. M. E. Wadsworth of Highland avenue is convalescing from her recent illness.

—Miss Ethel C. Howland of Chestnut street has returned from a visit in Connecticut.

—Mrs. William E. Barrett and daughter, Miss Florence E., of Temple street, are in New York city for a few weeks.

—Mr. F. S. Blodgett of Hillside avenue has purchased the Webster estate, corner Prince street and Bonad road for his own occupancy.

—Capt. and Mrs. R. W. Smith, recently married in the South have moved into the Boutell House on Berkeley street for the winter months.

—The library in this village will be open on Sunday afternoon from two until six, until further notice. It will be closed Armistice Day, November 11th.

—Last Sunday a fire alarm was rung from Box 35. The fire was in the house of Mr. Cheever Fuller, 22 Shaw street. The cause was unknown.

—At the next meeting of the Opportunity Club at the Second Church, Sunday evening at 7:30 an envelope will be opened which contains the answers made by members of the society in secret January, 1916, of their prophecy as to the date of the ending of the war, victors in the war, next President of the United States, question of national prohibition, and other interesting matters.

—Miss Maxine Lamson of Highland street gave a Halloween Party last Friday night. The party was held in the garage which was attractively decorated with pumpkins, Japanese lanterns, witches, etc. Lunch was served to twenty guests in the dining room in the garage building. Table decorations were appropriate. There were games and dancing. All who came had a delightful time.

Newtonville

—Clair T. Leonard, a freshman at Harvard, has been awarded a scholarship from the Price-Greenleaf fund.

Say it with Flowers

ARMISTICE DAY November 11, 1919

R. C. BRIDGHAM, Proprietor

329 NEWTONVILLE AVE., NEWTONVILLE, MASS.

Flowers delivered in any part of the United States or Canada

will be celebrated as the first anniversary of the signing of the Armistice, and the

FLORIST'S ASSOCIATION of Boston have voted to make the week of November 10th A FLORAL WEEK, having as its principal feature the free distribution of flowers to the Hospitals on Armistice Day—Mr. Bridgham, Proprietor of the

Newton Rose Conservatories, of Newtonville,

as a member of the Association, and wishing to co-operate to make FLORAL WEEK a success, extends a cordial "Welcome" to the citizens of all the Newtons to visit the Conservatories during "Floral Week." Nearly ten thousand Chrysanthemums will be in bloom, and is a sight well worth a visit.

West Newton

—Where's your Red Cross button?

—The Game Club meets tonight, Friday, with Mr. and Mrs. W. W. Harrington of Elm street.

—Mr. and Mrs. E. W. Pride of Temple street are in Washington, D. C. for a visit with friends.

—Armistice Sunday will be observed in the Second Church next Sunday with patriotic exercises.

—Buy your Thanksgiving mince meat at the Jumble Shop, Auburndale Woman's Club Bazaar, Nov. 12-13.

—In the Newton League Bowling on Wednesday night, the North Gate team lost two matches to the Newton Club.

—The first meeting of the New England Wheaton Club will be held Saturday at the Vendome. Rev. J. Edgar Park of West Newton will speak on "The Irish Question in International Politics."

Auburndale

—Federation Rummage Sale, Nov. 19-22.

—Mr. John Fraser of Bourne street has gone to Santa Barbara for the winter.

—Mr. Walter H. Beale of 297 Lexington street has taken the Conley House on Melrose street.

—Mrs. Jennie Gratto of Ash street was called suddenly to Nova Scotia because of the death of her mother.

—Visit the Gift Shop. Make Xmas shopping easy and reasonable. Auburndale Woman's Club Bazaar, Nov. 12-13.

—Mr. C. W. Higgins and family of Woodbine street leave today for Chicago. Mr. Higgins has rented his house to Mr. Henry Shaw.

—The library in this village will be open on Sunday afternoon from two until six until further notice. It will be closed Armistice Day, November 11th.

—Miss Nellie Whalen of Melrose street was married last week to Mr. Arthur Ahern of West Newton. The couple had many beautiful presents and have gone to New York for a short trip.

—Mrs. Nelson Freeman and Mrs. Dr. Hall gave selections from Italian Music at the Review Club on Tuesday playing Tamerlano and other overtures, especially appropriate to the Italian morning.

—Mrs. Frank W. Upham, formerly Miss Elizabeth Paddock was in town visiting friends last week. She is now settled at Northampton where her daughter Miss Frances is just entering her second year at Smith College.

—Mr. and Mrs. Albert Stoessel have gone to New York, where they are to engage in musical work. Mrs. Stoessel is a real loss to the village, where she has often given pleasure with her violin, and also to the West Newton Music School, where she has been a devoted teacher.

—The smoker at the Auburndale Men's Club last Saturday evening in spite of the rainy weather, was very well attended and it was a very interesting occasion. The address by Hon. Charles G. Bailey was of a patriotic nature and was well received. The entertainment committee for the occasion was composed of six members, Messrs. Conn, Spaulding, Rev. P. M. Wood, Hancock, Crosby and Hutchins.

—The Halloween Party at the Church of the Messiah last week was a crowded affair and much amusement was created by the funny stunts required. Squash pie eaten with the hands tied behind them, doughnuts and apples hung from the ceiling to be eaten in the same way, blowing out candles blind folded, all added to the fun. Refreshments were served consisting of doughnuts, cheese, coffee and cocoa. Mrs. Heibek and Mrs. Coulson were the ladies especially in charge assisted by Messrs Heckman, Dunlop, Turner and Rogers.

Auburndale

—Where's your Red Cross button?

—Miss Hope St. Amant has entered Smith College.

—Mrs. Hiram Forbes of Newtonville has moved to Wolcott street.

—Mr. C. O. Taffe is moving into the Tange block on Perry avenue.

—Mr. P. F. Conley is moving from 167 Melrose street to Bourne street.

—At the annual meeting of the Congregational Church on Wednesday there was an attendance of about 400 in spite of the weather.

Upper Falls

—Federation Rummage Sale, Nov. 19-22.

—Mr. Martin Lynch has recovered from an attack of grippe.

—Miss Alice Claire has recovered from her recent illness, and is now on the road to recovery.

—Miss Sara MacDonald and Miss Ada Lucas, have returned from a week-end spent at Rockport.

—Mr. Frank Meehan and family have removed to their recently purchased home on Hale street.

—Mr. Ellis O'Hara of Elliot street and family are now located in their recently purchased home on High street.

—Mr. Quacquarello of Cambridge, has removed to the former home of Mr. Motherway on Petee street, Upper Falls.

—Miss Mabel Riley and Miss Margaret Cobb, are the visitors at the Stone Institute during the month of November.

—Mr. John F. MacDonald of Hale street was the guest of Sergeant George Coughlin of Roslindale, last Wednesday evening.

—Mr. John J. Lynch and Mr. William Walker, are two boys who are helping to secure subscriptions for the Red Cross Roll Call in this village.

WOMEN'S CLUBS

GRACE M. BURT, Editor.

Teachers' salaries, adequate ones, ones that will allow them to pay their running expenses without drawing upon previous savings or go into debt and thereby enable them to maintain their self-respect, are now the burning question. As is already well known, for much has been in print of late, the demand for teachers is far beyond the supply, that is of well qualified ones, and the shortage is increasing rather than decreasing. Why? For the simple reason that there is not enough money in it to attract the enterprising person who desires to bring up a family and give them the opportunities which a cultured man desires his children to have. But how about the college girls? They are going, says a president of one of the leading women's colleges, into social service work instead, for many of them likewise have dependents to look out for. This same president says a business man thinks nothing of employing a 10,000 or a 20,000-dollar man to care for his investments, but is content to put the training of his children in the hands of 600, 800 or 1000-dollar woman. Another president is quoted as saying that he hoped the shortage of teachers would go until it becomes so acute that the matter of salaries will be brought down to a plain business basis. The school committee of Newton is trying to have justice done our own teachers. Let us hope that the aldermen may find the way to do it speedily.

SHUT-IN SOCIETY FAIR

The Shut-In Society is encouraging its invalid members to do all they can towards self-support. To help them in this way, the Massachusetts Branch will hold a sale of their work in Myers Hall, Tremont Temple, on Wednesday, November 12, from 10 A. M. to 6 P. M. A great variety of articles will be on sale, from the finest needlework to hand-carved mahogany desk sets. Some beautiful fancy work is contributed by one who cannot sit up but is obliged to do all her work lying down. A paralytic in a wheel chair but who still has the use of his hands will display evidences of his skill. Some of the blind members have sent in articles of remarkably creditable workmanship.

Will not all those who are interested in helping to render the handicapped self-supporting make a special effort to attend this sale? Every cent of money paid for articles will go to the workers, as the expenses are already provided for. There are several members of the Society in Newton.

Donations of money will be welcomed. Those can be used to purchase what can later be sent as Christmas presents to other Shut-Ins. Thus two good objects can be attained at the same time.

Mrs. Isaac O. Rankin, 69 Centre street, Brookline, is the president and Mrs. John H. Sturges, 154 Brattle street, Cambridge, is the treasurer of the Massachusetts Branch.

STATE FEDERATION

Thursday, November 13, Autumn meeting of the Massachusetts State Federation in Porter Church, Main street, Brockton. Morning session opens at 10 o'clock. Chancellor McGown of the International College at Springfield will speak on "Americanization." Mrs. Herbert J. Gurney, director of the Bureau of Women's Organizations for Massachusetts, which is affiliated with the First Federal Reserve District of the Treasury Department, will speak on "Thrift." Mrs. Bertha Papazian of "Conditions in Armenia." Mrs. George W. Perkins has been invited to bring a message from the General Federation and it is hoped to hear from some of the "over-seas girls."

At 2 o'clock Col. Harold W. Jones, Medical Corps, U. S. A., will speak of "American Hospital Centres in France." A report of the New England Conference held recently at Portland, Me., will be given by Miss Agnes L. Dodge, corresponding secretary of the State Federation. The Woman's Club of Brockton, which is the hostess, is planning a number of pleasant things for the delegates. Each club is entitled to two white tickets insuring reserved seats, while fawn colored tickets must be presented for general admission. A limited number of luncheon tickets at 60

cents each may be secured by sending check and stamped addressed envelope to Miss Marion Swift, 28 Hillcrest avenue, Brockton. Train leaves South Station, Boston, at 8:40 A. M.

LOCAL ANNOUNCEMENTS

Saturday, November 8, the Newton Highlands Shakespeare Club meets with Miss Mary L. Sweeney, when the reading of King John which was begun at Mrs. Mick's at the first meeting, will be continued.

On November 10 the Travel Class will meet at the home of Mrs. Chester S. Jennings, Riverdale road, Wellesley Farms.

The Newton Parliamentary Law Club, which would regularly meet on Tuesday morning, has postponed the meeting one week on account of Armistice Day.

Mr. Hugo Elliott will give an illustrated lecture on "Art Treasures of the Boston Museum of Fine Arts," for the Woman's Club of Newton Highlands in Lincoln Hall, on Tuesday, November 11, at 2:30 P. M. As this will be Armistice Day there will be community singing, and members' children over ten years of age may attend if accompanied by their parents.

On Wednesday morning Miss Mabel Frost of the Women's Municipal League, will open the course on "Americanization," before the Social Science Club with a talk on "The Government Program for Americanization."

Mrs. Nathaniel Thayer will address the Newton Community Club on Thursday, Nov. 13, at 2:30, on "Reconstruction Work in France. Mrs. Thayer, who was chairman of the Massachusetts Division of the Woman's Committee of the Council of National Defense, during the period of the war, has recently returned from visiting France and has first-hand information of great interest. The members have a rare privilege of hearing her as she is not speaking generally before the clubs.

There will be an unusual treat at the "Open Night" of the Auburndale Woman's Club, on next Tuesday evening, November 11 at 7:45 P. M., in the Congregational Church. Maude Ballington Booth, the celebrated lecturer will speak on her Works in Prisons and Overseas. She will be preceded, by an organ recital, by Bertha Reed Lytle, organist of the Congregational Church, Fair Haven, who is a well known musician, and whose organ playing is marked by delicacy, strength, and capable execution. Book exchange open at this meeting.

The bazaar to be given by the Auburndale Woman's Club, for the Philanthropic Fund, in the Methodist Parish House, November 12-13 promises to be of unusual interest. Featuring a Toggery Shop, Jumble Shop, Kiddie Koop, Household Helps, Book Stall, Silhouette Booth, Gift Shop, Candy Kitchen, Apron Bag and Favor Shops. Low prices will prevail. Luncheon will be served Wednesday at 12:30 P. M. A play at 3:30 P. M. On Thursday a supper at 6:30 P. M. Play at 8:30 P. M.

Mrs. William C. Crawford will open her monthly course of lectures upon Current Events before the Newton Centre Woman's Club on Thursday, November 13, at 10 o'clock.

The dramatic committee of the West Newton Women's Educational Club will present the play, "Rebellious Jane," at Players' Small Hall on the evening of November 13.

At the regular meeting of the club on Friday afternoon, November 14, the Art committee, Mrs. Ellen F. Reed, chairman, is in charge of the program. There will be music and a tea.

The Newtonville Woman's Club is very much alive in its plans for the year. A class in Current Events is already arranged and will be conducted this year by Mrs. J. Harry Poole, who is a very fluent, easy speaker and well qualified to treat of the topics of the day. The first meeting, which will be free to all club members, will occur on November 25.

The Art Class has its program already arranged, details of which will appear later in this column. The dramatic committee is making plans for the annual play.

Monday's meeting of the Newton Highlands C. L. S. C. was held with Miss Harriet M. Ward. Mrs. S. Edgar Wheeler discussed Ed. W. Lippman's book, "Drift and Mastery," saying that while it was published before the war, it was prophetic of many things which we are meeting at the present day, it being an attempt to

diagnose the current unrest. Democracy, he defines, as a way of life. He feels that at present democracy is drifting and has not found its way of life. Refreshments were served during the social hour.

"Alaska" was the subject considered by Mrs. W. M. Mick and Mrs. G. M. Stone at the meeting of the Monday Club of Newton Highlands held at the home of Mrs. F. S. Fairchild on November 3rd.

Mrs. Robert Chapman, Mrs. Herbert Andrews, Mrs. Charles Benson and Mrs. Albert Mann were the hostesses for the monthly meeting of the Newton Mothers' Club held at Mrs. Chapman's home on Beaumont avenue on Monday afternoon. At the business meeting there were interesting reports of plans of work of the various committees, after which Miss Grace E. Miller, social medical worker at the Newton Hospital, told of her preventive and constructive work among the children. She feels in common with all social workers that emphasis should be placed upon the preventive work in childhood rather than letting things go to be cured in adult life. Following Miss Miller, Mrs. Amy Ford Everall, superintendent of the State Industrial School for Girls at Lancaster, gave an enlightening account of the work of that institution. A social hour with tea closed a profitable afternoon.

Mrs. Frank Hunting was elected first vice-president of the Woman's Club of Newton Upper Falls at the meeting on Monday evening. The program consisted of the reading of "The Fortune Hunter," by Edwin M. Whitney. Mr. Whitney gave a fine presentation, being particularly good in his impersonations.

Community singing is a feature of all the meetings of the Newtonville Woman's Club. At the meeting on Tuesday Mrs. A. L. Wakefield was in the chair. Dr. Earl Barnes, who has been giving a course of lectures before the Newton teachers, was the speaker of the afternoon. His very fine presentation of the subject of "State Control of Ideas or the Advantages and Dangers of Free Speech," was much enjoyed by all who heard him, as was testified to by the earnest discussion which followed. As this was the closing lecture of the course a large number of teachers were present as well as club members.

The Waban Women's Club opened its 24th year on Monday afternoon, November 3rd. The president, Mrs. Susan D. Arnold, welcomed the members, emphasizing the idea that each member give as much as possible to the club, instead of only thinking of being entertained, so that the club will have a successful winter.

Mrs. William Lloyd Garrison, Jr., spoke of the work of the West Newton Music School, and made an appeal for funds. Mrs. Gifford Le Clear has charge of the Waban contributions. The chairman of the Education Committee spoke in detail of the new schoolhouse to be built in Waban. Reports were given of the June meeting of the State Federation and of the Newton Federation meeting. After the business meeting there was a piano solo by Mrs. Lewis Alden Estes, a club member. PROBATE COURT.

To the heirs-at-law, next of kin, creditors, and all other persons interested in the estate of Hildur C. Kjellgren also called Sheldgren late of Newton in said County, deceased, intestate.

WHEREAS a petition has been presented to said Court to grant a letter of administration on the estate of said deceased to Regina Pearson of Arlington in said County, or to some other suitable person.

You are hereby cited to appear at a Probate Court to be held at Cambridge in said County of Middlesex, on the eleventh day of November A.D. 1919, at nine o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.

And the petitioner is hereby directed to give public notice thereof by publishing this citation once in each week, for three successive weeks, in the Newton Graphic, a newspaper published in Newton, the last publication to be one day at least before said Court.

Witness, Charles J. McIntire, Esquire, First Judge of said Court, this twenty-second day of October in the year one thousand nine hundred and nineteen.

F. M. ESTY, Register.

Oct. 24-31. Nov. 7.

Notice is hereby given that the subscriber has been duly appointed administratrix with the will annexed, of the estate of Frances Louisa Knapp late of Newton in the County of Middlesex, deceased, testate, and has taken upon herself that trust by giving bond, and appointing James S. Allen of Winchester her agent, as the law directs. All persons having demands upon the estate of said deceased are required to exhibit the same, and all persons indebted to said estate are called upon to make payment to the subscriber.

FLORENCE L. G. FISHER, Adm. (Address) Care of James S. Allen, 45 Milk street, Boston.

October 27, 1919.

Oct. 31. Nov. 7-14.

Notice Is Hereby Given, that the subscriber has been duly appointed administrator with the will annexed of the estate of Francis A. Skelton late of Newton in the County of Middlesex, deceased, testate, and has taken upon himself that trust by giving bond, as the law directs. All persons having demands upon the estate of said deceased are required to exhibit the same, and all persons indebted to said estate are called upon to make payment to

ACROSS THE CONTINENT

Some Impressions and Experiences in a Summer Trip to the Pacific Northwest

It is only four hours' sail through Puget Sound from Seattle to Victoria, and the water is usually quite peaceful. The night we were on the boat, however, it was quite rough when we struck the entrance to the Straits of Juan de Fuca. But it was brief, fortunately for the ladies of the party, and all were glad to see the lights of Victoria. We were delayed but a short time by the courteous Canadian custom officers and went at once to the splendid hotel, a short distance from the wharf, the Empress.

Victoria is the "city of sunshine" with an average of five and one-half hours of sunshine every day in the year. It also has the most equable temperature of all Canada, a fact determined by the dominion government

A few miles further we came to the residence of Mr. and Mrs. R. P. Butchart, with its beautiful gardens. Mr. Butchart manufactures cement and the factory is not far from his estate. He has taken an abandoned cement quarry and has made it one of the most beautiful gardens it has ever been my pleasure to view. It has been left in a natural condition, so that there is no feeling of artificiality about it, but it is a mass of blooms of all kinds and colors from one side to the other. Flowers are growing in all the crevices of the rocks and kept damp with the spray of little fountains. Nearer the house there are masses and masses of all kinds of flowers, while the remains of great masses of crimson ramblers in-

Parliament Building at Victoria, B. C., Where One of the Business Sessions of the National Editorial Association Will Be Held.

after two years of test and on account of which, it was selected as the site of the new Dominion observatory. The average temperature in January is 39 degrees and in July 61 degrees. This is due to the location of the city on the extreme end of Vancouver Island, surrounded on almost three sides by ever changing tidal waters, which in conjunction with prevailing westerly winds prevents oppressive heat in summer and moderates the cold in winter.

For the few days we were in the city, the weather certainly was all Victorians could claim for it, and we enjoyed it hugely.

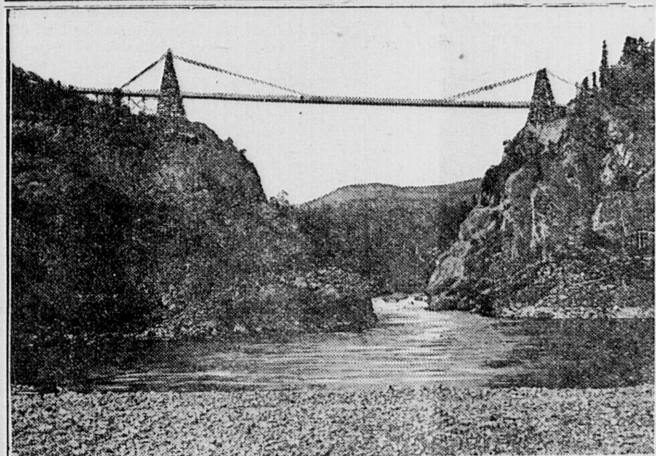

Victoria was the most typically English city we were in the entire trip. Most of the places visited were very much like the cities in the States. Victoria was different. The shops were not so fine, the movements of people and vehicles were far more

indicated that in its season it must have been a glorious sight. We were invited to visit the house and found it beautifully furnished in an attractive home-like style, and having a swimming pool of mosaic tiling which captivated everyone.

Mr. and Mrs. Butchart, not only threw open their gardens and their house to us, but they gave us a spread on the lawn which was most delicious, and we were most reluctant to leave such charming hospitality.

That evening we were guests at dinner given us by the Victoria Daily Colonist.

The next day we had a hurried business session of the Association and followed it with an automobile drive about the city. There are attractive drives in every direction as the sea is always close at hand, adding color and beauty to the landscape. At one of the numerous city parks we were

High Level Bridge Near New Hazelton, B. C.

leisurely and the residences were almost enclosed with fences and shrubbery.

We enjoyed Victoria immensely. There was the usual reception and inevitable speeches in the beautiful Parliament buildings, splendidly located near James Bay embankment. A lunch was provided for the ladies at the Empress Hotel the first day, while the men enjoyed a box lunch at one of the local theatres, while a vaudeville show was run off on the stage for their entertainment. In the afternoon the whole party went on an automobile ride out into the country about twelve miles, with stops at the government observatory and a visit to the famed Butchart gardens.

The observatory contains one of the

largest telescopes in the world, with lenses powerful enough to bring the moon to within 40 miles of the earth. It cost \$250,000 and is hung so that the axis is inclined exactly parallel to that of the earth. Although a huge and awkward looking affair, it can be swung all around the room at the top of the observatory, and then the entire top of the observatory can also be moved. When the walls and telescopes are both moving, it makes one dizzy.

The sail across Puget Sound from Victoria to Vancouver is said to be fine, and the few glimpses I was able to obtain, while attending to the business of the Association, seemed to bear this out. The Sound is surrounded with snow capped mountains, in Washington and in British Columbia, making a picture long to be remembered. We had dinner on the boat and reached Vancouver in the early evening. Here we found plenty of automobiles in waiting and we had

a pleasant drive about the city. Our party visited Stanley Park, the great show place of the city. This park is heavily wooded and seems to Eastern eyes to be but little developed, although it evidently has splendid possibilities in this line. We saw the remains of one of the big trees—a stump some 25 or 30 feet high, with a hole in the base large enough to hold an automobile. It must have been a monster of a tree when alive. We also enjoyed a trip to Shaughnessy Heights, the best residential district of the city, a splendidly developed district with many beautiful estates.

It seemed almost like home again to get back to our special train of sleepers with the same cars, the same conductor and above all, the same courteous and smiling porter, especially in Car 4. It was late that night, or rather, early the next morning before the "gang" in Car 4 subsided enough to allow any one to sleep.

All the next day we travelled back through the Fraser and Thompson river canyons, over the same route as that on our westward journey, only now we were on the other side of the river. The first railroad through these canyons, the Canadian Pacific laid its tracks first on one side and then on the other side of the canyon, and when the Grand Trunk Pacific line came through it had to take the opposite side. We travelled west on the Grand Trunk Pacific and east on the Canadian Pacific, and so had a view of both sides of the canyon. After leaving Kamloops, we parted company from the Grand Trunk line and headed straight east over the well known C. P. route through the Canadian Rockies. After Rainier, there was little to interest us scenically until we stopped at Revelstoke. Here we began to see some higher mountains than lay to the westward, and looked down on the Columbia river, the same river we had seen, a thousand miles away at Portland, Oregon.

From Revelstoke east, the railroad climbs steadily upwards, our train jacking two engines and making hard work of it at that. Although we were promised nothing but daylight travel through the mountains, we made the trip from Revelstoke to Field at night, missing the scenery around Glacier and in the Illecillewaet valley. During the night we had our first and only accident in the entire trip. The drawhead on one of our engines blew out and after some delay we started once more only to have a coupling part between our car and one of the diners. Fortunately this happened just before we entered the famous Connaught tunnel, over four miles long. It was said that if this had occurred inside the tunnel we might have been asphyxiated with gas. Most of us slept through all this, however, and knew nothing of it until the next day. Field, under the shadow of Mount Stephen, 10,450 feet high, was a delightful spot and we thoroughly enjoyed the ride that morning as the train climbed up to the Great Divide. There were mountains to right of us, mountains to left of us, mountains all around us, most of them snow-capped and glistening in the sun and the clear cool atmosphere. The spiral tunnels just east of Field are a marvel of railroad engineering, indeed the entire railroad through the mountains must have taken the highest engineering skill.

At one point, the traveller can look down the mountain side and see the track at three different grades below, and in our case we could see another train which was following us.

Coming east from Field the railroad enters the new spiral tunnel of 2,919 feet under Mt. Ogden. Emerging from this the track runs back west crossing the Kicking Horse river and enters the corkscrew tunnel of 3,209

(Continued on Page 8)

baking so famous throughout New England.

This same authority went on to say that the old-time "baking day" is not nearly so great an institution as formerly. In those days a woman spent a greater part of her time in the kitchen. She was the center of a greater significance to the duties which play so important a part in the life of the household.

Nowadays, however, and thanks to a nation-wide plan of selling over fresh products of all kinds, the sands of household duties are being washed away from many an ancient hearth, thereby thrusting the layers of woman.

A story is told of a woman who, in the National Biscuit Company's "Commons" bread, was the first to be sold by the pound.

Nowadays, however, and thanks to a nation-wide plan of selling over fresh products of all kinds, the sands of household duties are being washed away from many an ancient hearth, thereby thrusting the layers of woman.

When a delicious aid to a dessert is sought, the woman of to-day turns to Nabisco, Anola, Lotus, or the dainty sugar wafers baked by the National Biscuit Company. The melting goodness of the butter sticks and the cooling, variety of the National Biscuit Company's products form a combination that is simply irresistible. Again, when the need is for soda bread, the perfect soda bread is the National Biscuit Company's "Commons" bread.

PROBATE COURT.

To the heirs-at-law, next of kin, creditors, and all other persons interested in the estate of Lucretia Booth Gilbert late of Newton in said County, deceased, Intestate.

WHEREAS a petition has been presented to said Court to grant a letter of administration on the estate of said deceased to David H. Andrews of Newton in the County of Middlesex, without giving a surety on his bond. You are hereby cited to appear at a Probate Court to be held at Cambridge, in said County of Middlesex, on the seventeenth day of November A. D. 1919, at nine o'clock in the forenoon, to show cause if any you have, why the same should not be granted.

And the petitioner is hereby directed to give public notice thereof, by publishing this citation once in each week, for three successive weeks, in the Newton Graphic a newspaper published in Newton the last publication to be one day, at least, before said Court.

Witness, Charles J. McIntire, Esquire, First Judge of said Court, this twenty-fifth day of October in the year one thousand nine hundred and nineteen.

F. M. ESTY, Register.
Oct. 31-Nov. 7-14.

Notice is hereby given, that the subscriber has been duly appointed administrator with the will annexed of the estate not already administered of Elizabeth C. Hoffman, late of Newton in the County of Middlesex, deceased, testate, and has taken upon himself that trust by giving bond, as the law directs. All persons having demands upon the estate of said deceased are required to exhibit the same, and all persons indebted to said estate are called upon to make payment to

ACROSS THE CONTINENT

(Continued from Page 7)

feet under Cathedral mountain and after describing an elliptic curve emerges again to run along the Kicking Horse valley. The whole thing is a perfect maze, the railroad doubling back upon itself twice, tunneling under mountains and crossing the river twice in order to cut down the grade.

The great Divide at the summit of the Rocky Mountains is 5,332 feet above sea level, the water on one side going to the Pacific and on the other to the Hudson Bay. The railroad has suitably marked the spot, and arranged a cement conduit for the water to flow in both directions. As a result of our accident, we were four hours behind schedule, and the proposition was advanced to cut out our trip and luncheon at Lake Louise and go right through to Banff. This made so much protest that it was finally agreed that we should go to Lake Louise, but omit the lunch. Lake Louise is too fine a subject to be added to an article as long as this, and I will attempt to describe it in my next letter.

DANGER AHEAD

The unceasing and, in many cases, exorbitant wage demands of organized labor may or may not be justified by the increased cost of living. That is a question on which there are wide differences of opinion. But, whichever view of the matter is correct, the wage demands go on, the increases are granted, the extra burden is passed along to the consumer, and the cost of living rises to correspondingly higher levels.

Labor, both organized and unorganized, has gained, not lost, by the war. Higher wage standards once established do not come down. Once up always up, is the rule. And while labor has thus been the gainer and not the loser by the war upheavals, the same is true of the farmer. The prices of farm products, particularly cotton, grain and live stock, have gone up by leaps and bounds. The farmers have more money to spend, more luxuries within their reach than they had known for decades before the war broke out.

Neither are the very rich nor the bankers war sufferers. Such bankers as handled foreign government business and invested in munitions manufacture are heavy gainers. Many of them, as well as thousands who engaged in miscellaneous manufacturing, have piled up enormous war fortunes. The very rich, even though taxed as high as from 50 to 75 per cent on their incomes, still have so much left that they need not and do not deny themselves anything. In all these quarters money-spending is going on at a prodigious pace. Hotels demanding enormous rates are crowded to capacity. The theatres of New York and all over the country are doing a record-breaking business. So are the high-priced restaurants, the dealers in jewelry and in the most expensive kinds of men's and women's apparel, the purveyors of all the infinite varieties of things unnecessary and of high cost. It has been and is a riot of money-squandering such as the country has not known for years.

Are there, then, any real sufferers from the war and the war's aftermath reactions? Ask the teachers, the clergymen, the clerks, the writers, the editors, the tens and tens of thousands of professional and semi-professional men, the men and women of small incomes sufficient for their modest needs before this orgy of high prices, but now cut to half and less than half of purchasing power, and at this day spelling deprivation to the verge of want where before they spelled a modest independence. These are the real after-the-war sufferers. Their name is legion.

Compared with current living expenses, the salaries paid to clerks, teachers, to writers, to editors, to clergymen are derisory. Likewise they are derisory to the masses.

Where other salaries and other wages have gone up, here they have either stood still or increased by figures that are negligible. Men and women of learning, of the highest attainments, those on whom depends the moral guidance of the American people, are paid salaries that a hoiden or a bricklayer or a stevedore would scorn. It is this submerged, unorganized, inarticulate middle group, the very flower of the country's intelligence, the group on which we all depend to maintain the Republic through clear thinking and staunch fidelity to basic American principles and traditions—it is upon these that the present-day burden of living-cost falls with crushing weight. It is they who shoulder their disproportionate share of the ever-increasing load shoved upon the consumer's and the rent-payer's shoulders by the granting of extortionate labor union demands; by conscienceless profiteers; by reckless waste of Government funds wrung from the country's overburdened taxpayers.

They have been a patient lot thus far, these real sufferers from the war's inevitable consequences. Their voices are seldom heard in complaint. They are inarticulate and unorganized. But the thing cannot go on forever. Either salvation must be worked out in some way and soon for this vast group, or we shall pay the penalty by seeing them join the turbulent forces of unrest and disintegration. And when that happens, sheer ruin will not be far away. When such Americans as these cannot earn enough money to live their frugal lives and educate their children, then indeed is there danger ahead.—Harvey's Weekly.

REAL ESTATE

John T. Burns & Sons Inc., report that they have sold for William O. Hunt his two-family frame, 12-room house situated at 34 Madison avenue, Newtonville. With the house which is completely modern there are 8250 sq. ft. of land and the total value is \$10,000. Dr. R. B. Devitt purchases for investment.

Burns & Sons have also sold for Edward R. Billings his frame and stucco eight-room modern bungalow situated at No. 2 Nonantum street, Newton. With the house there are 7480 sq. ft. of land and the value is \$7500. David S. Lawlor purchases for a home.

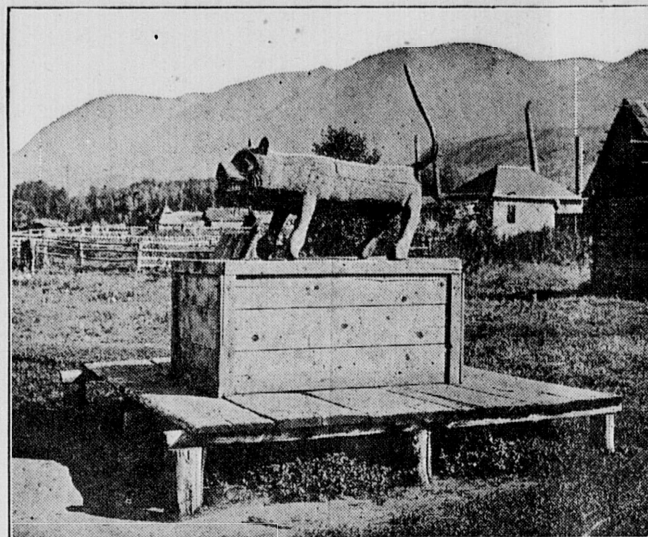

The Burns Agency have also sold the new, six-room cottage home located at 60 Elliot avenue, West Newton. With the house there are 6000 sq. ft. of land and the value is \$6800. Joseph Blaquiere conveys to Carl Erickson.

The same concern has sold for F. S. Webster his two-family stucco house, located at 60 Eddy street, West Newton. With the house there are 6250 sq. ft. of land and the total valuation is \$8500. Merritt White purchases for home and investment.

Burns & Sons have also sold the two-family house located at 163 Tremont street, Newton. With the house there are 4500 sq. ft. of land and the total value is \$8800. Mrs. John Dick conveys to Mary F. Gallagher, who buys for investment.

PATTERSON-GILMAN

On Saturday night Miss Helen Alfred Gilman, daughter of Mrs. Carrie Gilman Edwards, of New York, was married to Mr. Bradley Hawkes Patterson of Wellesley Hills. The ceremony took place at the home of Mrs. Ralph W. Conant of Fair Oaks avenue, Newtonville, and was performed by the Rev. Percival M. Wood of Auburndale.

Mrs. Conant was matron of honor, and Miss Mildred Cooper of New York bridesmaid, while Mr. Paul Brewster Gilman of Cohasset gave the bride away. Little Virginia Davis Conant, niece of the bride, was flower girl, and the Misses Evelyn and Florence Cooper were ribbon bearers.

The bride wore a gown of white crepe meteor with a tunic of Chantilly lace and pearl trimmings. Her veil edged with lace fell to the ground in a short train, and was caught up with orange blossoms. She carried a

shower bouquet of Killarney roses. Mrs. Conant, sister of the bride, wore a gown of orchid georgette over pale blue satin with silver trimmings, and her bouquet was of orchid crysanthemums. The bridesmaid, Miss Cooper, wore a gown of Verdun blue satin brocade with silver trimmings, and carried yellow crysanthemums. Virginia Davis Conant, wore a frock of pink chiffon and carried a basket of pink rosebuds. Mr. Garret D. Brower of Hartford, Conn., was best man, and Mr. Ralph W. Conant usher.

Miss Gilman was educated in the New York schools, and sang for two seasons in the Metropolitan Opera company chorus school. The bridegroom was educated in Springfield, and connected with the banking business of that city. For two years he served with the Naval service at the Azores. He is at present connected with the Babson Statistical Organization at Wellesley Hills.

Mr. and Mrs. Patterson are to live at 56 Washington street, Newton Lower Falls.

SPECIAL NOTICE

The annual meeting of the Newton District Nursing Association will be held at the Newton Club Home, Newtonville, on Monday morning, November 10th, at 10:15 o'clock. Members and friends of the Association are urged to be present.

Rev. Edward M. Noyes installed as pastor of First Church in Newton.

Wedding of Mr. E. Ray Spears of Newton Centre and Miss Dorothy Simmons of Cambridge.

November 9

Mr. Samuel L. Powers establishes a scholarship at Dartmouth College.

Alderman Henry E. Bothfeld urged to run for Mayor.

Garden City Improvement Society discusses abolition of grade crossings, widening of Washington street, and street railway extensions.

Frank H. Humphrey appointed assistant chief of Fire Department.

Aldermen votes to purchase land at Elm and Webster streets for West Newton school house.

State election returns for Governor Greenhalge 2,254, Russell, 937. For representatives, Harwood, Republican, 2134, Hollis, Republican, 2016, Childs, Democrat, 859, Bridgman, Democrat, 820, Conant, Prohibition, 88, Houghton, Prohibition, 78.

Bad blizzard on election day blocks railroad tracks below Faneuil and between West Newton and Auburndale, throws down hundreds of poles, telephone service paralyzed, trees torn up and broken down and local street railway service knocked out.

Wedding of Miss Emma L. Nickerson and Mr. William W. Harrington.

Euterpe Club gives "Pinafore" at Associate Hall, Newton Centre.

Wedding of Mr. Alfred E. Alvord and Miss Mary E. Bartlett in Boston.

NEWTON VOCATIONAL SCHOOL

Mr. Charles A. Goodwin, instructor in chemistry who has recently entered the school after a long sojourn in France, where he was statistician attached to Base Hospital, Number 2, addressed the school this week upon the characters of the French people.

Mr. Goodwin had a fine opportunity to study the Frenchman of the city and of the country, and corrected many wrong ideas that have disseminated by the American Dough Boy who saw only the tired, old people of France of the small towns where the American soldiers were billeted.

Earl Barnes will address the Newton teachers this week upon "The State Control of Ideas or the Advantages and Disadvantages of Free Speech."

On Wednesday he will continue his addresses upon the psychology of vocational education.

Monday, November 10th, Mr. Franklin S. Hoyt, of the firm of Houghton Mifflin Company, will speak at the morning assembly upon "Education Through Life."

MORTGAGEE'S SALE

By virtue of the power of sale contained in a certain mortgage deed, given by Gustavus V. Bowen to Free-lan E. Hovey, dated November 1, 1917, and recorded with Middlesex South District Deeds, Book 4172, Page 27, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at public auction upon the premises on Monday, November 17, 1919, at 3.30 o'clock in the afternoon, all and singular the premises conveyed by said mortgage deed and therein substantially described as follows, viz:

"A certain parcel of land with the buildings thereon situated in that part of Newton called Auburndale, being bounded and described as follows: Beginning at a point on the Northerly side of Washburn Avenue, distant seventeen and 71-100 (17.71) feet; Northwesterly from the division line between lots numbered 73 and 74 on a plan of house lots in Auburndale, belonging to W. W. Lowe, et al, Walter C. Stevens, surveyor, dated March, 1895, and recorded with Middlesex South District Deeds, Plan Book 92, Plan 36; thence running Northeasterly by a line parallel with and seventeen and 71-100 (17.71) feet distant Northwesterly from said division line one hundred twenty (120) feet more or less to land now or late of one Roberts; thence turning and running Northwesterly by said Roberts' land forty-eight and 90-100 (48.90) feet to a corner; thence turning and running Northeasterly by said Roberts' land twenty-two and 46-100 (22.46) feet to land now or late of one Scribner; thence turning and running Northwesterly by said Scribner eighty-six and 10-100 (86.10) feet; thence turning and running Southwesterly to the dividing line of land now or formerly of Richard McNeil and Michael J. Hurley, one hundred one (101) feet; thence turning and running Southeasterly seventy-five (75) feet more or less to a corner; thence turning and running Southwesterly about one hundred forty-one and 80-100 (141.80) feet to the junction of Orris Street and Washburn Avenue; thence turning and running Northeasterly on a curved line by said Washburn Avenue one hundred four (104) feet more or less to the point of beginning. Being the same premises, a part of which were conveyed to my father by deed recorded with Book 2534, Page 95, and a part conveyed to me by Ross Benson by deed recorded Book 3343, Page 93. For my title see Middlesex Probate, estate of John A. Bowen, Middlesex Probates No. 46777. See also Book 2759, Page 495." Said premises will be sold subject to all unpaid taxes, tax titles, assessments or other municipal liens. \$300 in cash will be required to be paid at time of sale and the balance to be paid within ten (10) days from the date of sale at Room 329, 18 Tremont street, Boston, Massachusetts. Other terms and conditions made known at time of sale.

FREEELAN E. HOVEY,
Mortgagee.
Address, 53 State street, Boston.

WOMEN'S CLUB

(Continued from Page 6)

Dexter spoke on "The Lure of the Amateur Collector of Art," relating in a most interesting manner many unique experiences and showing numerous art treasures. Tea was served during the social hour.

The Social Science Club opened its season with a business meeting at the Hunnewell Club on Wednesday morning. In spite of the storm a large number were present to renew old associations and to hear the reports of delegates and committee chairmen. Mrs. Harry Lutz gave a fine account of the annual meeting of the State Federation held at South Hadley in June, bringing back admirably the spirit of that convention. Miss Jessie M. Fisher brought a message from the Presidents' Conference held at Lowell on the 24th of October. The members heard with satisfaction of the improvements at both the Underwood and Lincoln schools as told by the Education committee.

Mrs. J. Weston Allen gave a brief account of the Frances Jewett Repetore Theatre Club which is seeking to uphold the production of good plays in Boston, that the highest of all arts, in that it comprehends all the others, may be preserved among us for the instruction and uplift of the people, both old and young. The club voted to hold a social meeting at the home of the Mrs. W. R. Dewey on December 3rd. It will be confined to club members and no further invitation will be sent out.

The ideals in living demanded by the new social conscience gave the dominant note to the Fall meeting of the Newton Federation, held Wednesday, in Newton. Truly no woman liveth to herself alone, nor may any club or federation. Miss Georgie A. Bacon, first vice-president of the General Federation, and National Director of Thrift, after touching briefly on the organization of the General Federation with its 2,000,000 members, spoke of the several directions in which the Government has lately asked the assistance of the Federation. At present the stress is placed on a nation-wide campaign for thrift. We are known as an extravagant nation. That this condition may be corrected, both in large enterprises and in individual homes, the campaign is being carefully planned. There will be demands of an intensive nature, which will appeal to

West Newton

—Mrs. M. E. Drinkwater of Temple street is building a garage.

—Mr. Samuel Hobbs has reopened his residence on Temple street.

—The property at 57 Eliot avenue has been sold to Mr. Carl E. Ericson. There will be a dinner and a dance at the Brae Burn Club this Saturday night.

—Mr. H. K. Rollins has moved from 828 Watertown street to 33 Pearl street, Newton.

—Mr. and Mrs. D. G. Wing of Otis street, leave soon for a winter's stay in South America.

—Mr. C. H. Dwinell is making extensive improvements to his residence on Berkeley street.

—The McDonough place, 15-17 Adena road has been sold to Mrs. Ida Schwartz of Medford.

—The Newton Police Benefit Association will hold its sixth grand concert and ball in the State Armory on Wednesday, November 12th.

—Next Sunday at the Lincoln Park Baptist Church the Rev. W. W. Harris of Whitefield, N. H., will occupy the pulpit, morning and evening.

—On Tuesday there was a meeting of the Ladies' Aid Society at the First Unitarian Church. The ladies are working hard for the coming fair.

—Mr. Arthur E. Pearson and Miss Pearson of Otis and Chestnut streets have returned from a visit to Washington, Atlantic City and New York city.

—Wednesday evening Rev. and Mrs. J. C. Jaynes held an informal reception for the members of the parish and their friends at their home, 76 Prince street.

—Mr. Paul C. Scarborough, principal of the Peirce School, who has been ill for the last two weeks is recovering, and it is hoped will be able to return to the school next week.

—On Wednesday a fellowship supper was held in the Lincoln Park Baptist Church which was well attended. The Rev. C. Walter Smith of Bridgewater was the speaker.

—The following have been recently elected officers of the Junior Parish of the First Unitarian Church: President, Mr. Arthur R. Smith, Jr.; vice-president, Miss Mary Newhall; secretary, Miss Ruth Homer; treasurer, Mr. Gordon Washburn.

—The Men's class of the Lincoln Park Baptist Church will hold a supper next Thursday evening followed by a stereopticon lecture by Professor George Barton of Teachers' School of Science, Boston. The subject of the lecture will be "Hawaii and Its People."

—Property at 15 Fountain street, has been sold by Elizabeth L. Weston to Margaretta Chandler. It consists of a large, modern, frame house, double garage and 22,110 feet of land, having an assessed value of \$9150, of which \$4000 is on the land. The new owner will occupy.

—An automobile owned and operated by James Gormley of Dedham, came into collision with a car driven by Alexander Fox of 538 California street Monday afternoon at the corner of Washington and Chestnut streets. The drivers were unhurt, but the cars were slightly damaged.

—On Wednesday the Lend-A-Hand Dramatic Club met at the home of Mrs. Harriet M. Freeman, Mt. Vernon street. The entertainment was held in the Hamlet studio and took the form of a birthday party in honor of the sixteen years of the club's activity. Miss Ethel Hale Freeman spoke on the Improvised Drama and gave illustrations and Miss Dorothy Taylor of Newton Centre, whose sister is engaged in reconstruction work in Washington, told of this work. The Lend-A-Hand Dramatic Club contributed toward the purchasing of material for this work.

NEWTON GIRL SCOUTS

Troop IV. opened its Girl Scout meetings on Wednesday, October 8. There are 35 girls who have registered, also three lieutenants, and one treasurer. The month of October has been spent in out-of-door work. One meeting was base ball, and one was at Quinebaquin, where each patrol competed in building fires and then had a marshmallow toast.

October 29 was a Halloween party, managed by Patrol A. The month of November is to be spent in preparing for an entertainment to be held on November 21, to earn money for bugles and materials for Christmas and Scout work. There are six candidates who have already passed their Tenderfoot examination and was invested on November 5th. Troop IV. has a star record which is very popular among the Scouts. Stars are awarded for perfect attendance, dues, inspection, new girls brought in, class tests passed, and any competition work. These stars are counted up each month to find out which is the banner patrol. Last year the winning patrol for the year went to Nantasket. There is one change this year in the patrols. Patrol A meets with the Troop, for the opening and business meetings, after which it carries on its own meeting arranged by the committee, which has been appointed to take the charge. It has its own president (patrol leader), and a treasurer (corporal), court of honor and chairmen of an entertainment committee, a sport committee, and welfare committee. The girls are enthusiastic about the plans for the year. About ten girls have signed up for a tennis tournament which is being played now. The winner would like very much to challenge the winner of another tournament played by any other troop.

For news of Troop V. see next issue of this paper.

FATHERS AND MOTHERS CLUB

A carnival and bazaar is to be given by the Fathers and Mothers Club of Boston for Child Welfare work all day Wednesday, November 13th, at the Copley-Plaza. Miss C. Adelaide Clark of Dorchester is the executive chairman and has always made these affairs very successful. Many Newton ladies are to be patronesses and Newton will have a special table.

SCHOOL NOTES

Edited by Dorothy Drake

Bigelow School

Mason School

Miss Lillian B. Cox has begun her services as teacher in grade six. Miss Cox is a graduate of the Salem Normal School, and has been teaching in Nahant.

The Mason football team will play the Burr School eleven at Auburndale on Thursday afternoon.

"Armistice Day" exercises will be held in the school hall on Monday afternoon, Nov. 10th, at 2:30 o'clock. Parents and friends are cordially invited.

Burr School

The changes in the system of marking adopted by the Burr School are as follows: F. Satisfactory, 80-100; D. Passable, 60-79; U. Unsatisfactory, Below 60.

The Burr School played the Mason School at Newton Centre on Thursday.

Appropriate to the occasion the 7th and 8th grades held a straw vote on election day. The Republicans won. Under the auspices of the Mass. Agricultural College, U. S. Dept. of Agriculture, poultry clubs have been organized in the schools. Several in the upper grades have joined.

Chaffin School

The pupils of Grade eight visited the polls in Newtonville on Tuesday, to observe the method of voting.

Grade eight has several competitors in the photography contest.

Primary elections for the officers of the class of 1920 will be held on Friday of this week.

The highest attendance record for four weeks, was won by Grade V, Room 2, the average attendance being 97.3 per cent and no tardy marks recorded.

Ralph Waldo Emerson School

Miss Carol Brown, who has been connected with the work of Dr. Grenfell in Labrador, was a visitor at the school on Wednesday. She gave a talk to the fourth grade telling of the life of the children in Labrador.

Seventy pupils of the fourth grade made a trip through the city of Newton, going in automobiles and getting a lesson in local geography. The party was under the direction of Miss Mabel C. Bragg, the assistant superintendent.

Miss Katherine C. Sullivan, the first assistant, is on a two months' leave of absence. She will spend the time in rest at Tacoma, Washington.

Stearns School

The champion Stearns team expects a hard game when it meets the Mason team at Cabot Park next Thursday afternoon. Much interest is being manifested in the game which will give the victor the undisputed title of the city.

The Alistearns club met in the assembly hall Monday night and transacted much business.

After the meeting adjourned basket ball was played.

Grade VIII intends visiting the Athenaeum Press and the plant of Ginn & Co., publishers, in Cambridge on Friday afternoon.

This is the second of the series of trips planned by the class.

Our portable building is now ready and is occupied by two second grades. The teachers are Miss Trask and Miss Munn.

At the Monday evening meeting Mrs. Jennie McCrillis spoke about milk.

The Girl Scouts were invited to the first part of the lecture which was illustrated by stereopticon pictures giving the story of milk and its value in the diet.

After the pictures, Mrs. McCrillis told the mothers why they should use more milk and what it does for the body.

Miss Weeks spoke to the mothers about a two weeks' milk campaign.

Lasell

Rev. J. Edgar Park will be the speaker at the vesper service next Sunday.

On Thursday, Madame Cecile Sartoris, the first vice-president of the French Restaurant Fund, spoke on "What the Private School of America can do to help rebuild the Schools of France."

At chapel on Wednesday Mrs. Frank F. Davidson made a plea for the work of the Red Cross.

Dr. and Mrs. Guy M. Winslow leave tonight for a trip to Porto Rico.

The Allen School

The Allen School has just closed a series of stereopticon lectures by Mr. F. H. Newhall on the "Holy Land," "Switzerland," and the "Yellowstone Park."

The football teams have so far not met with a defeat.

The Allen School played the Boston Trade School Wednesday afternoon, and the Midgets played the Fay School at Southboro on Tuesday.

The school will play Milton Academy Saturday at Milton.

The new dress uniforms on the West Point model arrived this week.

"REBELLIOUS JANE"

A play by Rachel Baker Gale, for which a royalty is paid.

WILL PREACH

Sunday evening November 9th at 7.30 in fourth of Series of
9 Sunday evening Services on

"The Gospel For a Restless World"

AT THE

IMMANUEL BAPTIST CHURCH, Newton

Congregational Singing

Chorus Choir

Miss Lillian Sawyer, Cornet Soloist

ALL ARE WELCOME

Newton

—Where's your Red Cross button?
—Miss Harriet W. Stevens has gone to Pinehurst, N. C. for the winter.
—Federation Rummage Sale, Nov. 19-22.

—Miss Cora Scofield and her mother have gone to Boston for the winter.
—Hudson's Headcold Remedy has been sold in Newton for over 40 years. Best for fresh colds. Advt.

—On account of the holiday the meeting of the Women's Association of Eliot Church will be omitted next Tuesday.

—The housewife will find timely helps and suggestions in the Utility Shop. Auburndale Woman's Club Bazaar, Nov. 12-13.

—Roger A. Lutz and George Owen, Jr., freshmen at Harvard, have been awarded scholarships from the Price-Greenleaf fund.

—The Newton Free Library will be open Sunday afternoon from two until six, until further notice. It will be closed Armistice Day, November 11th.

—Mr. David Black has removed, with his family, from Baldwin street to Melrose, where he has purchased an attractive new residence in the Wyoming district.

—On Sunday morning, Nov. 16 at Eliot Church Dr. James L. Barton, who has been in Turkey for the last six months, and is head of the National Relief Committee, will tell of conditions as he found them in the near East.

—An alarm was sounded Tuesday from Box 241 for a small fire in the block at 194 Adams street. The building is owned by Mary Estosto and Antonio Pesosolido, who reported the damage to be small. The cause of the fire is unknown.

—On account of Armistice Day the meeting of Channing Alliance regularly scheduled for November 11 has been postponed one week to November 18. As the speakers on that day will tell of Newton philanthropies the program should appeal to a large audience.

—Sunday evening, Nov. 16, the community sings which were held last year with so much pleasure, will be resumed at Eliot Church. There will be orchestra music and a male quartet besides the congregational singing and Dr. Henry R. Viets, Jr., who had a long service overseas will tell of his work.

—On Tuesday Mrs. Margaret Wilson Collins, wife of Mr. Frederick L. Collins died at her home, 9 Mt. Ida street, in her 65th year. She was a member of Grace Church and had lived all of her life in Newton. Services were held at the house on Thursday afternoon, Nov. 13, at 2 o'clock following the funeral at the residence of Mr. and Mrs. L. Moorehouse.

—At the Eliot Church tonight, there will be a stereotypical lecture on "Foregleanings of Liberty." This is the first of three lectures relating to the coming of the Pilgrims to Massachusetts. Sunday morning at 10.30 Prof. David D. Vaughan of Boston University will preach. The Christian Endeavor meeting at 4 o'clock will be led by Miss Charlotte Towle.

—On Wednesday evening, November 19th, the Eliot Men's Club will give a Welcome Home Banquet to the men of Eliot Church, who entered the national service during the war. All men associated with Eliot Church are members of the Club, and this advance notice is given so that every one may reserve this date. After the dinner, the wings of the chapel will be open to ladies and friends who care to attend.

—A local chapter of the Unitarian Layman's League was organized on Wednesday evening at a meeting held in Channing Church parlors. Supper was served at 6.30 o'clock following which addresses were made by Mr. Carl B. Wetherell, General Field Secretary and Rev. Maxwell Savage of Worcester. These officers were elected, President, Oliver M. Fisher, vice-president, Edward Moll, secretary, Frank H. Burt, treasurer, Frederick W. Stone, executive committee, Philip Nichols, Dr. Edward Mellus and Robert E. Mandell.

—The Newton Branch Special Aid sends word that there has been a mistaken impression that the need for work in France is slackening somewhat. On the contrary, it is as great as at any time during the war. This statement is made on the authority of the American Committee for Devastated France, which together with its French Committee, has charge of the Aisne district, under Miss Anne Morgan. The New England Committee to which the Newton Special Aid is a regular contributor is urged to keep on with its work which is especially appreciated on account of its excellent quality.

—Where's your Red Cross button?
—Federation Rummage Sale, Nov. 19-22.

—Mrs. Eaton and daughter of Oak terrace, will spend the winter in Boston.

—Mr. E. H. Ruby and family have moved from Hyde street to Saxon terrace.

—Alderman Summer Clement is enjoying a hunting trip in the Maine woods.

—Mrs. M. S. Pennell of Centre street has been visiting at Bath, Me., this week.

—Mr. John Linn has had a new garage erected in the rear of his property on Floral street.

—Mrs. C. M. Evans of Forest street, who has been ill at the Newton Hospital is now recovering.

—Mr. C. E. Fisher and family have moved into the Clark house on Lake avenue, recently purchased by them.

—Miss Edith Bancroft of this village has been awarded the right to wear a "W" for archery at Wellesley College.

—Miss Irene Beers has been awarded the second prize given for the Short Story contest held by the Wheaton Record.

—These times when it seems fashionable to strike, the towns people are wandering why the town clock does not strike.

—Miss L. C. Morton, who has been spending several weeks at Ashland, N. H., has returned to her home on Lake avenue.

—Mr. H. J. Disken and family of Brighton are now occupying the Pittfield house on Floral street, recently purchased by them.

—Mr. and Mrs. William Wright of Dedham street, Oak Hill, will celebrate their wedding anniversary next Saturday from 2 to 8.

—Evangelistic meeting led by Mr. Reuben Smith of Boston, will be given at the Methodist Church on November 11th and continued until the 23rd.

—The meeting of the Ladies' Church Aid and Missionary Society of the Congregational Church is postponed until the second Wednesday of the month.

—At St. Paul's Church next Sunday evening at 7.30, the speaker will be Admiral Francis E. Bowles of the Emergency Fleet Corporation, who will speak on "What the Sailor did in the Great War." There will be a large chorus choir, violins, and Miss Marion L. Moorhouse 'cellist.

—The special meetings to be held at the Methodist Church under Mr. Reuben Smith of Boston, will begin Tuesday evening, November 11th, at 7.45 o'clock and will continue until November 23rd every evening except Saturday.

—Mr. Smith will also speak on Sunday morning at 10.30 and in the evening at 7 o'clock. All are invited to attend these meetings.

Newton Centre

—Where's your Red Cross button?
—Mr. Samuel Gibson of Cedar street has gone to Bar Harbor, Me., for a month.

—Peter Rabbit and his brothers and sisters will be in the Kiddie Koop, Auburndale Woman's Club Bazaar, Nov. 12-13.

—The wedding of Miss Helen Haynes of Boston and Mr. Robert M. Burnett of Southboro, took place on Tuesday at the residence of Mr. and Mrs. William A. Copeland, on Lawrence road, Chestnut hill. Mrs. Copeland is a sister of the bride.

—Young Bow, a Chinese laundryman, of 764 Beacon street, was overcome by gas Monday afternoon. Bow was working in a back room of the laundry and the gas escaped from a jet left open accidentally. First aid was given and he was removed to the Newton Hospital in the police ambulance.

—Mr. and Mrs. Arthur C. Badger of Dudley road, Oak Hill, entertained "The Lamp Lighters" at their first meeting of the season on Tuesday evening, Nov. 4. Miss Bessie Talbot Salmon of Newton Highlands gave a delightful program of French songs with costume and action, Mr. J. Angus Winter at the piano.

—Mrs. Richard Haworth of Manchester, England, has sailed from the other side on the steamship "Baltic" for New York, and will visit her parents, Mr. and Mrs. William Firth, at Chestnut Hill, Mass. Mrs. Haworth was the first one to start Belgian relief work in England and America and she was also president and organizer of the Stars and Stripes Club in Manchester, her home city, for the benefit of the American soldiers and sailors in England. She expects to be here for several weeks.

—A very pleasant reception and tea was given on Monday afternoon at the home of Mrs. DeWitt G. Wilcox, president of the Woman's Union of the First Baptist Church. The affair was in honor of Mrs. John Nuveen of Chicago, National president of the Woman's American Baptist Home Mission Society. Mrs. Wilcox was assisted by Mrs. W. G. Phelps, Mrs. Dwight Chester, Mrs. Joseph C. Robbins, Mrs. W. Claxton Bray and Mrs. John A. Groves. There was a large attendance of friends from Brookline and Newton.

Waban

—Where's your Red Cross button?
—Federation Rummage Sale, Nov. 19-22.

—Boston Children Aid Society needs boarding homes for children. 43 Hawkins street. Advt.

—Wonderful bargains are to be found in the Book Stall at the Auburndale Woman's Club Bazaar, Nov. 12-13. Advt.

—Mr. and Mrs. James R. Chandler of Ridge road, are receiving congratulations on the birth of a daughter.

—Mr. and Mrs. Harold Hayes of Woodward street are receiving congratulations on the birth of a daughter.

—Miss Margaret F. Mutch of Beacon street has been awarded the Andrew F. Slater scholarship at Radcliffe college.

—On account of the holiday the workshop for Red Cross workers will be open Monday morning, November 10th, instead of Tuesday.

—The Woman's Guild of the church of the Good Shepherd will meet at the home of Mrs. Herbert Stetson, on Pine Ridge road, next Tuesday afternoon at 2.30.

—There will be a parish supper and dance given by the Women's Guild of the church of the Good Shepherd at the Neighborhood Club House on Friday evening, November 14th at 6.30.

—November 14th will be Armistice night at the Union Church, supper will be served at 6.30, after which Major Joseph W. Bartlett will speak. Mr. Walter Tougias will lead the community singing.

—A Boston pin tournament for the ladies will start at the Neighborhood Club as soon as teams can be organized. There are 16 teams in the men's bottle pin tournament, Arlington Boat Club will bowl Waban at the Neighborhood Club next Wednesday evening, November 12.

—The annual meeting of the Altar Guild of the Church of the Good Shepherd was held at the residence of Mrs. Lewis Bacon, Chestnut street, on Tuesday, when the following officers were elected: President Mrs. Bacon; vice-president, Mrs. Edmond Winchester; secretary-treasurer, Dr. McGee; choir mother, Mrs. William Saville.

—A public meeting under the auspices of the Improvement Society was held at the Roger Wolcott School, Wednesday evening to nominate a candidate for the Board of Aldermen for the city of Newton, to succeed Alderman Angier, who is to retire this year and Mr. George Phipps of Kent road was the unanimous choice of the meeting.

NEWTON WELFARE BUREAU

Annual Election of Officers and Interesting Report from the New Secretary

The annual meeting of the Board of Directors of the Newton Welfare Bureau was held in the rooms of the Bureau on Wednesday, November 5, 1919, at 4.30 P.M. Reports of the president, treasurer, and general secretary were read.

Mr. George M. Angier, president, spoke of the change in secretaries during the last year, due to the resignation of Miss Sara E. Coates in April, 1919, and stated that the present secretary, Mrs. Carrie A. Hull, formerly with the Organized Charities of Portsmouth, N. H., had a number of plans under consideration for the work of the Bureau during the coming year. The influenza epidemic, which was at its height at the beginning of the year, is still showing its effects upon the work of the Bureau; extra aid, especially in the form of milk, has been given in many of the families in an effort to build up their strength and health. Because of so many of the doctors at the State School at Waverley being in the service, the Clinic for Backward Children was discontinued during the past year but it is hoped that this important work may be started again this year. During the last year, the Bureau in co-operation with the Newton Circle established a temporary home where minors awaiting trial may be placed and children boarded during a mother's illness. The Bureau has continued to assist in the Home Service Work of the Red Cross, and the president on behalf of the Bureau expressed its appreciation to the Newton Circle for the opportunity to assist in this work. During the year many of the workers in social work in Newton have felt the need of closer co-operation and the consensus of opinion was that the ideal would be a Central Community House with headquarters for each organization. A step in this direction was taken on the 1st of October, 1919, when the

Welfare Bureau moved to the Talbot House, occupying it jointly with the Newton Chapter of the Red Cross. It is hoped by those interested in the Community House Movement that it will not be long before the quarters at Talbot House will be inadequate and that a larger house to accommodate other organizations will become necessary.

Mrs. Hull, in her report as general secretary, stated that the Bureau had been in touch with 309 families during the year, 104 of these were new to us in the year just closed. The amount spent for relief in the last 12 months is \$3567. The Bureau has assisted the families of deserting husbands, paid board for children, and sent convalescents and tired mothers away to regain strength so they could take up their regular home duties, not only physically benefited but mentally cheered. In many cases, help has been given in the form of loans and the financial report shows that \$538.41 has been refunded on these loans. An anonymous gift of \$500 was given for special aid at Christmas time. In many cases this was sent in the form of coal, groceries, and clothing, and in many homes checks for \$10 were given. The clothing sent in by the various churches, societies, and individuals has been unusually helpful and heartily appreciated both by the Bureau and the families receiving it. Mrs. Hull spoke of the assistance in our work given by the volunteer workers and said that more help of this kind is needed. "To visit a family is no small undertaking; it is the definite responsibility of keeping in close touch with them. It means a long look ahead with much faith and patience, for results appear slowly, and it is often only in looking back that the advance which has been made is apparent. For the coming year, we

(Continued on Page 2)

RED CROSS DRIVE

Committee of Ladies' puts Newton over the Top in Membership Campaign

Splendid work has been done by the large committee of ladies all over the city in the Red Cross Membership drive which has just closed and while incomplete returns show about 13,500 members, the committee in charge are confident that Newton will easily go ahead of last year when the total was about 13,500.

The committee in charge consisted of the following:

Chairman, Leon B. Rogers, vice-chairman and cashier, John W. Estabrook, publicity chairman, John Cutler, district chairman: Nonantum, Oliver M. Fisher; Newton, Miss Rose Loring; Newtonville, Mrs. William H. Allen; Newton Centre, Mrs. Morton E. Cobb; Newton Highlands, Mrs. Fred G. Sanford; Newton Upper Falls, Miss Ethel W. Sabin; Auburndale, Mrs. F. F. Davidson; West Newton, Mrs. H. L. Felton; Waban, Mr. Donald M. Hill; Chestnut Hill, south, Mr. A. N. Hood; Chestnut Hill north, Mr. M. H. Gulesian; Lower Falls, Mr. Alfred Murray.

TO THE CITIZENS OF NEWTON

The Newton Chapter of the American Red Cross wishes to express its deep appreciation of the splendid support of the citizens of Newton, in the Third Red Cross Roll Call just completed.

The financial and moral aid thus given, encourages the Red Cross to renewed efforts in its appointed work.

CHARLES E. KELSEY,

Chairman Third Red Cross Roll Call

D. A. R.

On Monday of this week a regular meeting of the Lucy Jackson Chapter, D. A. R., was held at the chapter house at Newton Lower Falls, where the hostesses were Mrs. Edward B. Parker, Mrs. Ellen Peabody, Mrs. Richard de L. Pierce and Miss Elizabeth Potter. This was an all-day meeting and the members spent the morning hours in sewing on rugs for the chapter house. Luncheon was served later and the business session was held in the afternoon, with the regent, Mrs. Fessenden, in the chair. Mrs. F. E. Stanley gave a report of the State Conference at Stockbridge in October, and Miss Elizabeth Potter told of the splendid work of the Social Service League of the Newton Hospital. Various appropriations were made, including \$50, for the annual scholarship for the Martha Berry School in Georgia. The registrar reported twelve new members admitted to the chapter. Mrs. William H. Cobb, of Chestnut Hill gave an entertaining account of the restoration of the ancient house at the corner of Hammond and Beacon streets, which is to be her home. The date of its erection, as near as can be determined, was probably 1645.

VICTORY BALL

Newton Post American Legion Given National and State Colors on Armistice Day

Newton Post 48, American Legion, celebrated the first anniversary of Armistice Day last Tuesday with a grand ball in the State Armory, West Newton, which was attended by over a thousand persons.

The principal feature of the evening was the presentation to the Post of the National colors by the Newton Lodge of Elks and a State Flag from Charles Ward Post, G. A. R. Both organizations were represented by a large group of members, the Grand Army headed by Commander C. W. Coleman and the Elks by Exalted Ruler, Oswald J. McCourt, who is also vice-commander of the Newton Post.

The National colors were carried by Comrade John Flood, a G. A. R. veteran, as well as an Elk, and the State flag by Captain John Ryan. After the grand march, a hollow square was formed in the centre of the hall, and Mayor Edwin O. Childs, a Past Exalted Ruler of the Elks, presented the national colors in one of his customary eloquent speeches. He was followed by Past Department Commander Wilfred A. Wetherbee, who presented the state flag on behalf of Charles Ward Post.

Captain Henry D. Cornerais responded for the Newton Post.

Dancing followed until a late hour. The hall was in charge of Thomas W. Quinn, floor marshal, assisted by the following aides:

Joseph A. Campbell, John J. Pendegast, Clifford S. J. White, Walter J. Terrio, Joseph F. Boughan, D. S. C.; Raymond C. Cabot, Frank Marchant, Edwin T. Ramsdell, John Barwise, John Lane, Roland Murphy, W. A. Potter, William T. Glidden, Jr., H. W. Trefrey, Edward J. Cannon, Francis Waters.

The reception committee was composed of Edward Edmunds, Jr., Oswald J. McCourt, Harry W. Strandquist, Rev. W. J. Farrell, Thomas F. Hickey, Dwight S. Brigham, Henry D. Cornerais, C. Sinclair Weeks, Chas. H. Mahoney, John R. Kite, Dennis M. Cronin, Edward Murtagh, James J. Connelly, James A. Waters.

CHRISTIAN SCIENCE LECTURE

As announced elsewhere in these columns the Christian Science Church of Newton, has arranged for a lecture at Players' Hall, Monday evening next, by one of the authorized lecturers of the movement, Dr. John M. Tutt, C. S. B.

Dr. Tutt was formerly a practicing physician and while according full credit to that profession for its endeavors he finds in Christian Science the real healing power.

His lecture will be an able exposition of this theme.

Messrs. McKenney & Waterbury Co., 131 Franklin street, corner Congress Boston, Mass., are showing the latest and up-to-date Electric, Gas and Oil Lighting Fixtures for homes and public buildings to be found in this country.

POT OF GOLD

St. John's Church Finds It at Foot of a Rainbow Bazaar

The women of St. John's Episcopal Church of Newtonville held their Rainbow Christmas Bazaar in Temple Hall on Friday afternoon and evening, closing the affair with a Pop concert and dance on Saturday evening. The Fair was held for the benefit of the Parish House fund.

The hall was elaborately decorated with pink, green and white bunting which continued around the hall in festoons with additional drapes and streamers of pink and white paper. This color was also carried out at each of the twelve tables. The rainbow dividing the hall was a conspicuous feature as one entered the hall and made a pleasing appearance.

The sale was the largest and best attended ever given by the church, proving that all were interested in making the Fair a social and financial success. The proceeds from the sale are not yet complete but over \$1000 is already in sight.

The rainbow effect was also carried out at the concert and dance on Saturday night. The same decorations were used in the hall, while the 100 small tables were gay with flowers, with centre pieces of crepe paper in rainbow colors. Coming out of the centre pieces were many colored balloons and this waving mass of color was most effective. The balloons also provided a great deal of amusement to both old and young throughout the evening.

About 40 of Newton's attractive young ladies added greatly to the picture as they flitted to and fro in white dresses and fetching caps, as they served those seated at the tables with ice cream, cake and soft drinks.

The concert program included numbers by the orchestra, songs by Master Gordon Crowell and Miss Gladys Avery, a jazz duet by Messrs. Arthur F. Rogers and Wm. J. Farrisee, duets by Miss Gladys Avery and Mr. E. L. Avery, a violin solo by Mr. Paul Revere Knight, monologues by Miss Dorothy Bush, a trombone and concert duet by Messrs. Harry B. and Francis B. Owens, pianologues by Mrs. Paul Revere Knight, a duet dance by Misses Elizabeth Tibbets and Claire Tuck and a nymph dance by Miss Tibbets. Dancing followed until midnight, Knights' orchestra providing the music.

The profits from the concert and dance were about \$400. This makes the total pot of gold at the end of the Rainbow amount to more than \$1400, a hopeful sign of a new parish house for St. John's church.

NEWTON MEDICAL SOCIETY

The November meeting of the Newton Medical Society was held Monday evening at the Newton Hospital, Dr. F. R. Stubbs presiding. Dr. Daniel F. Jones of Boston, a Lieutenant-Colonel in the service gave a talk on surgical matters and several members who have also been in the service gave some of their personal experiences on Armistice Day, last year.

SENATOR WEEKS SPEAKS

Informal Talk To Men's Club of West Newton On Conditions of Today

Former Senator, or as his neighbors like to call him, Captain John W. Weeks, was the chief guest last night at the monthly meeting of the Men's Club of West Newton, held in the banquet room of the Second Church.

Capt. Weeks gave an interesting informal talk on the conditions of the times. He believed that there were never any more loose and thoughtless ideas prevalent than at the present, and that most suggestions for change are usually aimed at immediate conditions and not at fundamental ones. He believed that the U. S. constitution should be made one of the principal studies in school.

While he believed in Trade Unions, he recognized some inherent difficulties. The leaders must get something for their followers, or they will be displaced with other and more radical officers. The older men in labor circles are usually conservative, while those who are coming along to take their places are much more radical and are constantly driving those in charge into doing things the leaders themselves disapprove. Of 75 strikes now in progress, 62 are without the sanction of the national bodies. The senator then gave an interesting talk on state socialism, and was glad that it was North Dakota and not Massachusetts which was making the experiment. He believed it would be a failure because it is fundamentally

wrong. It is impossible to get something for nothing and the successful man is the one who gives a fair day's work for a fair day's pay and saves something of what he earns. Labor, industry and thrift, he declared were never needed more, than in the United States today. He urged everyone to talk about these things with his neighbors and friends, for we must recognize the conditions. The cry for more money and less hours is exactly the reverse of what we should do, and the pyramid we are building on this foundation must topple over. Raising wages will not reduce the cost of living and when Europe gets going again, we will come to the turn. He deplored the extravagance and waste of the times and urged everyone to do what was possible to save the essentials, and expressed his belief that we would get back to normal conditions in three or four years.

Mr. Leon B. Rogers was elected president in place of Mr. James A. Hutchinson, who retired. Alderman Stephen H. Whidden, vice president, and Mr. John A. Paine, secretary-treasurer. The retiring secretary, who has served for seven years was given a vote of thanks and presented with a bouquet of chrysanthemums.

The new president announced that on December 15, Mr. Henry S. Dennison would talk on the recent Labor Conference in Washington.

DEATH OF MR. WEBSTER

Mr. Richard Webster, a resident of Newtonville for about twenty years, died last Friday at the Brooks Hospital, Brookline, where he had been taken for an operation for appendicitis a few days before.

Mr. Webster was born in Brooklyn, N. Y., August 2, 1864 and was engaged in the business of wool and wool waste in Boston for many years. He was an active member of the Clarendon Street Baptist Church of Boston, a member of Winslow Lewis Lodge of Masons, De Molay Commandry, Knights Templar, Aleppo Temple, Mystic Shrine, the Boston Wool Trade Association, and the Boston Chamber of Commerce. He is survived by a widow.

Funeral services were held from his late home on Newtonville avenue, Newtonville Monday afternoon, in charge of Rev. W. Harry Freda, pastor of the Clarendon street Church and the interment was at the Evergreen Cemetery, Brighton.

WHAT WILL BECOME OF YOUR INSURANCE MONEY?

There is only one way fully to insure the effective use of
your insurance money and that is to provide now for a definite
plan outlining its investment or distribution. The Life Insur-
ance Trust is just such a plan. It enables you to say who
shall handle this fund, how it shall be invested, to whom and
how the income shall be paid, and what disposition shall be
made of the principal. In short, it enables you to surround
insurance money with every safeguard.

You are cordially invited to discuss this service with our
officers.

Flavor and quality have made Deerfoot Farm Sausage famous. Be sure you get the genuine.

We prize the name Deerfoot too highly ever to let it stand for anything but the best.

Announcement

Deerfoot Farm Sausage is back on the market. Maybe your dealer has already told you.

It's the same sausage you used to get. The Deerfoot flavor's there. You'll recognize it instantly.

Made in the same old-fashioned way. Only the tenderest, leanest parts of the pig—chopped not too fine—with spicy herbs to lend piquant flavor—that's the genuine

Deerfoot Farm Sausage

No other sausage has that distinctive taste. And you may be sure that everything that goes into the making of Deerfoot Farm Sausage is of the highest quality.

Sold in 1-pound links in parchment packages; 1-pound boxes of sausage meat and 2 and 4-pound bags of sausage meat.

SOLD BY ALL GOOD DEALERS
and at DEERFOOT FARM STORES

RUMMAGE SALE

A great deal of hard work is being done by the ladies of Newton for the Rummage Sale for the benefit of Newton charities and to be held from Nov. 19 to 22nd inclusive from 9 A. M. to 6 P. M., Saturday to 8 P. M. at 1325 Washington street, West Newton. In the old church building next to City Hall.

Contributions of clothing (especially children's) millinery, shoes, jewelry, toys in good condition, baby carriages, household furnishings, small pieces of furniture, books, vegetables, preserves, jellies, etc., are solicited. Collection began on November 12 and will continue until the last day of the sale, the 22nd. Salesroom telephone New West 1230.

Donations of money will also be most acceptable and may be sent to the Chairman, Mrs. Ralph C. Henry, 86 Nonantum street, Newton.

The following is the list of those who will receive telephone calls for transportation and the various local depots but all who can be urged to send direct to the salesrooms.

Newton: Mrs. Clarence Allen, 19 Ricker road, N.N. 2785-M. Basement of Newton Public Library.

Newtonville: Mrs. Francis Flagg, 54 Oakwood road, N. N. 2737-W. Basement of Central Cong. Church.

Auburndale: Miss Ella B. Smith, 15 Vista avenue, N. W. 915-J. Taylor Block, 341 Auburn street.

Newton Centre: Mrs. T. A. Plimpton, 131 Sumner street, N. S. 283-M. Vacant store on Union street, opp. station.

Newton Highlands: Mrs. J. H. Elwell, 24 Brewster road, N. S. 679-M. Waban: Mrs. L. E. Gilpin, 34 Wile road, N. S. 114-W. Dr. Besse Gymnasium, Beacon street, opp. School.

THE NEWTON CLASSICAL HIGH SCHOOL

Last Saturday, Newton's football team journeyed to Malden, in high hopes of defeating that city's high school team, but luck was very much against the former, for they emerged from the muddy field, a defeated team, by the score of 7-0. A great deal of praise had been given to Malden and probably it deserved it, but on last Saturday, the showing which they made was not in the least worthy of first-class football. Newton gained first down a dozen times during the fray, but the breaks, caused mainly by the condition of a field four and five inches deep with mud, went to Malden and helped them to make finally, the end run which won the game. Garrity and Annabie showed up well in the backfield and by their wonderful dodging and plunging, they were able to keep Malden very worried. The line showed fine progress, and opened up wide holes for the backfield men.

The girls' field hockey team opened its season this last week, taking a defeat from Lexington, who made seven goals to Newton's one. First-hand information seems to be lacking, because no one wishes to think again of this "disgraceful" score, but somehow it seems evident that team work was lacking, and thus the opponents found it easy to score. Possibly a few of the positions are very weak, but at the same time unity certainly would have helped and undoubtedly will help in the future.

On Monday, November 10, the whole school passed to the Assembly Hall where they heard a most interesting and stirring address by Rev. M. H. Lichter of the Central Congregational Church, Newtonville. His theme was in regard to the observance of Armistice Day and it certainly was exceptionally fine. His accounts of happenings overseas were very impressive and his talk was very much enjoyed by all those present.

The first issue of the Newton High School "Review" has been distributed among the subscribers and seems to have met with fair approval. The cartoon section is something new and very helpful in filling out the magazine. One suggestion however seems to be in order, and that is that more stories be put in if possible.

Newton

—Mr. and Mrs. E. H. Bell are spending the week in New York.

Telephone MacLean, 725 or 2654-M North, for anything in the carpenter line.

—Mrs. Robert Kean has bought property at 273 Tremont street and will occupy soon.

—Mrs. W. R. Adams has sold the property No. 84 Jewett street to Mrs. A. Broderick.

—Miss Katherine Louise Miln announces her engagement to Mr. Ralph Mailleau of Wellesley.

—Mrs. F. A. Clark has bought property at 248 Tremont street from Mr. E. H. Bell and will occupy this month.

—The Misses Fox have returned to Newton for the winter. They will be with Miss Anna Whiting of Washington street.

—A bowling party is to be given by the Social Club of the Bachrach Studio soon at the Strand Alleys, Watertown. The committee are: Mr. Fred Willis, Miss Louise MacCallum, Miss Florence Healey, Miss Grace Kerivan, Miss Elvira Brown, and Miss Dorothy Smith.

—A Thanksgiving Sale of food and useful articles will be held at Channing church on Tuesday, November 25, from two until ten o'clock in connection with the regular sewing meeting. Supper will be served at 6:30. Both articles and patronage are solicited.

—Mrs. Carrie A. Hull of the Newton Welfare Bureau and Mr. Kenelm Winslow, principal of the Stearns School, will address the meeting of Channing Alliance in the church parlors on Tuesday afternoon. All persons interested in the work of these organizations are cordially invited to attend. A social hour will follow.

—Roger A. Lutz placed third for Harvard in the Harvard-Yale Cross Country race over Yale's Freshman four-mile course at New Haven. The winning team is still undecided owing to a charge of disqualification against Yale's best runner who won the individual honors. The Harvard Freshman Cross country team participates in the Intercollegiate Cross Country Run at New Haven Saturday, Nov. 15.

NEWTON WELFARE BUREAU

(Continued from Page 1)

must consider wherein we have failed to accomplish our purpose and how from the past experiences we can profit for the future. While in individual cases we have been successful in restoring families to their proper place among men, and in rousing the shiftless to a new sense of responsibility, we must remember the habits of a life time are not easily broken, and because this is so, it seems to us that after protecting the present generation from the effects of their own weaknesses, we ought to devote our best efforts to the children,—the men and women of the future. Since parents err largely through ignorance, we must find some way to bring new influences into the lives of the children to enlarge their vision, and to create for them a new environment in which they will realize that they are members of a community to which they owe a special obligation that only they can fulfill.

The following officers and directors were elected for the year 1919-1920: Officers and Directors—President, Mr. George M. Angier; vice-presidents, Mr. Albert P. Carter, Mrs. Bertrand E. Taylor; treasurer, Mr. John F. Lothrop; clerk, Mrs. George W. Auryans.

Directors for One Year—Mr. Albert P. Carter, Dr. Laurens MacLure, Mrs. A. Dudley Dowd, Dr. Donald Macomber, Mrs. Charles D. Kepner, Mrs. Louis H. Marshall, Mr. Arthur Kendrick, Miss Ethel Sherman, Rev. McIllyar H. Lichter, Mrs. James P. Tolman, Mr. Edwin E. Wakefield, Jr.

Directors for Two Years—Mrs. George W. Auryans, Miss Martha L. Lathe, Mrs. William H. Brown, Mr. Joseph B. Jamieson, Mrs. Henry H. Carter, Mr. John F. Lothrop, Mr. Richard B. Carter, Mr. William H. Rice, Mr. Bernard Early, Mrs. Bertrand E. Taylor, Mr. George H. Ellis, Mr. Kenelm Winslow.

Directors for Three Years—Mr. George M. Angier, Mrs. Howard North, Mr. Oliver M. Fisher, Mrs. Irving O. Palmer, Mr. James Kingman, Rev. J. Edgar Park, Mrs. Arthur Lane, Mr. Henry B. Reed, Mrs. William H. Lothrop, Miss Ethel Sabin, Mrs. Marcus Morton, Mr. Clarence L. Weaver.

COPLEY THEATRE—The patrons of the Henry Jewett Players have always been fond of the plays written by G. Bernard Shaw, and further evidence of this unquestioned fact is afforded in the crowds that have been flocking to the Copley Theatre all this week to witness "Widowers' Houses" and "How He Lied to Her Husband."

So pronounced has been the success of this double bill that it will remain the attraction throughout the coming week.

"Widowers' Houses" is a realistic exposure of slum landlordism, municipal jobbery, and the pecuniary and matrimonial ties between it and those people who derive their income from sources which they either know little about or do not care to investigate.

The other piece, "How He Lied to Her Husband," which follows, calls for only three characters: The lover, played by Mr. Ross; the wife, played by Miss Newcombe; and the husband, played by Mr. Matthews.

Commonwealth of Massachusetts, Middlesex, ss. PROBATE COURT.

To the heirs-at-law, next of kin, creditors, and all other persons interested in the estate of Mary E. Crocker late of Newton in said County, deceased, intestate.

WHEREAS a petition has been presented to said Court to grant a letter of administration on the estate of said deceased to Ethel Gibbs Marr of Newton in the County of Middlesex, without giving a surety on her bond.

MUSICAL SERVICE

The first musical service at the Newton M. E. Church attracted a large audience last Sunday evening and a most excellent program was rendered by members of the Boston Symphony orchestra. Next Sunday evening, at 7:30 the second musical in the series will be given by Mr. Fernand Thillois, violinist, Mr. De Mally, flutist and Mr. George Miquelle, cellist. The following program will be given:

March from Sigurd Jorsalfar Grieg
Nocturne Cui
Adagio, (Mr. Fernand Thillois) Chopin
Prayer from Othello Verdi
Menuet from Orpheus (Mr. De Mally) Gluck
Andante (Mr. George Miquelle) Rubinstein

Movement from Sonata Van Goens
The Voice of the Chimes Luigini
Kamenoi Ostrow Rubinstein

DEATH OF MR. GORDON

Mr. Albert L. Gordon, a resident of this city for about forty years, died on Monday at his home on Washington park, Newtonville, after a long illness of several years. Mr. Gordon was born in Milford, N. H. but has spent the greater part of his life in and around Boston. For many years he was engaged in the dry goods business with stores in Boston, Watertown and West Newton. Later he entered the real estate business until ill health compelled him to retire.

He was a deacon in Central Church, Newtonville and a member of General Hull Lodge, A. O. U. W.

He is survived by a widow, one son, Mr. Harold L. Gordon of New Castle, Penn. and two daughters, the Misses Marion and Ruth Gordon of Newtonville.

Funeral services were held at his late home on Wednesday afternoon, at which Rev. M. H. Lichter, the pastor of Central Church officiated and the interment was at Newton cemetery.

WELCOME TO SERVICE MEN

Banquet, Music and Speeches at Elliot Church, Wednesday Evening, Nov. 19th

The men of Elliot Church in National service during the war will be given a welcome home banquet in Elliot Church chapel, Wednesday evening, November 19th, the exercises beginning at 6:30 o'clock.

The list of men to be thus honored includes nearly 100, who were in all branches of the service. A majority of these men are expected to be present.

An elaborate menu has been provided. The program will include special music and informal singing.

The addresses will be given by Rev. H. Grant Person, D.D., pastor of the church; his honor the Mayor, Edwin O. Childs, and Hon. Robert M. Washburn, ex-member of the General Court, president of the Roosevelt Club of Massachusetts, prominent attorney and orator of wide reputation.

BRAY-KELLEY

On Sunday afternoon, November 9th, Miss Helen Agnes Bray, daughter of Mr. and Mrs. John Bray of Halifax, N. S., was united in marriage to Mr. Joseph Francis Kelley, son of Mrs. Ellen A. Kelley, of 387 Washington street, Newton. The ceremony was performed at St. Patrick's Church, Watertown, the Rev. Father James O'Donnell, officiating. The bride was attended by Miss Mae Ryan, of West Newton, while the groom was attended by his brother, Thomas R. Kelley, of Springfield, Mass. After a wedding reception at the home of the groom the couple left for New York. Upon their return they will reside in Brighton. The couple are well known in the Newtons, Mr. Kelley being a member of the Newton Council, K. of C. He is connected with the Boston Herald staff.

Y. M. C. A. NOTES

In the Church Bowling League the Newton Upper Falls Methodist is ahead with 9 won and 3 lost. Then comes the Immanuel Baptist, Newton Y. M. C. A., North Congregational, and the Newton Methodist. In the house tournament Team 5, F. Thomas, H. Thomas, Edward Gray, W. H. Haynes, and Joyal are leading with 16 won and 4 lost. Some of the high men are: C. Wheeler, high single 142, H. Thomas, high three string 317, and high average 97.

A class in Spanish will be started on Tuesday, November 18th at the Y. M. C. A. Any young man or officer boy who wishes to learn commercial Spanish please phone Newton North 592 for particulars or call at the building.

Rev. Harry Lutz was the speaker at the fellowship club which meets every Monday night at the Y. M. C. A. Some reconstruction problems was the subject. There was opportunity for discussion. Supper at 6:30. Any young man is welcome.

Membership November 1st was Seniors, 558; Juniors, 227; total, 785. Dr. Daniels of the Hood Rubber Co. brought in the most members for the month. If nineteen others had done as well the membership would have been increased by 100. Who will get five new members in November?

A Boys' Debating Club has been formed at the "Y" which meets on Saturday evenings at 7 o'clock. There has been a splendid program arranged, which, besides the debates, includes supper, special swims, and moving pictures. A prize will be given at the end of the year to the team winning the greatest number of debates.

NOW AT COLLEGE

"OVER THERE"

The following letter from a well known West Newton gentleman to his son will undoubtedly be of interest to our readers.

Oct. 16, 1919.

Dearest Son:—

Anyone who says "War is Hell" will have a good backer in me for during the two days I have spent on the battlefields and travelling about to get to them, I have learned that a man does not actually have to be in a battle to appreciate the truth of Sherman's statement. Yesterday I went to Arras and motored with a party all over the ground that had been torn up and fought over steadily for four long years. For miles in that sector there is not one house standing that is habitable except those that have been temporarily fixed up since the war. We went all over Ridge and the ground all about there resembles the roughest pasture land you can imagine, caused by shell holes all of which are now partially covered by grass and weeds. 400,000 shells and more were fired at that hill and thousands of graves containing bodies buried as close together as sardines in a box. I saw the German prisoners separating the bodies and putting them in boxes for reburial. The sight was one not to be forgotten. In spite of the indescribable features attending it all, we were glued to the spot—it was all so un-canny! This, it appears, is one of the commonest sights in France today and people here so take it as a matter of course that one never could believe human beings could become so hardened to such things. Countless cemeteries it would seem are all about. Such desolation in so many cities and towns that are actually obliterated, some even without a wall standing, and all overgrown with weeds. In places like Rheims and Arras are buildings with a front or side blown out or a place where a shell has left a hole stuffed with sand bags—these are habitable and their occupants are making the best of their only shelter. You would think families who have lost all their loved ones and their houses left in such ruins and desolation would lack the courage to live, wouldn't you, not to mention starting life over again, but these French people never lose "hope" and are cheerful even under such conditions. In Lens, once a thriving city of 50,000 people not a house is left, yet in the main square is a large sign in French which reads, "Lens will be re-born." Here I took several pictures of the German prisoners clearing up the debris, the results of their dastardly mission.

Rheims Cathedral is still beautiful to look at and until one enters the portals one would have no conception of the havoc wrought. But Rheims Cathedral will rise again in its former splendor even tho' it will take 50 years and more to accomplish it.

Sad but true the churches here seem to have fared worse than other buildings. We have seen churches demolished, but buildings adjoining hardly touched.

Tonight we are spending in Hotel de Metz, Sainte Meinehould, the gateway to the Argonne Forest, which we visit tomorrow. This hotel in this small town of 5,000 inhabitants was the American officers' headquarters. It is the first steam-headed plant I've seen since leaving home and it feels good! This is the hotel made famous by Hugo and Dumas, both having stopped here and have referred to it in some of their books.

This town as far as we can see was not touched by shell fire, but was occupied by Germans early in the war. The Crown Prince favored (?) it with his presence. After supper we started for a walk, but the one main street was pitch dark, not a street light even and all the shutters closed on every store and house. This war time practice is being kept up and probably will be for some time to come as living this way has become a habit of the French people living in towns near the battle fronts. They don't live here, they just exist. The mud is so deep here that my shoes look more like a clam-digger's, but he wears rubber boots, doesn't he? I came over from Rheims today in a taxi; it was chug, chug, 10 miles an hour or less and bumpity-bump all the way! The autos are all shot to pieces here—out of repair and such derelicts! Our old "W. E. G." would look like a new Pierce Arrow over here!

People who enjoy travelling would get quite enough here! It took 6 1/2 hours to get from Paris to Arras yesterday—distance about 100 miles!

Tourists who expect to find pleasure in sight seeing will be disappointed in a way, for at the rate they are filling in trenches and carrying away barbed wire and other equipment, by next summer nothing will be left but ruined cities. Salem, after her big fire, resembled France on a small scale. It is hoped that all of the soldier's bodies will be properly buried in cemeteries by then.

In Paris I met a Mr. Jennings of the Naval, U. S. A. Intelligence Office, a friend of Mr. Collins, and he supplied us with quinine, aspirin, some cigars and cigarettes, which are almost impossible to get here. This young man is a splendid specimen of our boys over here and we thoroughly enjoyed our evening with him.

The French built miles of trenches which were never occupied—resemble long lines of gray in the distance; they had no intention of giving up a foot of their beloved land without a fight!

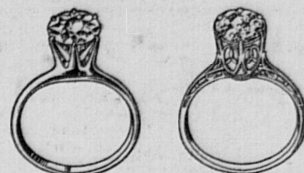

You do not know, my boy, how many times I picture home and its comforts and all that goes to make up happiness in this life. Such suffering and sights as I have seen here bring more forcibly than I can tell you, these things to me and the great need for America's help. Your "bit" at home is a big bit here and it cannot be emphasized too strongly.

I have rambled on this evening, for it has been one of peace and quiet, the warm room, too, you know, and the realization of our many blessings—all led to this long chat with you at home. Time will drag between now and November 10th, when I expect to sail on the Mauretania if England's many strikes do not prevent.

Love and blessings,
Your Dad.

EDITORIAL

The plan of club dinners just announced by the Newton club may lead to some kind of a Community kitchen and ultimately many of the ladies from some of the most annoying cares of housekeeping.

The demands which are being made upon the city treasury for increased salaries and additional appropriations for work are far more numerous this year than ever before, while the cash balance in the city treasury has been almost exhausted. If the city government finds it impossible, for lack of funds, to grant even the most deserving requests, the fault should be laid to the door of that famous piece of legislation, which has been so often condemned in these columns—the Municipal Finance act of 1914. On account of the prohibitions of this act, many needed appropriations will have to be delayed until after January 1st, whereas, previous to that legislation, it was possible for the retiring board of aldermen to appropriate money from the next tax levy.

The warnings of members of the Finance committee that it was advisable for the city to go slow on such matters as sewer construction in the present state of the labor market, fell on deaf ears at the last meeting of the city government, which over \$6000 worth of work was ordered, and which admittedly must be done by contract, as the Street Department has no labor available.

It is certainly good news to announce this week that while so many places in and around Boston have failed to make their quota on Red Cross memberships that Newton has maintained her splendid reputation in this respect and has gone "over the top." Hurrah for us.

The Highland Glee Club needs first tenors. This organization is doing splendid work and deserves the active and financial support of all citizens of Newton.

WOMEN'S CLUBS

Community Club

Mrs. Nathaniel Thayer speaking before the Community Club yesterday afternoon told of her experiences in visiting various sections of France in the early summer. To observe the work of the American Committee of Devastated France and to see if it were time, as some were saying for Americans to withdraw their work of rehabilitation was the object of her trip. On this account, she had the unusual privilege going over many different sections of the war area and her description of the utter desolation brought vividly to mind what the poor people of France have suffered, of the endless amount of work still to be done, of the courage of the people, and the brave manner in which they are returning to their homes amidst overwhelmingly discouraging conditions. She told of visiting one village apparently an utter mass of ruins with no trace of a roof of any kind nor even walls more than five or six feet high, and yet when the time appointed for the inhabitants to come together to get supplies brought

them by the American Committee 210 men, women and children appeared seemingly to have come up out of the ground. Mrs. Thayer was particularly impressed with the way things are left unguarded, so that any evil disposed person could step in and walk off with anything of value which may still remain. Almost before the Frenchman has a place to sleep he is in his back yard starting again his vegetable garden.

Her account of the dedication on Memorial Day of the first American cemetery was impressive and in this connection she urged any who might have friends buried over there not to try to visit there until another summer and be content to leave the dear ones where they now lie in the kindly keeping of the French.

Her feeling relative to the reconstruction work is that it should not yet be abandoned, that while the methods of the French women are different from those of the American women who have had more experience and a little slower, that in time they will be able to shoulder it alone. Meanwhile we must not relinquish our support. She praised highly what she saw of the work of the Smith College Unit and told the women that if any of their daughters had the chance to go not to deter them, for they would be carefully chaperoned and were receiving a training of the utmost value.

The chorus rendered one selection at the opening of the meeting and following Mrs. Thayer's address Mrs. C. J. Wellman, assistant probations officer, told something of her work and urged the women to join the Newton Circle which is having a drive for membership.

ALDERMEN MEET

The aldermen held an adjourned meeting Monday night called to declare the results of the state election but they transacted considerable other business as well.

Aldermen McAuslan and Clement were the only members absent.

Mayor Childs sent in numerous communications, most of which called for additional appropriations. The school committee said that if the evening schools are to run thru December, they must have \$1000 more. They also require \$950 additional to transport pupils to school from outlying districts. Residents of Royce road and Victoria circle want a fire alarm box there to cost \$460. The firemen want the salaries raised to the figure already given the police. The street commissioner wants \$3000 more for Sewer House connections, and if the sewer in Chandler place is to be constructed the contract will call for \$2700 more than the present appropriation of over \$16,000.

The governor's proclamation of Armistice Day was placed on file.

Petitions of P. A. McVicar for an auctioneer license, of Otis Phillips, Beacon street, Mrs. E. P. Young, Glenwood avenue and L. I. Van Buskirk, Gorge Hill avenue, for private garages, and of the Edison Co. for attachments on Centre street were all granted. Other petitions were filed for a sewer in Prospect avenue, and in Harris road, for relocation of an Edison pole on North street, and of E. G. Merrill for a victualler license at 1279 Washington street.

Orders were passed authorizing \$10,000 street improvement bonds, and declaring the result of the state election.

There was quite a debate over building a sewer in Waltham road and Wiltshire court. Alderman Forknall said that the reference at the last meeting, to the next city government was a mistake and that the orders should be passed this fall. Members of the Finance committee endeavored to have the orders laid over until next year, when it is hoped authority will be granted to increase the sewer assessment rate. They were outvoted, 11 members being in favor of the work now to 8 opposed.

TECHNICAL HIGH SCHOOL

The Newton Grade Teachers' Club announce a recital next Wednesday evening in the Technical School Hall, with Clarence Hamilton, pianist and Albert Foster, violinist as the attractions. Dancing will follow in the library of the school.

DON'T FORGET that a neglected piano is soon out of commission. FRANK A. LOCKE tunes

INVENTION GOT GOOD TRYOUT

Exploit of an Elderly French Aviator, With Particular Hobby, Has Become Legendary.

Another French officer, recently promoted to a very high position in aviation, is a genuine character, a numero, as they say here. He recently spent many hours in perfecting a trick optical sight, guaranteed to down a Boche at any range, angle or speed. He adored his invention, which, he admitted, would probably end the war when fully perfected, and grew quite testy when his friends told him the thing was far too complicated for anything but laboratory use.

A last, though he had reached a non-flying rank and had not flown for months, he installed the optical wonder on a single-seater and went out over the lines to try it out. As luck would have it he fell in with a patrol of eight Albatrosses and the fight that followed has become legendary. Boche after Boche dove on him, riddling his plane with bullets, while the inventor, in a scientific ecstasy, peered this way and that through his sight, adjusting set screws and making hasty mental notes. By a miracle he was not brought down, and in the end a French patrol came to his rescue. He had not fired a shot!

At lunch the other day someone asked what sort of a chap this inventor was, and the answer was so exceedingly French that I will reproduce it word for word: "He detests women and dogs; he has a wife he adores and a dog he can't let out of his sight." A priceless characterization, I think, of a testy yet amiable old martinet.—Charles Bernard Nordhoff in the Atlantic Monthly.

FEWER HEROE'S NAMESAKES

One Popular Custom Seems to Have Virtually Ended With Cleveland's Administration.

Americans are abandoning the old custom of naming their children after the hero of the hour, according to the New York Sun. At the time of the Civil war and immediately thereafter thousands of children were named Abraham Lincoln.

This custom continued about thirty years after the war. The last American president to be honored in this way by any large number of persons was Grover Cleveland. The American army today is jammed with Grover Cleverlands, as boys born during the great democratic administration are just now of the finest fighting age. The slump began during McKinley's term and has continued ever since.

There are comparatively few William McKineys, and even Theodore Roosevelt, with all his immense popularity, gained but few namesakes. President Taft had only a small number of babies named after him. In time of war, such as has existed for the last two years, it would be imagined that the custom would revive, but there has been only a slight increase.

Out of 43,000 births recorded in Philadelphia in 1918 there were only 27 Woodrow Wilsons and only 7 John Pershings, according to the records of the bureau of vital statistics.

Any Duty, Mr. Hun?

The Boche customs officer—or rather the former Boche customs officer—at Metz probably will remember one of the final "declarations" he accepted. It was from the correspondent of a Paris paper, who reached Metz ahead of the French troops. The Germans still were in the town they had held since 1870, but in view of the armistice made no attempt to stop the correspondent from entering the city.

Writing to his paper of his experience the correspondent told how no one but the customs officer stopped him, and continued:

"The officer asked if I had anything to declare, to which I responded that what I had to declare was: 'Vive la France!'"

Cutting Down Work Hours.

Charles W. Runyon, clerk of the Martin circuit court, who attended the meeting of county clerks and who is said to be the youngest clerk in the state, has a daughter, Alice, just starting to school.

Alice was at a little desk Santa Claus had brought her. She had apparently been in a deep study for some time when she suddenly looked up and said:

"Mother, I have made a new resolution." "What resolution have you made, my dear," replied Mrs. Runyon. "Well, mother," said Alice, "I'm not going to work so hard next year as I did this."—Indianapolis News.

Birds Steal Rides.

Birds are fast taking the place of hoboes on the brakebeams of trains, according to John E. Sexton, president of the Eureka-Nevada Railroad company of Palisade, Nev.

Sexton says birds, especially sparrows and linnets, are extremely lazy this year, and instead of flying from the East to the West are riding the brakebeams.

Citing an instance, Sexton said that about 300 birds riding on a Southern Pacific train passing through Nevada from the east recently flew from their perches between the coaches when the train passed over a rough crossing.

Causes of Commercial Growth.

The chief causes of the growth of international commerce from less than \$2,000,000,000 in 1818 to approximately \$50,000,000,000 in 1918 are growth in population, cheapening in transportation and a division of labor among groups of men the world over.

ROUSES HENS FROM INACTION

Theory as to Benefit of Use of Artificial Illumination Would Seem to Be Plausible.

How can artificial illumination have any effect on egg production, is the question being asked by some skeptical poultrymen who have never made any tests.

The answer is, according to the workers in poultry husbandry at the New York state college of agriculture, that the light appears to equalize the time between meals and to shorten the period of inactivity of the fowls during the long nights.

The long nights of the late fall and winter months apparently cause the fowls to use a larger proportion of the night feed for bodily needs than would be the case under normal conditions in the springtime, when the days and the nights are of practically equal length.

At the time of the year when fowls lay the most eggs in New York state—the months of April, May and June—the days and the nights are approximately of equal length. Under these conditions, fowls appear to assimilate their feed, secure the proper amount of exercise, and form their eggs to best advantage.

The latter part of December there are about fifteen hours of darkness and nine hours of daylight, whereas in the latter part of June the reverse is true—there are approximately fifteen hours of daylight and nine hours of darkness.

CROW IS ENEMY OF FARMER

Under Modern Conditions There Seems Little Reason for the Bird's Continued Existence.

The record of the crow is like its coat—about as black as free press can be—a writer in Detroit Free Press says. It may be that in the great plan of nature, some time in the past, the crow served a useful purpose—like the hawk and the buzzard. Take the buzzard, for example. Once protected by human laws everywhere because useful for removing carrion, the stench of which offended the nostrils of all animal life, it is now outlawed, because man realizes that it is better to burn or bury the dead—leaving no excuse for the existence of the disease-carrying buzzard. So, in the beginning, the mission of the crow, we may conjecture, was to preserve some equilibrium, some balance in the economy of nature. It may be he was placed here to hold in check the weed seed and grain eating birds, because weeds were a factor in the past in covering the waste places of the earth and making them fertile. However that may have been, there seems to be no excuse for his existence now since man, the agriculturist, seeds the waste places to useful grains and grasses and needs the help of the insectivorous birds.

Tokyo to Treble Its Population.

If plans adopted by a special committee are carried out, Tokyo will become a city with an area of 226 square miles—a startling contrast to its present area of 30 square miles. The Tokyo Asahi claims that the absorption of the score of suburban cities, some of which the editor says possess larger populations than other principal cities, excepting Osaka, Yokohama, Kobe, Kyoto and Nagoya, will make Tokyo the largest city in the world. Suburban Tokyo now includes the populous residential and industrial communities of Shinagawa, Meguro, Shibuya, Harajuku, Yodobashi, Nakano, Oesaki, Sugamo and many others. These towns are no longer suburbs, but parts of Greater Tokyo, and the movement is to bring them under one administration.

Old New Year's Day.

The act for the change of style provided that the legal year in England, 1752, should commence, not on the 25th of March, but on the first of January, and that after the third of September in that year, the next ensuing day should be held as the 14th, thus dropping out 11 days. A similar change was made about the same time in Sweden and Tuscany, and Russia and Greece are now the only countries using the old style. The years 1800 and 1809, not being considered by us as leap years, have intersected two more days, actually making the difference 13 days between old and new style.

Will Not Read Bible in Schools.

The Atlanta board of education at a recent regular meeting reversed its action which ordered the reading of the Bible and repeating the Lord's prayer in the public schools of the city. This action was taken by the board after having heard read the address of the late Senator Joseph E. Brown, war governor of Georgia and the first president of the Atlanta board of education, which was delivered in 1873, and in which the Georgia senator delivered an argument against enforcing the use of the Bible in the schools.

Lawyer's Humor.

Mr. Hohenzollern says he prefers not to think of his exit from Germany as a "flight." While we would like to agree with William, we cannot help thinking of a phrase that occurs in real estate leases. When a tenant is thrown out for not paying his rent or for abusing the premises the lawyers call it "an amicable action in ejectment."—Collier's Weekly.

GIRL SCOUTS

Troop V, of the Newton Girl Scouts meets Tuesday afternoons, in the Entertainment Hall of the Congregational Church, West Newton. There are 47 Scouts in the Troop. Of these 11 are candidates, 14 Tenderfoots and 21 second-class Scouts. As yet, Troop V. has only one first-class Scout but a number of girls are working on their first-class test, and we hope that we may have more in a short time.

The first regular meeting this Fall was held on September 23, when the girls started in on their winter's work with great enthusiasm. The meetings are divided into three periods: First comes the opening, followed by patrol meeting and then a business meeting of the whole troop. This first part of the meeting takes about 30 minutes; then comes a period of Scout work, and then a period of play. During the second period, a short time is generally spent in drilling and then the girls meet in groups for their regular work courses are being planned in First Aid (for the First Class work) Home Nursing and Dressmaking. The last fifteen minutes of the meeting is spent in playing games, having grades, etc., and Taps is sung promptly at 4:30. The hour and a half is soon over and there is never nearly enough time to do all the work. During the Fall the playtime has been spent out-of-doors when the weather has permitted.

On Armistice Day, Troop V. went on a hike. They went to the "usual place" on Quinobquin road where all Girl Scouts love to go. Twenty-five girls went and had a "glorious time." Each patrol built a fire and every girl had something to cook for her dinner. After dinner games were played and a few of the girls went on a short bird walk. One member of the Troop Committee was present, and this added to the good time. The girls are always so pleased, when some member of this Committee is interested enough in their work or their good times to join them.

An unusual feature of Troop V. is its bicycle patrol. This Patrol hopes to demonstrate what it can do at the rally. Don't forget the rally, Girls. It is to be on Saturday afternoon, December 6, in the Gymnasium of the Newton High School, AND IT IS TO BE A GREAT OCCASION.

We hope that every Girl Scout in Newton will be present. We will tell you more about the rally next week.

For news of Troop V. see the next issue of this paper.

Mrs. Frank A. Day of Sargent street, Newton, Mrs. Albert P. Carter of Newtonville, Miss Caroline Freeman of West Newton, are to attend a National Council of the Girl Scouts next Thursday in New York.

NEWTON GIRL SCOUT PLAY

On Thursday afternoon the Girl Scouts of Acorn Troop 2 gave a play in the parlors of Channing Church to a large and appreciative audience.

The play is to be repeated on Saturday afternoon and evening in order to give every one, young and old, a chance to see it.

The program is divided into four parts thus offering a variety of entertainment. Part 1 consists of a charming dance by Alice Holmes as Columbine, while part 2 consists of a series of song pictures as follows: A "Punchinello." In this Alice Holmes is again Columbine, and Alice Williams her lover, while Barbara Butler, Ruth Fisher, and Paula Melanson are wedding guests. B. "Twickenham Ferry." In this song picture Katherine White is the Ferry Man, and Elizabeth Pearson the Maiden, with Suzanne Joines and Barbara King as the unfortunate travellers.

In part 3, "Lily Bell and Thistle Down," we are given a dainty little play in three acts in which the bad fairy becomes good and all ends happily.

Those who take the leading parts are as follows: Lily Bell, Eleanor Rackliffe, Thistle Down, Mary Marshall, Captain Brownie, Barbara Partridge, Ben Scott, Eleanor Hains, Jack Scott, Mary MacPherson, and Hum, Honey Bee, Barbara Smith. In addition there are the Tullips: Wilma Cotton, Josephine Sennott, and Mabel Williamson; the Lillies: Helen Nagel, and Edith Craig; Rose and Bud: Elizabeth Wetherbee, and Dolly Jefford; Daisies: Frances Holmes, Hope Hod-

Brook Street, Newton

ABOVE PRICES F. O. B. DETROIT

Waban

Mr. Charles W. Brooks has moved into his recently completed house on Pilgrim road.

Dr. Morse has moved from Avalon road to 1643 Beacon street, near the postoffice.

The Highland Glee Club wants first tenors. Tel. Fort Hill 3207 or Newton South 679-M.

The Rev. James C. Sharp of the Church of the Good Shepherd will preach next Sunday morning.

The Rev. A. E. George of Wellesley has been engaged to assist the Rev. James C. Sharp until next Easter.

Mr. and Mrs. Waldo H. Brown of Avalon road are receiving congratulations on the birth of a daughter.

Tonight the Woman's Guild of the Church of the Good Shepherd will give a supper at the Neighborhood Club at 6.30.

Waban took two out of three from Arlington Boat Club Wednesday and next Wednesday evening will go to Newton to play Hunnewell.

The Woman's Guild of the Church of the Good Shepherd will meet at the home of Mrs. Wilson, Pine Ridge road next Tuesday afternoon at 2.30.

The Ladies' Circle of Union Church will hold a supper tonight at Union Church. There will be community singing, and Major Bartlett will speak.

Friends of Mr. Herbert R. Lane and all members of the Church of the Good Shepherd will be glad to know that Mr. Lane, who so ably assisted in the Sunday School last year is to continue this year.

The Ladies' Circle of the Union Church will meet in the vestry of the Church next Wednesday, Nov. 19th, at 10 A. M. Luncheon will be served at noon and the business meeting will be held at 2.30.

On December 5th the Men's Club of the Church of the Good Shepherd are to meet at the home of the rector, Rev. James C. Sharp. The Rev. Mr. Murray Dewar, rector of the Church of the Epiphany of Winchester, is to talk on "After the War Tendencies."

Saturday night little Barbara Cram, daughter of Mr. Frank T. Cram gave a party in honor of her birthday which, however, really occurred last September. The guests were Jean MacDonald, Debbie Symonds, Deborah Holmes, Dunbar Holmes, Nathalie North, Hope Megus, Phyllis Reinhardt, L. Olive Heathcote, Nancy Porter, Charles and Kenneth Brown, Charles White, and Teddy Eafie.

Under the direction of the Waban Woman's Club and the Neighborhood Club Mr. Albert L. Squier will give an illustrated lecture at the Neighborhood Clubhouse next Wednesday evening, Nov. 13th, "Who Was Control the Seas?" Mr. Squier answers this question in a remarkable and impressive lecture. This lecture, illustrated with incomparable colored lantern slides, all the creation of the lecturer's artistic hand, stands unparalleled among human efforts to convey to others an adequate idea of the immensity, the romance and the significance of the greatest engineering enterprise of all time.

BOY SCOUT NEWS

A number of the Boy Scouts from Troops 10 of Waban, seven of West Newton, and two of Auburndale took a very successful hike to Naele Pond in Weston, last Saturday.

The scouts from these troops hiked up to the pond, led by Scout Executive Talbot, and Mr. E. J. Ovington. Upon arrival at the camp site, fires were soon built, and dinner was cooked.

After the capacity of both scouts and leaders was taxed to the utmost by the varied menu provided by the party, a short rest was taken, then several most interesting and exciting games were played until time to start home again.

The scouts reached their respective homes about 6 o'clock, all voting that it was a most successful hike. Another will probably be taken, under Mr. Talbot's guidance, next Saturday morning, the scouts going to Oak Hill for the passing of tests.

A hike planned for last Tuesday was cancelled, because of the threatening weather.

Troop 10 of Waban and Troop 7 of West Newton, received a visit from the Scout Executive last Friday night.

Troop 10 is already planning to win the meet, which is to be held next spring, and is busy at work training for the various events. Scouts are divided into groups, some practicing fire lighting by friction, others the barrel tilting contest, and some of the water boiling event. It looks as if the other troops in the district would have to hustle if they wish to stand any show at this meet in the spring.

Troop 7 is busy at work getting ready for another Court of Honor. Mr. Crowell, the Scoutmaster, has said that all the scouts must be first class by summer, and this is making them all work as hard as they can. They claim to have the best troop in Newton, and are prepared to defend this statement against all comers.

There is a fine troop of the colored boys of West Newton, being developed under the leadership of Mr. William Matthews and Mr. R. L. Hatton. About 20 boys are coming around to the meetings, and aided by several former scouts, Mr. Matthews and Mr. Hatton expect to develop a fine troop.

The regular monthly meeting of the Executive Committee of the Norwumbega Council will be held next Tuesday evening, November 18th, at the Newton Club. Matters of interest to all will be taken up at this time.

Troop 1 of Newtonville, took a hike last Saturday. Where they went and what they did is unknown, but it is expected that they all had a fine time, even if they were very confidential about it.

All the scout officers are on the lookout for a Scoutmaster for Troop 5 at Newton Centre. Mr. Edmund B. Alger, the former scoutmaster, having resigned. This leaves the troop without officers. The boys are there, thirty-five strong, but great trouble is being found to get a man who will lead them.

The second meeting of the Patrol Leaders' school was held yesterday at the West Newton Congregational Church, under the direction of Mr. Harlan D. Crowell. The attendance is increasing, and great things are being done under his capable leadership.

Drill, setting-up exercises were taken up by Lieut. James Irwin, after which Mr. John M. Woodbridge, the originator of the Patrol Leaders' school gave a talk and demonstration on the use of the voice in giving commands. The scouts were then lined up, and practiced this on each other. Mr. Crowell gave a splendid talk on "Leadership," which is the keynote of the course.

This school is being spoken of most highly, and has even been mentioned by the National Deputy Scout Commissioner to National Headquarters as a fine thing, and a model school.

The school was honored by a visit from National Deputy Field Commissioner R. N. Berry, who was most interested in the work the scouts were doing, and expressed himself as very pleased with the work.

Several new Merit Badge Phamphlets on Horsemanship, Safety First, Forestry, Athletics and other subjects have recently arrived at the scout office, and those interested should see Mr. Talbot about them.

A meeting of Commissioner Irwin, Deputy Commissioner Radway, and Executive Talbot was held with the Scoutmaster and Troop Committee of Troop 4, Newton Highlands, to talk over the best way to get assistant scoutmasters for the troop. Before the meeting, Mr. Irwin gave a most interesting talk and demonstration of First Aid. Mr. Irwin has had many opportunities to treat injured, while connected with the railroad in New York state. A number of photographs were shown of various railroad wrecks, and Mr. Irwin related his experience at each.

MICKIE SAYS

ONE THING I COULD NEVER GET THROUGH MY BEAN IS WHY SOME FELLERS'LL COME 'ROUND HERE WHEN THEY WANT A FREE BOOST IN TH' PAPER-N THEN SEND OUT OF TOWN WHEN THEY GOT SOME PRINTING TA DO?

Newton Highlands

Mrs. Alice Jones has sold her house at 18 Bemuth road.

J. B. Hall has sold his house at 16 Bradford road to Frederick Badger.

Mr. Charles Clark and family of Lake avenue will move to Brookline.

Mrs. C. M. Evans of Forest street has returned from the Newton Hospital.

Mr. George E. Doane has moved from 336 Lake avenue to 30 Oak terrace.

Mrs. Louis A. Parsons of Columbus street is visiting her sister in Pennsylvania.

Miss Irene Beers of Walnut street has recently won a contest in short story writing.

Mr. James Kingman is having improvements made on his residence on Fisher avenue.

Mr. W. C. Chase of Floral street has been confined to the house by illness the past week.

The Highland Glee Club wants first tenors. Tel. Fort Hill 3207 or Newton South 679-M.

Irene D. Bowers has bought the house lately occupied by Richard True at 156 Woodward street.

Wednesday the Ladies' Aid of the Congregational Church held its monthly lunch and sewing meeting.

The Shakespeare Club met last Saturday afternoon with Miss Mary L. Sweeney of Columbus street.

The Woman's Foreign Missionary Society met with Mrs. Halladay on Carver road Thursday afternoon.

The Ladies' Aid Society of the Methodist Church will hold a Food Sale Saturday, 3-5, at German and Morton's store.

The Ladies of the Methodist Church held a missionary meeting Thursday at the home of Mrs. R. F. Halladay on Carver road.

Mrs. George W. Butters of Salem, Mass., formerly of this village, has been visiting her sister, Mrs. George Stearns of Parker street this week.

Miss Bessie Noble of Lincoln street was one of the prize winners in the Boston Traveler short story contest open to high school pupils.

On Armistice Day the Camp Fire Girls, under the leadership of Mrs. Chester Littlefield had a bacon hot which was a great success in spite of the weather.

Mr. and Mrs. Andrew B. Wright entertained a number of the young people of the Congregational Church at their home, 48 Harrison street, last Sunday evening.

Mr. Hugo Elliott gave an illustrated lecture on "Art Treasures of the Boston Museum of Fine Arts" before the Woman's Club in Lincoln hall last Tuesday afternoon.

Hon. J. Weston Allen, the new attorney-general, spoke before the Men's Club of the Congregational Church Thursday night on "The Humors and Horrors of a State-Wide Campaign."

Funeral services for Mrs. Jessie M. Boyd of Boylston street took place Sunday afternoon at 2 o'clock at the home of her parents, Mr. and Mrs. Neil MacDonald on Parker street.

Rev. G. W. Jones and Rev. G. G. Phipps officiated.

Beginning Tuesday of this week and continuing until Nov. 23, the Methodist Church is holding a series of revival meetings. They are held every night except Saturday at 7.45, and on Sunday at 7 P. M. The speaker is Mr. Reuben S. Smith.

Next Sunday at 4 P. M. there will be a special vespers service at the Congregational Church. The Highland Glee Club will furnish the music, and Prof. Edward C. Moore will speak on "Problem of the Near East."

Moore was a member of the Commission to Armenia.

At the Congregational Church next Sunday afternoon at 4 o'clock, Professor Edward C. Moore recently from the Near East, will be the speaker at the Men's League Vespers Service. His subject will be "Problems of the Near East." The Highland Glee Club will furnish the music.

The speaker at St. Paul's Church next Sunday evening at 7.30, will be Hon. Charles S. Baxter, former Mayor of Medford, and at the present time a member of the Metropolitan Park Commission. Mr. Baxter is the man that Gov. Coolidge called in at the last moment to manage his recent campaign, and is one of the best known political figures in Massachusetts.

He has done a great deal of good work in addressing churches and church clubs throughout this state. He will take as his topic Sunday night "Civic Loyalty."

Newton Centre

Mr. Allen Hubbard of Montvale road is in the Adirondacks this week.

Mrs. Flint of Walnut street, who has been ill at the Newton Hospital, is now recovering.

Miss Eva Wheeler is ill at her home on Gibbs street with a slight attack of the grippe.

The Highland Glee Club wants first tenors. Tel. Fort Hill 3207 or Newton South 679-M.

Mr. Peter Adams and family of Norwich, Conn., have moved into their new home on Beacon street.

Miss Sadie T. Davis, who has been ill at her home on Lake avenue for the last week, is able to be out.

Miss Evelyn Goddard of Morse-land avenue is enjoying a month's vacation with relatives in Greenfield.

Mr. Watson Edward Cottle has returned to his home on Commonwealth avenue after a hunting trip to Maine.

Miss Harriet Esterbrook of Montvale road has gone to Brooklyn, N. Y., where she will stay the rest of the month.

Miss Martha Anderson of Orient avenue has returned to her home after spending the last week at Augusta, Maine.

Mr. Paul McIntyre of Beacon street leaves tomorrow for Washington, D. C., where he will remain for the winter.

Mr. Henry Graham, who has been spending the past week with relatives in Grafton has returned to his home on Warren street.

Messrs. Ralph A. Hall, and Ralph Bowman have returned to their home on Trowbridge street after a bird hunting trip to Marshfield last week.

The Baptist Church has called to its pulpit the Rev. Charles N. Argue of Yonkers, N. Y. He will begin his duties the first Sunday in December.

Mr. Karl Frederick Jackson and Miss Mildred Ethel Brackett were quietly married last Saturday at the home of the bride, 12 Applethorpe street, by the Rev. Jason Noble Pierce of Dorchester, Mass.

A tract of land containing over 725,000 square feet bounded by Parker street, Glenwood avenue and Ridge avenue has been purchased by George E. Clark of Boston, and will be put into the market in the near future.

At the vespers service at the First Church next Sunday at 4 P. M. the music will be furnished by the Harvard Male Chorus of thirty-two voices under the leadership of Mr. Archie P. Dacian. The pastor, the Rev. Edward M. Noyes, will speak.

Next Tuesday at the First Church there will be an all-day thank offering. The Rev. M. H. Lichtner of the Central Church, Newtonville, will speak, also Miss Gibson of the Chauncey School, Cleveland. This school prepares missionaries to work with people of their own nationality.

On Tuesday, Nov. 18th, the Red Cross house will be open for the Red Cross. All working members of this organization are invited to a farewell tea given by Mrs. Cobb and the board of directors from 4.00 to 5.30. It is hoped that our quota of the sewing and knitting will be finished by this date.

Next Friday night at the Unitarian Church there will be a dinner for those who did their part so nobly in the recent police strike. Mr. Joel Metcalf, Secretary of the Third Division, who was present at the battle of Belleau Wood, and in the battle of the Marne, will be the speaker. He will illustrate his talk with the stereopticon.

There will be a meeting of the Branch of the Layman's League recently formed in the Unitarian church at the church parlors next Tuesday to discuss plans for the winter. The president is Mr. Robert Clark of Newton Highlands, the vice-president, Mr. Arthur Lewis, the secretary, Mr. Edgar Libby, and Mr. W. F. Coan and Mr. George Spaulding are on the executive committee.

The Newton Centre young ladies are forming a Newton Centre Girls' Community Club. This club is to meet every two weeks at the houses of the members. The first meeting was held at the home of Miss Priscilla Ordway on Gibbs street, Thursday night. It took the form of a supper at which about thirty-five were present. Miss Frances Stevens of Trinity Court assisted Miss Ordway as hostess. The club plans to have meetings for study, sewing, etc.

Sunday night will be "Teachers' Night" at Trinity Church. The speakers will be Mayor Childs, Henry I. Harriman and Horace Kidger of the Technical High School, and President of the Schoolmasters' Club of Newton.

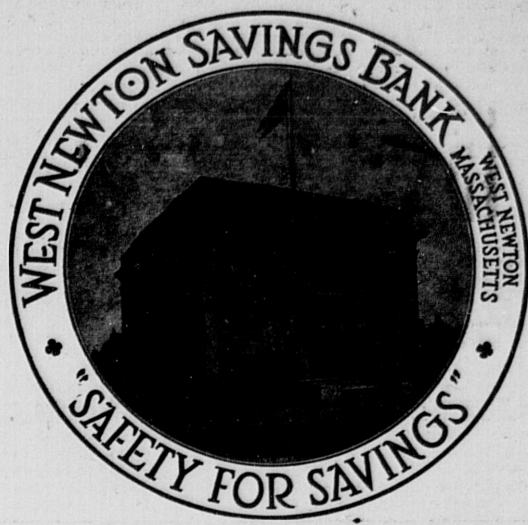

"Shall We Pay the Teachers We Have, or Drop to the Kind We Pay For?" is the subject that has been agitating many people in Newton in recent months. Proper compensation for our teachers will be the subject discussed by these speakers. All who are interested in the welfare of our schools and school children are invited. The hour is 7.15.

THE NORTH GATE CLUB

At the annual meeting on Wednesday, these officers were elected: President, Dana Libbey; vice-president, Dwight L. Woodberry; secretary, Paul G. Putnam; treasurer, Chester A. Reed.

Good Way to Clean Pipe.

The following is one of the simplest methods of cleaning a tobacco pipe: Cut one-half inch from the end of an ordinary cork and fit it tightly into the bowl of the pipe. Then with a knife cut a hole through the cork wide enough to admit the nozzle of a water tap with a little pressure; turn on the water gently until the flow through the stem is sufficiently strong, and let it run until the pipe is cleaned.

Upper Falls

Mrs. Hale, matron of the Stone Institute is seriously ill.

Mr. and Mrs. J. Martin of Providence visited her mother, Mrs. Brace-land of Elliot street.

Mr. De Michele and family have moved from Keefe avenue and are now residing on Elliot street.

The Yearly Harvest Supper was held at the Methodist Church on Wednesday evening under the auspices of the Ladies' Aid Society.

Miss Deborah Mansfield passed away at the Stone Institute, after a prolonged illness last Wednesday. Funeral services were held Friday, and interment was at Newton Cemetery.

A whist party was given at the home of Mr. Edward Cooper of Elliot street to a select number of friends. Music and refreshments followed whist, making the evening a very enjoyable one.

The church, the Rev. Mr. Noyes, is receiving congratulations on the birth of a son.

Miss Anna Sullivan and Mr. Walter Simpkins both of Newton Highlands, were united in marriage at the Mary Immaculate of Lourdes Church of this village last Wednesday morning at 9 o'clock.

Miss Catherine Murphy and Mr. Florence Crowley were united in marriage at the St. Mary's Im

WOMEN'S CLUBS

GRACE M. BURT, Editor.

Community singing is still being urged by those who understand its power to calm and to sway as well as to uplift a large body of people. That the clubs are continuing the habit instituted last year of singing at the meetings is borne out by the reports of several of the Newton clubs, where it is being made a part of each program. Undoubtedly the chairman of the Music department of the State Federation had no thought of doing away with it, when she suggested that the clubs concentrate upon one good musical program a year rather than have music at every meeting, for she also urged the women to learn all the patriotic songs and to sing them at the club meetings.

What she did mean in all probability was, instead of having at each meeting indifferent music by poorly trained musicians, who like Tommy Tucker, practically "sing for their supper," to put all the money together and expend it upon a really fine afternoon, which shall make for the education and the inspiration of the members.

Fortunate indeed are the clubs who have among their own membership educated musicians who are willing to give of their knowledge and of their skill for the benefit of their fellow members, whether it be as individuals or as members of a chorus. A good chorus is one of the greatest acquisitions a club can have, as has been borne out by many a club in years past. One of the best known of those older choruses is that of the Dorchester Woman's Club led for many years by Mrs. Martha Dana Shepherd. Among our own clubs that of the Abundant Woman's Club has been doing successful work for several years, while that of the new Community Club, although it has been rehearsing but a very few months, has already established a place for itself in its own club, and was greatly flattered to be asked so early in its career to sing at a meeting of the Newton Federation. The cordial reception on that occasion given the chorus's rendering of "On Music's Wings" by Mendelssohn and "Buttercups" by R. Huntington Woodman is indicative of what may be accomplished in a short time and of what is in store for the future. Clubs who have never tried it would do well to consider the possibility.

State Federation

Monday, November 17, 2.30 P. M.
Art Conference at Bridgewater by invitation of the Ousemequin Club.

Hyde Park 494-J.

In view of the approaching city election on Tuesday, December 9, Mrs. Arthur W. Lane, president of the Federation, has sent a letter to each of the clubs in the Federation urging every member whose name is not already on the voting list to register within the next few days as a voter. Interpretation of Home Responsibilities by Dean Sarah Louise Arnold of Simmons College, and a group of songs by Mrs. Herbert R. Stearns. Our city is arousing itself to a serious consideration of our educational problems and club members at the coming election should outwardly express the true interest which every woman inwardly feels in the welfare of our children in our schools.

Local Announcements

The Waban Woman's Club will meet on Monday, November 17, at the Neighborhood Club House at 2.30. There will be a lecture on "The New

November 17, the Newton Highlands C. L. S. C. meets at the home of Mrs. W. Scott Richards, 331 Lake Avenue. Mrs. Hiram A. Miller will review "Social Unrest" by John Graham Brooks.

At the meeting of the Monday Club of Newton Highlands on November 17 at the home of Mrs. Henry E. Williams of Norman road a play will be given.

The Brightelmstone Club announces a lecture on Current Events by Mrs. William C. Crawford for its meeting on Monday afternoon, November 17. There will be music and a tea, also a food sale.

Mrs. C. A. Katelle of Grove street will entertain the Christian Era Study Club for its meeting next Monday afternoon. French literature will be the subject. Mrs. Dessault will treat D'Aubigne, Mrs. N. G. Grant, Rabalais, and Mrs. Giles, Montaigne.

Major Thomas L. Walsh will address the members of the Woman's Club of Newton Upper Falls at the meeting on November 17 at eight o'clock on "Some Law Experiences." There will be community singing, which is to be a feature of every meeting.

The regular meeting of the Newton Parliamentary Law Club will be held at 45 Boyd street at 10.30 A. M. on Tuesday, November 18.

The Music committee of the Newtonville Woman's Club has secured Mrs. Lora May Lampert, soprano, to assist the Smalley Trio in the annual Musicale, which will be given at the Central Congregational church on Tuesday afternoon, November 18. Mrs. Lampert, who is the soloist at Temple Israel, Boston, comes with the highest recommendation of Mr. Gideon the organist of the Temple.

The first Current Events lecture by Mrs. J. Harry Poole will be held on the following Tuesday, November 25, and will be open to all members of the club.

Mrs. William C. Crawford will give the first of a course of monthly Current Events lectures before the Social Science Club on Wednesday morning. Members may invite guests.

The Newton Ladies Home Circle meet on Thursday, November 20, at 2 P. M. in G. A. R. hall, Newtonville. A whist party will follow the meeting.

The Conservation Class will hold its second meeting at the Hunnewell Club on Friday, November 21, at 10 A. M. In view of the fact that Massachusetts is now at a crisis in the forestry situation through the consolidation of State departments, the class has decided to devote itself to the consideration of these conditions including legislation, but will have the general subject of Conservation interspersed.

The discussion each morning will be opened by a short talk by the leader. An invitation is extended to the Girl Scouts to join the class whether or not they are members of either the Social Science or Community clubs.

The Bird Class of the Community Club will hold its first meeting on Wednesday, December 3, at 3 o'clock, at the home of the leader, Miss Margaret Tucker, 206 Church street, Newton. This will be a study of winter birds and their habits and some classification of the birds of this region preliminary to the out-door work in the spring.

The Home Economics committee of the Community Club announces that a class in Budget-Making is being formed, which will be limited to fifteen members. A competent leader will be provided through the courtesy of the Household Arts department of the Newton Technical High School. Any woman interested whether or not a member of the Community Club may join until the limit is reached. Those wishing to join should notify Mrs. Sidney Peterson, 42 Vernon street, Newton.

If every club in the United States had a scholarship fund and would send but one girl or boy through college, this one undertaking alone would be sufficient to consider women's clubs one of the greatest benefits to human society. The Education committee of the Abundant Woman's Club realizes the importance of giving young people a chance for higher education and concentrates its energies this year to establish a Scholarship fund. The committee raised the first sum by attending a delightful as well as instructive demonstration at the Home Craft Demonstration room in Boston. It has planned a Thanksgiving dance Wednesday, November 26, at Woodland Park, Abundant. Several fine lectures are to be given at private homes, the first to take place at the home of Mrs. E. B. Haskell, 5 Vista Avenue, when Mrs. George W. Coleman, president of the Woman's City Club of Boston, will speak on Mormonism. Mrs. Coleman has made a deep study of this subject and in an eloquent way points to the dangers of this spreading menace to our institutions. Tickets for any of the lectures as well as for the dance, can be secured through the following committee: Mrs. W. J. Champion, Mrs. J. E. Clapp, Mrs. Robert P. Gilman, Mrs. H.

Alfred Hansen, Mrs. Wm. Leighton, Mrs. Geo. W. McNear, Mrs. Alice H. Smith, Mrs. Ralph Tirrell, Mrs. W. W. Tyler.

Tuesday evening was "Open Night" of the Abundant Woman's Club. Mrs. Maude Ballington Booth gave an extremely interesting account of her experience overseas, with the A. E. F., as well as touching upon her work in the prisons in this country. She was preceded by a delightful organ recital, by Mrs. Bertha Reed Lytle.

Local Happenings

"The Government Program for Americanization" was the topic under which Miss Mabel Frost of Boston opened the course of study of the subject by the Social Science Club at its meeting on Wednesday morning. The speaker had no sympathy with those who would run all our foreign-born into one mold and stamp them "Made in America," but would rather see a blending of all the ideals of all nationalities. "Neighborhoodization," she felt, would better express the spirit of this work. The appalling illiteracy revealed among other things by the draft has been the instigator of this work. While Massachusetts is far ahead of what has been done in many states, it is not in the forefront. Ohio has probably done the best work. The whole aim is making a better America and better Americans.

The foundation plank is educating the minors and illiterates. Using the schools or libraries as community centers in which to do this work. A sanitation and housing program is being worked out. Government headquarters in Washington are with the Department of the Interior. Community gatherings are being urged, especially upon special national days, such as the Fourth of July. Miss Frost considers that the State Board of Education is the best vehicle to put forth this work in Massachusetts rather than private organizations.

Mrs. Frank F. Davidson is chairman of the morning at the regular meeting of the Abundant Review Club to be held at the residence of Mrs. J. Emory Clapp, 21 Lasell street. Her subject is Venice. Miss Rider will speak on Naples and Mrs. Frost on Rome.

CHURCH NOTICE

First Church of Christ, Scientist, of Newton, Player's Hall, Washington street, West Newton. Sunday service 10:45 A. M. Subject of lesson-sermon: "Mortals and Immortals." Sunday school 10:45 A. M. Testimonial meeting Wednesday 8 P. M. The public is cordially invited to attend the services and to use the Reading Room at 297 Walnut street, Newtonville, which is open daily from 2 to 6 in the afternoon, and on Tuesday and Saturday evenings from 7:30 until 9.

NEWTON BOARD OF TRADE

The November meeting of the Newton Board of Trade will be held next Tuesday evening at the Newton Club, Newtonville. After the usual supper, Mr. Roger W. Babson of Wellesley will speak on "The Labor Problem."

ACROSS THE CONTINENT

Some Impressions and Experiences in a Summer Trip to the Pacific Northwest

Where the best writers of the country have acknowledged their inability to adequately describe the beauties of Lake Louise and when the glowing descriptions of the Canadian-Pacific pamphlets use up all the superlative adjectives in the dictionary, it is the height of audacity for an ordinary newspaperman to even attempt to tell what he saw at this wonderful spot. I can only give you my own impressions there, and must leave most of it to the imagination, for the scene must be visited personally to be appreciated.

The Lake is some three miles from the railroad station and a curious kind of trolley car takes you over the intervening distance.

Approaching the rear of the Chalet, the name of the large and handsome rambling sort of hotel operated by the Canadian-Pacific railroad, you first

The next morning we woke in the little city of Red Deer, where we had a good breakfast at the armory and a few took the usual automobile drive about the city, although the roads were quite muddy from a shower early that morning. The one thing which struck me quite forcibly was the large number of banks in the place. With a population of but 2500 people, there were five banks or branch banks in the place. The city has a modified form of the single tax and the tax rate is \$30 a \$1000.

We reached Calgary that afternoon and were warmly welcomed by the Board of Trade. The automobile ride about town gave me the impression that there were few fine residences and a very ordinary development, except in the business section. From a business point of view, Calgary is evidently much alive. It has splendid

Lake Louise, Alberta, "The Gem of the Rockies."

notice great clusters and patches of beautiful poppies, red and yellow and orange. Though they look wild they are evidently cultivated and they fill every available plot of land not occupied by the buildings and the lawn immediately in front of the Chalet. They add greatly to the beauty of the place as we saw them swaying to and fro in the strong, fresh breeze. Passing through or by the Chalet, you come at once in full view of the lake. It is not large, being about two miles long and much narrower. With the exception of the shore by the Chalet it is surrounded by high mountains, back of which you can see still higher peaks, covered with snow. The lake itself is a most unique color. One of our party said it was a greenish robin's egg blue, while others said it was a whitish green. Personally, I think the first is nearer right, although my friends say I am color blind. But, the beauty of spot is not in the color of the water, nor in the sombre setting of the mountains at the sides, but, to my mind the most wonderful feature is the glacier and snow-clad heights of Mount Victoria at the farther end of the lake from the Chalet. The effect is similar to that of looking at a beautiful picture on the stage, you see but do not realize the surrounding setting, which leads your eyes to the picture itself. The glacier and mountain are framed in the dark brown spurs of the mountains at the side and with the sun shining full upon it, bringing out the whiteness of the snow and the blackness of the rocks, it certainly deserves all the extravagant words which have been said and written.

The Chalet was a most comfortable hotel, rambling around the lower end of the lake, with a velvet like lawn sweeping from the piazzas to the water's edge. In the middle of the lawn there is a great silver globe in which the surrounding views are beautifully reflected. Our stay was so short, on account of the accident of the night before that we were unable to take some of the side trips. I understand that I missed a beautiful trip in not going to the Valley of Ten Peaks, but as I hope to visit Lake Louise again, it will be something more to look forward to.

We took leave of Lake Louise with great reluctance and were soon on our way to Banff. It is only a short run and we had the rest of the afternoon and evening there. Banff is more like a typical summer resort, with stores and shops for the sale of curios, numerous cottages, boarding houses and hotels. We made our headquarters at the Banff Springs House, the largest hotel in the place, and which we found crowded with tourists. Some idea of the travel this summer in this part of the country can be obtained from the fact that the Canadian-Pacific hotels at Banff and at Lake Louise, both of huge proportions, have turned away over 15,000 applications for accommodations.

The Banff Springs Hotel has a splendid location overlooking the valley of the Bow river, with several mountains in full view from the broad promenade at the rear of the hotel. A feature of the place is the bathing pool, just outside the building. The pool is in two sections and shaped like a cone, an oblong pool at the base is filled with warm sulphur water, while a half elliptical shaped pool in the point of the cone has cold water. There is a glass partition between the two pools.

I was so tired when we reached Banff that I gave up all idea of visiting any outlying features, the caves, the springs and other points of interest. I did walk to Bow river falls, a short distance from the hotel, and found it a rather tame affair after the beautiful waterfalls we had seen earlier in our trip.

We had a good dinner that evening in the hotel and left town that night about 11 o'clock, glad indeed, to be in our berths once more after a day of wonders.

business buildings, a fine hotel and the amenities thereto, which requires cities and towns to destroy the eggs, caterpillars, pupae and nests of the gypsy and brown tail moths under heavy penalty for failure to comply with the provisions of the law.

If a property owner fails to destroy such eggs, pupae and nests, then the city or town is required to destroy the same, and the cost of the work, in whole or in part, according to the value of the land, is assessed upon and becomes a lien on the land. (See Section 6, of said Chapter 381, and amendments thereto.)

The City Will Perform All Winter Moth Work Unless Otherwise Notified by Property Owners.

Full instructions as to the best methods of work against the moths may be obtained from the Forestry Department, City Hall, or from the State Forester, State House, Boston, Mass.

Work done by contractors should be inspected and approved by the Local Superintendent before payment for the same is made.

and that it would be hard to find a half ton of coal in the entire city. The gas is so cheap that the street lights are kept burning day and night and residents going away for the entire winter, keep their fires going as if they were living in the house. The gas is under great pressure, estimated at 600 pounds from some of the deeper wells. After a banquet that evening in the skating rink we were invited outside to witness a demonstration of the gas. A five-inch iron pipe stood on end, the opening about ten feet above the ground. When first seen there was a flame of six or seven feet burning at the top, and swaying gently in the wind. We were urged to come nearer, and after doing so, the full force of the gas was turned suddenly on. There was a terrific roar and the flame leaped over a hundred feet in the air, the pressure being so strong that the flame did not appear until it was over twenty feet from the end of the pipe. The noise and heat scattered the crowd in the twinkling. This demonstration came from one of the smaller wells, with about 450 pounds pressure and having a depth of about 800 feet.

There is no possible question that with this tremendous manufacturing asset, Medicine Hat will soon be a well known city.

We were also told that Medicine Hat was as "wet" a place as was possible under a Dominion-wide prohibition, and that booze could be found on open sale, if one knew where to look for it. I didn't try.

We lay over here Sunday morning and a religious service was held for our party in one of the city parks which was well attended.

J. C. Brimblecom.
(To be continued)

CITY OF NEWTON Forestry Department

NOTICE TO PROPERTY OWNERS

You are hereby required on or before November 15, 1919, to destroy the gypsy and brown tail moths on your property in this City.

This notification is in accordance with Chapter 381, Acts of 1905, and the amendments thereto, which requires cities and towns to destroy the eggs, caterpillars, pupae and nests of the gypsy and brown tail moths under heavy penalty for failure to comply with the provisions of the law.

If a property owner fails to destroy such eggs, pupae and nests, then the city or town is required to destroy the same, and the cost of the work, in whole or in part, according to the value of the land, is assessed upon and becomes a lien on the land. (See Section 6, of said Chapter 381, and amendments thereto.)

The City Will Perform All Winter Moth Work Unless Otherwise Notified by Property Owners.

Full instructions as to the best methods of work against the moths may be obtained from the Forestry Department, City Hall, or from the State Forester, State House, Boston, Mass.

Work done by contractors should be inspected and approved by the Local Superintendent before payment for the same is made.

CHARLES BENYON,
Acting Forest Commissioner.
This notice is issued by order of Edwin O. Childs, Mayor.

"I was talking to mother about it," said Betsy, "and she told me that it was the only one that she had ever met to really

fashioned enough to be good—sweet and not too rich."

ness and freshness, however, are not the only features that recommend them. A still greater consideration is the fact that National Biscuit Company products obviate the necessity for mixing and baking at home, and any woman who has spent a moment of her time in the kitchen knows the comfort, efficiency and economy of buying these uniformly good, ready-to-serve products."

"I was talking to mother about it," said Betsy, "and she told me that it was the only one that she had ever met to really

fashioned enough to be good—sweet and not too rich."

CITY OF NEWTON
PUBLIC BUILDINGS DEPARTMENT
Proposals for the Erection of a
Schoolhouse
HEATING CONTRACT

The Public Buildings Department of the City of Newton invites proposals for Heating of a proposed new schoolhouse in that part of Newton called Waban in accordance with contract, specifications and plans, copies of which may be obtained at the office of the Architect, James H. MacNaughton, 19 Congress St., Boston. The bidders must use the form of proposal to be obtained at the above office and furnish a bond in the sum of ten thousand (\$10,000) dollars with a surety company authorized to do business in Massachusetts, as surety, to secure the due performance of the contract and full protection for the city. Proposals which must be on the form furnished by the Public Buildings Commissioner will be received at his office, City Hall, West Newton, until 1.45 P. M., Wednesday, November 26th, 1919, at which time and place all bids will be opened and publicly read.

All proposals must be accompanied by a certified check upon a national bank or trust company doing business in the Commonwealth of Massachusetts for the sum of two thousand (\$2,000) dollars, payable to and to become the property of the City of Newton if the proposal which it accompanies is accepted and the bidder neglects or refuses to comply with the terms of the proposal.

The Public Buildings Commissioner reserves the right either to accept or reject, either any or all proposals or any part of a proposal, and to award the contract as he may deem to be for the best interests of the City of Newton, and any contract made will be made subject to appropriations and grants to meet payments thereunder.

M., Wednesday, November 26th, 1919, at which time and place all bids will be opened and publicly read.

All proposals must be accompanied by a certified check upon a national bank or trust company doing business in the Commonwealth of Massachusetts for the sum of one thousand (\$1,000) dollars, payable to and to become the property of the City of Newton if the proposal which it accompanies is accepted and the bidder neglects or refuses to comply with the terms of the proposal.

The Public Buildings Commissioner reserves the right either to accept or reject either any or all proposals or any part of a proposal, and to award the contract as he may deem to be for the best interests of the City of Newton, and any contract made will be made subject to appropriations and grants to meet payments thereunder.

WALTER R. FORBUSH,
Public Buildings Commissioner.
November 8, 1919. Adv.

SCHOOL NOTES

Edited by Dorothy Drake

Bigelow School

The pupils of Miss Tewksbury's room had a most interesting geography ride around Newton on Wednesday morning. Miss Bragg conducted the ride and a very instructive and enjoyable lesson it proved to be, in spite of the rain. Thanks are due Mrs. Rackliffe, Mrs. Hall, Miss Whitling, Mrs. Marshall, Dr. Mellus, and Mr. Turner, who kindly gave their time and the use of their automobiles for the children.

On the afternoon of Monday, November 10 the Bigelow School held an out-door celebration of Armistice Day. The entire school was assembled on the lawn, and grouped about the flagstaff, each class preceded by its own color-bearer.

The program included the reading of the Governor's proclamation; a salute to the flag; the American's Creed recited by 450 voices; and patriotic music.

Dorothy Leach, special assistant at the Bigelow has been transferred to the Franklin School, where she has a regular class, Grades 1 and 11.

Hyde School

The eighth grade civics organization, Friday, elected its officers for the ensuing month. The officers are as follows:

President, Miss Hanscom; vice-president, Vernon Lewis; secretary of State, Douglas Bell; secretary of the Treasury, Dorothy Denton; secretary of agriculture, Olive Smith; secretary of the interior, Willard Pierce; assistant-secretaries, Payson Lowell, Jane Hewitt; secretary of education, Albert Terkelson; assistant-secretaries, spelling—Marion Tapper; dictation—Anne Maloney.

The pupils of the eighth grade in company with Mr. Miller and Miss Hanscom visited the polls on election day. This is an annual occurrence in our school.

The pupils of this school have reorganized the Junior Red Cross 100 per cent strong.

Armistice Day was celebrated by class room discussions and exercises around the flagpole on the lawn. The flag salute, civic creed and singing of songs was participated in by all the grades.

For the third time since school opened in September, Miss Kuntz's third grade has led the school in the purchase of Thrift Stamps. Four hundred sixty-seven pupils are now buying stamps.

Clafin School

The Clafin School has 100 per cent membership in the Junior Auxiliary of the American Red Cross.

On Monday afternoon Clafin School held exercises in the hall to celebrate the first anniversary of Armistice Day. Each grade took part in the exercises.

The Clafin School football team played a game on Tuesday, November 11, 1919, with a team composed of Clafin School Alumni of '18 and '19. It was a hard fought game, the score being 6 to 6.

Burr School

Armistice Day was observed by exercises significant of our new Holiday by grades 1-3 combined, and grades 4-8 combined.

The Junior Red Cross Drive is on, and the pupils are working hard for a 100 per cent record.

The boys and girls are buying more thrift stamps. Some who cannot save 25 cents a week are pledging smaller amounts to establish a habit of saving.

Stearns School

The eighth grade class enjoyed an educational trip to the Athenaeum Press of Ginn & Co. at Cambridge last Friday afternoon. The company was thoughtfully planned for the visit of the class, guided by their teacher, reaching the plant. The boys spent much of their time in the plating room being intensely interested in the chemical processes. The girls found the bookbinding more to their liking. The class spent over two hours inspecting the plant and appreciate the kindnesses extended them by all the plant officials.

On Wednesday morning a very interesting lecture was given in the Stearns Hall. The lecturer was Mrs. Jennie McChrill, who is connected

Commonwealth of Massachusetts,
Middlesex, ss.
PROBATE COURT.

To all persons who are or may become interested in the estate hereinafter mentioned, held in trust under the will of Job A. Turner late of Newton in the County of Middlesex, and to all persons whose issue not now in being may become so interested.

WHEREAS, Frederic A. Turner and Albion B. Turner the surviving trustees under said will have presented to said Court their petition praying that they may be authorized to sell, either at public or private sale, certain real estate held by them as such trustees situated in Boston in the County of Suffolk, and particularly described in said petition, for the reasons therein set forth.

And said petitioners are ordered to serve this citation by delivering a copy thereof to each person interested in the estate fourteen days, at least, before said Court, or by publishing the same once in each week, for three successive weeks, in the Newton Graphic a newspaper published in Newton the last publication to be one day, at least, before said Court.

Witness, Charles J. McIntire, Esquire, First Judge of said Court, this twelfth day of November in the year one thousand nine hundred and nineteen.
F. M. ESTY, Register.

with the Boston Milk Campaign. The subject of the lecture was "Milk," which was well illustrated with lantern slides. At the conclusion of the lecture, she told a story which brought home to the children in a most interesting way the value of milk as a food.

Col. C. H. French gave an illustrated lecture on Washington, the Capitol, at 10:30 today.

Allen School

The Allen Military School of West Newton has been incorporated recently as the Allen-Chalmers School and will carry on the policies developed under the directorship of Dr. Thomas Chalmers, assisted by an advisory council of prominent New England people.

Besides the school buildings proper, the school property comprises assembly and recitation halls, several cadet barracks or student dormitories, a gymnasium with a swimming pool and other up-to-date equipment, a cement hockey rink in the process of construction, and one of the finest culinary establishments in the East.

The kitchen attracts one at once by its light, and fascinates by its clever electrical devices. Among these may be mentioned the electric bread and cake maker which daily mixes dough for twenty loaves and is capable of much more. Over the range is an electric fan which drives out smoke and lets in fresh air. At one side is an electric dish washer where the dishes after being thoroughly washed are passed through an electric dryer and placed ready again for the table. All vegetables have a special sink with an arrangement for paring, etc., and a special steam cooker. The spacious and spotless ice chests would delight any housewife.

The new dining room is also very attractive. It is finished in light wood with round tables seating eight. The entire room seats about 100 and has large windows on either side which give a delightfully cheerful atmosphere.

Nor must the laundry be neglected. Here the most approved washing machine on the market is to be found with a device for lifting the clothes out of the water and partly drying them before they go through the electric mangle.

Each boy's clothes when ready for him are placed in a locker. Thus we see evidences of a splendid system in every part of this well-known school.

Lasell

Professor Leon Vincent gave his last lecture on Thursday afternoon on "George Eliot."

On Armistice Day Prof. Charles Towne spoke in the morning on Patriotism, and in the evening the school heard Mrs. Maude Ballington Booth at the Congregational Church.

Lasell attended the Auburndale Woman's Club Fair this week en masse. Next Sunday will be Missionary Sunday.

Fessenden School

Talcott M. Banks, Jr. and Foster Wood are the editors of the school paper, "The Albemarle."

Miss Lena F. Hovenden, a graduate of the Newton High School and of the Framingham Normal School, has taken the place of Miss Emmons who taught for some years in the Lower School.

THE NEWTON VOCATIONAL SCHOOL

Mr. Franklin S. Hoyt, a member of the firm of Houghton, Mifflin Company, addressed the school, Monday, November 10th, upon the subject, "Education through Life."

Mr. Hoyt drew upon his experiences in establishing camp schools in France after the signing of the armistice to illustrate his theme and to point out the fact that an education for all the people is now being attempted not only by public and private schools, but by the army, the navy and by a great number of other agencies.

Mr. Hoyt was in charge of the selection and the distribution of textbooks for the many schools established in France and in other foreign countries. Next week Mr. Samuel B. Thurber, head of the English department of the Technical High School, will address the assembly upon the topic, "Why We Should Be Proud of Our Language."

Y. M. C. A.

Basket Ball

Owing to the eleventh hour cancellation by the Wakefield team the Newton Y. M. C. A. first team was without a game for the evening. This was quite a set-back as the team is in need of some good hard work preparatory to the big games which are due to be played in the very near future. However it is expected that they will get quite a drill Saturday night when both teams journey to Chelsea. And next Wednesday the Cambridge team comes to Newton all set for a hard game. Cambridge and Newton have always been rivals on the basket ball floor so there ought to be lots going when they come over.

Last Wednesday night's preliminary game between the Newton Y. Reserves and Winthrop A. C. was played off as per schedule with Newton coming out on the long end by a 62 to 10 score. The large score is due to the fact that the first team started the scoring after they retired in favor of the Reserves who continued the good work.

Lost Savings Bank Books

LET US DO YOUR WASHING

"Wash day is so different now!"

MONDAY used to be a "nightmare." When John came home, he found a makeshift meal and me too tired to be agreeable.

Now it is all so different. My Federal Electric Washer does the work. I put the clothes into the washer and in an hour or two the week's washing is on the line, as clean and white as though I had spent the day rubbing it over a wash-board.

Pay only \$5 down
Balance in small monthly payments
Let us do your next week's washing for you just to prove that Federal is the Washer you must have.

ALL ARE WELCOME

Newton

—Miss Adelaide Sylvester of the Hollis is confined to her room with illness.
—Mr. Charles H. Barney of Breckinridge road is on a business trip to Arizona.

—Mrs. John S. Kelley and daughter, Barbara, spent the week end at Portsmouth, N. H.

—Mrs. George Owen of Halifax, Nova Scotia, is stopping at the Hollis en route for California.

—The Highland Glee Club wants first tenors. Tel. Fort Hill 3207 or Newton South 679-M.

—Mr. and Mrs. William L. Gifford are occupying the Wendt house on Hunnewell avenue for the winter.

—Miss Marion R. Viets of Fairview street has gone to Salt Lake City, Utah, where she will spend the winter.

—Hudson's Head Cold Remedy has been sold in Newton since 1876. Contains no quinine, best for head colds.

—French lessons given by a young lady native of Paris, experienced teacher. Telephone Newton West 1437-M.

—Next Tuesday the Woman's Association will have a Millinery Day. Contributions of hats and materials are requested.

—Capt. Wilmont Whitney, son of Mr. Waldo Whitney, has just returned from Cuba where he went to investigate a business opportunity.

—On Wednesday the Epworth League of the Methodist Church held a business meeting and social at the church which was greatly enjoyed by all.

—Mr. and Mrs. Reuben Ford of Tremont street have returned from Kingston, Mass., where they spent the week end and last holiday at their summer home.

—Miss Gertrude Gower, secretary to Mr. Louis F. Bachrach, went on a trip to New York over the holidays and while there will visit the New York studio.

—The Junior Parish of the First Unitarian Church held its first social meeting on Monday in the church parlors. The entertainment took the form of a candy pull and was a great success.

—The delegates of the Unitarian New England Associate Alliance at Leominster on Thursday from Channing Church included Miss Anna Whitling, Miss Helen S. Wells, and Mrs. Harry Lutz.

—Tonight the Fall Rally of the Norumbega C. E. Union will be held at the North Congregational Church, Chapel street, at 8 P. M. Mr. E. P. Gates, travelling State Secretary, will be the speaker.

—The Baptist Church held a very successful supper Wednesday night. Following the supper the chairmen of the various organizations and classes met to confer upon a comprehensive social program for the year.

—Next Sunday morning at the Eliot Church Dr. James L. Barton, who has been the head of the American Relief Expedition in Turkey will tell of his experiences. Dr. Barton is in great demand. All will wish to hear him.

—Monday evening the Women's Missionary Societies of the Methodist Church met at the home of Mrs. E. E. Wilgus, 18 Elmwood street, Newton Centre. Mrs. H. H. Crane read a paper on "America's Genius for Assimilation."

—On Thursday the New England Associate Alliance of Unitarian Churches held an all-day meeting at Leominster, Mass. Delegates from the First Unitarian Church were Mrs. Henry Whitmore and Miss Caroline Sweet.

—Next Sunday evening at 7.30 the Community Sing will be resumed in the chapel of the Eliot Church. An orchestra and special vocal music will add to the congregational singing. Dr. Henry R. Viets, Jr. will tell of his experiences overseas.

—Mr. and Mrs. C. B. Starbird of Hollis street announce the birth of a daughter. The young lady arrived early Tuesday morning, so was able to participate in the celebration of Armistice Day. A year ago her father celebrated the day in France.

—Mr. and Mrs. W. J. Follett have returned from their summer camp at Merideth, N. H. Miss Gertrude Follett, grand daughter of Mrs. Follett, who has been spending the summer with her, returned on Thursday to her home in North Attleboro, Mass.

—On Tuesday in spite of the Holiday the Ladies' Aid Society of the Unitarian Church met at the Parish House to sew for the Fair to be held at the Parish House next Thursday. The committee in charge of the Fair supper are Mrs. Louis F. Bachrach, Mrs. Alfred B. Rich and Mrs. Ralph Hatch.

Newton

—The engagement of Miss Helen Gleason of the Bachrach Studio is announced to Mr. Harry Pollard of Cambridge.

—On Wednesday evening Dr. M. E. Gleason gave an informal supper and dance to some of the boys in the service and their friends at his home on Vernon street.

—The November meeting of the Women's auxiliary to the Y. M. C. A. will be held Wednesday afternoon, Nov. 19th, at three o'clock in the Association rooms. Mrs. Arthur J. B. Hudson of Woonsocket, R. I., will speak on the "Key-note of the Conference" which was held in Lowell, Mass., by the auxiliaries of Massachusetts and Rhode Island. It is hoped that many will attend this meeting.

Auburndale

—The property 44 Bourne street has been sold to Mr. John F. Conley.

—Next Sunday will be Pastor's Sunday at the Centenary M. E. Church.

—Mr. and Mrs. Fremont Keyes are visiting Mrs. Keyes's sister in Woburn.

—Mr. and Mrs. Lester Perrine of Groveland street are away for a month.

—Mrs. Oliver L. Briggs has closed her house 1858 Washington street for the winter.

—Tomorrow in the McVicar's block there will be a sale of Government Food Stuffs.

—The Highland Glee Club wants first tenors. Tel. Fort Hill 3207 or Newton South 679-M.

—Dr. H. H. Haskell has closed his house, 31 Hawthorne avenue, and gone to Boston for the winter.

—The Girls' Friendly Society of the Church of the Messiah will give "Six Cups of Chocolate" tonight at the church.

—Mrs. William Etta Magee of New York has bought the A. L. Watts place on Commonwealth avenue and will occupy soon.

—The Men's Bible Class of the Congregational church continues to grow. There were 32 new members present in the last two Sundays.

—Mrs. Harry B. Ross of Commonwealth avenue has returned from the Hospital and is recovering from her recent severe operation.

—Mr. Edgar Merton Hall and Miss Dorothy Streeter of Newell road were married last Friday in Allston by the Rev. Charles W. Duffield.

—Some very old trees are being removed on Central street. They are maples and were planted by Abijah Johnson, probably 70 years ago.

—Miss Sally Turner added very much to the afternoon entertainment Wednesday with her beautiful singing, and also on Thursday evening.

—Mr. Elliot W. Keyes of Ash street entertained the installing officers and members of the Auburndale Lodge at his home on Ash street last Thursday.

—Money deposited in Auburndale Co-operative Bank goes on interest monthly. Interest is compounded four times a year. Last dividends at rate of 5½ per cent.

—Mr. and Mrs. L. G. Compton have gone to Springfield for the winter and have rented their apartment on the corner of Maple and Auburn streets, to Dr. E. S. Jennings.

—At the meeting of the Auburndale Brotherhood next Wednesday evening, Mr. Phillip Davis, Director of Community Motion Picture Bureau will speak on "The Movies—Where are They Moving to?"

—Miss Ruth McAllister of Central street, a graduate of the Newton High School in the class of 1916, has been elected a representative of the Senior Class in the Students' Council of the College of Liberal Arts of Boston University.

—The little playlet, "Joint Owners in Spain," was very well rendered at the Woman's Club Bazaar on Wednesday and also on Thursday evening.

—Mrs. C. H. Smith, mother of Mrs. Dawson, the president of the club, was especially effective.

—The St. Elizabeth's Branch of the Girls' Friendly Society, Church of the Messiah, is giving an entertainment this evening for the benefit of their work. They have a pretty play ready and it promises to be an interesting evening for both young and old.

—The lecture by Mrs. Maude Ballington Booth at the Congregational Church, Tuesday evening was very well attended and Mrs. Booth's account of her work in the prisons shows that she is following in the gracious footsteps of John Howard, Elizabeth Frye and that Greater One, who commanded to visit those in bonds.

GOOD ENGLISH WEEK

Following the example of the Liberty Loan Committees and the Red Cross Committees, believers in Better English in our High Schools have, this past week, carried on a most effective campaign in the High Schools of Greater Boston. The idea was suggested in the National Council of English Teachers in the hope of impressing the importance of Good English upon the minds of the youth of our country.

In the Technical High School speeches by the leading educators of the city have been given at the first and sixth periods as follows: Monday, first period, "Launching the Campaign," speakers: Mr. Irving O. Palmer, Joseph Hurley, President of 1920, Frank Quinn, President of 1921, and the Hon. Edwin O. Childs; Tuesday, part of the first period, "Better English from the Business Man's Point of View" by Mr. William E. Strong of Newtonville, sixth period, "Compositions on Better English" by ten boys and girls chosen from the school; Wednesday, at the regular assembly period, "The Value of Good English in a Department Store" by Miss Mary Hopkins, Educational Director of Jordan Marsh and Co., fifth period, "The Value of the Habit of Speaking Good English" by Professor Earl Barnes; Thursday, at the first period, "The Beauties of the English Language," by Rev. J. Edgar Park, sixth period, a play by the boys and girls of the school; Friday, at the second period, "Why We Should Be Proud of Our Language" by Mr. Samuel Thurber, sixth period, Play, Paganini, concluding with a loud service of Bad English.

In addition, every day of the week, there have been four-minute speeches by the boys and girls, seventy-five in all, before the different divisions of the school. These have been, in the main, original. One must have heard them to realize how this campaign for Better English has fired the imagination of the pupils, for they were pointed, forceful, and telling, arguing well for the future success in life of the young orators.

Going through the corridors at any time during the week, one saw on the walls on every hand striking creatures, most vividly drawn, representing huge monsters labelled, "He ain't," "I done it," "You was," etc., being driven toward the door by a Dame flourishing a club labelled with a correct form of speech.

Posters of every description were also to be seen. One of the cleverest represented the head of the English Department, assisted by other members of the department, directing a host of personifying popular incorrect forms of speech dropping to the ground as the deadly fire of criticism struck them.

In the assembly hall clever parodies of popular songs written by the pupils were sung. The following parody "Marching Through Georgia" is a good chorus: example:

"Hurrah! Hurrah!
No more shall slang be heard,
Hurrah! Hurrah!
If we are all patriots we'll never say the word,
Striving to beautify English."

In the Classical High School, students convicted of using bad English were promptly tagged and fined one cent, the money to be used for the library. Truly young America when fully aroused can accomplish wonders!

The results of such a campaign as has been described are of untold value, for it is when we truly "hear ourselves as others hear us" and honestly resolve to do better that lasting good is accomplished.

The committee in charge of Better Speech Week were as follows: Miss Doonan, chairman; Miss Bennett, Miss Bigelow, Miss Church, Mr. Daniels, Miss Fiske, Mr. Harrington, Mr. Kidger, Miss Mason, Miss McGregory, Miss Robinson, Miss Wetherbee, and Mr. Thurber.

Seniors, A. Fraser, E. DeWire, Adrienne Smith, Beatrice Wilson; Juniors, Katherine Knudsen, Florence Smith, Charles Laffie, Leon Carrington, Eli Swartz; Sophomores, Marie Fayes, Roland Doyle; Freshmen, Lillian LeBlanc, Seby Caruso; Post-Graduates, Marjorie Burnham, Katharine Holmes.

OLD RESIDENT DEAD

Mr. Frederick D. Lyon for over fifty years a resident of this city died early this morning at his home on Court street, Newtonville. Mr. Lyon had a shock about six years ago and has been in failing health ever since. He was born in Hampsport, N. S. in October, 1843 but has been in this country the greater part of his life. For many years he engaged in business here as a carpenter and builder. He served as a captain in the Fenian raids in Canada in the sixties and was a member of the British Veterans Association. Mr. and Mrs. Lyon recently observed the fiftieth anniversary of their wedding. He is survived by a widow, one son, Mr. Louis F. Lyon of Boston and one daughter, Miss Maud I. Lyon of Newtonville.

Funeral services will be held from his late home on Court street, on Monday at 10 A. M.

THE LABOR PROBLEM

Discussed by Mr. Roger W. Babson Before
Newton Board of Trade

Mr. Roger W. Babson of Wellesley, the well known statistician, was the guest and speaker Tuesday evening at the monthly dinner of the Newton Board of Trade.

The meeting was held at the Newton Clubhouse, Newtonville, and was well attended. President John H. Gordon presided and after a substantial and satisfactory dinner, presented Mr. Babson.

Mr. Babson gave a most interesting address, and presented the subject from many unusual angles.

He believed that the labor problem was not so much of a problem as a process and quoted Secretary of Labor Wilson as predicting that 200 years hence the same question will be talked about in the same general way as at present.

Mr. Babson believes that humanity is by birth divided into two natural divisions—the wage worker and the employer and that it is impossible for one to become the other except he is "born again." Every one, he said, who is industrious, and saves something of what is earned, belongs in and ultimately, whatever the present condition, will reach the employer class. Every one who is not industrious and who spends all or more than is earned, will reach the wage worker class. Mr. Babson went still further and declared his belief that it was impossible for one class to understand the other, hence the eternal struggle between master and servant.

He did not believe the labor problem could be solved by any short cuts, or legislation, but like the sex problem and religious convictions, it would be always with us.

The great controlling factors in life, he said, were instinct, 60 per cent, religion and social environment, 30 per cent, reason, 10 per cent. Men are ruled largely by their emotions, or instincts and not by their intellect. Labor he believed had reached what he called the period of adolescence and wanted to wear long pants—in other words to be independent. The old methods of agreements, threats, punishments are obsolete. You reach the adolescent youth by an appeal to his heart or allow him to learn thru experience. We held labor thru the war by the appeal to patriotism. It now looks as if we must have labor learn its lesson by experience. He had known of many labor disputes, in three-quarters of which, labor had

taken less in money for the sake of union recognition and in one-quarter of which employers had paid more rather than recognize the union. It was not a question of hours or wages, and he believed that if labor worked but one hour a day at \$10 wage, there would still be strikes. Labor is fighting to get out of the servant class, and realize that they are tied to the man who owns the land and the buildings and the tools. It will never be satisfied until it is independent.

Another attribute of adolescence, Mr. Babson said was a tendency to sow wild oats and labor will also pass thru this stage. These wild oats, he said, were the use of force, which, in this country, he said, ought not to be allowed, and the closed shop, which might be used as a fighting weapon, but for no other logical reason.

The Red movement, he believed, was a reaction from large employers of labor importing cheap labor from all over Europe. He did not believe in punishing the leaders in the Red movement, but would treat them as the community treated a typhoid fever patient, by trying to destroy the source of the trouble.

The remedy, he believed, was in making the laborer have a desire to produce and a joy in production. To let labor try some of these experiments it was crying for. He even believed part of the country might try one plan for the railroad situation, another part, another plan, and still another part a third plan and then allow Congress to decide which was the best for the country as a whole.

He showed an interesting chart giving comparisons for the past 70 years in commodity prices, money wages per hour and commodity wages per hour, showing that wages in terms of food, clothing and shelter were not so high today, in spite of high wages, as they were 20 years ago. The solution lay only in increased production, for with more production, there was more to be divided.

He believed we should take our workers more into our business confidence, give them an insight into business details. We should restrict inheritance, and all special privileges. Experiment a little along the lines of the single tax, not change all at once, but try out some of its features. We should have some form of Federal incorporation for both labor and the employer. We should encourage ev-

WELCOMED HOME

Men of Eliot Church Greet Returned
Service Men

A warm Welcome Home was extended to the men in the service from Eliot Church, Newton, by the men of that church on Wednesday evening.

The chapel was simply but effectively decorated with the national colors and bunting and an orchestra furnished music while a substantial dinner was served. During the courses there were solos by Messrs. Garfield Stone and Mr. Wm. J. Marsh of the Eliot quartet, and some rousing community singing under the direction of Mr. Geo. Lincoln Parker.

Mr. Harry W. Pitts, president of the Men's Club of the church was the toastmaster and seated at the head table with him were Hon. Robert M. Washburn, Hon. Edwin O. Childs, mayor of Newton, Rev. H. Grant Person, pastor, and Rev. Wolcott Calkins, pastor emeritus of Eliot Church.

About 100 men from the church were in the service and over forty were present as guests.

Rev. Mr. Person was the first speaker and extended a warm welcome in behalf of the church. He believed that there were two results from the war. The public discovered that the church was really worth while in such a crisis, and the church discovered that it was a great moral force in the country and had a great message to deliver on the fundamentals of the war.

Mayor Childs brought a welcome in behalf of the citizens of Newton. He deemed it appropriate that Eliot church should pay tribute to the men who had translated into action, the fundamentals for which the church has always stood, service to mankind. He thought that Loyalty was the great word of the war. It was unexpected abroad and surprised us here at home. He paid a tribute to the clergy for keeping faith burning at the altars of the church. The great question now in this country, was not labor, nor the high cost of living, but it was simply you and I, whether we are to think straight and act right, whether we are to climb to higher and better things or to slide back.

Mr. Washburn delivered a typical Washburn address. Witty, sarcastic and egotistical. He advised Senator Weston to refuse to vote for the reelection of Senator McKnight as president of the Senate and to vote for the anti-strike legislation on street railways. He touched upon woman's suffrage and the high cost of living. The latter he said was due to two causes—people will spend—people

DEPARTMENTS MERGED

At Interesting Meeting of Alderman on
Monday Night

Newton Centre turned out in force Monday evening at the meeting of the aldermen to enter an emphatic protest against granting the Jenney Mfg. Co. location for a gasoline station on Union street in that village.

Mr. B. R. Mitchell spoke in favor of the petition for the Company and Messrs. J. E. Lynch, Ambrose W. Moriarty, Greenleaf Pickard, James O. Wright, Henry D. Jackson, L. F. Hallett and Mrs. Annie Burns, spoke in opposition. Mrs. J. F. Fleming for Mr. G. E. Laycock added something to the interest in the hearing by his questions of Mr. Mitchell and general attitude in opposition. Mr. N. M. Appleyard for the Newton Centre Garage Co. said he had no fear of competition from the new concern, but said that his company was contemplating the erection of a \$60,000 building in the near future and believed they were fully able to handle all the garage business in Newton Centre. Later in the session the permit was refused.

Hearings were also held on a private garage for F. W. Stevens, Warren terrace, and on a sewer off Pleasant street at which no one appeared. Mayor Childs sent in a request for \$300 for the Police Dept., the request of Clarence D. Needham for retirement from Fire Dept. on pension, and an offer from Mrs. Mary Saltz to buy 1250 feet of city land on Ripley street for \$150.

Petitions of Hugh E. Devine and Amos M. Leonard for auctioneer licenses, of Jos. L. Lupien for an express license, of W. W. Edwards for a private garage on Regent street, and of the Edison Co. for relocation of poles on Auburn street were granted. Other petitions were received for a sewer in Waban avenue, for soldier's relief from Ellen E. Alger, Mrs. Bridget Donahoe, and Thomas H. Vahey, and of Susan Fanning for a victualler's license on Bowers street.

Licenses for 6 billiard tables were granted Chas. Blakely, 251 Washington street, Giovanni Geraci, for a pool table, Hartford street, T. J. Maloney for 4 alleys, 865 Washington street, E. G. Merrill for a victualler license, 1279 Washington street, and Wm. A. Sweet to keep 2000 gallons gasoline, Washington street and Common-wealth avenue.

\$25 was appropriated to settle bill of Dr. Ulrich, \$2706 additional for completion of Chandler place sewer, \$3000 voted for Sewer House Connections, various small appropriations for the Health and Fire Depts., \$1000 added for Evening Schools and \$950 for conveyance of pupils, and \$2600 given the Forestry Dept. for Moths and Grounds.

Betterment assessments were levied on Furber lane and Westbourne road and eharings assigned on the laying out of Brae Burn road and Oak avenue.

(Continued on page 12)

A DUTCH VILLAGE

Reproduced at Fair Held by West Newton
Unitarian Parish

The Dutch Fair at the Unitarian Church, Thursday was a glorious success. People came early in the morning and stayed to lunch, or in the afternoon for tea, or in the evening for supper.

Luncheon was served at noon in the ladies' parlor which presented a most cheerful appearance with its immaculate curtains, and its Delft blue decorations, its realistic Dutch fireplace with bright, shining brass utensils on the shelf above the fireplace, and its fascinating fire irons with Dutch wind-mills on the handles. The waitresses, too, in their blue skirts, white waists and caps, added to the picture.

In charge of the luncheon were Mrs. William C. Hall, Mrs. Norman Bingham, Mrs. Murray Ballou, Mrs. Annie Ballou, Miss Annie Bond, Miss Blaisdell and Mrs. Roy Merchant.

The young girls of the parish served for the afternoon tea, and in the evening a very appetizing supper was served in the supper room upstairs. Here provision was made for over 300 people. Twenty tables with Delft candle shades, Delft napkins, and money cards looked most inviting. Along the sides of the walls were Dutch landscapes, while a Dutch sailing vessel graced the mantel. In charge of the supper were Mrs. L. F. Bachrach, Mrs. C. B. Rich, and Mrs. R. Hatch.

As one entered the main room one saw quaint Dutch houses on either side, two stories high, with the windows boxes outside of the dainty windows. Some were green, some brown, and a few represented the more pretentious brick houses so familiar to those who have visited Holland. On the top of one was a wind-mill, of another a ship, and of a third, a family of most realistic storks.

Looking down upon the scene from above, one was impressed with the riot of color. There were costumes of red with yellow bodices, of lavender with black velvet bodices, of pink with blue bodices, and of yellow with blue-yoked skirts. All wore the charming Dutch caps. Mrs. John Parker Holmes, who had charge of the decorations wore a skirt with a blue velvet bodice, and a lace cap with a real Dutch helmet of gold under it, and curious Dutch spiral ornaments which she brought from Holland.

Each Dutch house had a table on which were displayed articles interesting and useful. One table was devoted to kitchen utensils, preserves, cake, etc., another to aprons, another to Xmas cards, greetings, etc., another to children's things, another to books, while several displayed fascinating neck wear, beads, etc., as well as the more useful caps, sweaters, etc. A candy cart made its way up and down the street soon disposing of its wares.

SCHOOL TEACHERS' SALARIES

Discussed at Sunday Night Meeting at Trinity
Club Newton Centre

The salaries of Newton school teachers was discussed last Sunday night at a meeting held at Trinity Church, Newton Centre. The speakers were Mr. Horace Kidger, president of the Schoolmasters' Club of Newton, President Henry I. Harriman of the board of aldermen and Alderman Percy M. Blake.

Mr. Kidger said that while it was possible for the city of Newton to get teachers for the salaries now paid, the best type of teachers could not afford to work for such low pay. The small increases granted in the past few years are more than counteracted by the increase in the cost of living.

Mayor Edwin O. Childs was unable to be present owing to scarlet fever in his family, but wrote that the increase should be made, not as a necessity, but as a public duty.

Alderman Blake said the teachers of Newton have in their hands the lives of those that are to follow after us, and that it was up to the people of Newton to see that the teachers who inculcate these high standards into the minds of our youth should receive an increase of salary proportionate to their duties.

Mr. Harriman said:—

The teachers of the City of Newton, and, in fact, teachers throughout the country, are requesting their city governments to grant them increases in salary. Their plea is based upon the great rise in the cost of living, and for that, if for no other reason, is worthy of every possible consideration. To my own mind, however, the increased cost of living is only one of the reasons which warrants affirmative action. The teaching profession has been underpaid for many years, and I think it is fair to say that because of this economic fact the profession has become less and less desirable as a vocation, and there has been less and less incentive to become a teacher, either in the universities, high schools, or elementary departments.

At present Newton is paying its kindergarten teachers from \$850 to \$950 a year, the average for the 13 women in this department being \$927. There are also 12 assistants in the kindergarten whose pay averages \$824.

In the elementary schools there are 141 women teachers, the lowest salary being \$750 and the highest \$1175 with an average of \$1022, and in the high school there are 54 women teachers, whose average is \$1281. The compensation of the average teacher in the city of Newton is certainly less than that of a competent stenographer, and is far less than many women are earning in industry; and were it not for the fact that the teaching profession has certain advantages, such as a two or three months' vacation in

summer, shorter hours, and less confinement than in many other vocations open to women, the difficulty of securing competent teachers would be much greater than it is. These advantages, plus a real love of the work, explain the presence of many of our best teachers in the profession. "A well educated and well directed younger generation of citizens to hold safe and sound in these critical times the structure and ideals of our Democracy" is more needed now than in any other period of the world's history, and to the teaching profession of today we must look for the intellectual safety of tomorrow. The teacher is as much a conservator of public safety as is the police officer; one guards our property and our personal safety; the other is the custodian of our minds and hearts.

The teachers of Newton are asking for an increase of \$600 per year, beginning with the year 1920, for every teacher in the city, whether of long or of short experience, whether man or woman, whether a teacher in the kindergarten, elementary school or high school. They are also asking that a special bonus of \$100 be granted them between now and the first of January. An annual increase of \$600 per teacher means an added cost to the city of approximately \$205,000 and this extra expenditure will add approximately \$2.60 to the tax list. This shows the magnitude and importance of the question both from the standpoint of the teacher and that of the city. The comparative magnitude of the problem is also disclosed when we realize that there are over 340 teachers in the employ of the City, as against approximately 80 men in the police force and 70 men in the fire department.

I do not think it is necessary to discuss the question as to whether or not an increase is needed; that matter seems to me axiomatic. I do think, however, that very careful consideration should be given to the question of whether the increase should be a flat increase to all teachers, alike, a percentage increase, based upon present salaries, or a graded increase, more being granted to those who are paid the lowest salaries. A flat increase to all alike would seem to lean toward the theory that all teachers are of equal competence. I can conceive no greater injury to the profession, or to the youth of the country, than the adoption of the theory that all teachers should be paid alike. Ability varies in the teaching profession, as in other lines, and if able men and women are to be attracted, they must know that exceptional ability will receive exceptional reward. I do not say that a flat increase to all teachers may not be justified at this

NEW PASTOR

A special meeting of the Lincoln Park Baptist Church, West Newton, was held last Friday night, when a unanimous call was sent to Rev. C. Walter Smith of Bridgewater to become pastor and the call has been accepted. Mr. Smith is a Rochester, N. Y., man and was for three years pastor of the Baptist Church at Bridgewater, resigning to act as chaplain overseas for the Forestry Regiment, with whom he served seventeen months. While there he visited all fronts as the men of his command were scattered from the north front to the Vosges. He brings to his new pastorate the reputation of loyal service and the wealth of experience and enthusiasm. He will begin his new pastorate Dec. 1.

SCHOOL TEACHERS SALARIES

(Continued from Page 1)

time, but I do say that as a general theory it is wrong, and the city authorities should consider most carefully whether or not it is wise. A percentage increase based upon existing salaries is open to the objection that it gives the most to those who have the most, and the least to those who are in the greatest need of relief. The third method of a graded increase, more being granted to those who receive low salaries, finds its only justification in the fact that the burden of the increased cost of living bears more heavily upon the teachers who receive the least. I am not attempting to answer the question of the form or the amount of the increase, but to show you the difficulty of the problem, and the care with which it must be approached.

It has been suggested that in past years many inequalities have grown up in the pay of teachers and that before any increase is granted, the Superintendent of Schools and the School Board should be asked to re-grade the teachers of the city and establish a definite policy which should cover the grading and the relative compensation of teachers in the future.

The easy method of settling the question would be to grant the first increase as requested, but your Mayor, your School Board, and your Board of Aldermen are all impressed by the seriousness of the question, and they are approaching it not only with the utmost sympathy for the teachers, but with the realization that the action which they take will have a very important bearing upon the future educational policies of the city. Newton has long prided itself upon the quality of its schools, and I can assure you that the City Government will leave no stone unturned not only to maintain, but if possible, to increase, the quality of its educational system.

SCHOOL NOTES

Edited by Dorothy Drake

FREE COURSE FOR WOMEN
NEWTON VOCATIONAL SCHOOL

The next day extension course in millinery for women will begin on Tuesday afternoon, December second. The course will consist of six lessons. Anyone wishing to take the course should register immediately at the office of the Newton Vocational School, Elm road, Newtonville.

Burr School

Tuesday the Burr School played the Mason School at Newton Centre. Neither side scored.

The girls of the eighth grade are learning to play bat base ball. It is very interesting and the scores are very close.

All the children of the poultry club went down to the Vocational High School where Mr. Swett told of the different points to be observed in judging hens. He also spoke of the Boston Show and said that he would give passes to those who wished to go.

On Wednesday Mr. Swett met the Achievement Club and awarded pins for work during the summer, in the gardens.

Roger Wolcott School

The Roger Wolcott School of Waban played the Allen School Mid-gets of West Newton, a game of football on Nov. 14, on the Waban playground. The score was 12-0 in favor of the Roger Wolcott School. The star plays were made by q. b. Malcolm Hill, who made both touchdowns, lb. Raymond Hunt, and fb. Johnson. The lineup was as follows: le. Marsh; re. Spain; lt. K. Allen; rt. Larry Allen; lg. Evans; rg. Souther; qb. Millard; qb. Hill; lb. Hunt; r. b. Stahlicher; fb. Johnson.

The Wolcott School hopes to go "over the top" in their Red Cross drive this week with a one hundred per cent enrollment.

Mrs. Colton, a former teacher at the Rindge High School at Cambridge, under the supervision of Dr. Brewer of Harvard University is to teach vocational guidance in the upper grades of this school.

The graduating class of the Roger Wolcott School elected the following officers: Helen Andrews, president; Archie Burnett, vice-president; Dorothy Frost, secretary; Nancy Kimball, treasurer.

Clafin School

Clafin School football team played the Horace Mann School at Cabot Park on Tuesday, Nov. 18. It was a hard fought game resulting in a score of 25 to 7 in Clafin's favor.

The Class of 1920 organized on Friday, Nov. 14. The following officers were chosen: president, W. Ellwood Lower; vice-president, Raymond W. Woolston; secretary, Marjorie F. Wear; Treasurer, Agnes E. Sanborn. The girls of the cooking class served a breakfast to Miss Sanborn and Miss Keep, the preparation and serving of which they did themselves.

A meeting of the Clafin Achievement Club was held in the school hall on Wednesday afternoon to get a final report of the activities of the club members during the summer.

Bigelow School

The Thrift Stamp Campaign is still on. The school has a total of two hundred and nineteen buyers. Last week Mr. Flynn's room led in the amount of money spent for stamps. The number of buyers in his room was sixteen.

A committee has been elected to edit the school notes. This committee consists of Barbara Partridge, Floyd Cormack, and Arthur Schlandt.

Stearns School

The dressmaking and millinery classes were held as usual on Tuesday evening. The attendance continues to be good.

The teachers of our district continue to show their appreciation of the courtesy the Newton Club has extended to the Grade Teachers' Club by using the bowling alleys on Tuesday afternoon.

A Thrift play is to be given by the children on Friday evening in the Stearns Hall. The play is full of interest from start to finish, and a large audience is expected. Following the play will be one or two solo dances and a dance by several children from a first grade. The proceeds of the entertainment are to be given to our War Orphan Fund.

Lasell

On Monday 80 members of the school visited the Historical places of interest in Salem, Mass. Monday evening many of the members of the school attended a special concert at Symphony Hall.

On Thursday evening Mrs. Charlotte Hawkins Brown, Principal of the Alice Freeman Palmer Memorial School in Sedalia, North Carolina, spoke at the school. Mrs. Brown, who is a graduate of one of our Cambridge schools, is doing splendid work among the colored women of the South. She brought with her members of the Glee Club of the school who sang.

On Sunday evening the members of the school are to attend the Congregational church to hear Mr. Frank Davidson, President of the Union Rescue Mission of Boston, tell of his work.

The Fessenden School

Next Sunday there will be a lecture at the school on "Roosevelt" by Mr. William W. Elsworth.

On Saturday evening there will be an initiation into the "Reds" and the "Grays" two societies of the school which compete in scholarship and athletics.

GARDEN CITY ENCAMPMENT
I. O. O. F.

In Odd Fellows Hall, Newtonville, on Monday evening Garden City Encampment No. 62 and Waltham Encampment No. 50, I. O. O. F., held a joint meeting. It was the largest gathering of this branch of the Order ever held in Newtonville. 260 were seated at the supper and fully 500 were present later in the evening.

The guests of the evening were Grand Patriarch of the Grand Encampment of Massachusetts Chas. W. Fewkes, and Board of Grand Officers, D. D. G. P. F. H. Richardson and suite. Grand Patriarch James Kerr of Rhode Island and Board of Grand Officers, Mayor Edwin O. Childs (a member of Garden City Encampment). Large delegations were present from Quincy, Waltham, Boston, Lynn, Lawrence, East Weymouth, Walpole, Hyde Park, Dorchester, Cambridge and Allston. The occasion was "Conferring the Golden Rule Degree" upon 57 candidates. The work was done by Manet Encampment No. 75 of Quincy having a Degree Staff of 73 and an orchestra of nine pieces. The reputation of Manet Encampment was fully sustained by the beautiful and perfect rendition of the Degree. Interesting remarks were made by The Grand Patriarch of Massachusetts, who stated that up to the present time 900 had been initiated.

In the remarks of the Grand Patriarch of Rhode Island was the statement that the Degree as exemplified by Manet Encampment was the most beautiful work he had ever witnessed. The remarks of Grand Treasurer of Massachusetts were in line of the growth of the Order. Mayor Edwin O. Childs made one of his interesting and entertaining speeches and received hearty applause and a rousing three cheers.

This most successful meeting of Patriarchs closed with enthusiastic cheers for Garden City Encampment. The next large gathering will meet with Waltham Encampment when the Royal Purple Degree will be conferred by Waltham Encampment Wednesday evening, Dec. 10th.

OUR SCHOOL TEACHERS

To the Editor.

The following quotation from one of Harold Bell Wright's stories seems to fit the situation today. It is a shame to every parent in Massachusetts that the public school teachers are not paid a living wage. After years of study and preparation, grammar school, high school and even Simmons College, or the Normal School, as much as a teacher can get is seventy-five or eighty dollars a month, and even that sum for only nine months in the year. There are places in Massachusetts today where seven dollars a week is paid for a teacher, and from that she must pay her board. No wonder they say, "It is not fair"; it isn't fair. Mr. Wright, in describing a teacher in the Ozarks, writes—

"Without home or children of her own, the life strength of her splendid womanhood had been given to the teaching of boys and girls. An old maid school-teacher? Yes—if you will. But, as I saw her standing there that day—tall and slender, dressed in a simple gown that was fitted to her work—there was a queenly dignity, a stately sweetness in her bearing, that made me feel somehow as if I had come unexpectedly into the presence of royalty."

Have often felt the same way in meeting these teachers in our schools; they have been superior in every way, and the stand being made for a suitable recompense for their services is right, and should be complied with.

Osservatore.

BASKET BALL

The Y. M. C. A. basketball team won its third straight game Wednesday night when the Cambridge team bowed to the locals to the tune of 24 to 13. The Cambridge boys played a strong game covering closely at all times making it difficult for Newton to score.

Newton and Cambridge Intermediate teams of the S. A. A. league played the preliminary game the latter winning by score of 17 to 12.

Saturday night the Newton Y. first and second teams go to Boston where they will try out their ability as matinee runners on the large Boston floor. Last year the locals were beaten on Boston's floor but won later on the Newton floor. If their endurance fails them Saturday night they will have the opportunity to even up the account next month when Boston comes to Newton for a return game.

Next Wednesday night the Newton teams will be opposed by two teams representing the U. S. S. Florida. These teams are composed of former college stars and ought to prove a very special attraction as sailor boys usually show lots of speed once they clear for action. The first game will begin at 8.15.

TRAINING FOR NURSES

A twelve months' course of training as nursing attendants is offered women by The Household Nursing Association Training School for Nursing Attendants, at 544 Massachusetts avenue, Boston.

The course includes six months' training in cooking, dietetics, etc., and in the elements of bedside nursing, and six months of Field Work—that is, the care of the sick in their homes under graduate nurse supervision.

Wages are paid for this Field Work, so that during the second six months the student is earning money as well as getting her training.

A diploma is given at the end of the training. Steady work is assured all graduates, as the Association can't begin to supply the number of attendants for whom it has calls.

Classes are formed every two months.

If you are interested, write Miss Katharine Shepard, Supt., Household Nursing Association, 544 Massachusetts avenue, Boston, or call Back Bay 2040.

Visitors to the School are always welcome.

DEATH OF OLD RESIDENT

Mr. Willard Sears Higgins, for over forty years a resident of this city died Tuesday at his home on Brooks avenue, Newtonville, following an illness of over a year. Mr. Higgins was one of the best known business men in the city, having been for many years the senior partner in the firm of Higgins and Nickerson, carpenters and builders, who have built many houses in Newtonville and vicinity, and were largely interested in real estate development.

Mr. Higgins came from old Colonial stock, his father being a native of Brewster, Mass., and his mother of Gloucester. He was born in Gloucester, May 23, 1847 and was 72 years of age.

He was the last of the original members of the Newtonville Universalist church, a member of Dalhousie lodge of Masons, Newton Royal Arch Chapter, Gethsemane Commandery K. T., Newton lodge of Elks, Newton Lodge of Odd Fellows, the Newton Board of Trade, and was a trustee and member of the investment board of the Newton Savings Bank. For many years Mr. Higgins was a member of the Newton Fire Department, and captain of the Newtonville Hook and Ladder Truck. In 1910-11-12 he served the city as a member of the board of aldermen.

He was twice married, and is survived by his second wife, and three children by his first marriage, Mr. Willard E. Higgins of Newtonville, Mr. Ralph H. Higgins of Uxbridge, and Mr. Roger W. Higgins of Boston, and two grand children.

Funeral services will be held this afternoon, with prayers at the house, and a Masonic Service at Masonic Hall, Newtonville at two o'clock. Rev. Dr. William H. Ryder of Gloucester will officiate as chaplain, and the burial will be in the Newton Cemetery.

DEATH OF REV. MR. MORSE

Rev. Lyman H. Morse, formerly of Newton Centre, and for the past few months a resident of Jamestown, R. I., died suddenly Wednesday in this last named place, from heart failure. He went to Jamestown last June to become pastor there of the Baptist Church. Previously he was for about fifteen years pastor of the Baptist parish in Still River. He was born in Newton Centre on Sept. 30, 1862, the son of Lyman Morse and Anne (Hyde) Morse.

His father was a successful market gardener and his son joined him in the business, as a young man, but later studied for the ministry, as a student at the Newton Theological Institution, and after his graduation and ordination, he went as a missionary to Africa, where he stayed for about three years. On his return, he filled two short pastorates in Vermont, before going to Still River for what proved to be his longest pastorate.

Mr. Morse married Miss Helen Osborne of Worcester, by whom he is survived, together with a son, Lyman Rogers Morse, now in college completing a course which he interrupted when, at the age of nineteen, he enlisted for war service. Also surviving Mr. Morse is a brother, Warren Morse, living in the West, and three sisters, Mrs. Davis T. Keever, of Waban, and the Misses Carrie L. Morse and Mary M. Morse, who live at 21 Morseland avenue, Newton Centre.

BAD ACCIDENT

Rose Sullivan, the seven-year-old daughter of Mrs. Timothy Sullivan of 73 Dalby street, met with a serious accident while on her way to school Tuesday morning. While crossing Adams street near Lincoln road she was struck by an auto truck belonging to Henry W. Bates and driven by Francis Kinney of Crafts street. It is alleged that the accident was unavoidable, as the child came out from behind a passing electric car.

She was taken first to the home of Dr. O'Donnell, where it was found that she had a broken thigh and later removed to the Newton Hospital.

The little girl was exceptionally brave, notwithstanding her suffering, giving her name and address clearly, and her only anxieties were that her mother come quickly and that one shoe, which had been left where the accident occurred, be returned to her.

WHERE ARE YOU GOING TO
DINNER THANKSGIVING?

I am going to Russell and Walton's, 63 Hartford street, Newton Highlands, formerly Miss Anna Thompson's. They are going to serve a regular old fashioned Thanksgiving Dinner for \$1.50 that will make you forget all your troubles.

Make your reservation before Tuesday, Nov. 25th, as they can only accommodate a limited number of people.

Telephone Newton South 636-W; they will tell you all the particulars. They also have a Sunday Dinner for \$1.00 that is superior to any I ever ate.

SALESWOMEN

FOR

THE HOLIDAY SEASON

Bright, energetic women who are desirous of earning extra money during the Holiday season will find pleasant and profitable employment in various departments of our business.

We are glad to train the inexperienced and may we suggest, that those who are interested, call at once at our Employment Office, 7th Floor, Annex in order that they may make arrangements for employment during November and December.

Jordan Marsh Company

ESTATE OF ENGLISH DESIGN

Completed three years ago, with two and one-half acres of picturesque land, located in

WELLESLEY HILLS

The construction is of hollow tile and stucco, reinforced with steel beams. The roof is of slate laid in English fashion.

A spacious living room, music room with marble floor, dining room, breakfast room, kitchen and pantries, servants' quarters with dining room and sitting room, etc., are on the first floor.

On the second floor are five sunny chambers with ample closet space, two sleeping porches, and three baths finished in marble.

The third floor is fitted for billiard room and studio. The house is heated by indirect hot water system and several open fireplaces. Kitchen is equipped with fireless cooker, gas stove and electric dish washer. The garage holds two cars, is heated and has hot and cold water, also gasoline tank and pump.

The location is unique, being within ten minutes' walk of train, schools, etc., yet commanding a view for miles around. This is an estate which must be seen to be appreciated.

Will be shown by appointment. Apply to

H. P. BELL 428 Tremont Building, Boston
Haymarket 2318

APPLETON-FELTON

On Saturday afternoon Miss Rachel Esther Felton, daughter of Mr. Arthur P. Felton was married to Mr. Frank Hollis Appleton, son of Mrs. Anna N. Appleton of Faneuil, Mass.

The ceremony was performed at the home of the bride, 15 Park Vale avenue, Allston, by the Rev. William E. Strong of Newtonville. The best man was Mr. Curry Bartlett, of Newton, and the matron of honor, Mrs. Norman Chapman of Mansfield, Mass., a sister of the bride.

The ushers were Mr. George E. Felton of Reading, Mass., and Mr. George W. Twombly of Boston, Mass.

The bride wore a gown of white satin with Duchess lace and a tulle veil trimmed with Duchess lace and caught with lilies of the valley. She carried a bouquet of orchids and bride roses. The matron of honor wore a gown of peach satin and blue net, and carried Ophelia roses.

A reception at the house followed the ceremony.

In the receiving line assisting the bride and groom were Mr. and Mrs. Arthur P. Felton, and Mrs. Anna N. Appleton. The rooms were handsomely decorated with ferns and yellow chrysanthemums, while an attractive musical program was rendered by former class mates of the bride of the Wilelock School.

Mr. and Mrs. Appleton left for New York en route for Maryland, where the groom is superintendent for J. E. Baker Co.

CITY OF NEWTON

Massachusetts

NOTICE TO CONTRACTORS.

Sealed proposals for building about 1300

linear feet of 8 inch vitrified pipe sewer in

Wiltshire Road, Wiltshire Court and private

land in Newton, Mass., will be received at

the office of the Street Commissioner, City

Hall, West Newton, Mass., until 11 A. M.,

December 3, 1919.

All proposals must be upon blank forms

furnished by said commissioner, and must

be accompanied by a certified check upon

a national bank or trust company in the

commonwealth of Massachusetts for the

sum of \$500, payable to and to become the

property of the city of Newton if the pro-

posal which it accompanies is accepted and

the bidder neglects or refuses to comply

with the terms of the proposal.

A sufficient bond for the faithful per-

formance of the contract in the penal sum

of Four thousand dollars will be required.

Specifications and terms of contract can

be obtained at the office of said commis-

sioner.

Said commissioner reserves the right to

reject either, any or all proposals or to ac-

cept any proposal, and to award the con-

tract as he may deem to be for the best

interests of the city of Newton, and any

contract made will be made subject to ap-

propriations and grants to meet payments

thereunder.

GEORGE E. STUART,

Street Commissioner, Advt.

Notice is hereby given, that the sub-

scriber has been duly appointed ad-

ministrator of the estate not already

administered of Mae R. Peckham late

of Newton in the County of Middle-

sex, deceased, intestate, and has

taken upon himself that trust by giv-

ing bond, as the law directs. All per-

sons having demands upon the estate

of said deceased are required to ex-

hibit the same; and all persons in-

debted to said estate are called upon

to make payment to

CHRISTIAN SCIENCE LECTURE

By Dr. John M. Tutt, C. S. B., at Player's Hall
Monday Evening, Draws a Large Audience

Players' Hall and stage were completely filled Monday evening in response to the lecture announced. It was given by Dr. John M. Tutt, C. S. B., who was introduced by Mr. Harry I. Hunt, First Reader of the Christian Science Church in West Newton in these words:

It is inconceivable that a law of God should be operative at one time and not at another, if God is omnipotent as the Scriptures declare Him to be, or that the Creator can not maintain His creation in perfect harmony. Yet if we were to accept as true all that we see in the material world today, we should be forced to admit that God must have relinquished His omnipotence and that His law has been superseded by the law of evil.

Happily for us and for the world, a spiritually minded woman, Mary Baker Eddy, has discovered the Principle of God's universe and has formulated rules for its demonstration in overcoming all evil. Mrs. Eddy named her discovery Christian Science, and gave it to the world in her book, Science and Health, first published in 1875. The students of this Science, all down the intervening years and up to this present moment, have been demonstrating this Principle in healing mankind of sickness and woe, sorrow and sin, poverty and pain, thus proving that the divine law governing the healing ministry of Jesus, and the so-called miracles of prophets and apostles, is operative today, and that the creation which God saw and pronounced "very good," in the first chapter of Genesis, is still "very good."

The greatest physician the world has ever seen healed without drugs, according to the record of the New Testament, and declared that his disciples or students should do the same healing works, and even greater. The healing ministry of Christian Science is the realization of this promise of Jesus the Christ, and these lectures form one of the channels through which the joyful message of healing is being given to mankind.

The advantage of Christian Science healing as compared with healing by the use of drugs is that Christian Science heals both disease and sin, and by healing sin, it reaches the source of disease and prevents disease, and so diminishes the world's woes. The speaker of the evening was a practicing physician before he became a practitioner of Christian Science, and so is especially qualified to tell us of "the better way," which is pointed out by Christian Science.

It is my pleasant privilege to introduce to you a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Dr. John M. Tutt, of Kansas City, Missouri, who will now address you.

Dr. Tutt's lecture is as follows:—
Christian Science has come to humanity in response to its cry: "Create in me a clean heart, O God; and renew a right spirit within me—Restore unto me the joy of thy salvation." It has come to restore health in the place of sickness, righteousness in the place of sin, supply in the place of want, joy in the place of sorrow, understanding in the place of ignorance. Through the restorative ministry of Christian Science multitudes today rejoice in newness of life. These individuals, bodily saved and spiritually awakened, are not incompetent, but representative citizens of the communities in which they live—they are your friends, perchance. Many of them were Bible students—all are now. Many were Christians—all now are striving to be. Many, turned from disease and sin, are restored to health and responsibility. Unquestionably there is a mighty power in this influence which has touched the lives of your fellow citizens and blessed them, which has made bad men good and good men better.

PERSONAL EXPERIENCE

As one of the many who have returned from going down into the pit, I testify gladly to the power of Christian Science in my own experience. Because of the bias of medical and theological education, I was for many years deprived of the benefits of Christian Science. When my eyes finally were opened, I found health and spiritual awakening I had never known in the old ways of medicine and theology. I then discovered that the growth of Christian Science is due entirely to the fact that it "meets the heart's great need" as no other system has met it. Throughout thirteen years of the study and practice of Christian Science, in proportion to my understanding and application of its divine Principle, I have felt the abiding consciousness of God's presence and power, and have come into an ever enlarging sense of dominion over all that is unlike good. I have

experienced healing and have been witness to the healing of many others. These cases include acute and chronic conditions, functional and organic diseases, nervous and mental disorders. I have seen all types of disease and sin healed and their victims restored through spiritual power alone.

My friends, I am aware that the foregoing statement accords to Christian Science a place as a restorative agency not achieved by any of the prevailing systems of religion and medicine.

Now I do not speak incompetently, nor do I wish to speak impertinently of materia medica. To qualify myself to practice medicine, I studied three years and graduated at a standard medical college. At no place did this course of study rise above matter. The text book which has most to say about health and the way to restore and maintain it, was omitted from the curriculum. The Bible is not studied in medical colleges! The supreme authority on cause and effect, the one exhaustive study of man and his Maker is there ignored. The entire tendency of material medicine is away from the spiritual. However much material systems of medicine may meet ordinary needs, and the infection has already deprived the orthodox church of spiritual healing, it cannot be said that religion has affected medicine, which is avowedly unreligious, its practice requiring no Christian qualification.

Christian Science honors and respects that class of physicians whose lives are devoted to the alleviation of suffering, whose interest in mankind is not selfish nor political. To such noble men and women Christian Scientists say: "Let there be no strife," for, to the extent that we labor for humanity "we be brethren." But the radical cure and prevention of disease must come, not through drugs, not through material methods, but through improved mental states. Better thinking makes better bodies, just as better thinking makes better morals, and Christian Science is the religion of right thinking.

After practicing medicine for three years, I was forced to the conclusion that to ignore the spiritual man is to be unprepared to cope with the mental process underlying the disorderly manifestations we see in the physical body. Medical experience taught me, as it has taught others, that regardless of diagnosis and treatment, a very large percentage of patients recover, a small proportion are unaffected or grow worse, and a few die. It became conclusive that whether my patients rang with commendation or blamed with condemnation, I had perhaps done little to merit either. I came at last to know that material medicine, with its multiplied legion of diseases and its super-legion of remedies, is not, and by its very nature, never can be a genuine curative agency.

Today, from experience in the treatment of the sick covering active practice in both material and metaphysical medical systems, I am able to testify to the superiority of Christian Science over all other methods. To illustrate this superiority a single comparative instance will suffice: Shortly after I became a Christian Scientist, while on a business trip, I was seized with pneumonia. My rooming house was on my night I reached home in a semi-conscious condition and was just able to call for a Christian Science practitioner. With one treatment, and a lapse of only twenty-four hours, I returned to my work entirely restored. About the same time a physician of my acquaintance was attacked in a similar manner. He was attended by medical practitioners, lay in delirium for five weeks, and finally made a slow but imperfect recovery.

THE UNIVERSAL PANACEA

If each individual in this audience were asked to give a reason for his presence here, no doubt it would be possible to classify the replies under two great heads—religion and medicine. These may be said to be the paramount human interests, for second only to a future salvation, mankind is concerned in the preservation of his body. Christian Science has amalgamated these interests so that, rightly viewed, religion and medicine become one; and since Christian Science, in its saving and healing grace, is applicable to all manner of disorders, physical, mental and moral, it may be termed the universal panacea.

It is significant that the earliest systems of religious philosophy made no separation between religion and medicine. The pagan gods of medicine were called upon to heal sickness, just as the gods of war were appealed to for victory, and the gods of peace for plenty. Medicine began to separate from religion as medicine became more material and religion grew less so. Material medicine had so developed into a system apart from religion, that when Jesus began his restorative ministry, and healed the sick by purely spiritual power, he was termed both by the theologians and the matter physicians a miracle worker, so unheard of had it become to invoke the healing power of God.

The only reason mankind has not turned to God, the great physician, in the time of physical distress, is because of the material bias of its education. Mankind has been taught to look to God for salvation from sin, but to rely upon matter for the cure of matter and its distresses. Because of the seeming increasing power of false material education, mankind has been unable to grasp the simplicity and adequacy of the spiritual laws of God applied to the disorders of the flesh.

Jesus knew these laws, employed them, and laid upon all Christians the injunction to imitate his healing works. It may be argued that Jesus conferred the power to heal upon his contemporary disciples only. Yet he said unequivocally: "These signs shall follow them that believe." But if the contention be true, how did

Paul, who was not Jesus' immediate disciple, acquire the art of Christian healing? It must be admitted that Paul used none but spiritual power in his restorative ministry. The Master, alluding to his divine Principle, the healing and saving Christ, said: "Lo! I am with you always." This Christ was available to Paul and he rose in spiritual consciousness to the realization of it. The power of God to heal and to save, so wondrously present with Jesus, and with the early Christians for three hundred years, is available to all today, and when understood and employed, in Jesus' way, becomes the witness of "Christ in you, the hope of glory."

THE DISCOVERER AND FOUNDER

Christian Science was discovered and the movement founded by a woman, Mary Baker Eddy. From childhood she had been deeply religious, and early had displayed a profound spiritual nature. Her first writings confirm this and also show remarkable literary talent; thus they forecast her later achievement. But such promise was handicapped by physical frailty, which, as she came to young womanhood, operated more and more to incapacitate her. Heroically she struggled against a semi-invalidism extending over many years. The failure of Allopathic medicine to help her, and her own study and futile application of Homeopathy, together with unavailing resort to other systems of treatment, combined to turn her toward God as a "very present help in trouble." Gradually she became convinced that disease, as well as sin, is mental in origin and therefore amenable to spiritual treatment, whereupon the Bible became the field of her search for health. At last she reached a state of spiritual growth where she experienced instantaneous healing from what her physician had declared to be a fatal accident. Filled with gratitude to God for her restoration, she withdrew from society and for three years sought within the Scriptures the explanation of her recovery. Her research revealed to her the Principle and rules of the spiritual healing which attended the restorative ministry of the Master and his disciples. This discovery she named Christian Science. Christian Science, because practiced by Christ Jesus; Science, because it is exact, demonstrable knowledge of the laws of God. Inspired by love for humanity, she wrote the textbook, Science and Health with Key to the Scriptures. After demonstrating the efficacy of Christian Science to heal disease and sin, to restore health and dominion, she gave her book to the world. This book has revived primitive Christianity. In less than fifty years millions have received its evangelic message. "Beware not: For behold I bring you good tidings of great joy, which shall be to all people." The world as yet little knows the extent of its indebtedness to this gentle woman, but today her grateful beneficiaries unite with Isaiah in declaring the promises due unto godliness: "Thou shalt raise up the foundations of many generations; and thou shalt call The repairer of the breach. The restorer of paths to dwell in."

GOD

Christian Science accepts the primal order of Scripture which states fundamentally: "In the beginning God created the heaven and the earth." The most self-evident facts we can consider are that the universe, including man, exists, and that it is a creation. A creation implies a power by which the thing made comes "to existence, and thus we arrive logically at the Creator. That is, plain, and there have never been a world's history any considerable number of people who would deny a Supreme Cause, or God.

Therefore Christian Science is not confronted with the necessity to establish in thought the fact that God is. Its mission is to reveal what God is, how we are to know Him, and how we are to utilize His power in solving life's problems. Mrs. Eddy knew that what humanity needs is the right concept of God; that until mankind learns something of the truth about God, its efforts to work out its own salvation are ineffective and its progress at best is slow. The restorative ministry of Christian Science includes then, primarily, replacement in consciousness of ignorant or inadequate beliefs about God with right concepts of Him.

In reviewing the history of religion it is surprising to note that however diverse the beliefs about Deity held by mankind, there is one striking similarity common to them all. Without exception these beliefs have pictured God. Invariably he has been thought of as the image and likeness of something. Moses commanded: "Thou shalt not make unto thee any graven image or any likeness of anything." Now God is not image, nor is He likeness, for the simple reason that, according to the Bible, His creation is image and likeness, whereas Deity is the origin of all things, or the first Cause. The progress of humanity has been proportional to the proper reversal of this inversion of the natural order and the restoration in consciousness of divine Cause as primary.

MATERNITY

Gowns, Dresses, Skirts, Blouses,
Corsets, Brassiers, and Ruffles.

We confidently feel that the true reason for the success and steady growth of this shop has been due to a quiet and dignified atmosphere that aims to particularly satisfy women looking for such garments as we carry.

BOSTON.

DINNER AT HOME

With the NEW COMMUNITY SERVICE KITCHEN

ANNOUNCEMENT

A New Community Service Kitchen to Bring Relief to the Newtons

On and after Dec. 1, the Community Service Kitchen of Brookline will extend its delivery service to cover Newton, Newtonville and Newton Centre.

Information for Those Not Acquainted with Our Service
Since the 17th of June, 1919, Brookline's housewives have ceased to worry about the servant question and have had their H. C. L. problems greatly lightened by the advent of a community kitchen which delivers to their doors at their dinner hour, a piping hot, home cooked, course dinner in specially constructed containers.

The System

Shortly before meal time the cooked food is placed in individual aluminum containers, so constructed as to keep hot for several hours. An automobile delivers the dinner at a regular hour and returns next morning for the empty container.

DINNER NO II

Regular Customers \$2.75 Casual Customers \$3.00

Mankind's concepts of Deity have ranged from the crudest forms of matter, images of stone, wood, metals, and from the more impressive manifestations of matter, the sun, moon and stars, all the way to the deification of man. My early thought of God took the form of an elderly gentleman of most benign countenance and gracious carriage, who resembled no one so much as my father. And that is not surprising, since I was taught the fatherhood of God without an adequate explanation of His infinite character.

May it not be said truly that every individual that approaches the subject of Christian Science has a concept of Deity false in some degree? Mrs. Eddy saw this, and she saw also that these finite concepts, these false beliefs about God, operate to hinder the progress of humanity—because they leave mankind to deal with effects without a true knowledge of Cause. She therefore chose seven prominent synonyms of God which she said were "intended to express the nature, essence and wholeness of Deity." (Science and Health, pg. 465.) Most of these synonyms she took directly from the Bible, and all of them have Scriptural authority. These wonderful words are found in Science and Health (pg. 465) in answer to the question, "What is God?" "God is incorporeal, divine, supreme, infinite Mind, Spirit, Soul, Principle, Life, Truth, Love." Note that not one of these words expresses a concept of God as finite, whether person or thing. John said, "God is Love," and love is not a person, nor a thing, love is a principle. Jesus said to the woman at the well, "God is a Spirit," and spirit is not a person nor a thing, it is a principle. When the Psalmist referred to Deity as a God of truth, he did not speak of a person nor a thing, but of a principle, when Moses said of God, "he is thy life," and Job referred to God "in whose hand is the soul of every living thing," they used words which express in each case a principle. "Let this mind be in you, which was also in Christ Jesus," said Paul, and showed that Mind is Principle and not a person nor a thing. These seven words each indicate, then, Principle, not person, nor object, and are fully synonymous with God because they "express the nature, essence, and wholeness of Deity."

Now the outstanding character of Deity is His infinitude. God is infinite, incorporeal, that is, not limited, not bounded nor confined. The infinitude of God means, if it means anything at all, that God is one, without a second. Therefore God is the only Principle, the only Mind, the only Life, Truth, Love, the only Soul, the only Spirit. "The Lord he is God; there is none else beside him."

The revelation of "the larger thought of God" is enabling Christian Scientists to understand Him, to draw near to Him, to see his handiwork, and to reject what is unlike the divine nature. Whatever the problem confronting the Christian Scientist he never rests until he arrives at God. God must be in all his thoughts, for the presence of God means the presence of good and the absence of evil. It is often remarked how intimately Christian Scientists speak of God. We no longer regard Him fearfully, because we have learned that He is divine Love. We no longer imagine Him to be a magnified mortal. We have ceased to look for him geographically or astronomically, or to circumscribe him in any way. But if

to us his habitation is no longer limited to place, we have gained the understanding of God's presence everywhere. If we have lost our fear of Deity, we have gained for Him love and allegiance. If we have ceased somewhat to believe in the power of evil, it is because we have learned something of the all-power of God. To all who thus are becoming acquainted with God, are learning to trust Him, and are striving to be like Him. Mrs. Eddy refers in the opening line of her textbook: "To those leaning on the sustaining infinite, today is big with blessings." (Science and Health with Key to the Scriptures, Preface VII.)

How do we know God and where do we find Him? Elijah in the mount before the Lord learned that God was not in the whirlwind, not in the earthquake, not in the fire—God was not in matter. He was in the still small voice. No man can understand God or know His abode through the finite senses, for "no man hath seen God at any time." Because He is Spirit, He manifests Himself spiritually. "They that worship Him," said Jesus, "must worship Him in spirit and in truth." So Mrs. Eddy wrote, (Science and Health, page 481): "Through spiritual sense only, man comprehends and loves Deity." And again, (Science and Health, page 209): "Spiritual sense is a conscious, constant, capacity to understand God."

I recently read a report of a sermon by a clergyman on the subject, "Will Christian Scientists Go To Heaven?" No Christian Scientist can doubt that he will be in heaven just in the degree of his understanding of Jesus' statement, "For, behold, the Kingdom of God is within you." God and heaven are within the grasp of spiritual perception alone. Orthodox views received a just rebuke from a little child who, when asked where heaven is, replied "out in the graveyard." By inescapable logic he had concluded that God and heaven were reached through death, as he had been taught, the cemetery must be the gateway to the Kingdom. The Christian Scientist to whose inquiry the child responded, was able to show him that since heaven is God's home, and God is everywhere, heaven must be everywhere. She explained that God is Love and God is Good, and therefore where love and good are found, there is God and heaven; so to the child came the joy of knowing God's eternal nearness, even His everpresence.

Christian Science has come to restore the right concept of heaven, and to reveal it to be spiritual consciousness, and there is not one in this audience but may yield his material sense to that divine influence and now and here enter the realm of harmony.

MAN
The restoration in consciousness of God as Spirit, or Mind, at once lifts thought to a higher contemplation of God's creation—man. Mankind's estimate of man has risen, of course, no higher than his estimate of God. False beliefs about God have resulted directly in erroneous concepts of man. So a finite, material sense of the Creator, has been reflected in humanity's thought of man as finite and material. Christian Science comes to show the falsity of such belief and to restore the concept of man as spiritual, the image and likeness of Spirit.

Natural science declares man to be composed of chemical elements and to (Continued on Page 4.)

89 Franklin Street, Boston

Listed with a few high-grade Boston and Newton Real Estate Offices.

trouble are not greatly concerned in the philosophic explanation of the origin of evil. Their interest centers in getting rid of evil, and the triumph of Christian Science is that it does just that. It is satisfactory to learn that God does not countenance evil nor include it among His very good works, and therefore that evil is unreal.

However, evil is accounted for logically in accordance with the law of supposed opposites. One of the synonyms of Deity, you will recall, is Truth, God being infinite Truth, there is evidently nothing beyond Truth's infinitely good and true manifestation. To bring evil into the equation it becomes necessary to suppose the opposite of infinite good, but remember that this supposition, this opposite of truth, must be a lie and hence unreal. Now a lie's deception is possible only so long as it appears to be true? It must masquerade as truth, or counterfeit truth, in order to gain credence. Christian Science has uncovered the "mystery of iniquity." The mystery of evil is just like any other mystery—ignorance of truth. The whole problem of evil is one of ignorance, or absence of understanding. All the trouble in the world is due to misunderstanding, to false estimates of God, man and the universe. In Christian Science men are learning neither to ignore evil nor to be ignorant of its pretense, but are addressing themselves to the task of recognizing evil as a lie, eliminating the lie from consciousness and replacing it with good. Evil is thus losing its claim upon thought, as the spiritual understanding of God and man is attained.

"But," you say, "Christian Science has not done away with evil. It's still here in spite of the uncovering of its nothingness." My friends, Christian Scientists already have made wonderful progress. We have learned much about the unreality of evil and to that degree have disposed of its claims. It is true that, although Christian Science shows man to be the image of God, perfect and spiritual now, man still seems to the physical senses to be mortal and imperfect. Some forms of evil, when unmasked, may continue to appear, just as the sun continues to appear to rise in the east, even after one discovers that it really stands still and the earth revolves on its axis, but the illusion no longer deceives. In like manner, mortality unmasked, is shorn of its seeming power and reality.

Evil may seem to have its day, but because it is perishable, its destruction is inevitable. Because it is a lie about something true, it must go out, and Truth must be its destroyer. Remember that truth never destroys anything true; its destructive action is exerted always upon that which is false. For every lie, there is a true statement which will destroy it. Every time a Christian Scientist applies the truth to a lie he destroys that much of error, ignorance, and advances by that much the day of perfect spiritual understanding when "they shall all know me." (Good) "From the least of them unto the greatest of them."

SALVATION AND CHRIST JESUS

In cleaning out the rubbish of untrue theories and building again the old waste places, Christian Science is a true constructive force. It repeats the restorative ministry of Christ Jesus, whose mission, an apostle said, was to "destroy the works of the devil," evil, and who "went about doing good." He who was named Saviour gave a new meaning to salvation. He who came to "save his people from their sins" applied the restorative power of the Christ, Truth, to every sort of evil; thus he healed disease and sin by the same process. As in Jesus' time, popular theology today views salvation chiefly as a preparation for the hereafter. But Jesus said, "I am come that they might have life, and that they might have it more abundantly." Christian Science has restored to humanity the saving grace of Christian healing, proving that Christianity is a religion not to die by, but to live by.

Where, in the scheme of salvation, does Christian Science place Christ Jesus? In the words of Peter, "There is none other name under heaven by which we must be saved." Jesus was the name of the one individual in the world's history who has attained the perfect state of spiritual apprehension. By his understanding of God, Jesus proved that man is perfect, spiritual, indestructible. He overcame every law of matter, sin, disease and death, thus proving their nothingness. He took the human footstep in "the passage from sense to Soul" (Science and Health, page 566), and left the path so plain that "the wayfarer men, though fools, shall not err therein." What he proved was for all mankind, for he himself said, "I am the way."

By this it will be understood that Jesus was not God, but was, as he himself affirmed, the son of God. In Science and Health (page 482) we read: "Jesus was the highest human concept of the perfect man." Jesus' unselfishness, purity and spirituality so endowed him with godliness that he was worthy to bear the title Messiah, or Christ. Again (Science and Health, page 553), Mrs. Eddy has defined Christ as "the divine manifestation of God, which comes to the flesh to destroy incarnate error." With Jesus the Christ was so preponderant that when the human cried out "Let this cup pass," Jesus was able to say "not my will but thine be done." Let the mortal disappear and the Christ appear as the representative of divinity. It was that Christ that caused Jesus to say "If I" (the fleshly concept) "go not away, the Comforter will not come unto you"—the restorative Truth will not become operative in your consciousness; in other words, you will continue to cling to my human personality and will fail to grasp the divine Principle which governs it. Christian Science teaches personal salvation through all Christ Jesus lived to do; that each individual is to work out his own salvation from all error by the example Jesus furnished in his demonstration of the Christ. Christian Science accepts the essentials of Christianity as found in the Scriptural record of the life and teaching of Christ Jesus, but restores and emphasizes the spiritual import and observance of the doctrine he taught and ordinances he established.

Above all, Christian Science teaches that the essentials of Christianity involve individual practice more than profession.

PRAYER

The modus operandi by which Christian Science fulfills its restorative ministry is prayer. By prayer sickness is healed, sin is destroyed and harmony restored. By prayer ignorance is replaced with understanding. By prayer we draw near to God and enter into the heritage of his son. Prayer is that process by which false beliefs are destroyed and right concepts restored. To know the Truth is true prayer. Therefore the Christian Scientist, when he prays, does not ask God for any material things. He seeks to apprehend what is already existent and bestowed. He asks only for guidance, for wisdom, for true knowledge. So Solomon prayed for an understanding heart. So Hagar a thirst in the desert, fearing for the life of her child, prayed the prayer which opened her blind eyes and revealed the well of water at hand. Such prayer has never failed, for it is the prayer of spiritual sense, that "conscious, constant, capacity to understand God," and the spiritual, real man.

Christ Jesus, in teaching how to pray, said "Whatever things ye desire when ye pray, believe that ye receive them, and ye shall have them." True prayer, then, is comprised in asking and receiving. It is both desire and realization—desire to know the will of God, desire to express that will in daily life, desire to overcome all that is contrary to good; realization of the unreality of error and the presence of God and his manifestation. Prayer in Christian Science includes the answer and it is not so, the loving Father would stand convicted of capriciousness and favoritism. The riches of His kingdom are available to all who claim their divine heritage.

A little girl I know furnished an adequate illustration of the restorative prayer of Christian Science when she freed herself from the bondage of sickness thus: "If God did not make it, how could I be it?" Very little process entered into her argument against the false sense that seemed to bind her, but she rejected the erroneous concept and realized the allness of good. She sought refuge directly in the Truth of being and knew that she and God are inseparable. She did not wonder what she had done to bring on the sickness, and did not offer the false defense that she was still mortal; she did not think of herself as in the flesh, she wasted no time in self-justification, self-pity nor self-condemnation. Her thought turned naturally to God, divine Love, her only source of relief, naturally as the flower turns to the sun, and she was free! Do you wonder that Jesus defined the kingdom of God open only to the child-like thought?

The highest object of prayer and its ultimate answer is the attainment of the consciousness of man's inseparability from his Maker—God. Ceaseless prayer is the demand of Scripture, and this is possible only as constant right desire and effort to be in his image and likeness, to be present with God of this supreme concept of answered prayer, Mrs. Eddy has written:

"Oh! Thou hast heard my prayer;
And I am blest!
This is thy high behest:
Thou here, and everywhere."
(Misc. Writings, page 385.)

In the presence of Good, there is no unsatisfied desire.

CHRISTIAN SCIENCE VS. SUGGESTIVE THERAPEUTICS

It is now, perhaps, universally conceded that Christian Science restores the sick. There are those, however, who repeat the ancient mistake of attributing the miracle of Christian healing to the action of the human mind, through what these critics term mental suggestion. In Jesus' day the unbelievers said: "This fellow doth not cast out devils but by Beelzebub the prince of the devils," but Jesus disclaimed the human mind to be a factor in his work and insisted that the "finger of God" method. Christ Jesus fully proved the divine Mind alone was the healing power in his practice. He said "I can of mine own self do nothing." "The Father that dwelleth in me, he doeth the works." The Beelzebub method is illustrated today in the prevalent material methods of treating the sick and in the so-called mental sciences. One and all such systems rely upon the supposed action of the human mind. Although in materia medica the medium of matter is employed, nevertheless ordinary medical practice is little else than the practice of mental suggestion. Indeed the trend of modern medical thought is toward a frank admission of the suggestive character of material medicine. Belief in the method, as well as belief in the physician, plainly is requisite for successful medical practice. When practicing medicine I have given, experimentally, a hypodermic injection of pure water to a patient with pain, and have watched him go quietly to sleep. The operation would have been no less an instance of suggestive therapeutics had I injected the actual drug endowed through general belief with pain relieving power. Medicine is constituted in mental consent—it is whatever mortal mind believes it to be. Anciently human belief bestowed upon material objects supernatural power. A relic of such "medicine" is found in the modern practice of wearing amulets. Many people believe that a lucky charm carried in the pocket has power to prevent rheumatism. It is not unusual to see a child with a piece of red flannel about its neck. That, many will tell you, is good for sore throat—Indeed there seems no limit to human credulity. It is perhaps within the facts to state that there is nothing "in heaven above, in the earth beneath, or in the waters under the earth" but has been used as medicine. That which in the kitchen is a food, becomes a medicine in the shop of the apothecary. True, mortal mind has usually abandoned its remedies about as fast as it has adopted them, but through-out the history of material medicine it has sought to find power in matter in the realm of the divine Mind. It is a far journey, in point of time, from li-

quor of earth worms, once highly reputed in materia medica, to modern serum of horses' blood, but the same mental consent has been required to furnish each generation with its ever changing pharmacopoeia.

Mental suggestion and Christian Science are antitheses. The one is the supposed action of the human mind, which, being enmity against God, works only evil continually. The other is the power of God, divine Mind, and is wholly good. Christian Science has come to reassure mankind that all mental suggestions are mesmeric, wholly false, and can have no more reality and no more power than is bestowed upon them in belief.

Christian Science teaches how to free one's self, and others, from the belief of any influence other than the power of the one Mind—God; how to separate mental suggestions from the laws of divine Principle; how to eradicate false mental pictures from consciousness, and to prevent them forming there; how to overcome fear; how to be responsive to sin. "But if I with the finger of God cast out devils, no doubt the kingdom of God is come upon you." Herein is the Christian method of healing found supreme—it not only heals the sick but reforms the sinner. If Christian Science did no more than eliminate the sinfulness of dissipation, in all its forms, it is proved the greatest restorative force the world has ever known. In Christian Science the physical and social hygiene, sanitation, prophylaxis and therapeutics begin at their logical beginning in Mind, so that Christian Scientists are learning to think cleanly, normally, correctly, and thus to live clean, wholesome and normal lives. A sound mind produces and maintains a sound body as surely as effect follows cause.

A PRACTICAL IDEALISM

If Christian Science were to project merely a metaphysical system of theorizing about God and man, it would be the most impractical religion ever offered to a sin-burdened and disease-tortured race. But the idealism of Christian Science has a practical application to human interests. Because God is the infinite Principle, He is the source of all law. If, therefore, human affairs are to be ordered out of chaos, man must be governed by the law of God. This law is spiritual and its operation in human consciousness is to spiritualize thought. To the degree of his spirituality, therefore, is a man redeemed from the discords of matter. When a man learns something of the truth about God and about himself, when he begins to understand that as the offspring of God man is the expression of Spirit and possesses only the divine, spiritual attributes, he begins to see the unreality of the false belief that he is subject to the so-called laws of matter. He begins to see that discord is no proper part of his experience, and that by realizing the works of spiritual being he can overcome all in his experience that is unlike God.

Thus he begins to take up the work of eliminating from thought the unspiritual qualities and of replacing them with the spiritual. He learns to reject as spurious thoughts that inhere in sin, disease, inharmonious limitation, because all such thoughts are not spiritual, and to realize his divine heritage, dominion over all.

As this restoration of spiritual concepts goes on in the individual, the man is changed. He learns that man is well because God is whole and man is his expression. He, therefore, no longer accepts the domination of fear, false laws of health, hygiene, sanitation, but holds himself superior to these so-called laws of matter on the ground that God made man subject only to the laws of Spirit. Since the human mind and body are one, the body improves as the thought is improved, and health becomes normal and established.

In like manner such an individual finds his thought about sin undergoing a radical change. He finds that sin is the carnal mind alone, and that as he comes into possession of the Mind of Christ, the fear of sin, the love of sin, and the ignorance of sin are destroyed. Thus sin and its effects disappear and righteousness is restored.

The Christian Scientist finds also his concepts of business improve. He begins to see that all real business is the activity of right thinking and belongs to the divine Mind. God is therefore the only employer, or proprietor, and business is wholly good. Thus the fears, doubts, discords, limitations and failures present or possible in the old way of thinking are displaced by right concepts and business is restored.

TRIUMPH OF GOOD OVER EVIL

The story of religion is the history of the world. To the student and thinker today is momentous with history in the making, with prophesy fulfilled. The restoration in human consciousness of the spiritual ideal has stirred to their depths the forces of evil which are ever at war with good. War is evil's self-destruction and because it is so, how infinitely better is a just war than a false convenient peace!" (Miscellaneous page 211.)

In the triumphant march of Principle against the hosts of evil, where did Christian Scientists stand? At home and at the front shoulder to shoulder with their fellow citizens and their allies, in support of a righteous cause. The ideals of Christian Science are the ideals of Anglo-American. Expressed in the words of Mrs. Eddy, they are: "Never to take away the rights, but only the wrongs of mankind." (No and Yes, page 40). These are the ideals which enabled Mrs. Eddy to lead the van of the torn battlefields, the coming of the Prince of Peace. With true vision she saw the children of Principle, reunited, supreme over all, and the freedom of the world realized. In 1898 she wrote, in a poem, "The United States to Great Britain," these prophetic words:

"For Anglo-Israel, lo!
Is marching under orders;
His hand averts the blow.

CONCLUSION

How shall we epitomize the restorative ministry of Christian Science? As Mrs. Eddy wrote of Christ Jesus, so may it be said of Christian Science, its "sublime summary points to the religion of love." (Science and Health, page 133.)

Little more than fifty years ago there was but one Christian Scientist in all the world, Mary Baker Eddy. Today, through her loving ministry, the restorative Truth plentifully is reaching humanity. Because of her love for God and man, she organized the Church of Christ, Scientist, "designed to commemorate the word and works of our Master, which should reinstate primitive Christianity and its lost element of healing." (Church Manual, page 17). Because of her love for God and man she established the Christian Science Reading Rooms, where the storm-tossed and distressed find refuge and comfort. Because of her love for God and man she founded the Christian Science periodicals which, daily, weekly and monthly send out the message of Truth's restorative mission. Through all its activities the Christian Science church is demonstrating the practical character of its idealism, for it is committed unselfishly to the redemption of humanity through the regenerating power of Christ, Truth, operating in human consciousness.

Christian Scientists desire nothing so much as that the power of God unto salvation, so richly enjoyed by them, because to them understood, shall be made available to their fellowmen. That is why all over the earth men and women are devoting their lives to Christian Science, to the restorative ministry of healing the sick and saving the sinner.

"Oh, he whom Jesus loved has truly spoken,
That holier worship, which God designs to bless.
Restores the lost, and heals the spirit broken,
And feeds the widow and the fatherless.
Then, brother man, fold to thy heart thy brother!
For where love dwells, the peace of God is there:
To worship rightly is to love each other;
Each smile a hymn, each kindly deed a prayer.
Follow, with rev'rent steps, the great example
Of him whose holy work was doing good;
So shall the wide earth seem our Father's temple,
Each loving life a psalm of gratitude.
(Christian Science Hymnal, pg. 172).

NEWTON CLASSICAL HIGH SCHOOL

Last Friday marked a very important event in the course of this season's meetings. The three upper classes passed to the Assembly Hall as usual, where, following a few notices given out by the Principal, a very rousing football rally was held. So far during the season only a small percentage of the students in the school have attended the three games held on Clapham Field, and consequently it was decided that some form of "pop" needed to be used, to show the kind of school spirit which should exist in a place like Newton. There was a game scheduled for that very afternoon, thus giving the speakers a chance to have a specific example, to show that the students then had a fine opportunity to help the team by being present. Lyon, the manager of the football team this year, impressed his audience with the fact that the financial conditions of the team were extremely low, simply because no one seemed to take any interest at all in the games. Furthermore, it was shown how other schools backed their teams to the limit, and thus helped to gain victories, which would be impossible in most cases. Mr. Richmond explained in a very clear way, just what each pupil was expected to do, and how important it was to do at least as much for the team, as the team was trying to do for the school. After the first half hour of speaking, cheers were led by Robert Cowing, E. Larnard, and Warren Hill.

The results of the rally held Friday morning were most encouraging. Special tickets which had been issued previous to the game, Brookline vs. Newton, sold very fast throughout the day. Posters had been placed on all the Bulletin Boards and large notices in practically all the rooms, both of which aided in the sale of tickets. At the game the real result of the special efforts put forth during the day, was shown. A crowded grandstand, such as Newton used to have a few years ago, was a sight which the players were very glad to see and have as a backing in their contest.

At the regular meeting of the Debating Club held Monday morning, a committee was appointed to form a constitution and present the same before the members at the next meeting. This is something which has been neglected in previous years, and it is hoped that it will place the organization on a firmer base and standard. At each of the contests held, some fine debating material is set forth, so that the prospects point to a fairly good team.

The Class Football Teams under the supervision of a separate Coach have now had a chance to display some of their talent, in the different interclass games. One of the best of these contests took place when the Freshmen and the Sophomores played. Although the latter were generally bigger in build, the former had some very husky backs who finally gave the victory to their team, 19-18.

The Girls' Field Hockey Team went to Miss Winsor's School last Friday to see if they could not redeem themselves for the terrible defeat they took from Lexington the week previous. Unfortunately the field was very nearly one-third the size of the home grounds, and consequently the cramped condition aided the other school to score 4 goals to Newton's 1. Anne Bruner and Dorothy Stebbins put up the best game and certainly worked hard to overcome the disadvantages.

Mr. Underwood's idea of the work in the "Literary Digest" for all the Juniors and Seniors who take English, has planned out very well and has met with surprising approval. The order sent in last week for the next four issues, asked for two hundred and ninety copies, which is a large increase over the former order. The regular football aggregation of the school managed to beat Brookline in the contest held last Friday by a score of 34-0. Forward passes and straight line plunges kept Brookline on the defensive a good share of the time. With Stafford at q. b., Garrity at f. b., Bjorkman at end, and Seavey at centre, the team had no trouble in putting the ball behind Brookline's goal. Since the game some very radical changes have taken place. Seavey is now working in the backfield, and Smith has taken his position as Centre. Somehow this shift seems to weaken the line, but with Seavey doing all the kicking, and Brooks and Blodgett on the injured list some one had to go into the backfield to strengthen it. With this shift Newton may meet Medford next Friday.

BASKET BALL

The Newton Y. M. C. A. basketball team added another victory to the list Saturday night when they defeated the Chelsea team in a rough game by the score of 36 to 13. Due to the small Chelsea gym the game was bound to be bare or less rough but the climax came in the final period when Rutch of Chelsea who went in as a substitute for MacDonald clashed with Shaw. The referee lost control of the game which resulted in a rough-house. After order had been restored the floor was cleared and the game called. The Chelsea team never had a chance and the calling of the game saved them from even a poorer showing.

The Newton Reserves played the Chelsea second team and lost a hard fought battle by two points the final count being 14 to 12.

Vocational School

At the Monday morning assembly, Miss Jennie Cooper of the Class of 1919, was presented the handsome bronze medal awarded by the Massachusetts Horticultural Society for the best garden planned and cared for by a pupil in the public schools in 1919. The presentation was by Mr. Raymond W. Sweet, Supervisor of Nature Study for Newton.

WHO WANTS SEEDS?

United States Senator David I. Walsh will be pleased to receive the names of those desiring seeds for the coming season. The mailing lists are now being prepared by the Department of Agriculture and early application is requested.

The Foresman Electric Co., Inc.

76 Langley Road, Newton Centre

TELEPHONES—Newton South 1006, 1007 and 359

The Quality Electric Shop

OUR POLICY is to do thorough work, prompt and accommodating service, and to **SATISFY YOU.**

OUR ORGANIZATION is the largest of its kind in any Boston suburb. It has been constantly expanded, not only to maintain, but to improve, the **ELECTRICAL SERVICE** of creditable standard which we are rendering. It is well and permanently established — always here to back up its slogan of **GUARANTEED** work, and to become better acquainted with and to advise honestly of the electrical requirements of the individual home.

OUR SERVICE is prompt and convenient to command by telephoning Newton South 1006 or 1007 or 359—if one is busy, call the other. Our automobiles fulfil the desire for a nearby electrician. In case of emergency, just telephone us, we will do the rest.

OUR BUSINESS is the construction and repairing of all things electrical, including Intercommunicating Telephones, Bells and Annunciators. In addition to our Electrical Construction and Repair Department, we have a Department of

Household Electrical Appliances

in which department we stock and have on display at all times a complete line of the most modern and best grade

WATCH FOR OUR SPECIAL ADVERTISEMENTS OF CHRISTMAS SUGGESTIONS**The Foresman Electric Co., Inc.****NEWTON BRANCH SPECIAL AID**

The three letters below are exact copies of those sent to the Chairman of the Workroom Committee by Filipino boys on the Receiving Ship stationed at Hingham. The boys are of High School age, and coming from a warm climate are naturally very sensitive to cold. They had nothing whatever in the way of warm knitted garments, and each one was supplied by the Branch with a sweater and two pairs of socks. Are there not many women who can help the Special Aid to relieve the "motherless situation" of other such boys?

"I could hardly express my gratitude in thanking you in your kindness to the boys in uniform. Oh, how can a Filipino boy like myself repay the golden gift you offered? You are so kind to us. My heart is certainly happy to have known you as a mother of the boys in this motherless situation. I hope I could meet you soon and say "thank you" instead of writing to you.
Your sailor boy,
Rafael Anco.

Dear Madam:
Thanks and much oblige to a beautiful gift that you have sent to me. I received it yesterday morning which the hurrah of happiness. What must I do in order that I can repay your prosperous kindness? I must not forget you and your treatment for me.
Your affectionate son,
Patricio Maxian.

I have the honor to inform you that the article you sent to Hernando and that for us, we received already last Friday 7th of Nov. 1919. And for those things you sent us, much of thanks for your kindness. For these statement pardon me if I have something wrong. No more.
H."

HARPER—GUTTERSON

Miss Florence Evelyn Gutterson of 198 Walnut street, Newtonville, was married on Wednesday afternoon to Mr. Harold Hodgkins Harper, son of Mr. James P. Harper of 470 Albemarle road. The ceremony was performed by the Rev. James P. Harper.

The best man was Mr. Carroll Herbert Gutterson of Woods Hole and the maid of honor, Miss Edith Gutterson of Newtonville.

The bride wore a gown of white satin trimmed with rose buds, and a white veil trimmed with rose buds, and carried white roses. The maid of honor wore a gown of yellow satin trimmed with yellow roses.

Following the ceremony there was a reception at 470 Albemarle road. The house was tastefully decorated with evergreen and roses.

After a wedding trip to Portland, Me., Mr. and Mrs. Harper will make their home at 470 Albemarle road.

SPECIAL MUSICAL SERVICE

On next Sunday at 7.30 will occur the third in the series of Musical Services held at the Methodist Church of Newton. That these services are much appreciated by the community is shown by the large attendance. The program for next Sunday is as follows: Mrs. Grace Leslie, Mezzo-Soprano, Miss Carmella Ippolito, violinist, Mr. Salvatore Ippolito, 'cellist. To the Angels Zardo
The Bell Saint-Saens
First Movement from Sonata
Andante

My Heart Ever Faithful
Berceuse
The Pinetree
Ave Maria
Tartini
Beethoven
Schumann
Bach
Goddard
Salter
Gounod

CIVIL SERVICE EXAMINATION

An examination is announced by the Civil Service Commission to be held on December 10 for the position of Sanitary Inspector in the Newton Health Department. Salary \$1000 per year.

The duties are to make house to house inspections and daily reports thereon, to take charge of the office at various times, and to issue burial permits, etc.

Blank applications may be obtained from the Civil Service Commission, State House, Boston.

WILBUR THEATRE—William Hodge's new comedy romance "The Guest of Honor," has entered the second month of its engagement at the Wilbur Theatre, Boston. Such an announcement was due as a matter of course, for the exceptional success of the Boston run was assured from the start. No star on the American stage has a larger or more loyal following than Mr. Hodge, and this is proved by the fact that he has enjoyed uninterrupted success since his entrance to stardom in "The Man from Home." There are hundreds of thousands of playgoers all over the country who never miss a Hodge engagement, such is their confidence in his ability to entertain them both as star and playwright. The secret of his phenomenal popularity is his rule of appearing only in American comedies that "point a moral and adorn a tale." He insists upon plays with a cheerful atmosphere that illustrate the virtues and humors of everyday American life, and in this way he preserves on the American stage what might be called the Lincolnian point of view.

REAL ESTATE NEWS

John T. Burns & Sons, Inc., report that they have sold in Chestnut Hill, a large tract of 380,000 sq. ft. of land for Michael Connolly of Canada. The land is located on Reservoir road, Acacia road, Stone avenue, and Lawrence avenue and Beacon street, overlooking the Newton Reservoir. The Reservoir Land Co. takes title, and it is the intention of the new owners to rearrange the lots and develop with high class, single dwellings. The assessed value of the entire parcel which comprises 32 lots, is \$56,000.

Burns & Sons have also sold for the Flint estate, the colonial, 9 room, single house on Arlington street, corner of Pembroke street, Newton. With the house, there are 22,000 sq. ft. of land and the total value is \$9500. J. A. Donald was the purchaser.

The Burns concern have also sold to H. M. Morris, the single, 10 room home, together with stable and 18,061 sq. ft. of land, located at 248 Grove street, Auburndale, which is valued at \$9,000. Chas. M. Whitmore was the guarantor.

John T. Burns & Sons have also sold for E. J. Giles of New York, his single 8 room house located at 2043 Commonwealth avenue, Auburndale. With the house, there are 8000 sq. ft. of land and the value is \$8000. J. B. Harris was the purchaser.

—An announcement of much interest to the young set of Watertown and Newton is the marriage on Wednesday evening next, Nov. 26, at St. Patrick's Church, Watertown, of Miss Mary E. McCann of Watertown, and Mr. James F. Hart of Greenough street, West Newton. A reception will follow at the bride's home, 25 5th avenue, Watertown. They will be at home after December 15th at 126 Derby street, West Newton.

Two fire alarms were rung about 9:30 Tuesday night. While most of the apparatus was fighting a blaze in the old barn on Elm street, near Houghton's Corner, a call was sent in for a fire in the home of Charles S. Spencer, 80 Berkeley street. Somebody had rung in an unnecessary second alarm for the Elm-street fire and only quick work on the part of the firemen prevented the Spencer home from being seriously damaged. Daniel Cleary, one of the firemen, was taken to the Newton Hospital, with a badly cut hand, after he broke in a window at the Spencer home. The building on Elm street, which has long been vacant, was burned along the first floor, but no greater damage resulted.

WALDORF THEATRE—Next week at the Waldorf Theatre, Waltham, promises to provide, great vaudeville and photoplay entertainment. The screen feature, "Checkers," the much talked about sporting melodrama, is supplemented by an unusually good bill of Keith vaudeville, headed by Klutings' Entertainers, said to be the greatest animal and bird novelty act in vaudeville today. Other acts are Arthur Dunne and Valaska in a comedy skit, "A Rapid Courtship"; Gaynell and Mack, nicknamed "The Dancing Demons"; and Palo and Palet in a novelty musical offering.

At the annual meeting this week of the Boston Wool Trade Association Mr. Ernest W. Brigham of Ballard street was elected vice-president and Mr. Frank W. Hollowell of Chestnut Hill a director.

Next Sunday evening at 7:15 at Trinity Church President Murlin of Boston University, who has just returned from Russia, will tell of his experiences there. Mr. Hamer will give a prelude from Mendelssohn.

At Trinity Church next Sunday morning there will be special music by Miss Ruth Stickney, violinist, and Miss Lucille Quimby, cellist, repeating by request, Gounod's "Ave Maria" and Handel's "Largo." The choir will sing the "Prayer of Thanksgiving."

—Mrs. Homer H. Kingsley will give a most interesting talk on "Community Kitchens" at the Mason School hall, on Monday, November 24, at 8 P. M. This meeting is held under the auspices of the Village Society, is absolutely free, and a cordial invitation is extended to all who are interested in this project.

—Last Friday Mrs. Christine Waters, who had been visiting her son, Dr. Henry Waters, died at his home on Grafton street. She was in her 71st year, and had been ill about ten days. After a private service at the house on Saturday conducted by the Rev. Edward M. Noyes, the body was taken to Melbourne, Quebec.

—The Layman's League of the Unitarian Church held its first smoker Tuesday evening. There were fifty men present. All present were enthusiastic and several important committees were appointed. The chairman of the development committee, Mr. Harrison Burnham, is planning a series of meetings of unusual interest to be held the first week in December.

—Mrs. Ripley L. Dana will open her home on Centre street on Monday morning at 10:30 to a group of representative women who will have the pleasure of hearing the celebrated Greek writer, Mrs. Kenneth Brown, (Demetra Vaka), who will tell of present conditions in her country, laying special stress upon the women and what we may do to help them.

Thanksgiving 1919

The interesting evangelistic meetings being held at the Methodist Church will continue this week except Saturday evening. On Sunday, Nov. 23rd Mr. Smith will speak three times. Special singing by the choir, morning and evening. These meetings will be concluded Sunday night.

The first of the series of assemblies to be given under the direction of Miss Marion Dorr was held in Lincoln Hall, Newton Highlands on Saturday evening, November 15th. The affair was opened with a reception at which Mrs. Maurice Wrigley, Mrs. Nelson P. Trickey, Mrs. Donald D. McKay of Newton Highlands and Mrs. Roscoe A. Carter of Needham Heights received, while Messrs. Wrigley, Trickey, McKay and Carter acted as ushers. The party was largely attended and enjoyed by all.

An interesting address on "The Church in Early Boston," will be delivered at St. Paul's Church, at the evening service, 7:30 P. M., Sunday, November 23, by Rev. William H. Dewar, Lit. D.D., rector of the old historic Christ Church, celebrated in song and story as the church from which the signals were sent to Paul Revere. Mr. Dewar has made a special study of the history and growth of Protestant churches in Boston. A special musical program of a very attractive character has been prepared, and the vested choir will be assisted by soloists. At the morning service at 10:30, the pastor, Rev. Louis A. Parsons, will address the congregation on "Thanksgiving."

N. H. S. FOOTBALL

Arrangements have been completed for a post season football game between Waltham and Newton High School football teams, which will be played November 29 at the Waltham High School Athletic Field instead of December 6, as it was originally expected.

No definite selection of the date was made until last night although it was generally known that the two elevens would meet in a post-season game.

Irene D. Bowers has purchased the house No. 156 Woodward street.

Mr. W. C. Chase of Floral street, who has been ill, is now able to be out.

Mr. R. Sanderson has been ill at his home on Floral street the past week.

Mr. P. E. Walker and family now occupy their new house on Dickerman road.

Mr. Frederick Badger has purchased the house at 16 Bradford road, Eliot.

The C. L. S. C. met this week with Mrs. W. S. Richards of Lake avenue.

Mr. M. S. Pennell of Centre street is in Philadelphia, this week on a business trip.

A church social was held Wednesday evening at the Congregational Church. The entertainment consisted of music and reading and refreshments.

Waban

—Hospital Sunday, next Sunday.

Next Sunday November 23 will be observed as Thanksgiving Sunday at the Union Church.

—Mr. George Eddy of Beacon street has returned from a five months trip to the Pacific Coast.

The Girl Scouts of Waban give an entertainment in the Union Church vestry this evening.

Last Friday the Ladies' Circle of Union Church held a supper. Major J. W. Bartlett was the speaker.

—Mr. Edmund Winchester of Pine Ridge road has been visiting his daughter at Parlin, N. J. this week.

—North Gate Club Bowling team visits Waban next Wednesday evening for a match in the Newton League.

—Mrs. S. S. Campbell of Chicago, a former resident of Waban, is a guest this week of Mrs. Davis of Chestnut street.

—Mr. George Lockwood and family are occupying the house at 178 Neholden road formerly occupied by Mr. H. W. Annable.

—The Woman's Guild of the Church of the Good Shepherd will meet next Tuesday afternoon at the home of Mrs. Edmund Winchester, Pine Ridge road.

—At the annual meeting this week of the Boston Wool Trade Association, Mr. Walter J. Meadows of Windor road was elected chairman of the arbitration committee.

—There will be a Thanksgiving service at the Church of the Good Shepherd on Thanksgiving morning at 9 o'clock. Children are to bring food and vegetables to be given to the Pomroy Home.

ALL-MUSICAL VESPERS

The second in the series of all-musical community vespers services in the First Congregational church at Newton Centre will be given at 4 o'clock, Sunday afternoon, November 23, with a very pleasing program of music by the remarkable church orchestra which has been built up in this progressive parish through the musician-ship and constructive ability of Mr. D. Ralph Maclean, the church organist and choirmaster, now, happily, an orchestral leader, and known to his friends as a composer of marked capacity.

The program is not over-long—guaranteed to close in one hour—and has ample variety to suit diversified tastes. Mrs. R. B. McKnight, who has a contralto voice of rare quality, will be the soloist, and two of the grand old hymns will be sung by the congregation, lead by the choir, and with orchestral accompaniment.

WOMEN'S CLUBS

GRACE M. BURT, Editor.

Miss Georgie A. Bacon of Worcester stands as the candidate of the State Federation of Women's Clubs for the position of president of the General Federation, her candidacy having been unanimously endorsed at the autumn meeting of the State Federation at Brockton last week. Miss Bacon now holds the position of first vice-president, having been moved up from that of second vice-president at the Hot Springs Biennial in 1918. Before holding that position she was a director. She has given fine service to the General Federation as chairman of the Finance committee and at present is director of Thrift. She has a clear business head with the ability to state a proposition clearly and definitely and presides over an assembly with dignity and impartiality. Her experience in club work covers a considerable period, having been president of the Worcester Woman's Club, vice-president of the State Federation, chairman of the Local Biennial Board of the Boston Biennial and president of the State Federation, as well as having served upon numerous boards outside of club circles.

Massachusetts has not been in the race for president of the General Federation since the Boston Biennial in 1908 when Mrs. May Alden Ward was nominated by the nominating committee, but lost to Mrs. Philip N. Moore, whose name was presented from the floor. Those who have attended the biennial conventions know that a nomination is not equivalent to an election; neither is announcing one's candidacy equivalent to receiving the nomination.

If Miss Bacon is elected it will not be without very hard and persistent work on the part of the Massachusetts delegation. Therefore, a large number of women must go to Des Moines next June. The thing to be remembered in all these campaigns is that it is not any one woman for whom we are working, it is rather for the honor of Massachusetts, she may have her full measure of recognition in the affairs of the General Federation, of which she is a virtual leader. Miss Bacon is opposed by Mrs. Thomas G. Winter of Minneapolis, who has a large following through the West.

Twenty-fifth Anniversary

Twenty-five years of service for the community by the Frances E. Willard Settlement on Chambers street, Boston, is to be celebrated Friday, November 28, at 8 o'clock, in the vestry of the Central Congregational Church, Berkeley and Newbury streets. Of the

ATTENDANTS WANTED

The Household Nursing Association offers a six months' course of training as attendants to women of grammar school education. Older women accepted.

Steady employment assured on completion of course.

Apply at 544 Massachusetts Avenue, Boston.

WATER BUGS

CARRY FILTH AND DISEASE; exterminate them at small expense. MATTAPAN INSECT CO., 10 Holmfild Av., Mattapan. Tel. Hyde Park 494-J.

original group of young women who opened three little rooms down on Hanover street back in 1894, four will be present to tell some of the experiences in the early days. Miss Caroline M. Caswell, president and general manager, the one to whose vision and executive ability the great measure of success is due, will be the chief speaker but others will take part in the program. Good music and a social hour following the program will add to the celebration. Supplementary to this occasion will be an all-day sale at the Vendome, December 11, at which a feature will be the goods made at Llewellyn Lodge, the Rest Home for Women, in Bedford, which is a part of the Settlement work. A boarding home for young women adjoining the clubhouse is another feature of the Settlement, and a playground and a camp for girls are also maintained. More than a thousand "neighbors" are enrolled in the clubs and classes each year.

Mrs. Henry L. Day, Mrs. Frederick Blodgett, Mrs. W. E. Birdsall, and Mrs. Richard Webster, all of Newton, are members of the board of managers and Mrs. J. Parker Fiske has been just resigned because of removal from the state.

Anti-Vivisection Society

Miss Marion L. Tyler will speak on "Petitions and Some Signers" at the meeting of the New England Anti-Vivisection Society, Tuesday, November 25, 3:30 p. m. in Myers Hall, Tremont Temple. At the close of the program tea will be served. Miss Tyler, who is a lawyer, was very much interested in the recent bill before Congress to exempt dogs from vivisection and her experiences in getting signatures to the petition were thought provoking.

RUMMAGE SALE

Generous patronage is being accorded the Newton Federation Rummage Sale and the managers only fear that the goods will not hold out. Contributions for Saturday will be more than welcome. Remember the good that is being done in providing an opportunity for worthy people to supply their needs at low cost, in ridding yourselves of useless things and in giving the Newton Federation funds with which to assist local philanthropies, the Welfare Bureau, for example, is waiting for the Federation's annual gift of \$500. Do a little more rummaging.

Local Announcements

A second class in Conservation will be started Monday night in the afternoon if a sufficient number desire it. It will be open free, as is the morning class, to members of the Community and of the Social Science Clubs and to the Girl Scouts. Others are welcome upon payment of a nominal fee. Apply to Mrs. F. H. Tucker, 206 Church street, Newton, or telephone Newton North 1929.

The Bird Class which begins in December will also be open to Girl Scouts free. Further details next week.

The first lecture in the course upon Current Events by Mrs. J. Harry Poole before the Newtonville Woman's Club occurs on Tuesday, November 25, at 3 o'clock. This will be open to all club members.

On Tuesday, November 25, the Auburndale Woman's Club meets in the Methodist Parish House. There will be Current Events by Mrs. H. H. Longfellow. Ellen Douglas Deland, a member of the Boston Authors' Club will read some of her delightfully human and interesting monologues. There will also be music by Miss Marion Harper, a New England Conservatory graduate, and a soloist of note.

There will be no meeting of the Social Science Club next Wednesday on account of Thanksgiving.

A Salmagundi Party is announced by the West Newton Women's Educational Club for Friday, November 28, Mrs. Harry S. Wells being the chairman, to which members will invite friends as their guests.

"Behind a Watteau Portrait" is the title of a play written by Prof. Rogers of the Massachusetts Institute of Technology, which is to be presented for the first time on any stage by the Newtonville Woman's Club on December 2nd. Mrs. F. E. Mann is in charge. Further particulars next week.

The Woman's Club of Newton Highlands will meet in the Ladies' Parlor of the Congregational Church, November 25. As this will be President's Day, Mrs. George M. Baker, president of the Massachusetts Federation, and Mrs. Arthur W. Lane, president of the Newton Federation will be special guests. Mr. Robert Frost will read some of his poems, and refreshments will be served.

On Tuesday, December 2, at 8 o'clock there will be a musical at the home of Mrs. Frank L. Richardson. The proceeds will go toward the Philanthropic fund of the Woman's Club of Newton Highlands.

Local Happenings

Mrs. Hiram A. Miller led the discussion at the meeting of the Newton Highlands C. L. S. C. on Monday afternoon, reviewing John Graham Brooks', "Social Unrest." Since this was published before the war Mrs. Miller brought the subject to date by quoting from numerous articles in current magazines. A large number were present and enjoyed both the intellectual program and the hospitality of Mrs. W. Scott Richards, the hostess.

Major Thomas L. Walsh lectured on "Some Law Experiences," before a large and interested audience of the Newton Upper Falls Woman's Club on Monday evening at the Auditorium Theatre.

The Travel Class met with Mrs. C. S. Jennings on Monday and "traveled" with Mrs. McLean down the St. Lawrence and then took a trip with Mrs. A. L. Jordan to the Island of Malta.

The regular meeting of the Waban Woman's Club was held on Monday afternoon. After a short business meeting which included various reports and notices, Mrs. Herbert R. Stearns sang a group of songs, accompanied by Mrs. William B. Stephenson. The speaker of the afternoon was Miss Sarah Louise Arnold, Dean of Simmons College; and her subject was "The New Interpretation of Home Responsibilities."

Miss Arnold's talk was very helpful and proved that the homemaker leads a most useful life and has no easy task, especially in these days when the cost of living is so high. Emphasis was placed on the need of training all young women to become efficient housekeepers and home-makers, that they should be taught to keep house with less work and less help on account of the problem of service which does not seem to improve and which probably will never be any better; and that above all they must be made to realize that keeping house is a noble work of which everyone should be proud and not ashamed. Probably the greatest problem in the home today is making the income cover the necessities, with a margin to spare; and this led Miss Arnold to speak in conclusion of the subject of thrift which is to be so much in our thoughts during the Thrift Campaign. Tea was served during the social hour.

The next meeting will be the annual Guest Night of the club.

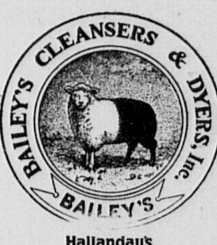

Mrs. William C. Crawford gave the first of her monthly talks upon Current Events before the Social Science Club on Wednesday morning. Beginning with an explanation of the reasons for the high cost of living she spoke of labor problems generally, of the different strikes of the present fall and closed with an account of the International Labor Conference now in session at Washington.

Yesterday afternoon Miss Heloise E. Hersey spoke before the Newton Centre Woman's Club on "What of Modern Poets" at the regular monthly afternoon meeting. Those who are familiar with Miss Hersey's lectures know the treat enjoyed by the members.

The members of the Newtonville Woman's Club have had many treats in their annual musicales, but none was more delightful than that of Tuesday afternoon, when the Smalley trio assisted by Mrs. Lora May Lamport provided the program. The artists were most generous in response to repeated encores.

At this meeting there was the annual exhibition of the Needlework Guild, 552 garments being shown. Tea was served afterward by the charitable committee, Mrs. J. A. Stafford, chairman.

The Bazaar given by the Auburndale Woman's Club, November 12 and 13 was one of the most successful events in the history of the club. The numerous shops with their decorations of black and white with ever-

—Mr. and Mrs. W. M. Bullivant of Mt. Vernon street have closed their residence at Marion.

—Miss Marjorie Howland of Vassar College will be at home for the Thanksgiving recess.

—The Brae Burn Club held a dinner and dance last Saturday night which was very well attended.

—Mr. and Mrs. John E. Pushee of Prince street have gone to Southern Pines, North Carolina for the winter.

—Mr. and Mrs. O. C. Hubbard of Hillside avenue have returned from their summer home at Mt. Vernon, N. H.

—Next Sunday morning the Service of Thanksgiving will be sung by the combined choirs of the Second Church.

—Miss Marjorie Lincoln, daughter of Mr. and Mrs. Geo. T. Lincoln of Otis street has returned from Washington, D. C.

—Next Sunday morning the service of Thanksgiving at the Second Church will be sung by the combined choirs of the church. Mr. Park will preach.

—Our letter directed to Mr. Edmund F. Elston in this village has been returned for street address. Will Mr. Elston please send it to the Graphic office?

—On Tuesday the Woman's Guild of the Second Church held an all day meeting with an informal luncheon followed by a social hour and a short interesting program.

—The pupils of the Peirce School were glad to welcome their principal, Mr. Paul C. Scarborough, who returned to his duties Monday after an illness of several weeks.

—The West Newton W. C. T. U. held its regular monthly meeting on Monday at the home of Mrs. Dana Clark on Warren avenue. Mrs. Merriam assisted Mrs. Clark as hostess. The subject was the state convention report.

—Mr. Frederick E. Nickels of Prince street, just having returned from his annual hunting trip in the Maine woods, has brought with him two huck deer, the larger of which weighing in the neighborhood of two hundred pounds.

—Thursday Mr. and Mrs. Arthur Foote of Brookline gave a tea at the Brae Burn Club in honor of Monsieur Pierre Montoux, the new conductor of the Boston Symphony Orchestra. Those in charge of the frappe were Mrs. Arthur Blake of Dedham, Mrs. Charles Bennett of Brookline, while those at the tea table were Mrs. George Chadwick of Boston, Mrs. Walter Spaulding of Cambridge, Mrs. Louis Cornish of Milton, Mrs. F. A. Enstis of Milton, Mrs. Richard P. Walters of Brookline and Mrs. Harrison Gray Otis of Needham.

Newton Centre

—Miss Martha Valentine of Langley road is visiting her mother at Prov incetown.

—Boston Children Aid Society need boarding homes for children. 43 Haw kins street.

—Next Monday Mrs. E. B. Bowen is giving a bridge party at her home on Sumner street.

—The ladies of the First Church were so successful at their recent sale that they raised \$150.

—Mr. and Mrs. Walter M. Marston of Glenwood avenue have gone to New York for a visit.

—On Tuesday the Rev. M. H. Lich liter, the pastor of Central Church Newtonville, addressed the ladies of the Woman's Benevolent Society at the First Church.

—The ladies of the Stebbins branch of the Woman's Alliance will hold their annual Thanksgiving Food Sale at the Unitarian Church tomorrow afternoon at 5 o'clock.

—Friends of the Rev. James Elvin Wagner of the Methodist Church will be glad to learn that in spite of a very flattering offer to go West he has decided to remain in Newton Centre.

—Miss Lavinia Hamilton of Centre street has gone to Saxonsville to spend a month with her parents.

—Mr. Samuel Gibson of Cedar street is spending the month at Bar Harbor, Me.

—Trinity Church in recognition of the fact that the church should take an active part in all social questions held a Teachers' night last Sunday evening. The speakers were Mayor Charles, Mr. Henry I. Harriman, President of the Board of Aldermen, and Mr. Horace Kidger of the Technical High School.

—Tonight at the Parish House of the Unitarian Church the Woman's Alliance are serving a supper to the men who served so faithfully in Boston in the recent emergency of the police strike. The Rev. Joel Metcalf will show pictures of Ballou Wood and the Battle of the Marne and tell of his experiences.

—The Junior Service League of Trinity Church will present "The Toy Symphony" and the "Masque of Flowers" tonight at 8, and on Saturday afternoon at 3 o'clock. This is to be a unique and most interesting enter tainment. About thirty young people are to take part. The league has been doing excellent work and deserves a large patronage.

—The Glee Club of Perkins Institute consisting of 22 girls gave a concert of unusual interest in the Parish House of Trinity Church Monday evening. The girls are the best singers in a large and specially trained chorus and sang at Camp Devens during the war. The concert was under the Men's Club and was greatly enjoyed by all who attended.

—The regular monthly meeting of the Woman's Union of the First Baptist Church will be held next Tuesday. There will be sewing in the morning with luncheon at noon. In the afternoon, Mrs. W. N. Nick will have charge. Miss Helen Monroe of Japan will speak, and Miss Louise Payne, state secretary of the World Wide Guild, will give current events. Strangers are cordially welcome.

—The Rev. Charles N. Arbutckle, who has recently been called to the Baptist Church was born in 1877, and is a graduate of Crozier Theological Institution. After serving for two years as assistant pastor in the Warburton Baptist Church, Yonkers, he was called to the Church of the Redeemer of Yonkers, where he served 15 years. He was very much beloved by the members of his parish. He is to begin his pastorate at the Newton Centre Baptist Church on the first Sunday in December.

Newtonville

—Mr. W. G. Williams has moved into his new house at 80 Beaumont avenue.

—The property 168 Mt. Vernon street has been sold to Mr. William Lamond.

—Mr. John G. Burns has sold property at 74 Eddy street to Mrs. Mary Lannigan.

—At the recent sale at the Central Church over \$1200 was made irrespective of the supper.

—The social committee of Central Church are giving a reception tonight to Rev. and Mrs. Lichtner.

—Mr. Vincent E. Squires is about to build a fine colonial house on Crafts street near Central avenue.

—The bowling teams of the Clafin Club met Thursday. There is a strong spirit of rivalry between the twelve teams.

—On Wednesday the Woman's Guild of St. John's Church met at the home of Mrs. Karl W. P. Reece on Sisson terrace.

—Next Sunday evening the Young People's League of the Church of the New Jerusalem will meet with Mrs. R. B. Carter of Forest avenue.

—The annual Thanksgiving Service will be held at the Church of the New Jerusalem next Wednesday evening at 7.30. The address will be given by the Rev. M. H. Lichtner of Central Church.

—Mr. W. H. Sears is very successful with his club of boys of High School age which meets in the tower room of the Central Church at the Sunday School Hour. They call themselves the "Ace's Club."

—On Monday the "Barnacles" of the Church of the New Jerusalem met with Mr. and Mrs. E. D. Robb, 30 Grove Hill avenue. The subject for the evening was, "The Social Significance of Motion Pictures."

—The Newton Grade Teachers' Club held a recital Wednesday evening at the Technical High School. Mr. Clarence Hamilton played the piano, and Mr. Albert Foster the violin. The program concluded with dancing.

—The Woman's Auxiliary of St. John's Church met in the choir rooms Monday afternoon. The meeting was an all day sewing meeting. The women of the church are making articles for a Christmas box to be sent to Christ School at Arden, North Carolina.

—The Glee Club of the Methodist Church has been recently organized with Mr. Harrison Hyslop as president. The club meets on Tuesday evenings. Mr. Walter Stevens, a most efficient leader in the past, has already arranged a program which will be announced later.

—On Monday evening Eva Maccausland of 32 Talbot street died at the Newton Hospital after an illness of about two weeks. She was in her fifteenth year and a member of the Methodist Sunday School. The funeral services were held at her late residence, the Rev. Charles R. Ross officiating, on Thursday, and the burial was at Mt. Auburn.

DEATH OF MR. MITCHELL

Mr. Henry C. Mitchell, treasurer of the South Boston Savings Bank, died at his home on Hillside avenue, West Newton, Friday evening after a long illness.

He was born in Boston, March 20, 1852, and was the son of James and Mira York Mitchell. He was a Mason, and a member of the Rabboni Lodge, of St. Matthew's Royal Arch Chapter and of St. Omar Commandery, Knight Templars.

Besides his widow who was Fannie Callan Dana, he leaves a daughter, Mrs. Clifford H. Frost of West Newton, and two brothers, Mr. J. Alfred Mitchell, city auditor of Boston, and Mr. Arthur Y. Mitchell of the Old Colony Trust Co.

Funeral services were held Monday afternoon at his late home, the Rev. Julian C. Jaynes officiating and the burial was in Mt. Hope Cemetery.

GEORGE ELIOT'S CENTENNIAL

On November 22, 1819, one hundred years ago, in the Warwickshire town of Nuneaton, Mary Evans better known as George Eliot, was born. This busy English town with its hard working weavers and spinners was most unprovocative of romantic day dreams: yet it was in this district that Marion Evans as she later called herself, spent her youth. As a child she lacked the precocity of Daisy Ashford and we find no early writings indicative of genius. Indeed her powers as a novelist were untried until, after she had spent fifteen years on translations and critical essays, her husband, Mr. Lewes encouraged her to try her skill as a story writer. It is in this first group of novels that the record of her early life and surroundings so vividly appears.

Mr. Charles S. Olcott in "George Eliot: Scenes and People in her Novels" (ZYA.E42.0) relates in a most entertaining fashion, George Eliot's characters with individuals in Warwickshire. In her first great book "Adam Bede", she idealized as well as immortalized her father and mother and more particularly her sainted aunt—the evangelist preacher, Dinah Morris. "Mill on the Floss" the last novel in which memories of the past are vital, is essentially reminiscent of George Eliot's childhood as her dreams and favorite haunts become those of Maggie Tulliver. "Silas Marner", the sparkling with realism, has no basis of specific incident. The later novels "Romola", "Middlemarch" and "Daniel Deronda" remind us of the present trend of certain novelists in their earnestness of purpose. The reality of the characters disappears as they become types, the backgrounds continue vivid; and in the midst of these more serious works her earlier treatment recurs in "Felix Holt"—expressive of her joy on returning to England after her visit in Italy.

"George Eliot's Life as related in her Letters and Journals", (EE422.E) arranged and edited by her husband if carefully read may do much to aid us in more sympathetically understanding her life, or the shorter biographies by Stephen (EE422.S) and Cooke (EE422.C) and reveal her as true a woman as she is a great novelist.

CENTRAL SQUARE THEATRE

Geraldine Farrar's new Goldwyn picture "The World and Its Woman," which is to be shown at Gordon's Cambridge Central Square Theatre on Monday, Tuesday and Wednesday, is the biggest production in point of setting, story and emotional content in which she has yet appeared. One of the most effective scenes presents Geraldine Farrar singing the exquisite "Mirror Song" in Thais.

There will also be a very fine bill of all-star vaudeville, including that popular songster, Mel Eastman, with popular songs: Edward Hill, "The Hatties Creation"; John and Winnie Hennings, "The Kill Kare Couple" in a comedy variety sketch and Dunbar's Old Time Doodles, a comedy quartette. There will be an entire change of program Thursday, Friday and Saturday featuring a scenario written and adapted by Mrs. Sidney Drew entitled "The Gay Old Dog."

COPELEY THEATRE—"Milestones" will be the next play to be given by the Henry Jewett Players at the Copley Theatre. This play was written by Arnold Bennett and Edward Knoblauch, and was given at this same theatre in the spring of 1917. Such delightful memories has "Milestones" left in the minds of the patrons of the Copley that there has been an urgent call for its revival. "Milestones" is a very unusual play in many respects. It is chock full of the most delightful kind of romance. There is a beautiful love story which is carried through three generations. "Milestones" calls for the full strength of the Jewett Players, and the performances may well be anticipated with the greatest pleasure by the patrons of the Copley.

ACROSS THE CONTINENT

Some Impressions and Experiences in a Summer Trip to the Pacific Northwest

Thruout the first part of our trip I was under the impression that after the scenic wonders of Lake Louise and Banff, the remainder of the trip would be a sort of anti-climax and in our tired state, it would be more or less of a bore.

The actual facts were the exact opposite, and each place we visited on our homeward way held something of interest and something different. Cal-

honor to receive an appointment in its ranks. The uniform, with the red coat, white trousers and riding boots is striking and the men looked well set up and efficient. The Mounted Police are mostly engaged in protecting the large areas of Canada which are without local police, but their jurisdiction also includes the cities as well as the country. Quite an exhibition was put on at

Hauling Grain to Market in Western Canada.

gary was good. Lethbridge was pleasing and Medicine Hat was unkept, but interesting.

Sunday afternoon we spent in a long ride over the flat, uninteresting prairie. One of the most spectacular scenes was the picking up of pieces of paper from the ground with sword or lance while at full gallop, and one man was also able to pick up a handkerchief from the ground with his hand under the same conditions. There was also

headquarters for our benefit, the men riding in review to show us the different uniforms they wear, and then participating in various sports and games. One of the most spectacular scenes was the picking up of pieces of paper from the ground with sword or lance while at full gallop, and one man was also able to pick up a handkerchief from the ground with his hand under the same conditions. There was also

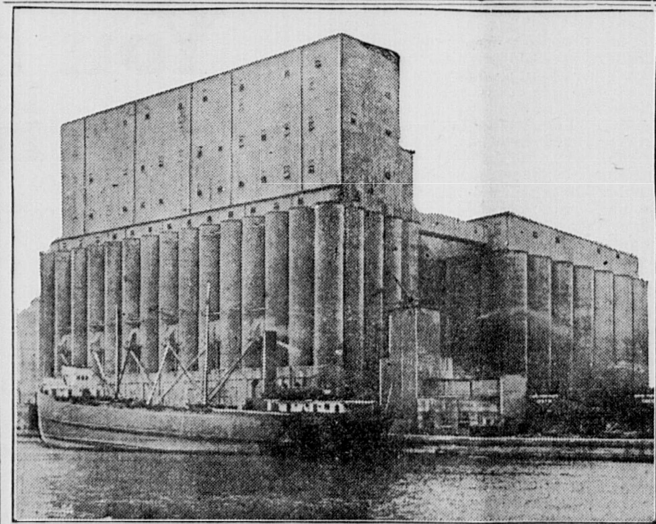

A Western Canada Wheat Field During Harvest Time.

of Moose Jaw—a live bustling little city which greeted us with a band at the station and insisted on our whole party taking a short march, headed by the band, up and down the principal business street. It was quite a lively occasion for Sunday night. We found Moose Jaw quite a city, said to have 25,000 inhabitants, and quite modern and up-to-date in its business buildings, its wide paved streets and attractive homes. The next morning, we took our usual drive out into the country, where we saw acres and acres of wheat in process of harvesting. Moose Jaw sends over fifty millions of bushels of wheat out into the world every year, and at a fixed government price of over \$2 per bushel, it amounts to quite a sum annually. Our host that day gave us some interesting facts about wheat while showing us about—possibly the most striking being his statement that he owned wheat land which he rents out, and that he averages an income of 16 per cent on his investment in that way.

an exhibition of different kinds of jumping, one of them being over a table set with crockery. The men certainly showed their training and fully deserved the applause we gave them most heartily.

At the close of the exhibition we were taken out into the country, to a place called Grand View, a little knoll not over a hundred feet above the surrounding country. From here we saw nothing but wheat fields, without tree or shrub except on the far distant horizon. Regina, itself, some ten miles away was as clear cut against the sky as a cameo. We were impressed with the wheat possibilities of this part of the world, when we counted seven threshing machines in sight at one time, all busily at work, and each capable of threshing out 1000 bushels of wheat each day.

Our dinner that night was served in the basement vestry of a church and was hot and stuffy, so that we were glad to get out into the open air on our way to a reception given

Where They Store Some of the Wheat Grown in Western Canada.

Our drive included a stop at one of the local parks for an alleged base ball game and lunch. The ball game was a farce, but the lunch was good and our nationality was recognized in the small American flags which were placed on the individual cakes. One of the best speeches of the entire trip was made at this park by one of the local clergymen.

Our next stop was at Regina, the capital city of Saskatchewan, and a clean, compact place. It stands right in the open prairie, surrounded by hundreds of acres of wheat fields. Saskatchewan claims to be the "bread-basket of the world", having produced over 700,000,000 bushels of wheat in the past seven years, and from my observation it is evident that most of the population is engaged in that business. We were taken to the headquarters of the Royal North Western Mounted Police, just outside of the city. The name and fame of this organization are well known all over this continent, and it was most interesting to come in actual contact with them. The corps is recruited largely from the best families of Canada, as it is considered a high

us in the Parliament buildings of the province. This building, which cost about three millions, was one of the handsomest we had seen. It had a magnificent dome and was surrounded by a well laid out park and an artificial lake. The reception was held in the assembly hall, if that is the correct designation and was followed by refreshments in the library. The Parliament is composed of one body governed by a Speaker, who represents the crown. The Speaker sits on a dias at one side of the hall, facing a wide aisle. On either side of the aisle facing each other are rows of seats, those on the right of the Speaker being filled by supporters of the government, those on the left by the opposition.

While waiting in one of the offices I had my first opportunity to see an automatic telephone in operation. The instrument is something like our ordinary desk telephone, with a disc-shaped arrangement attached to the handle, having a finger hole and numerous figures. In ringing the desired number you put your finger in the hole, move it around to the first

figure of the number wanted, back to the starting point, then to the second figure, etc., until you have completed your call. If the line is busy you will hear a clicking sound from the receiver, otherwise you wait for your answer. I was told that the service was quite good and well liked. It seems practical on a single exchange, but I should "hate me doots" if more than one exchange was included.

We made Brandon the next morning, pretty well fagged out and possibly in no mood to be easily pleased. To me it was quite ordinary and I found but little to interest me. Our ride that morning into the country included a call at a big stock farm, where some prize cattle were exhibited for our edification. I cannot say that I was much impressed and was glad to be moving once more. We had our lunch at the hotel, which seemed to be altogether too good for such a place, and did not appear to be very well patronized.

Brandon, I was told, has one unique feature in its central heating plant. It is operated in connection with the electric light plant, and all the large buildings in the city are heated from it, thru pipes laid in the streets, similar to water or sewer service. Brandon also holds the proud record of sending 10,000 men into the Great War, having a population of but 15,000 itself. I assume that the 10,000 figure includes men from the outlying country as well as from the city itself. It is a fine record nevertheless and gave me a greater respect for Brandon than I had first obtained.

That afternoon we began our last lap on the Victory Tour of the National Editorial Association, and arrived at Winnipeg in time for a farewell dinner at the Royal Alexandra.

Then came a few hours of farewells and au revoirs. It is passing strange what warm friendships one can form with but a few weeks' close acquaintance on such a trip as this. Car 4 seemed particularly neighborly in this way and we thoroughly enjoyed each other's company and friendliness. All of us, I think secretly sympathized with one of the young girls in our car, who kissed us all good bye, and crying as if her heart would break, at parting with us.

Our trip from Winnipeg to Winnipeg, including the automobile trips to Crater Lake and Mt. Rainier, covered approximately 5279 miles. From the best figures I have been able to obtain. To this should be added the round trip from Boston to Winnipeg, making a grand total of 8742 miles of railroad, steamboat and automobile travel, to say nothing of the mileage covered in the various cities and towns we visited.

From Winnipeg we scattered in all directions, but with many promises to meet again next summer in Boston.

My own party came back the same route we followed going out, the C. P. thru Fort William and Montreal, and the B. & M. from Montreal to Boston, but the train seemed dull and lifeless and the journey unending, for we were without the friends who had added so much to the enjoyment of our trip.

I cannot close these letters without paying a tribute of praise to the splendid arrangements which made our trip such a tremendous success. Our own vice-president, Mr. Will Wilke, of Minnesota comes first in this respect for it was his unending work, persistence and patience which built up the itinerary we followed, and when we consider that there was no slip up in our railroad schedule, other than the accident referred to near Lake Louise, and that different arrangements had to be made for only four meals out of over ninety served on the trip, it can be seen that Mr. Wilke was the right man in the right

(Continued on page 11)

baking so famous throughout New England.

This same authority went on to say that the old-time "baking day" is not nearly so great an institution as formerly. In those days a woman spent a greater part of her time in the kitchen. She was attached greater significance to the texture of a pie-crust than to the social duties which play so important a part in the life of the modern woman.

Nowadays, however, and thanks to a nation-wide plan of selling over fresh products of all kinds, the sands of housewifery are shifting, and from many an old-time kitchen, thereby finding its way to the other end of the line.

A story is told of a woman in the National Biscuit Company who, when it may be to the chowder. Made to split readily in half they are popular toasted with cheese—or with coffee, morning and night. For all poul-

try and meat dressings they take the place of bread, enhancing the "hoosy" and flavor as nothing else will.

Whenever a delicious aid to a dessert is sought, the woman of to-day turns to Nabisco. Anola, Lotus, or baked by the National Biscuit Company. The melting goodness of the butter strips and the cooling, variety of these fragile doughnuts, form a combination that is simply irresistible. Dr. again, when the need is for soda, how readily the mind turns to the perfect soda, the perfect soda, the perfect soda.

For almost a century first favorites with New Englanders—Kennedy's SPECIAL COMMONS, the finest cracker of its kind. Rich with the nut-like flavor of the finest wheat. Supreme in chowders and poultry dressings.

Sold by the pound.

NATIONAL BISCUIT COMPANY

Uneeda Biscuit

This is the modern trend of good housekeeping. The woman of to-day still observes all the old-time traditions in acquiring the baking skill

HOLIDAY FAIR

The Holiday Fair at Central Church parlors, Newtonville, Nov. 12 and 13th, despite two as drizzly days as November has brought, was a marked success. Tables loaded with sensible articles, practical, artistic, or gastronomic, were readily sold, netting a substantial increase to the treasury of the Woman's Association. Miss Abby A. Miller, president of the Association has been at the helm from the beginning. Mrs. Wallace C. Boyden was the treasurer for the sale, and Mrs. Walter T. Kelley, as chairman of decoration, transformed the rooms with greens and bright red berries into the atmosphere of Christmas. The ice cream parlors in charge of Miss Mary Rolfe and the young ladies of the church was a popular gathering place. All ages helped as one church family. The Thursday night supper, managed and served by the men of Central Club was a wonderful success with Mr. James A. Stafford, chairman. Much merriment raised the echoes whenever Mr. F. M. Blanchard, hostmaster, rose from his seat, and while the host at each table auctioned the handsome centerpiece. Ninety members of the club worked on the supper and every detail went like clock work. Mr. and Mrs. Lichter and family, and numerous other new families found opportunity to become acquainted.

ACROSS THE CONTINENT

(Continued from Page 10)

place. Next to Mr. Wilke, our thanks are due to Mr. J. Bruce Walker, the Director of Immigration for the Dominion government, who had direct charge of our Canadian travel and was ever alert to our pleasure and comfort. Mr. F. E. Trautman, one of the most modest of men, was also on the job every minute and did many small favors which were greatly appreciated. Other Canadian friends who ministered so much to our comfort included Mr. John Wardrop and Mr. Osborne Scott of the Canadian Northern Railway, Mr. C. W. Higgins of the C. P. R. and Mr. Robert J. C. Stead, the author, who is Director of Publicity at Ottawa.

I am also grateful to our friends of Washington and Oregon, to the Portland Chamber of Commerce and the city of Medford for the trip to Crater Lake, to the Tacoma Commercial Club for that glorious day at Mt. Rainier, to the Press Club at Seattle, and particularly to Mr. Edward E. Brodie of Oregon City and Mr. Frank P. Goss of Seattle. There are many others who should be individually named, but my space is limited and all good things must have an end.

I have attempted in this series of articles of my summer's trip to give my own ideas of the places I have visited, fully aware of the fact that one's mental and physical condition have considerable to do with the impressions received. Some of the incidents stand out more clearly than others, possibly equally interesting, but if I have made my readers understand a little more of the wonderful country in the northwest, if they can realize something of its scenic beauty, its immense possibilities and above all, the whole hearted and charming hospitality of its people, I am content. J. C. Blumlein.

VETERANS OF CO. C MEET

A meeting was held at the State Armory, West Newton, last Monday evening by the veterans of Co. C, composed of the original members of Co. C, 5th Regt., M. V. M.

The following officers were elected, Thomas Hickey, post commander; George Henderquest, adjutant; Robert Cunningham, financial secretary. Seven members were chosen on an entertainment committee toward a novelty dance, which is being planned for New Year's eve.

CITY HALL

City Treasurer Newhall reports that in the annual settlement with the state on November 15th, he paid the state something over \$355,000 and received a check from the state of over \$564,000, showing a balance of over \$209,000 in our favor. There was an increase over last year's receipts of \$16,000 in the corporation tax, and over \$19,000 in the national bank tax. The new school tax brought receipts of \$49,982.

WOMEN'S CLUBS

(Continued from Page 8)

green borders, were in charge of the following chairmen.

Jumble Shop—Mrs. J. A. MacDonald; Bags—Mrs. Lyman Gore; Grabs—Mrs. Royal Whiting; Silhouettes—Mrs. J. A. Furbush and Miss Mary Stewart; Goggles—Mrs. Richard Foot; Favors—Mrs. E. J. Winslow; Aprons—Mrs. Wilmar Nash; Household—Miss H. P. Dawson; Gifts—Mrs. E. A. Robinson; Ice Cream—Mrs. Arthur Freeman; Candy—Mrs. Henry Keever; Kiddy Koop—Mrs. Lowell MacNutt.

A luncheon served by the Home Craft Shop of Boston and a supper with Mrs. J. I. Hebeck, as a capable chairman, all called for very favorable comments.

An exquisite bit of human life was portrayed in the play "Joint Owners in Spain," which was admirably acted by Mrs. C. A. J. Smith, Mrs. Wilbur D. Gilpatrick, Miss Louise Peloubet, Mrs. Charles Brown. A group of songs, were sung by Miss Sally Turner, both afternoon and evening, accompanied by Miss Chapin and Mrs. Lowell MacNutt.

Great credit is due the program committee, Mrs. Walter S. Wells, chairman; Mrs. C. A. J. Smith, Mrs. D. D. Williams, Mrs. J. A. Furbush and Mrs. J. F. Dunton, under whose direction the Bazaar was given. A most gratifying sum will be added to the Philanthropic Fund.

The regular afternoon meeting of the West Newton Women's Educational Club was in charge of Mrs. Elton Reed, chairman of Art. She introduced Mr. Ralph Kellogg, who spoke interestingly on "Architecture," giving his hearers many new points of view and opening their eyes to things before unnoticed.

Groups of songs were sung by Miss Dorothy Greeley from the West Newton Music School and her rich contralto voice gives promise that fine results will come from the work of the school. A generous collection was taken up for the bazaar in Boston of the Father and Mother Club and tea was served.

"Rebellions Jane" ad her fellow-artists drew a large and enthusiastic audience on Thursday evening at Players Small Hall. All the parts were so well taken that it would not be fair to discriminate but Mrs. Macdonald certainly won all hearts and if she were not needed as police matron, could easily take her place in the dramatic world. A very fine orchestra added to the entertainment of the evening, which was pronounced a great success.

The Home Economics Class of the West Newton Women's Educational Club held its first luncheon at the home of Mrs. McDonald on Thursday, November 20th, when five-minute papers were given on household management by members of the class.

Thursday evening, November 19, in the Hall of the Technical High School the Newton Grade Teachers' Club gave a musicale. This took the form of a recital by Professor Clarence G. Hamilton, piano, and Mr. Albert T. Foster, violin.

The program, with the exception of a Sonata in G minor by Nicolaiev and Kreisler's Tamborin Chinois, was representative of such well-known American composers as McDowell, Nevin, Burlingame, and Cyril Scott. There was dancing in the library after the recital.

This evening of music was a very pleasant introduction to the season's activities of the club.

Newton Federation

On Monday morning there was held the first of the additional meetings of the Executive Board of the Newton Federation provided by the new bylaws adopted last May and the large attendance together with the amount of business presented showed the change to be warranted.

Mrs. Eugene L. Webber, assistant clerk of the State Federation, spoke on behalf of the Federation Bulletin. Mrs. Irving O. Palmer, chairman of the Civics and Social Service committee, reported relative to the Americanization work which is going on within the city, that a large class in Nonantum is studying English and that Newton will probably share a supervisor of immigrant education with the Brookline, as a part-time worker seems all that is at present necessary.

She repeated her appeal for silent toys, games and books with which to amuse the children while waiting at the dental clinic and stated that one nurse alone has reported 500 children as needing treatment at the clinic. In referring to the health crusade, which is being carried on through the schools, Mrs. Palmer told of one small girl who waked her parents in the middle of the night in order to have the second bath a week which is required that she might return her card to the school the next day showing that she had carried out what was expected of her. By vote of the board Mrs. Palmer's committee will make a thorough study of Community Kitchens and bring in a report in January.

Mrs. Edmund I. Leeds of the Education committee brought the request from the State Federation committee that the Smith-Townier bill now before Congress be endorsed by the Newton Federation. After hearing its provisions embracing a wide educational policy with a secretary of education as a member of the Cabinet, the bill was adopted by the Executive Board. The Education committee desires to know the sentiment of the club women on the matter of a Soldiers' Memorial. Extension classes offered by the Vocational School were announced.

Mrs. Sidney Peterson and Mrs. W. S. Smythe reported the sessions of the State Federation meeting held at Brockton last week.

Mrs. Celia Wellman, assistant probation officer, brought to the members the request that the clubs consider providing at least one concert for next summer for the benefit of the boys and girls, in fact whole families, who cannot afford to go away or even pay the necessary carfare to go to the park. She brought home vividly the

need of wholesome amusement for the boys and girls on Sunday afternoons. She stated that at least six boys were saved last summer through the concerts which the Newton Circle provided.

Mr. Charles F. Towne, who has recently come to Lasell Seminary, an authority upon Americanization work, gave very practical suggestions as to what the club women ought to do along Americanization lines. Not only should we provide for teaching the foreign born English, but we must have knowledge ourselves, knowledge of the historical background of the various races which have come to America in order to have a full appreciation of what they have to give us. This may be accomplished by means of a course of lectures; but most of all through friendly fellowship. The best thing is for each woman to get thoroughly acquainted with one foreign-born family and realize that they like ourselves are just folks.

State Federation

Doubting railroad officials seem never to grasp in advance the necessities of Federation delegates or to believe the numbers given them by committee chairmen who really know whereof they speak. If they did, delegates would not be thrust into plaid dark cars or those intended for smoking as were the women boarding the train for Brockton to attend the Autumn meeting last week. Be that as it may, the women were finally made comfortable, more so than on the return trip when fully one hundred stood all the way to Boston.

Once at Brockton everything was most comfortably arranged by the hostess club and a full and inspiring program went off without a hitch.

The first meeting of a new president is always fraught with additional interest, not to say curiosity, but Mrs. George Minot Baker, the Federation's new president, met every emergency and won the confidence of all through her unassuming sweetness and great dignity.

Mr. Warren Merrill, the hostess' president, welcomed the delegates in the name of her club, while Mrs. Baker's response showed her to be fully awake to the call of hour.

The name of Miss George A. Bacon was presented and unanimously endorsed as candidate for the presidency of the General Federation. Mrs. Bacon is to be fair and square and clean; we are not going to push our candidate by depreciating any other woman. She urged Massachusetts to go a strong delegation to Des Moines, in fact, a whole train.

Problems growing out of the war might be said to have filled the morning program. Mrs. Bertha S. Papagian brought "Armenia's Call to American Women," in which she urged a keener appreciation of what the spirit of Armenia really is. She told of the Armenian National Reconstruction Committee which is backing the orphanages and institutions and native Armenian charities, and pled for assistance in saving the life of a nation.

C. S. McGown, chancellor of the International College, told of Americanization as developed by his institution where at present 25 nationalities are being trained, six per cent. of whom could not speak English when they entered. Mr. McGown feels the only successful leaders of these foreign-born people in our midst are men and women of their own nationality trained and cultured in America. His college offers a special course for fitting these leaders. He told what is being done there and left with his audience an urgent appeal for financial assistance.

Mrs. Herbert J. Gurney was welcomed with an ovation when she was presented to speak upon "Thrift." Her message was not merely for saving, it is a bigger question and must be carried not merely to the homes but also to the government. If the people are thrifty the government will be. It is our duty to stand for the things we want the people to stand for. Stand for the principle of thrift, for the rebuilding of the nation.

A delightful feature of the morning was the presentation of two of the girls who worked for the Federation overseas, Miss Katherine L. Gage and Miss Helen D. Hood. Both stories were full of interest, and though modestly told showed that their work had been no sinecure and had been admirably well done.

Miss Mary E. Driscoll brought a story of another sort, of the protective work for girls in our own midst brought to greater notice from the presence of large numbers of soldiers and sailors in Boston. That 1840 girls have been found on Boston common at times when they should have been at home and in bed in itself tells a story which women will do well to know and to heed. They were girls in every walk of life. Conditions exist which ought to be a matter of concern for the women's clubs. Lack of interest of the women of the community is responsible for the delinquent girl today.

Mrs. George T. Rice, a lay woman, who has given much study to the matter, spoke out from the shoulder and told the women to go home and find out conditions in their own communities and do something about it. What is the use of saving money, when we are not saving human lives? This matter is a threat of humanity.

At the afternoon session six new clubs were presented, North Scituate Welfare League, College Women's Club of Gloucester, League of Women for Community Service, Outlook Club of Orange, Adams Study Club, Women's Municipal League of Holyoke.

Mrs. George W. Perkins, director for Massachusetts of the General Federation explained the way in which business is carried on by Federation, of some of the proposed changes in organization to come up at the next Biennial at Des Moines, saying that the keynote of that meeting will be Americanization, as it was at the Asheville Council meeting.

The closing address of the day was given by Col. Harold W. Jones, Medical Corps, U. S. A. on "An American Hospital Center in France."

NEWTON FREE LIBRARY

Contemporary Drama

Are you looking forward to the presentation of Barrie's "Dear Brutus" or the two plays by Shaw, "Widower's Houses" and "How He Lied to her Husband?" The prospect of Lord Dunsany's visit has interested you, no doubt, in his work so that you would like to read more of his plays. Since the hands of the clock have automatically given us one more hour of lamplight, we have greater opportunity to enjoy our reading or the theatre. Perhaps you must forfeit the second. In that case why not let the living coals of your open fire be the stage. Then you may choose as an aid to its imaginary peopling a play from this varied and cosmopolitan list—a mere hint of the wonders awaiting you.

A THANKSGIVING MESSAGE

Did you ever linger on the sands of a summer seaside resort in November, and listen to the turbulent, crashing and tossing of the waves which vie with one another in their titanic efforts to reach the shore? And when the ponderous, thunderous breakers, madly make for you, it seems as though an invincible army would crush you out of existence? Then, something happens! An invisible line calls, "Halt!" Pershing's words, "They shall not pass," come to our minds. The limit of the incoming tide is reached; the unseen forces are in command. God's laws are the mariner's guide in tempest or in calm. The restless on-coming waves seem to say here and here and here, while they strew with lavish hand, gifts of every kind at our feet. Coal and wood for fuel, fruits and vegetables such as watermelons, oranges, cranberries, nuts, onions, clams and many other things for sustenance. Why should one suffer either from cold or hunger when the where-withal is showered upon us through the munificence of God? Why not "believe with Monte Cristo in the goodness of God," and shout with thankful hearts "The world is mine." What a privilege to look across that vast expanse of water, until the dividing line of sea and sky defines the horizon. At sunset when the crest of the waves, rocking hundreds of seagulls, catches the last rays of the setting sun, and the receding waters mirror the reflected spectrum tinted clouds, only silence, can best express our breathless admiration.

AGNES ELEANOR WHEELER.

THANKSGIVING DANCE

The younger society set of the Newtons are anticipating the annual Thanksgiving day dance given at Gardner Hall, Brookline from four to seven o'clock by Mrs. Helen W. Bowers. Among the ushers are John Goodwin, Harlan Maynard and Robert Remick.

UNION THANKSGIVING SERVICE

The churches of Newtonville will join in a service of Thanksgiving on Wednesday evening at 7.45 in the Church of the New Jerusalem, Highland avenue. All the ministers of the community will participate. Mr. Lichter will preach the sermon.

IMMANUEL CHURCH NOTES

Last Sunday marked the first anniversary of Rev. Newton A. Merritt's coming to this church and the attendance at the several services was a compliment to the high esteem in which he is held. At the morning worship the two men's classes attended in a body, occupying seats at the front of the auditorium.
The Sunday school attendance 191 was the highest this fall. This Friday evening at the prayer meeting Mr. Merritt will speak on the topic: "What it means just now to be a Baptist." A view of the Denominational task from the standpoint of the individual church. All are invited to this as well as all of the meetings of the church. Next Sunday evening the sixth in the series of nine Sunday evening services will be held at 7:30 o'clock. The sermon topic by Mr. Merritt will be "Capital and Interest." The congregational singing of the old familiar hymns will be led by the chorus choir, assisted by Miss Lillian Sawyer, cornetist.

REV. NEWTON A. MERRITT, JR.
WILL PREACH

Sunday evening November 23rd at 7.30 in sixth of Series of
9 Sunday evening Services on

"The Gospel For a Restless World"

AT THE

IMMANUEL BAPTIST CHURCH, Newton

Congregational Singing

Chorus Choir

Miss Lillian Sawyer, Cornet Soloist

ALL ARE WELCOME

Newton

—On Thanksgiving Day there will be services at Grace Church at 8 o'clock and at 10 o'clock.

—Friends of Mrs. Prescott Warren will be glad to know that she is improving from her recent illness.

—Members of Company D, Newton Constabulary, M. S. G., held a reunion last evening at the Hunnewell Club.

—Mr. and Mrs. Edwin F. Sawyer of Eldredge street are entertaining the Rev. Francis Banfill of Goffstown, N. H.

—The addition to the Parish House of Grace Church is expected to be completed by the middle of January.

—French lessons given by a young lady native of Paris, experienced teacher. Telephone Newton West 1437-M.

—Next Sunday evening at Grace Church the Rev. Laurens MacLure will preach on the "Christian Use of the Lord's Day."

—At the annual meeting this week of the Boston Wool Trade Association, Mr. Samuel W. Bridges of Fairmont avenue was elected a director.

—The Newton delegates to the International Y. M. C. A. convention this week in Detroit are Messrs. C. D. Kepner, A. C. Emery, and H. W. Bascom.

—On Wednesday the ladies of the Aid Society of the Methodist Church held an all day sewing meeting at the home of Mrs. E. H. Bell on Waverley avenue.

—The men of the Methodist Church held an important meeting on Monday evening at the home of the President of the Ferguson Club, Mr. H. S. Leonard, on Maple avenue.

—On Thanksgiving Day there will be a union service of the churches of Newton at the Methodist Church at 10.30. The Rev. Newton A. Merritt, Jr., will deliver the address.

—On Monday the Young Ladies' Missionary Society of the Methodist Church met at the home of the Misses Flora and Doris Hubbard, Boyd street.

—A paper was read by Mrs. Henry H. Crane.

—The Channing Alliance met Tuesday and speakers were Mrs. Carrie A. Hull, the new executive secretary of the Welfare Bureau, and Mr. Kenelm Winslow of the Stearns School.

—The Unitarian Club will meet at Channing Church tonight at 6.30. The address will be given by the Hon. John W. Weeks of West Newton. All are invited to hear the address.

—The Monday Club held its first meeting of the season this week, Mr. Frederick M. Kimball being the host at the Neighborhood Club at Phillips Beach. Several members gave their vacation experiences.

—The Woman's Auxiliary of the Y. M. C. A. met Wednesday afternoon at 3 o'clock at the Y. M. C. A. building. The speaker was Mrs. Arthur Hudson of Woonsocket, who spoke on "The Key-note of the conference at Lowell."

—Next Sunday at the Immanuel Baptist Church the pastor, Rev. Newton A. Merritt, Jr., will speak on "Capital and Interest." This is the sixth in the series called, "The Gospel for a Restless World."

—Last Sunday morning the Rev. Henry H. Crane of the Methodist Church spoke at Wesleyan University. The preacher at Mr. Crane's church was the District Superintendent, Dr. Willis P. O'Connell.

—The Girl Scout Play was a great success. The Saturday night performance was especially well attended. Over \$150 was made. One of the most attractive features of the evening was the singing of the Scout songs assisted by the bugler, Miss Eleanor Richardson.

—On Wednesday evening the Matthews Class of the Immanuel Baptist Church held its annual guest night in the church parlors. Mrs. Sheppard, wife of Brigadier Sheppard of the Salvation Army, spoke on her experiences in the trenches. A social hour followed.

—Next Tuesday there will be a concert at the Immanuel Baptist Church. The program will include impersonations and readings by Miss Ethel Hinton, who is well known, not only in this country, but overseas, where she has given entertainments on all Allied fronts, and in Germany for the Army of Occupation.

—The Women's Association of Eliot Church will hold the Annual Feast of Ingathering in the chapel, Tuesday, Nov. 25, at 2.30 o'clock. Miss Mary Wilcox, formerly of Wellesley College, and now sub-chairman of Education Committee of the State Federation of Women's Clubs, will give an address on "Americanization." Miss Louise K. Brown, soprano soloist in Eliot Church choir, will sing two songs with Mrs. James E. Clark at the piano. Later, Eliot Guild will serve tea.

—The many friends of Mrs. Mary McNeill will be interested to know, that at the urgent request of her nephew, Colonel Edward G. McNeill, she has gone to make her home in Ottawa, Canada, to be near her relatives. Mrs. McNeill has lived in Newton for a number of years, is a member of Eliot Church, and will be greatly missed in the Women's Association, also in the Red Cross and Special Aid Societies, where she has given constant and efficient service as well as by all who have known her in this vicinity.

—At the Eliot Church next Sunday morning, Mr. Gustav F. Helm, Solo Trumpeter of the Boston Symphony Orchestra, will assist in the musical service. The offering will be for the Newton Hospital. Rev. Alden Clark will preach. In the afternoon at the Christian Endeavor service there will be a visitation from the officers of the Norumbega District. At 7.30 in the evening the second Community Sing will be held. Mr. George Lincoln Parker will be in charge of the music and will be assisted by an orchestra. Leverett Gleason of A Battery, 101st Regiment, Volunteer Field Artillery, will be the speaker. A Battery was the first American National Guard Artillery to go into action. They reached the front on Feb. 5, 1917 and from that day, almost continually till the end of hostilities, Gleason was in the thick of the fight.

—The many friends of Mrs. Mary McNeill will be interested to know, that at the urgent request of her nephew, Colonel Edward G. McNeill, she has gone to make her home in Ottawa, Canada, to be near her relatives. Mrs. McNeill has lived in Newton for a number of years, is a member of Eliot Church, and will be greatly missed in the Women's Association, also in the Red Cross and Special Aid Societies, where she has given constant and efficient service as well as by all who have known her in this vicinity.

—At the Eliot Church next Sunday morning, Mr. Gustav F. Helm, Solo Trumpeter of the Boston Symphony Orchestra, will assist in the musical service. The offering will be for the Newton Hospital. Rev. Alden Clark will preach. In the afternoon at the Christian Endeavor service there will be a visitation from the officers of the Norumbega District. At 7.30 in the evening the second Community Sing will be held. Mr. George Lincoln Parker will be in charge of the music and will be assisted by an orchestra. Leverett Gleason of A Battery, 101st Regiment, Volunteer Field Artillery, will be the speaker. A Battery was the first American National Guard Artillery to go into action. They reached the front on Feb. 5, 1917 and from that day, almost continually till the end of hostilities, Gleason was in the thick of the fight.

Newton

—Hospital Sunday, next Sunday.
—Mr. G. W. Barber is ill at his home on Newtonville avenue.

—Mr. G. R. Aston of Oakland street is improving from his recent illness. Telephone MacLean, 725 or 2654-M.

—North, for anything in the carpenter line.

—Mrs. W. H. Wallace of Vernon street has gone to Nova Scotia for her health.

—Hudson's Head Cold Remedy contains no quinine. Made since 1876. Best for fresh colds.

—Thursday the Queen Esthers and Standard Bearers met at the home of Miss Muriel Peterson on Oakleigh road.

—Next Tuesday the Woman's Association will hold its annual Feast of Ingathering with special music and outside speaker.

—Mr. and Mrs. Clarence E. Colleson of Berwick road, Lexington, announce the engagement of their daughter, Dorothy Sterling, to Mr. Hiram Warren Jackson, Jr., of Arlington street.

—The Red Cross Workroom at the Y. M. C. A. will be open all day Friday as well as Wednesday, as it is necessary to finish about 500 garments before January 1st. Many workers are needed.

—Don't forget to buy your Thanksgiving goodies at the Sale at Channing church next Tuesday afternoon. Open from two until ten o'clock. Super will be served at 6.30 following the regular meeting of the Sewing Circle.

—A novelty shower was given last evening by a number of her friends to Miss Bridget A. Murnaghan, whose marriage takes place next Tuesday at her home on Cook street. She was the recipient of many novel and useful gifts. The evening was passed with music and a general good time.

—On Monday evening the Men's Club of the Methodist Church elected the following officers: President, Mr. Thomas Getshall; Vice-President, Mr. Arthur Mansfield; Secretary, Mr. Alva Crosby; Treasurer, Mr. Leon Marsh. The executive committee are Rev. Henry H. Crane, Mr. George Bauer and Mr. Vernon B. Swett.

—Miss Letitia Baxter Sloan, a lifelong resident of Newton, died at her home, 24 Channing street, last week Thursday after an illness of several months. She was 52 years old, and a member of Eliot Church. Services were held Saturday at her home, in charge of Rev. George Butters, an intimate friend. The burial was in Mt. Auburn.

—Social work in our own midst was ably and interestingly presented to the women of Channing Alliance and the women of Tuesday afternoon by Mr. Kenelm Winslow, principal of the Stearns School and Mrs. Carrie Hull of the Welfare Bureau. An earnest plea was made for volunteer workers. Mrs. George F. Deffen was in charge of the social hour which followed, assisted by Mrs. Robert E. Mandell and Mrs. J. Porter Russell, who presided over the tea table.

—The many friends of Mrs. Mary McNeill will be interested to know, that at the urgent request of her nephew, Colonel Edward G. McNeill, she has gone to make her home in Ottawa, Canada, to be near her relatives. Mrs. McNeill has lived in Newton for a number of years, is a member of Eliot Church, and will be greatly missed in the Women's Association, also in the Red Cross and Special Aid Societies, where she has given constant and efficient service as well as by all who have known her in this vicinity.

CITY ELECTION COMING

Nomination Papers Filed Show Four Contests In Sight for Aldermen

At the close of the time for filing nomination papers for the city election Wednesday afternoon, four contests are in sight for aldermen, the remainder of the ticket being unopposed.

Mayor Childs is the only nominee for mayor, and Percy M. Blake, Ward 2; Leon B. Rogers, Ward 3; Arthur W. Hollis, Ward 4; Albert H. McAuslan, Ward 6; and Theodore E. Jewell, Ward 7, for aldermen at large, and Salmon W. Wilder, Ward 6, for school committee, John C. Madden, Ward 1; Timothy C. Hickey, Ward 3; George

V. Phipps, Ward 5; George W. Pratt, Ward 6 and Bancroft L. Goodwin, Ward 7 for ward aldermen are unopposed.

President Henry I. Harriman of the present board will have Dr. Howard Moore as an opponent for alderman at large, Ward 1, and Alderman Harry L. Cook, will fight for re-election with Herbert S. Rogers, for alderman at large from Ward 5. There are two ward contests, Alderman Hubert L. Carter in Ward 2, being opposed by Joseph E. Downey, and Alderman George M. Heathcote, is opposed in Ward 4 by Harold F. Young.

TIED FOR FIRST PLACE

Newton High football eleven came through in good shape yesterday and by winning from Cambridge Latin, by a score of 20 to 12 went into a tie with three other teams for first place in the Suburban League.

Newton was a surprise, its linemen outplaying the Cambridge forwards at almost every stage, while there was fine teamwork in the attack. Cambridge gave its backs poor protection, the line having little charge and the tackles, who performed excellently on defense in past contests, were boxed on more than one occasion, Newton making its chief gains in rushing off these points.

Newton started off in the first half with a series of plunges down the field. A forward pass to Seavey from Garrity on the 10-yard line figured in the first touchdown. Seavey made a clever catch of the ball. Newton failed to kick goal. Cambridge evened up when it got the ball, and with its heavy backfield plunging through the Newton line put the leather over for the tie score.

The game was full of aerial work. Time and again snappy forward passes were pulled down by feet ends. Cambridge got the ball at the beginning of the second half and carried it to the 21-yard line, where it was advanced on a rush and a penalty to the six-yard point. This was the only penalty Newton had to take in the game, but it brought the ball into the danger zone and it was pushed over.

Bjorkman, Newton's star end, started something when the ball came to Newton. Garrity passed to him on the Cambridge 30-yard line in beautiful fashion. The ball shot right where Bjorkman was waiting for it and he scored.

The game tightened up as the time grew short. In the last minute, Cambridge in a desperate effort to score,

hurled the ball for one of the longest passes of the game. Bjorkman ran 50 yards through a broken field for the third touchdown.

Newton's victory and the machine-like work of the team promises well for the contest with Waltham tomorrow.

ARMY FOOD SALES

There were four sales of army supplies in this city last week on Friday and Saturday, all of which were well attended and at which all the supplies on hand were sold. Friday evening there were sales at the old engine house, Lower Falls, in charge of Roy V. Early and Harold F. Young, and in the basement of the Emerson school, Upper Falls, in charge of C. A. Chadwick, John Temperley and Alderman Harry L. Cook. Saturday afternoon, there was a sale at McVicar's store, Auburndale, handled by Thomas J. Lyons and Harold F. Young, and at Thompsonville, in charge of Joseph DiAngelis. Canned goods, and bacon were the principal supplies. The receipts were about \$400 at each place.

Tonight Mr. Andrew Prior, who is handling the sale for the city has arranged for sales at the engine house, Lower Falls, and tomorrow at 11 A. M. at Thompsonville, at McVicar's store, Auburndale, at 2 P. M., and at the old church, West Newton, at 2 P. M. Canned goods, canned beef and soap will be on sale.

The beautiful Electric and Gas Table and Floor Lamps on exhibition in the Showrooms of Messrs. McKenney & Waterbury Co., 181 Franklin street, corner Congress street, showing the largest variety of these goods to be found in this country.

UNIQUE ENTERTAINMENT

Masque of Flowers and Toy Symphony given at Trinity Parish House

A Masque of Flowers and a Toy Symphony were given in the parish house of Trinity Church, Newton Centre, on Friday evening and Saturday afternoon, by the Junior Service League of that church.

The performance began with an illustration symbolizing the five fields of service of the league, five lads appearing in costume, as a choir boy, invalid, Italian, Indian and Chinaman. Twelve children took the part of the flowers, and sang and danced and froliced in a most charming and delightful way. The poet, queen, fairy queen, sun and moon took their parts to perfection.

The Masque of Flowers, written by Norris Jephson O'Connor, a Racine professor, was given its first production under the direction of Miss Crandall of the Mason School. Twelve children took the part of the flowers, and sang and danced and froliced in a most charming and delightful way. The poet, queen, fairy queen, sun and moon took their parts to perfection.

The scene was staged in a stately garden of hollyhocks and pine trees, a real flowery dell, the lighting effects bringing out all the shades and colors of the rose, morning glory, water-lily, pink, poppy, blue-bell, sunflower, daisy, violet and forget-me-not.

The earnestness with which the older girls rendered the Toy Symphony selections was most marked, and the costumes which were gay and of an old-time flavor added greatly to the interest in the second number, "The Jolly Sleighride."

The audience was most appreciative of the unusual variety of instruments in the orchestra, including the trumpet, symbols, drums, vocaphones and nightingales.

JUNIOR LEAGUE

Gives a Tea at Newton Centre and Changes its Name to Meet New Conditions

A special meeting of the Junior League for Newton Hospital Social Service was held on Tuesday, at the home of the Misses Flanders, Lake terrace, Newton Centre. The president, Mrs. Curtis Delano, was in the chair. The secretary's and treasurer's reports were read and approved, and two amendments to the constitution were voted upon; one making the annual dues \$1.00 instead of 50 cents, and the other changing the day of meeting from the fourth Tuesday to the fourth Monday. It was the sense of the meeting, also that the name of the organization be changed to 'Newton Hospital Social Service League' (to be voted upon later), as the name thus more nearly resembles 'Newton Hospital Social Service Department,' which it really is. The League, as everyone doubtless knows by this time, pays the entire salary of the social service worker at the hospital, furnishes her with \$50 or more each month for necessary expenditures, paying also the expense of running her automobile, which they purchased for her.

The social worker, Miss Grace E. Miller of Waban, gave one of her clear, concise and interesting talks, speaking particularly of the growth of the Out-Patient Department of the hospital. She is always in attendance at this department when it is open, thus coming in touch with families needing medical social service which she would not otherwise meet. An assistant worker is really very much needed, to keep up with the great demands made upon a single worker.

Mrs. V. H. Moss of Newtonville gave two groups of much-appreciated and beautifully rendered violin solos, after which tea was served. A good many new, actively interested members, were present. The League is planning many affairs to be held after Christmas, as it must get back to its pre-war income of \$2,000 or more yearly. A campaign is on foot to secure 1,000 members. Have you joined? If not, send your dollar to Miss Mary L. Rolfe, 49 Clyde street, Newtonville. Mrs. Dwight S. Brigham of Newton Centre is now chairman of the Membership Committee. A plea was made for more automobiles for the Motor Corps, which is a very essential part of the work.

The next regular meeting will be held at the home of Miss Marguerite Jones, on the fourth Monday in January, at 49 Columbus street, Newton Highlands.

NEW SCHOOL HOUSE

Bids Opened for Building at Waban to Cost About \$300,000

Public Buildings Commissioner W. R. Forbush opened bids Wednesday afternoon for the construction of the proposed schoolhouse at Waban.

There were seven bidders for the general contract three for the plumbing, ten for the heating and two for the electrical work.

On the basis of the lowest bids, and adding the architect fees and a sufficient amount for contingencies, the building will cost between \$290,000 and \$295,000.

The bids were as follows:
General Contractors—A. Piotti, \$233,353; C. S. Cunningham & Sons, \$234,140; R. H. Howes, \$239,700; C. H. Cunningham & Son, \$250,000; John W. Duff, Inc., \$257,631; J. E. Locatelli Co., \$256,664; John Bowen Co., \$278,345.

Plumbing Contractors—C. A. Bray, \$11,300; Thomas J. Murphy & Co., \$12,544; F. B. Connor, \$13,090.

Heating Contractors—J. J. Hurley & Co., \$28,648; J. P. Dwyer Co., \$29,750; W. C. Cornell Co., \$27,090; Huey Bros. Co., \$28,470; Lane & Maloney Cons. Co., \$28,500; E. O. Borrowes, \$29,250; Power Heating & Vent. Co., \$29,663; T. A. Ridder Co., Inc., \$30,000; Laskey & McMurrer, \$30,997; C. H. Cronin, \$35,446.

Electrical Contractors—Edwin C. Lewis Inc., \$7,993; Barnes Pipe Co., \$8,049.

MURPHY-BLAKENEY

Miss Mary Katherine Blakeney, daughter of Mr. and Mrs. J. W. Blakeney of Court street, Newtonville, was married Wednesday to Mr. William L. Murphy, son of Mrs. Hannah Murphy, of Richardson street, Newton.

The service was performed by the Rev. Fr. L. W. Slattery at the Church of Our Lady at 12:30. The best man was Mr. Frank Murphy, brother of the groom, and the maid of honor was Miss Rose Blakeney, sister of the bride. The double ring service was used.

The bride wore a gown of white satin and a veil caught with orange blossoms, and carried a shower bouquet of bridal roses. The maid of honor wore blue georgette crepe and a gold lace hat, and carried pink roses. A reception at the home of the bride followed the ceremony. Many friends from the Newtons, Natick, Somerville, and Quincy were present.

After a wedding trip to New York, Connecticut, and New Jersey, Mr. and Mrs. Murphy will live at 77 Court street, Newtonville.

NEWTON RED CROSS

Membership Enrollment Exceeds that of Last Year, and Quota of 15,000 is Almost Reached

The Newton Chapter of the Red Cross has nearly one hundred more members today than it had on the first day of February 1919. That is the surprising and gratifying outstanding fact in the detailed report of the results of the Third Red Cross Roll Call in Newton, February 1, 1919, i.e. Newton Chapter had 13,512 members; November 22, 1919 it had 13,610 members. As a result of the Roll Call Mr. J. W. Estabrook, who acted as vice chairman and treasurer of the Roll Call Committee, has turned over to the treasurer of the Newton Chapter a check for \$14,662.50 as the amount received for membership dues and voluntary contributions. Mr. Leon B. Rogers, who was the chairman of the Roll Call committee, in his report to the directors of the Newton Chapter, says "I want to express through you my appreciation of the splendid co-operation of the Chairmen. It was a difficult task to accomplish without the aid of a war atmosphere, and they are certainly entitled to a great deal of credit for the splendid results. Mr. Estabrook gave up practically a whole week of his time and without him we would have had difficulty in determining the results as quickly as we did."

It will be remembered that Mr. Rogers and his committee set 15,000 as the membership they wished to secure and it is no. their fault that they did not get the 15,000. The work of canvassing was crowded into days on the greater number of which there was rain and sloppy walking and during which the interest of the community was given over largely to the final days of the most exciting state campaign Massachusetts has had for years. As Mr. Rogers says the result accomplished is one for which much credit is due to the women who directed and the women who made the canvass and also, as he did not say, one for which

HIGH PRAISE

The following letter has been received by Mr. Frank L. Richardson from the manager of the Metropolitan Boston District, Savings Division, Federal Reserve Bank, and speaks for itself:

My dear Mr. Richardson,
The returns of sales of War Savings Stamps, Thrift Stamps, and Treasury Savings Certificates for the month of October have just been completed and I am writing to congratulate you upon the showing which Newton has made. This community is now ranked among the first ten centres of the state for activity in this work.

The details show that the October sales amounted to \$17,627.11 or 41 cents per capita with the total sales from January 1st to November 1st \$86,140.47

or \$2 per capita. Your community, therefore, ranks fourth in the state. This is an especially good showing and I congratulate you upon the progress which has been made and trust that it will continue.

DUNLAP-GOULD

Miss Fabra Gould, daughter of Mr. and Mrs. Frederick H. Gould of Burlington, Vermont, was married at the home of her sister, Mrs. George H. Wight, 25 Moreland avenue, Newton Centre, on Wednesday afternoon at five o'clock, to Mr. Frederick Burt Dunlap of Washington, D. C.

Mr. Dunlap has recently been released from service where he served as first lieutenant in the Signal Corps. The couple will reside in Washington, D. C.

WHAT WILL BECOME OF YOUR INSURANCE MONEY?

There is only one way fully to insure the effective use of your insurance money and that is to provide now for a definite plan outlining its investment or distribution. The Life Insurance Trust is just such a plan. It enables you to say who shall handle this fund, how it shall be invested, to whom and how the income shall be paid, and what disposition shall be made of the principal. In short, it enables you to surround insurance money with every safeguard.

You are cordially invited to discuss this service with our officers.

SCHOOL NOTES

Edited by Dorothy Drake

Peirce School

The school paper which the school has been endeavoring to produce is still in progress. This famous paper is to have at its head a number of editors including the Editor-in-Chief and the Editor of Sports. These authorities are being chosen by the teachers and the principal according to compositions written by the pupils. The old printing press has been repaired by the boys of the Vocational High School. Therefore, we are the owners of two presses. Then "Hip! and Hoorah!" for the Peirce School paper which soon will be circulating all over Newton.

The girls of the eighth grades, are greatly enjoying the cooking lessons. The pupils have learned the value of different foods, and are making sheets pasting on pictures of different foods and classifying them as to growth, energy, or regulators. They also have made many appetizing dishes such as fish hash, potato soup, and macaroni and cheese.

The Red Cross Campaign has been introduced into the Peirce School. Nearly all the pupils are members and some have been so generous as to bring extra money for those who cannot afford the regular price. We are Americans!—Our duty is to the weak! The fee for membership is 25 cents. Here is an opportunity for us to show that we are Americans, brought up Christians in a Christian land, under the guidance of Christian fathers and mothers.

The following was overheard in the cook room:
"I forgot my apron and cap."
"Oh, I burned my white sauce."
"Don't let my toast burn!"
"You do the dish-washing today."
"Give us a taste of your wonderful soup."
"Where is the dish mop?"
"Where is my work plate?"
"Those are not our dishes. Ask Ruth, if they are hers."
Surely the trials of a cook are many.

Exit lights are being placed in the hall of the Peirce School. These bright guides mean "Safety First" to all. When these are established the moving pictures will be given in the evening.

The school orchestra which has been practicing since a week is now ready for its first public appearance at the mass assembly. It is composed of twelve violins, one cello and a piano.

Bigelow School

Miss Bessie A. Mirfield is the new special assistant.

The Thrift Campaign is progressing. This week Miss Thurston's class led in the purchasing. The number of buyers in her room is six.

The Burr School

Mr. and Mrs. W. Kirke Corey of Auburndale have presented the Williams School with a copy of the "Singing Boy," by Luca Della Robbia. On Monday afternoon Dr. Scott of Auburndale gave a very interesting talk on "Ceylon" to the seventh and eighth grades. He showed models of various farm implements, one of which, a pruning fork was not unlike our sickle. He also told us about the different kinds of fruit grown in Ceylon. He described the growth of the coconut and the banana. At the end of his lecture he answered questions asked by the school. The members of the school greatly appreciated the lecture and are grateful to Dr. Scott for giving them so instructive and entertaining a lecture.

On Wednesday the first and third grades held Thanksgiving exercises in the hall. The dominant note was thankfulness.

The boys and girls of the seventh and eighth grades in Miss Kelly's room prepared a box with food for an old lady of 83. The Kindergarten and the first grade are also done "their bit."

The third grade of the Williams School on Thanksgiving Day gave a play called "Mother Goose's Thanksgiving Party."

Grade four gave "The First Thanksgiving."

All the other rooms had special and appropriate exercises.

The Underwood School

On Wednesday at 11 o'clock, the children of the Underwood School assembled in the Kindergarten room where they had brought fruit, vegetables, etc. to be given to others less fortunate than themselves. Each room made some special contribution. The following verse was recited, and its spirit emphasized:

"Said Gentleman Gay,
"On Thanksgiving Day
If you want to be happy,
Give something away."

Some of the mothers of the children kindly volunteered to take the gifts in their automobiles to Miss Abigail Speare of Waban Park, who promised to see that they reached those who would appreciate them.

Hyde School

The children of the kindergarten under the direction of Miss Titus have sent four boxes of books, toys, dolls and clothing to the Carney Creek Community Center, Pippass, Kentucky.

A second group of children visited the Art Museum in Boston last Saturday afternoon, under the chaperonage of Mrs. G. Sherman, and Miss Greene and Miss Morse of the Hyde School. These visits are conducted under the auspices of the Art Committee of the Newton Highlands Woman's Club.

Because of the temporary disuse of the school hall Thanksgiving Day exercises were held in the various rooms. "Mrs. Bang's Pies," a Thanksgiving play, was given by Mrs. Blake-more's class for the entertainment of grades VI, VII, and VIII.

Miss Kuntz's and Miss Greene's

classes combined for their Thanksgiving program—plays, songs and original poems.

Miss Sampson's fourth grade purchased thrift stamps to the amount of \$47.19 last week. This was the banner school of the week.

Mason School

Two new teachers have been welcomed to the corps recently: Miss Hettie C. Smith, who has taken charge of a sixth grade, and Miss Mary Wade in grade four.

A mub reel curtain is being installed on the stage in the auditorium. Anyone desiring to contribute toward payment for the same may send the amount to Mrs. Albert W. Muther, 135 Warren street.

A Thanksgiving play was given by the pupils of Miss Linehan's room on Wednesday at 11 o'clock.

The school orchestra is progressing satisfactorily and will soon be able to aid in assembly exercises.

Lasell School

Lasell is to have a Thanksgiving recess from Wednesday until Monday. About 30 girls, however, will remain at the school.

Tuesday evening the Thanksgiving Christian Endeavor meeting was held, the leader being Miss Helen Files, daughter of the late President Files of Bowdoin College.

The Roger Wolcott School

The Roger Wolcott School eleven played the Runkle's School of Brookline a game of football on the Waban playground on Saturday A.M. The score was 20-13 in Wolcott's favor. The star plays were made by Ibb Burnett, who made all the touchdowns, 10 Hunt and rg K. Allen. The lineup was as follows: le, L. Allen; re, Turner; rt, Symonds; lt, Marsh; lg, Stahlecher; rg, K. Allen; c, Millard; qb, Hill; rrb, Southern; lrb, Burnett; fb, Hunt. The Wolcott team will play them a return game on the Brookline field.

The children of the Wolcott School gave at least fifteen families a happy Thanksgiving this year.

Two silken flags and a fine picture of Theodore Roosevelt were given to the eighth grade room. The picture was given by Dorothy Frost and the flags by Katherine Tilton.

Allen School

The Allen School closed Wednesday for its Thanksgiving recess.

The highest honors for the midterm go to the following: Richard T. Loring, Jr., of Newtonville; Maxwell Knowlton of Newton; Arthur Gaw of Roxbury; Ralph Goodspeed of Wilton, Me.; Leslie Osborn of Guatemala; Roy C. Roach of Brooklyn; John B. Spaulding of Chicago.

The new rink is now ready for roller skating.

Newton Vocational School

At the Monday Morning Assembly, Nov. 22, Mr. Samuel B. Thuermer, Head of the English Department of the Newton Technical High School, addressed the Vocational School upon the subject, "Why We Are Proud of the English Language."

Mr. Thuermer emphasized the richness of our language as revealed in its literature and illustrated the methods by which it had been built up by the adoption of words from many other languages.

He gave as a slogan presented during the "Speech Drive" week at the Technical High School "Honor thy Father and Mother and thy Mother-tongue."

Stearns School

A lecture was given in the Stearns School Wednesday night to the members of the recently formed Citizenship Class on "Thanksgiving and its Meaning." The lecture was illustrated by the stereopticon.

The hardest football game of the season was played on Newton Centre playground Thursday afternoon, Stearns defeating Mason by the score of 9-7. Bryson of Stearns featured throughout the game, with his frequent dazzling end runs. His brilliant 60-yd. run in the final period scoring the touchdown which meant defeat for Mason. Captain Leardy in the first period dropped a pretty kick over the bar from the 25-yd. line, giving Stearns its first points.

Stearns has had a very successful season, winning all of its games defeating Bigelow 54-0, Cladlin 56-0, Burr 26-0 and Mason 9-7, scoring 206 points to opponents 7.

Bryson has been the individual star all season, but Prentiss, Hoffman and Butler also played sensationally throughout.

It was conclusively the team work of Stearns which brought the championship to Nonantum. The children of the Stearns School gave an entertainment Friday, Nov. 21st in the Assembly Hall. The hall was filled to its utmost capacity with an enthusiastic audience. The program consisted of folk dances by the first grade; solo dancing by Gertrude Bergen and Estelle Cyr; a recitation by Curtis Morrell; a play entitled, "The Good Fairy Thrift," presented by pupils and graduates of the school; also the reading of the Governor's Proclamation by Acide Verrier. Music was furnished by the school chorus. The program was closed by the salute to the flag and the singing of America. The proceeds, amounting to \$50, will be used for the relief of the Serbian children.

Thursday evening, Nov. 20th, Miss Blake conducted the Community Sing in the Stearns School Hall. Mr. Stetson Humphreys of the War Camp Community Service directed the singing. The solos rendered by Miss Dorothy Greeley were greatly enjoyed by the audience.

The Boys' Club met Monday night, a business meeting preceding basketball practice of an hour. It was voted to hold the meetings hereafter on Wednesday night because of the conflict of dates with the Legion, as many members wish to attend the Legion meetings. Basketball teams of club members are planned, also a team to represent the club in outside contests.

NEWTON HIGH SCHOOL (CLASSICAL)

All eyes are now turned toward the coming Newton-Waltham football game, which is to be played in Waltham next Saturday afternoon. For many years the Newton fellows have been unable to beat the Waltham team, usually scoring a tie, until two years ago, the former then winning by 22-13. Although the season in general has been rather poor for Newton, the team has at last produced some very encouraging power, which was shown to very good advantage in the Medford game last Friday. The team was much at fault, nevertheless, owing to the shift of Seavey to the backfield which was naturally followed by more or less uncertainty. This week's workouts will put more sureness in the backfield men and give Seavey and Smith a chance to get accustomed to their new regular positions. Garrity, Annable, and Stafford, will probably occupy the remaining three backfield positions. Bjorkman, who certainly is one of the most powerful ends in the school circles together with Cowing, will fill the two end places, while the rest of the linemen will be the same as in the last game or two.

Newton's football squad certainly pulled a surprise when Medford failed to beat them. Several times a man from the Medford ranks broke through and proceeded to dash toward the goal posts, with nothing between him and a touchdown except the quarter-back, but Stafford who was playing in this position, tackled the runner in a neat way and thus saved the day. One reason that Medford did not come in strong in the second half, as is her custom, was because Newton succeeded in punting as much as her opponent, and thus forced the opposing team to wear themselves out, something which Medford has not experienced in former games. However, this victory did not put Newton in the most advantageous place for the two remaining games, and consequently there is much hard work in store, especially as Henry Garrity, the fleet Princeton back, is liable to be on hand to give advice and instruction.

The English Club, owing to the absence of its director, Mr. Underwood, has postponed its regular meetings until his return. Being a great enthusiast in this kind of work, he has formulated many plans for the advancement of it, and so the programs have been temporarily postponed.

The Girls' Field Hockey team played its second game with Lexington last Friday, showing marked improvement over its former contest with the same school, a few weeks ago. Although the score was a tie, 3-3, the playing in general was very good, and a great deal of fight was displayed. With all the team working with her, Loretta Hughes, centre, succeeded in making three goals. The lineup for Newton was as follows: K. Daniels, wing; H. Shultz, forward; L. Hughes, centre; E. Lyon, inner forward; A. Brundage, wing; D. Stebbins, left halfback; F. Owen, centre halfback; C. Parker, right halfback; Webster, and D. Duane, fullbacks; D. Fales, goal.

Candidates for the hockey squad have been called for, and are now in training, either shooting goals or playing soccer. This last form of exercise has been substituted for long distance running, which in past years constituted the main part of the training before going on the ice. From the looks of the number of fellows who are now practicing, it appears that Newton certainly ought to have plenty of material to choose from, when the time comes. For the most part the team will be the same as last year, even being one fellow of importance, along with Richmond and Leete, which the team will be without this season. Coady, Crosby, Seavey, Rane, and Sly, are all "letter" men and will be a great aid to the squad.

The Thanksgiving vacation commences Wednesday noon and closes the following Sunday, giving the students three days of actual rest.

MAJESTIC THEATRE—"Joan of Arkasaw." Arthur Hammerstein's latest musical comedy offering, begins its Boston engagement at the Majestic Theatre next Monday night, and from all reports Boston lovers of fun and music have a rare treat in store for them. Although any production bearing the Hammerstein imprint may be expected to be more than ordinarily good, this, the product of Oscar Hammerstein 2nd's pen, and Arthur Hammerstein's managerial direction, is said to be doubly excellent.

First of all it has as a basis a very definite and a very funny plot, for which Herbert P. Stothart has provided a score said to be the most tuneful of the year. Then Mr. Hammerstein has assembled for the piece one of his famous distinctive choruses, said to be the most delectable ocular treat of several seasons. And lastly a notable and efficient cast of youthful and enthusiastic players is provided to romp through the divertissement.

West Street Side—First Floor

UNITARIAN COMMUNITY MEETINGS

Joining a movement in conjunction with the other Unitarian churches of Greater Boston, Channing Church of Newton will hold a series of four evening meetings, beginning Sunday, November 30, to present "The Message of Liberal Religion to the Community." Each meeting is to open with a period of community singing, led by the musical director of the church, Mr. Charles E. Griffith, and there will also be vocal solos.

The speakers for the various evenings will be as follows: Sunday, Nov. 30, Rev. Maxwell Savage of Worcester; Tuesday, Dec. 2, Rev. Christopher B. Eliot of Bulfinch place Church, Boston; Thursday, Dec. 4, Rev. Miles Hanson of Roxbury; Friday evening, Dec. 5, Rev. Charles W. Casson of Roslindale.

The Sunday meeting begins at 7.30 P. M. and the week-day meetings at 8 P. M.

The speakers are all men of high standing in the denomination and can be counted on for forceful and eloquent presentation of the topics most vital to the life of the community. Mr. Savage is the son of Rev. Dr. Minot J. Savage whose ministry in the Church of the Unity in Boston is so vividly remembered by an older generation, and is a man who appeals to the most vigorous type of American manhood. Mr. Eliot has been for many years pastor of the leading Unitarian mission church in Boston. Mr. Hanson, colleague of Dr. DeNormandie in the First Church of Roxbury, is English by birth and is a magnetic and whole-hearted speaker. Mr. Casson will preach a sermon on "The Unique Message of Unitarianism to Mankind Today" for which he was recently awarded by the Unitarian Laymen's League a prize of \$1000 in a nationwide competition.

A hearty welcome is extended to all, especially those who are not regular attendants of any church.

BEHIND A WATTEAU PICTURE

This play will be given Tuesday, Dec. 2nd at the Central Congregational Church under the auspices of the Newtonville Woman's Club.

Mrs. G. Norman Bankart, Mr. Hubert G. Ripley, Mrs. W. F. Keesler, Mrs. Warner Marshall and Mrs. Horton S. Allen are acting as stage managers for the play.

The cast includes ladies of the club, also Miss Ruth Pierce in the part of Columbine, Mrs. Clinton Kyle as the poet, and Miss Hartshorn in an oriental part.

The Club is looking forward eagerly to the initial performance of this play and Tuesday evening Prof. Rogers, the author will be a guest of the Club. All details are being carefully worked out by Mrs. Fred E. Mann.

DEATH OF MRS. SWIFT

Mrs. Esther Swift, widow of Mr. Reuben W. Swift, died Monday in her 76th year at the home of her daughter, Mrs. Frank G. Westwood of Richardson street, Newton, after an illness of several weeks. Mrs. Swift was born in Fairlee, Vermont, but has spent the greater part of her life in Newton. For many years, she was a member of the Methodist Church, Newtonville.

She is survived by a son, Mr. George Swift of Elizabeth, New Jersey, and two daughters, Miss Edith T. Swift, and Mrs. Frank G. Westwood. Services were held Tuesday at the home of Mrs. Westwood, the Rev. Charles R. Ross officiating. She was buried on Wednesday at Provincetown, Mass.

COPLEY THEATRE—There are certain plays which the Henry Jewett Players have done in the past few years at the Copley Theatre that stand out conspicuously as unusual pieces in their kind, and among these is "The Man Who Stayed at Home," which was given toward the end of the season of 1916 and 1917. So successful was this play that it ran for sixteen weeks. It was continued at the beginning of the following season making the entire run one of twenty-seven weeks, an unprecedented record for a resident company. So many calls have come in to Director Jewett for a revival of this play that he has consented to make it the next attraction at the Copley, beginning Monday, Dec. 1.

Auburndale

—Miss Florella Pedley was in the cast of the play "Popo" given last week at Mt. Holyoke college.

Friends of Miss M. Louise Randall, the kindergarten teacher at the Williams school will sympathize with her in the death of her mother.

—Mr. H. Winthrop Chandler of Islington road is one of the incorporators of the Petts Run Coal Sales Corporation of Mass., which has just been organized.

—Money deposited in Auburndale Cooperative Bank goes on interest monthly. Interest is compounded four times a year. Last dividends at rate of 5 1/2 per cent. adv.

—With present sky high prices on all magazines, let us quote you figures on renewing your present magazine subscriptions or on adding new ones to your list. Tel. Newton North 18 for prices.

—There will be a meeting of the Auburndale Good Government Club in Society Hall, Taylor Block, Saturday, November 29th at 8 o'clock. The voters are cordially invited to be present. The Good Government Club introduced an important resolution during one of the closing sessions of the State Legislature. As a result it was prominently mentioned in several of the newspapers. Be present Saturday and help the good work of the club.

—The Ladies Benevolent Society of the Congregational Church has started a "Chain of Teas" the proceeds of which are for the new chapel chairs. On November 14 the officers of the society met at the parsonage and formed the first link in the chain. These in turn invite four others who form the second link, those of this link then invite each four others until five links have thus been formed. The fee for each tea is twenty-five cents. It is hoped in this way to realize a substantial sum of money.

MRS. BROWN'S LECTURE

On Monday morning last, Mrs. Kenneth Brown (Demetria Vaka) gave a most inspiring talk to a group of interested women at the home of Mrs. Ripley Dana, 1011 Centre street, Newton Centre.

Mrs. Kenneth Brown is a native of Greece and realizes most keenly her country's needs. Through her efforts, a society has been formed called Philhellenides, which means Friends of Greek Women.

This society was formed last February at the home of Mrs. Robert Farley Clark, 29A Chestnut street, Boston, and a number of prominent women were immediately enrolled as members.

The society plans to bring Greek girls who have finished a high school or college course to America for practical training, such as nursing, domestic science, physical training, etc., that they may take back to Greece not only the knowledge they have gained in their special branches, but the American view-point and initiative.

In the talk on Monday morning Mrs. Kenneth Brown told of the four hundred years of oppression her countrymen had endured at the hands of the Turks.

During that time the women lived almost entirely within doors, being afraid to be seen for fear they would be taken to the harems by the conqueror, consequently they have become women whom Mrs. Kenneth Brown wishes most to help, for, as she says, "The progress of a nation depends largely upon the development of its women."

It is to be hoped that the women who listened to Mrs. Kenneth Brown with so much sympathy and enthusiasm will plan other meetings where she may speak to still larger groups and spread the interest in this most worthy cause.

A drive is being started to secure members and obtain sufficient money to bring at least one girl over next autumn. A good beginning was made on Monday when nearly forty members were enrolled, several of them being life members.

It will cost \$1,500 to bring a girl over and pay all her expenses for one year.

The memberships have been arranged to suit all purses.

Life Membership\$50.00
Sustaining Membership 10.00
Active Membership 5.00
Contributing Membership 2.00

Mrs. Charles L. Smith, 13 Lake avenue, Newton Centre, is the treasurer of the Newton Branch of the Philhellenides, and it is hoped that the women of Newton may prove real and active friends to their sisters in faraway Greece.

POLICE NEWS

Frederick Gore of New York city, who attempted suicide last Wednesday evening, according to the police, was in the West Newton Court Tuesday morning on a charge of assault and battery on his wife, who was Miss Elizabeth Joyce of Newtonville.

According to the testimony, Gore was living with his wife in New York, where he was a telegrapher, and about four months ago she left him and came to Newtonville. Gore came to Newton Tuesday, and that evening met his wife with a man, who gave his name as Frank Smith.

Gore talked with Smith, whose real name was given as Leo Harbury of Somerville this morning, and asked him if he realized that he was with a married woman. It is claimed that Gore struck his wife in the face.

He then returned with her, it appeared from the testimony, to her parents' home on California street and attempted suicide by drinking poison. He drank an overdose and this saved his life, after treatment at the Newton Hospital.

He was given a suspended sentence of one year. Gore offered to take his wife to New York with him, but she refused to go.

SHUBERT THEATRE—As the author of "The Magistrate," Pinero is only one of a flock of contributors drawing royalties for the musical comedy, "Good Morning Judge," which will be the attraction at the Shubert Theatre, Boston, beginning Monday, Dec. 1st. Fred Thompson is responsible for the musical comedy book and Adrian Ross and Percy Greenbank for the lyrics. The local engagement will be played by the New York organization intact headed by George Hassell in the role of the hypocritical old magistrate, whose night-hawking proclivities, aroused by his precocious stepson, and the judicial dignity and his entire family in trouble of the most strenuous sort. Hassell, who, until comparatively recently was a portrayer of Shakespearean roles, created the part of Magistrate Meekles in this country and is the only man who ever played it here in musical comedy form. He is a newcomer to that frothy and frivolous type of entertainment, having made a very successful debut as a rotund butler in "Love o' Mike."

HARMONY on your piano made perfect by FRANK A. LOCKE, the Tuner. See adv.

Newton Centre

—Mr. and Mrs. Frederick F. Cutler spent the holiday at Wianno.

—Mr. and Mrs. Edwin Kidder spent the holiday at Chatham, Mass.

—Gilbert Hubbard from Andover spent the holiday with his parents.

—Property at 859 Beacon street has been sold to Mr. Willard Dalrymple.

—Mr. Paul McIntire of Beacon street has gone to Washington for the winter.

—Mr. Peter Adams and family of Norwich, Conn., have moved to Beacon street.

—Mr. John T. Burns has sold his property 34 Elmore street to Mrs. Charles Pelham.

—Miss Dorothy Graff was in the cast of an original play given last week at Mt. Holyoke.

—Mr. and Mrs. George Walker spent the Thanksgiving holiday at the Wianno Club on the Cape.

—Miss Harriet Esterbrook of Montvale road spent the holiday with relatives in Brooklyn, N. Y.

—Mr. Watson E. Cotter of Commonwealth avenue has returned from a hunting trip to the Maine woods.

—Major Ripley L. Dana entertained Mr. and Mrs. Weid and family from Rhode Island over Thanksgiving.

—The Newton Centre Garage is making extensive plans for additions to their present quarters to cost over \$60,000.

—Mr. Joseph T. Bishop is an incorporator in the recently organized F. L. Horton Corporation of Boston to deal in motor vehicles.

—On Monday Mrs. Edward B. Bowen of Sumner street gave a card party in honor of her friend, Mrs. Louneland of Norway.

—Mr. Mattocks White spent Thanksgiving with his parents. He brought with him Joseph Lucas of Philadelphia, who is also at Andover.

—Mr. Stafford F. Johnson of Dalton road is interested in the American Textile Machinery Co., just organized in Boston with a capital of \$100,000.

—Allen Hubbard, Jr., son of Mr. and Mrs. Allen Hubbard of Montvale road, who played on the Yale team last Saturday, spent the week end with his parents.

—With present sky high prices on all magazines, let us quote you figures on renewing your present magazine subscriptions or on adding new ones to your list. Tel. Newton North 18 for prices.

—Last Saturday night, Miss Louise Walworth, daughter of Mr. and Mrs. Arthur C. Walworth entertained the members of the Christian Endeavor Society of the First Church at her home on Centre streeting at 7 o'clock there will be a special musical service at the Methodist Church. Three artists from the Symphony Orchestra will play. At 12 o'clock Judge Robert F. Raymond will address the Men's Class.

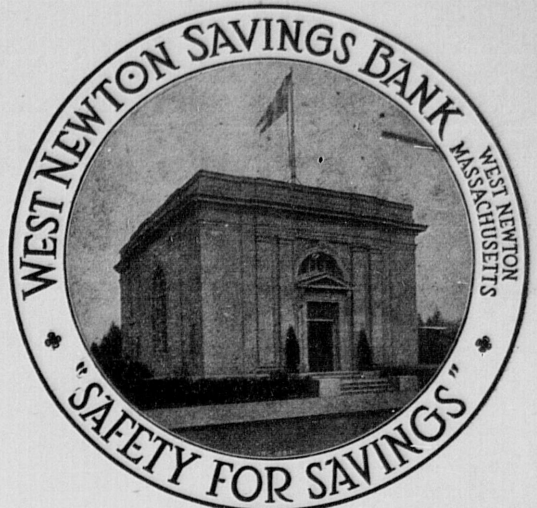

—A charity ball will be given during the Christmas holidays under the auspices of the finance committee of the Mothers' Best Association. The ball will be in charge of Col. and Mrs. James G. White. The date of the ball will be announced later.

—The regular monthly meeting of the Baptist Church was held on Tuesday at the church with a luncheon at noon. The program in the afternoon was under the charge of Mrs. William M. Mick. Miss Helen Munroe from Japan, Miss Louise Paine, state secretary of the World Wide Guild and Mrs. Herbert Blossie were the speakers.

—Mr. Frank F. Jonesberg has sold his estate situated at the corner of Dedham and Parker streets, Oak Hill, to Dr. Ward H. Cook et al. of Cambridge. The estate comprises a modern house of 12 rooms with sleeping porch, situated well back from the road, and garage and other outbuildings. There are five acres of land, most attractively laid out with shrubbery, drives and orchard.

—At the Brae Burn Club last Saturday Mrs. James G. White of Centre street gave a dinner to the following: Miss Penelope Curtis of Boston, Miss Polly Davis of Brookline, Miss Helen Payson of Portland, Me., Miss Margaret Brooks of Portland, Me., Mr. Fritz Bundy, Mr. William Baggart, and Mr. Kenneth Ward of Yale, and Mr. Gragg, and Mr. Hastings of Harvard. The guests were friends of Miss Charlotte White.

—A notable series of meetings will be held on Nov. 30, Dec. 1, 2, and 4 in the Unitarian Church. The speakers are men and women of prominence and their message is for all who love our Commonwealth and Country. The purpose of the meetings is to present the fundamental spiritual truths of religion in such a way as to strengthen faith in freedom and democracy and best stimulate us all "to help save the soul of America." Nov. 30 a thousand-dollar sermon by Rev. Charles W. Casson, Dec. 1, Rev. William L. Sullivan of New York, author of "A Priest," "Letters to His Holiness Pope Pius IX," Dec. 2, Mrs. Percy Atherton, Mrs. Claude U. Gilson, Rev. Maxwell Savage, this meeting will be under the auspices of the Stebbins Branch Alliance, Dec. 4, men from Newton Centre Chapter of Unitarian Laymen's League.

Flavor and quality have made Deerfoot Farm Sausage famous. Be sure you get the genuine.

We prize the name Deerfoot too highly ever to let it stand for anything but the best.

Announcement

Deerfoot Farm Sausage is back on the market. Maybe your dealer has already told you.

It's the same sausage you used to get. The Deerfoot flavor's there. You'll recognize it instantly.

Made in the same old-fashioned way. Only the tenderest, leanest parts of the pig—chopped not too fine—with spicy herbs to lend piquant flavor—that's the genuine

Deerfoot Farm Sausage

No other sausage has that distinctive taste. And you may be sure that everything that goes into the making of Deerfoot Farm Sausage is of the highest quality.

Sold in 1-pound links in parchment packages; 1-pound boxes of sausage meat and 2 and 4-pound bags of sausage meat.

EDITORIAL

Three Newton residents are honored by Governor Coolidge in his appointments to state office this week. Hon. Alonzo R. Weed, the present chairman of the Gas and Electric Light Commission is appointed to the department of Public Utilities for three years and it is rumored will have charge of the gas and electric light affairs of the new department. Mr. William C. Adams, the present chairman of the Fish and Game Commission is appointed as Director of Fisheries and game in the new department of Conservation. Mr. Joseph W. Bartlett of Waban is appointed an associate commissioner of Civil Service and Registration. All of these gentlemen are well known in this city and will be splendid representatives of this community at the State House. Judged by these three appointments, Governor Coolidge starts off the reorganized state departments with a most excellent personnel, and the Commonwealth is assured of splendid service in the future.

Some concrete idea of the increased costs of building construction can be gathered from an analysis of the bids received this week for a 12 room school building at Waban, approximating \$300,000. The Emerson and Bigelow schools of this size, built twenty years ago, cost about \$100,000 each, while the Peirce, built some 25 years ago, cost about \$90,000.

While it seems a trifle odd for Unitarians to hold week day meetings, the program announced at the Channing and Newton Centre churches for next week brings to this city a splendid array of noted clergymen, whose addresses will be well worth hearing.

THE TREATY OF PEACE

I earnestly dissent from the editorial in last week's Graphic—beginning "The average citizen is but little concerned from a practical standpoint in the failure to ratify the peace treaty by the United States Senate."

If it is true, pity 'tis, 'tis true. But is it true that the average citizen is but little concerned whether or no the moral gains of the war are secured?—whether or no we finish the job we began?—whether or not the lavish war expenditure of America was practically for naught?—whether or not these dead—some 75,000 American boys among them—shall have died in vain? Is it a matter of small concern to the average citizen whether the millions liberated for democracy by the war, are sustained and supported by the big brother of democracy, in their struggles for self-government? Is the average citizen but little concerned whether Bolshevism spreads over Europe and kindles its red fires in America? Is the average citizen who had a boy in this war but little concerned whether we have another world-war or not within a generation? Is the average citizen little concerned whether America now stands for a small and selfish foreign policy?

Such talk as this editorial—"from a practical standpoint," on the part of leaders of public opinion is profoundly disheartening at this time, for it betrays, it seems to me, little faith in the moral sense of the average citizen, and is as small in its vision, as it is intellectually thoughtless. In short, my dear Sir, it seemed to me quite unworthy of your editorial pen.

CHARLES HERRICK CUTLER.

Newton Highlands

The two family frame house located at 260-262 Lake avenue has been sold. Eva May MacLean conveys to Albertus H. Forrest, who buys for home and investment.

The Rear Pev Class of boys of the Congregational Church gave a most successful moving picture entertainment on Tuesday evening for the benefit of the needy people of Belgium.

On Tuesday, December 2nd, at 8 o'clock there will be a musical at the home of Mrs. Frank L. Richardson. The proceeds will go toward the Philanthropic fund of the Woman's Club of this village.

Last Sunday noon Mr. Lawrence Davis spoke before the Balmby Class of the Congregational Church. Mr. Davis has been in the prison camps of Germany investigating the conditions there, especially in regard to food supplies.

Funeral services for the late W. Herbert Pierce, for many years a Boston druggist, and a brother-in-law of Mrs. W. S. Richards of this village, were held on Wednesday at the Newton Cemetery chapel, Rev. Geo. G. Phipps officiating.

On Friday Mr. J. D. McMullin of Cook street, while driving his automobile on Chestnut street struck and slightly injured Mr. H. R. Ludlow of Petee Inn on Oak street. He took the man to his home, where Dr. Thompson attended him.

LODGES

On account of Thanksgiving, the regular meeting of Newton Lodge of Elks will be held tonight.

FRIDAY, DEC. 5 - - Rev. Charles W. Casson of Roslindale
Sunday at 7.30. Week days at 8.00

EVERYBODY WELCOME

COMMUNITY SINGING

TRINITY CHURCH, Newton Centre.
In which a Memorial and Honor Roll was recently dedicated.

The memorial and honor roll covers the entire rear wall of the church. It is rich panelling, in carved oak, ending in deep-set sedilla at the bottom. The central member, the memorial proper, represents two kneeling angels in gold and rich color and, in deep relief, laying palms of victory upon the names of the six "golden boys." The memorial panel is supported by two heavy buttresses, richly carved, surmounted by cresting.

In front of the sedilla are two long prayer desks; at the end of the one at the right is a carved figure of General Pershing, in full uniform, representing the army; at the end of the one at the left is a carved figure of Admiral Sims, in uniform, representing the navy.

The six men who are commemorated by the memorial part of the design are: George Thomas Maxwell,

Edward Asa Hooper, Leonard Jackson, Alfred Thomas Crane, George Stewart Huggard and Edward Augustus Wight. The inscription over the memorial panel is: "Death for noble ends makes dying sweet." Over the whole are these words: "They went forth at their country's call, and glory crowned our youth when the trumpet sounded war." The work is of great beauty and impressiveness.

Upper Falls

Boston Children Aid Society needs boarding homes for children. 43 Hawkins street.

Mrs. S. Wilkinson of Pawtucket, R. I., visited Mrs. Edward Cooper of Elliot street.

Mrs. Motherway has returned from a three months' visit to Ireland. She was accompanied by her daughter.

A musical entertainment and dance was held at Lincoln Hall, last Wednesday evening given by the Mary Immaculate of Lourdes Parish.

Mrs. Hale, matron of the Stone Institute is gaining slowly, and her many friends will be pleased to hear that she is able to sit up for a short time each day.

Miss Wilmer Marshall and Mr. Frederick Young, both of this village, were united in marriage last Monday evening at the Baptist Church rectory by the Rev. Mr. Perry.

Miss Marie Screamer died at the Newton Hospital last Sunday of spinal meningitis. Funeral services were held at the Methodist Church, Wednesday, and interment at the Newton cemetery.

With present sky high prices on all magazines, let us quote you figures on renewing your present magazine subscriptions or on adding new ones to your list. Tel. Newton North 18 for prices.

A whist party and dance was held at the Forester's Hall last Monday evening given by the Kensington Lodge, Sons of St. George. First prize, a bag of flour, was awarded to Mrs. Stewart for the whist. Dancing followed until 12 o'clock.

Miss Nora Kenney died at her home at Chandler place last Saturday after a prolonged illness at the age of 18 years. Funeral services were held at Mary Immaculate of Lourdes Church with a solemn high mass on Monday morning. Burial was at Needham cemetery.

Mrs. Sarah A. Randall, widow of Joshua L. Randall, died Wednesday at her late home, 11 Bacon place. She had been in failing health for some time. Although a native of Walpole, she had lived all of her married life in Newton Upper Falls. She leaves two daughters, Miss Helen Randall, and Miss Louise Randall, a kindergarten in Auburndale and a musician of some note. Services are to be held this afternoon at the home, the Rev. Abbott Peterson of the First Unitarian Church, Brookline, officiating.

All the Newton Girl Scouts are looking forward to the rally which is to be held on Saturday afternoon, December 6, in the Gymnasium of the Newton High School. This rally is to be the very most important event that has ever been held by the Newton Girl Scouts. Scout Dorothy Durgin of Troop 2 (which is the Newton Troop) is to receive the Golden Eagle at this rally. The Golden Eagle is the very highest honor a Girl Scout may obtain and of among all the 60,000 Girl Scouts in America only 50 have ever been awarded. Scout Durgin is fifth girl in Massachusetts to win this honor and Mrs. James J. Storrow, Girl Scout Commissioner for Massachusetts will present her with the emblem.

The rally will commence at 2:30 and the presentation ceremony will take place after the Troop competitions and demonstrations. His Honor Mayor Childs will be present and will speak to the Girls. His subject will be "A Girl Scouts duty to her Country." After this there will be singing by all the Troops led by Miss Evelyn Cunningham, former Captain of Troop 2, and Taps will be sounded at 4:45.

On Friday Mr. J. D. McMullin of Cook street, while driving his automobile on Chestnut street struck and slightly injured Mr. H. R. Ludlow of Petee Inn on Oak street. He took the man to his home, where Dr. Thompson attended him.

On Friday Mr. J. D. McMullin of Cook street, while driving his automobile on Chestnut street struck and slightly injured Mr. H. R. Ludlow of Petee Inn on Oak street. He took the man to his home, where Dr. Thompson attended him.

WOMEN'S CLUBS

Local Announcements

Mrs. Frank F. Davidson, of 59 Woodland road, will be hostess for the regular meeting of the Auburndale Review Club on Tuesday, December 2nd. Mrs. Herbert H. Longfellow is chairman of the morning and will give a paper on Raphael, Miss Ellen C. Williams, Michael Angelo, and Mrs. Amos R. Wells on Leonardo di Vinci.

Newton Federation of Women's Clubs

The rummage sale held at West Newton last week for the benefit of the Philanthropic Fund of the Newton Federation of Women's Clubs cleaned above all expenses the round sum of \$1,000. That this was made possible is due entirely to the efficient management of Mrs. Ralph C. Henry, chairman, and the following women who served on her committee: Miss Helen Cobb of the Social Science Club; Mrs. Philip Jamieson, Newton Community Club; Mrs. Harry S. Wells, West Newton Women's Educational Club; Mrs. L. E. Chase, Auburndale Woman's Club; Mrs. George Southern, Waban Woman's Club; Mrs. C. H. Lingham, Newton Highlands Woman's Club; Mrs. Rising, Newton Centre Woman's Club; Mrs. I. Newton Pierce, Newton Circle; Mrs. Ralph Conant, Newtonville Woman's Club; Mrs. W. W. Dennett, Auburndale Review Club; Miss Abbie Hall, Christian Era Study Club; Mrs. Edward G. Swift, Newton Highlands C. L. S. C.; Mrs. H. W. Newton, Newton Highlands Shakespeare Club; Mrs. S. Arthur Thompson, Monday Club of Newton Highlands.

The quick response and co-operation of all those who assisted in sewing during the days of the sale, and the willingness of the club women throughout the city to find "just one more thing to give" are the secrets of this great success. We are divided into separate villages with local interests for the local clubs, but we surely need never doubt the splendid spirit of unity that exists in the Federation after such a demonstration as was witnessed last week.

THE STATE GUARD

The four of duty by Company A, 11th Regiment, State Guard (the Newton company) in the protection of Boston was completed last Sunday when the last of the men were relieved. The company or parts of the company have been on duty for the past 74 days.

Waban

Mr. William D. Smith of Woodward street is enjoying a hunting trip in Maine.

There will be a "Senior Club Dance" at the Neighborhood Club tomorrow evening.

Mr. W. C. Brooks and family are occupying their recently completed residence on Pilgrim road.

Mr. Creed W. Fulton of Chestnut street, has made plans to erect a house on Winsor road.

Mr. and Mrs. E. P. Upham, Jr. of Collins road are receiving congratulations on the birth of a son.

Waban Neighborhood Club will bowl the Newton Club at Newtonville next Wednesday evening, Dec. 3.

Mr. W. A. Milford and family are now occupying the house on Nohade road, recently vacated by Mr. J. C. Tate and family.

DEAGLE-McLELLAN

The marriage of Miss Catherine McLelean to Mr. George A. Deagle took place last Wednesday evening, at 7 o'clock at the Church of Our Lady, Newton. Rev. Fr. Conrad J. Quirbach performed the ceremony.

The bride wore a dress of white embroidered satin and georgette. She carried a bouquet of white roses.

The bridesmaid, Miss Margie E. Grant, of Dorchester, was dressed in white georgette over burnt orange satin. She carried a bouquet of white roses.

The best man was Mr. John Gillis of Roxbury. After the ceremony a reception was held at 379 Washington street, Newton, the future home of the bride and groom.

MORTGAGEE'S SALE

By virtue of power of sale contained in a certain mortgage given by Dorothy D. Atkinson in her own right, to Herbert B. Budding, dated October 22, 1919, recorded with Middlesex South District Deeds, for breach of the conditions contained in said mortgage and for the purpose of foreclosing the same, will be sold at Public Auction on the premises hereinafter described on Monday, Dec. 22, 1919 at Twelve o'clock noon, all and singular, the premises described as follows:—A certain parcel of land and the buildings thereon situated in that part of Newton called Newtonville, on the Western side of the private way formerly called Victoria Street, and now called Victoria Circle. Said land is shown as Lot G on a Plan entitled "Plan of land in Newton, Mass., belonging to C. C. Streeter and C. D. Young, by E. S. Smille, Surveyor, dated August 30, 1916, and bounded and described as follows:—Easterly by said Victoria Circle by two courses respectively nineteen and one-half (19 1/2) feet and Sixty and 71-100 (60.71) feet shown on said Plan—Northerly by the Southernly side-line of a private way shown on said Plan ninety-two and 64-100 (92.64) feet—Northwesterly by land now or late of Clark C. Streeter et al., thirty (30) feet and Southwesterly by land now or late of said Streeter et al., shown as Lot H on said Plan one hundred (100) feet. The premises are conveyed subject to and with the benefit of a right of way for the purposes of a street in common with others entitled thereto in and over the private way known as Morton Street, and in and over the private way known as Victoria Circle including a portion of Victoria Circle shown on said Plan and also the continuation thereof to its intersection with said Morton Street. The premises are also conveyed subject to the restrictions set forth in a deed of Clark C. Streeter et al., to Henry C. Bourne et al., dated October 1, 1916, and recorded with Middlesex South District Deeds, in Book 4099, Page 112. This conveyance, is made subject to a first mortgage for \$4500, held by the Newton Center Savings Bank, and to a second mortgage for about \$2200.00. Also, to municipal liens if any there be. Four Hundred Dollars will be required to be paid by the purchaser at the time and place of sale. Other terms at Sale.

Brook Street, Newton

ABOVE PRICES F. O. B. DETROIT.

Newtonville

—Mr. Robert Douglas, 378 Walnut street has closed his house for the winter.

—Mrs. Albion C. Brown and family motored to Concord, N. H., to spend Thanksgiving with Mr. and Mrs. George R. Taylor.

—The Glee Club of the Methodist Church under Mr. Wallace Stevens already has between 30-40 members. Meetings are held on Tuesdays.

—Mr. and Mrs. Thornton C. Pray of Cambridge are receiving congratulations on the recent birth of a daughter, Patricia Brackenridge Pray.

—The monthly session of the Ladies' Aid Society will be held next Thursday at the M. E. Church at 4 o'clock. At 6.30 the regular church supper will be held.

—Miss Alice M. Norton will lead the Epworth League next Sunday evening. The monthly business meeting and social will be held at the church next Tuesday at 8 P. M.

—The Unit leaders of the Methodist Church have sent letters to the congregation calling attention to church attendance, Evangelism, and to the musical services to be held beginning next Sunday.

—Mrs. Luey J. Cook, widow of William Cook, died Saturday at her home on Austin street in her 76th year. Services were held at St. John's Church on Tuesday, the Rev. Richard T. Loring officiating. The burial was in Newton Cemetery.

—Funeral services for the late Willard S. Higgins were held last Friday afternoon, with prayers at his late home on Brooks avenue, followed by the Masonic ritual at the Masonic building, in charge of Dalhousie Lodge, Rev. William H. Rider of Gloucester was the chaplain. The interment was at Newton Cemetery.

—The Epworth Musical Services of worship begin next Sunday evening at the Methodist Church. The artists are Mrs. Grace Lefle, mezzo contralto, Mr. Paul Shirley, viola d'amour, soloist, Mr. Theodore Cella, harpist, Miss Josephine Collier will assist at the organ. These artists are well known members of the Symphony Orchestra of Boston. The subject of the address by the Rev. Charles R. Ross will be the "Music of Righteousness."

Newton Centre

—Miss Florence Perry of Bracebridge road is home from Wheaton College for the Thanksgiving holidays.

—The total amount of war work accomplished by the Newton Centre branch of the Red Cross is as follows: knitted articles, 5550; sewed garments, 8,496; articles made by school children, 1,472; surgical dressings, 203,801.

—On Sunday, Dec. 7th, the young people of the Unitarian Church are to be entertained by Rev. and Mrs. Oscar B. Hawes at their home. Following the supper, they will be taken in automobiles to Tremont Theatre to hear the Rev. William L. Sullivan of New York.

—At the dinner at the Unitarian Church last Friday night, to those who served in the recent crisis in Boston, more than 150 were present. The dinner was given under the auspices of the Women's Alliance. After a word of greeting by Mrs. Hawes, Rev. Oscar B. Hawes spoke, followed by Mr. George Spaulding. Mr. Joel Metcalf of Winchester then told of his experiences at the Battle of the Marne, and Belleau Wood. His lecture was illustrated by the stereopticon.

—"Mr. Hickson and Spiritual Healing" will be the subject of an address in Trinity Church, Sunday evening at 7.15, by Rev. Edward T. Sullivan, rector of the church. Many people have been asking about Mr. Hickson's healing mission, and when he will return to Boston. The address will be an exposition of the principles which Mr. Hickson said govern his mission, and the methods he employs. Leaflets containing prayers for the sick will be given to those who desire them.

HEALEY-TRYDER

Miss Lauretta A. Tryder of Beacon street, Waban, and Mr. William H. Healey of Grove street, Newton Lower Falls, were married Thanksgiving afternoon at St. John's Church, Wellesley, by Rev. L. J. Knapp. Miss Esther Healey, sister of the groom, was bridesmaid and Mr. Lawrence Manning was best man. After a short wedding trip they will reside in their new home on Concord street, Newton Lower Falls, Mass.

West Newton

—Mr. and Mrs. George A. Frost of Chestnut street entertained at dinner on Monday evening.

—Mr. and Mrs. W. M. Bullivant of Mt. Vernon street have been entertaining relatives from New York.

—The Flower Mission Department of the West Newton W. C. T. U. is to hold a Silver Tea at the home of Mrs. De—Mr. and Mrs. E. E. Blodgett of Temple street entertained at dinner, followed by bridge on Saturday evening.

—Mrs. R. E. Ireson and Miss M. R. Richards of Boston are visiting Mr. and Mrs. G. A. Frost of Chestnut street.

—The first of a series of assemblies to be held at the Brae Burn Club for the young set was largely attended on Friday evening.

—In the recent drive to increase the membership of the Boston Chamber of Commerce, Mr. Jarvis Lamson of Temple street won first place with 61 applications.

—Rev. C. Walter Smith of Bridge-water, Mass., has accepted the call to the pastorate of the Lincoln Park Baptist Church, and will assume his duties on December 1, 1919.

—The wedding of Mr. Lucius G. Pratt of Highland street and Miss Margaret Haven of Brookline will take place tomorrow afternoon at the Church of Our Savior at Longwood.

—Mrs. Charles H. Gaw died Saturday at her home, 919 Watertown street, after an illness of several months. She is survived by a husband and one brother. Services were held at her late residence Thursday, followed by high mass of requiem at St. Bruna's Church. Burial was in Calvary cemetery.

—At the meeting of the Junior Parish of the Unitarian Church, Sunday evening, Miss Margaret McGill will speak on her experiences in France. Webster street next Tuesday from 2-6 P. M. The proceeds are to further the work of the department in sending flowers and delicacies to the sick and shut-ins. All are cordially invited to attend.

—Mr. and Mrs. Orris Wentworth Nelson of Lenox street will give a reception and tea on Dec. 13 at the Brae Burn Country Club to introduce their daughter, Miss Ruth Nelson. The pouters, all debutantes, will be in charge of Miss Mary Palmer of last season's Sewing Circle, and will include Miss Mary Adams, Miss Emily Barton, Miss Mary Barton, Miss Alva Brown, Miss Eleanor Goodwin, Miss Lucy Harding, Miss Mary Hartwell, Miss Rebekah Hobbs, Miss Katherine Parker, Miss Robinson, Miss Frances Stebbins, Miss Marion Stevens, Miss Ruth Taylor, Miss Louisa Weld, Miss Natalie Winslow and Miss Charlotte Richardson.

Funeral Designs

Newton Centre

—Mr. George Herlick of Ward street has returned from a week at Pocomasset.

—Miss Amy Sutherland of Cypress street has returned from a few days in Montpelier, Vt.

—Mr. Ralph Smalley of Cedar street is spending a few days with relatives in Provincetown.

—Miss Florence Houghton of Gibbs street is spending a few days with relatives in Acton.

—Mr. Charles Putnam of Long Island, N. Y., is the guest of his son of Grant avenue this week.

—Mr. Paul Dwinell of Saxonville is spending the rest of this week with friends on Warren street.

—Miss Louise Wheeler of Gray Cliff road is spending the holidays with friends in Franklin, N. H.

—Miss Eva Preston of Ballard street who has been ill at her home for the past week is able to be out.

—Mr. George Harris of Braeland avenue has returned to his home after a week's trip to Augusta, Me.

—Miss Julia Turner of Homer street has returned to her home after a week's trip to Portsmouth, N. H.

—Miss Jessie Kingwell of Homer street has gone to West Medway to spend the holiday and week end.

—Miss Lucy Barrows of Institution avenue has gone to Hartford, Conn., where she will stay until next week.

—Mr. Francis Donovan of Paul street is home from Dartmouth College for the Thanksgiving holidays.

—Mr. Morris Gray of Kingsbury road, Chestnut Hill, has closed his house and gone to Boston for the winter.

—Mr. Wayland Vaughan of Parker street came home from Yale College to attend the football game last Saturday.

—Mr. James D. Henderson has plans ready for a handsome new house at the corner of Homer and Cedar streets.

—Miss Ruth Taylor of Sumner street has returned to her home after spending the past month with friends in Troy, N. Y.

—Mr. Alan M. Groves of Parker street is home from Massachusetts Agricultural College for the Thanksgiving holidays.

—Mrs. Louis B. Harding and her daughter, Miss Lucy Harding of Chestnut hill are spending the holiday at West Point, N. Y.

—Last Sunday evening at the Methodist Church an interesting organ recital was given by Mr. Harris Shaw which was greatly enjoyed by all.

—Mrs. John Richardson will give a small dance in her home, on Hammond street, Chestnut Hill, on Dec. 13, for her debutante daughter, Miss Charlotte Richardson.

—On Sunday evening the first of a series of three meetings for all the young people of Newton Centre will be held in the chapel of the First Church next Sunday at 5.15. Supper will be served at 6.30. The speaker is the Rev. Ashley D. Leavitt, D.D., who will speak on "Jesus, the Master of Men." All young people are cordially invited.

—The young people of the First Baptist Church had a very merry time at the masquerade party held last week. Some of the gowns and hats of a former generation provoked much mirth. Many of the costumes were really very beautiful and the young wearers with their powdered hair etc., were quite picturesque. Miss Priscilla Fowle was chairman of the affair and was assisted by Mr. William M. Breed, Mrs. E. J. Harrington and others. Several new and old games were played and delicious refreshments were served.

—The Woman's Union of the First Baptist Church had a very successful meeting last Tuesday. It was an all day meeting. In the afternoon Mrs. W. M. Mick had charge of the program, with Mrs. W. J. Phelps, 1st Vice-President, presiding. Miss Helen Munro, recently returned from Japan, gave a most interesting talk about conditions in Japan in general, and especially about the Mary L. Colby school near Yokohama, in which the Newton Centre Baptists are especially interested. She had a large exhibit of photographs, dolls, dressed as the Japanese kindergarten children are dressed, etc., to add further interest in her subject. Miss Marion Haskell sang, giving by special request a beautiful cradle hymn, an old sacred lullaby written in 1649. Miss Louise Paine gave current events, telling of the more recent happenings in the Foreign and Home Mission fields. There was a good attendance.

K. OF C. FOOTBALL

The Watertown and Newton councils of the Knights of Columbus met in a fast football game at Claffin field yesterday, Watertown winning 7 to 0. The game was played on a bad field and on slippery footing.

Lawrence Mitchell, the old Newton High star, played the best individual game at center and time and time again opened a hole for Pierotti, the Newton quarterback, to make good gains. The last period was played in almost pitch darkness.

Hail of the Mariners.

It is said that it is customary for every English Christian sailor to hall an companion English vessel with the words, "494, sir." Immediately the reply is received, "6 farther on." The meaning of the signal is that in the sailor's hymnbook, 494 is Fanny Crosby's hymn, "Blessed Assurance, Jesus Is Mine," and 6 farther on, or No. 500, is "God Be With You 'Till We Meet Again."—The Christian Herald.

Still in Wild State.

The neighbor's little boy came to play with baby Carol. After trying to play with her a while without much success he exclaimed, "Well, she isn't very tame, is she?"

CHANCE FOR COAL EXCHANGE

Britain Has Too Much Anthracite and New York Has a Surplus of Bituminous.

In England the coal controller is trying to induce the people to burn anthracite in place of bituminous coal. He offers to exchange two tons of large anthracite for every ton of bituminous coal that consumers have on hand. In the eastern United States the fuel administration has been trying to get consumers to use bituminous coal in place of anthracite. Welsh anthracite mines are operating on part time, while English and Welsh bituminous coal mines are working overtime, says the New York Commercial.

This would be a fine chance for exchange of products if shipping were available, and it soon will be. New York city needs anthracite and can get a surplus of bituminous coal. England needs the latter and can spare the former. In England most of the people do not know how to burn anthracite. New Yorkers are ignorant of the way to use bituminous coal. The English persist in using open grates for heating rooms, and find it hard to make anthracite burn in them. In New York the open grate is found only in the homes of the wealthy. England shivers with plenty of anthracite in sight, while New York is threatened with a famine of domestic sizes of anthracite. Each regards the other as pig-headed because neither knows how to use the fuel available. It's an odd world.

WELCOME DEATH'S COLD HAND

Little Wonder That Men Who Realize Their Appalling Loneliness Should End It All.

Alone. Not a living soul near to whom to speak. Forsaken it seems almost by God, whose presence scarce can penetrate the confused jungle of the city slums. Alone and penniless, with none to know or care. It is a harder lot by far than death. What wonder that men die?

Alone—with bitter thoughts of failure crowding through the interstices of a sluggish brain. Alone—with not even two coins to rub in warming friction, clammy hands thrust into empty pockets. It is hard to live and doubly hard to die. What wonder that men kill that breathing, pulsing thing within we call life? What wonder that men pass by their own hand from living death to deathless living?

They come and stay with us a while—and pass, defying God and man, themselves defied. And only they whose hearts beat with a richer, warmer, redder blood will understand.—Milwaukee Journal.

Patti's Beauty Vanishes.

According to a writer in Everybody's Magazine, "Patti lives, not only in our hearts, but really, in the flesh, at the age of seventy-six, in her magnificent castle of Craig-y-Nos, ten miles north of Swansea, in South Wales, on which she has spent quite half a million. She lives there with her third husband, Baron Cederstrom, and sometimes, when they feel inclined, they throw open their theater, a replica of the Balreuth theater, to the countryside and give one of the operas in which Patti once thrilled the world. Until recently Patti was even sometimes prevailed upon to appear at Albert hall in London for the benefit of some charity, but her beauty is quite gone—it vanished far earlier than her voice—and so for the most part she is happiest in her Welsh fastnesses among the neighbors, who will always call her the 'Queen of Wales.'"

Dutch Select Wireless Site.

The site for the wireless station intended for communication between the Netherlands and the Dutch East Indies has finally been decided on. The Koelberg hill, which is 86 meters high and located in Hoog-Buorlo, near Apeldoorn, was selected, according to the Scientific American.

A new railway line will be constructed from Kaatwyk. The station is to have four towers, each 210 meters high, a large power house and building for housing the operatives. The communicating station in India is to be built near Bandoeng in the Preanger, so that the distance between the two stations will be some 11,000 kilometers.

Ancient Rock Engravings.

The prehistoric art museum lately revealed in Montesqui-Avantes, Arleigne, southern France, contains rock engravings estimated to be 30,000 years old. Continuing the exploration interrupted by the war, Count Begouen and his three sons discovered on the inner walls of the cavern a bas relief of a real lion, with numerous figures of reindeers, bisons, horses, bears, elephants, rhinoceroses, and such birds as ducks and swans. Strangest of all is a silhouette of a powerful man, with thick neck, distinctly human limbs, feet and hands, and a tail, and represented walking on all fours.

Prepare for Another Day.

Prepare today for the morrow. It is the only way to advance rapidly and with success. He best succeeds who, in advance to demand, knows his abilities and shortcomings, who is able best to estimate his capacity for production, mental or physical. Prepare incessantly for promotion, and promotion must come. Neglect to prepare for the future, and there will be no future. It is such neglect that has spelled stagnation for millions in the past, that will spell stagnation for millions in the future.—Milwaukee Journal.

AMBITIOUS YOUNG WOMEN, BETWEEN 17 AND 20 YEARS OF AGE, SHOULD APPLY AT OUR EMPLOYMENT OFFICE IMMEDIATELY IF INTERESTED IN WORK BETWEEN NOW AND CHRISTMAS. EXPERIENCE NOT ESSENTIAL UNDER OUR TRAINING SYSTEM; MOTHERS ARE INVITED TO ACCOMPANY THEIR DAUGHTERS TO INSPECT OUR WORKING CONDITIONS AND WAGE SCHEDULE.

Every Christmas we add to our force of employees a number of young and ambitious grammar school graduates who live at home and have pleasant personalities. Many of them are college students, while others are young women anxious to try their hand at temporary store work to see if they want to embark permanently on a career that offers almost unlimited future for women in business. After Christmas there will be a number of permanent positions open which will be offered to those who have shown exceptional ability. Apply in person at our 7th floor Employment Office, between 9 and 5.30 immediately.

Strike On, But No Trouble

WOMEN'S CLUBS

GRACE M. BURT, Editor.

How would you have liked to have had your Thanksgiving dinner sent in from a Community Kitchen? Does it sound like a Utopian dream? Perhaps, yet not more so than the thought of bread, pies, cake, from the baker's, milk, cream, butter from a general dairy, did to the farmer's wife of a generation ago. Already the Community Kitchen is an established fact in New York city, in Evanston, Ill., and the experiment is being tried as near home as Brookline.

The scarcity of help the country over is arousing women to think of this matter and work at it until it is safe to say that the day is not far distant when it will become a factor in many homes, as much a matter of course, as the electric washing machine, the vacuum cleaner and such labor saving devices. It is true the expense will bar many whose incomes do not permit of hired servants at any time, but for those who always have employed at least one servant and today are doing without merely because there are none to be had, to those it will be a great boon. What are the advantages of having a meal sent in over dining out? All the advantages of living in one's own home over living in a boarding house—the preserving of the home life, which today more than anywhere else centers around the home table. Yet, is it so maintained in the home where the wife spends a large proportion of the afternoon preparing the dinner and a part of the meal hour in the kitchen serving it and then sits down to her tired, hot and in no condition to digest it properly. These are points worth considering when figuring the expense. A careful study of the budget will show that many can afford this new and up-to-date method of living, who might otherwise think it impossible. That something of the kind may happen in Newton is not improbable, for one club, the Community Club, has already been studying the problem, the Newton Federation has been asked to investigate it and there are even now many women to whom its desirability appeals.

Local Announcements

The Newton Highlands C. L. S. C. will meet with Mrs. W. T. Logan on Monday, Dec. 1st. Mrs. Sanford E. Thompson will review Herbert Croly's "Progressive Democracy."

Mrs. C. D. Miller of Lakewood road will be hostess for the meeting of the Monday Club of Newton Highlands on Dec. 1st.

On Monday afternoon the Newton Mothers' Club will hold its regular meeting with Mrs. George F. Schrafft of Kirkstall road, Newtonville. There will be a musical program.

"Uncle Sam's Immigration Sieve," is the subject of the lecture to be given by Feri F. Weiss before the Woman's Club of Newton Upper Falls next Monday evening. Mr. Weiss has been special agent of the United States Department of Justice since 1917. Previous to that time he was for fourteen years United States Immigration Inspector.

In place of the customary afternoon meeting the Waban Woman's Club will have its annual Guest Night on Monday, Dec. 1st, at the Neighborhood Club House. Mr. Donald MacMillan will give an illustrated lecture on "The Riddle of the Arctic."

ATTENDANTS WANTED

The Household Nursing Association offers a six months' course of training as attendants to women of grammar school education. Older women accepted.

Steady employment assured on completion of course.
Apply at 544 Massachusetts Avenue, Boston.

The annual play of the Newtonville Woman's Club takes place Dec. 2nd, there being performances both afternoon and evening. "Behind a Watteau Picture," a fantasy in verse in one act written by Prof. R. E. Rogers of the Massachusetts Institute of Technology, is a beautiful and unusual conception and is sure to please the members of the club and their friends. The cast, well chosen and suited to their parts, has been working hard to bring the beautiful poetry of the lines to everyone who is so fortunate to witness the first production of Mr. Rogers' play given in or around Boston. Mrs. F. E. Mann is manager for the play.

On Wednesday morning the Social Science Club will hold a short business meeting. At 10.30 Stanton King will speak of The Sailors' Haven at Charlestown. Guests may be invited. Mrs. William R. Dewey opens her home the same afternoon from three-thirty to five-thirty for the annual reception of the club.

The Bird Class of the Community Club will hold its first meeting on December 3rd at 3 o'clock at the home of the leader, Miss Margaret Tucker, 206 Church street, Newton. The purpose of this meeting is to give the members suggestions for individual out-door study of birds through the winter, preparatory to the bird walks which the class will take in the spring. The feeding of winter birds will be discussed. Miss Tucker will have some bird specimens and pictures for illustration of her talk and will have some of the best books for use in bird study.

Prof. Blakeslee's Current Events lecture under the auspices of the Community Club will take place at the Hunnewell Club on Thursday, December 4th, at 3 o'clock.

—The Newton Ladies' Home Circle meets on Thursday, Dec. 4, at 2 P. M. in G. A. R. hall, Newtonville.

"Experiences as Art Director in Motion Picture Production during the War," will be given by Miss Amy M. Sacker under the auspices of the Art department of the Newton Centre Woman's Club at the meeting on Thursday, Dec. 11, at 10 o'clock. Miss Sacker has recently returned from California where she was interested in patriotic propaganda which was introduced into Motion Pictures.

The meeting of the Conservation Class on Friday, Dec. 5, at 10 o'clock at the Hunnewell Club, will be a most important one, as the subject to be discussed is fundamental to an understanding of all which follows. Further details will be found below under the account of the last meeting.

At the meeting of the Newton Highlands Shakespeare Club at the home of Mrs. W. E. Moore on Saturday, December 6th, at 8 o'clock, Miss Sacker will be in charge of the quiz. The afternoon will be devoted to a review of King John.

Local Happenings

At the opening meeting of the Current Events class of the Newtonville Woman's Club, Mrs. J. Harry Poole, the new leader, outlined the general purpose of her course for the winter and then discussed the labor problem of today with its various ramifications, devoting considerable time to the coal strike, and also to the League and the Treaty. Discussion followed. The enthusiasm of the audience was expressed by an unusually large sale of tickets for the course.

A new feature of a number of the meetings of the Auburndale Woman's Club for this season is the presentation by a club member of current events, a book review or current legislation. At the meeting on Tuesday at the Methodist parish house Mrs. H. H. Longfellow gave a resume of current events. The rest of the program for the afternoon included four original monologues by Ellen Douglas Deland, "The Entertainer," "The Drive," "Christmas Shopping," and "Dinner at No. 80" and songs by Miss Marion Harper. Mrs. Glaser accompanying her. The monologues were delightful.

fully human and most entertaining, while Miss Harper's songs were exceptionally charming, her voice being unusually sweet and of a wonderfully wide range, her personality, too, is very pleasing.

At the Conservation Class last Friday was begun the general subject of "The Reforestation of Massachusetts, —Why and How?" The special phase first taken up was the wood-manufacturing industries of the state—chairs, matches, toys, etc.—their significance each to its own community, to the state as a whole, and to every individual.

Massachusetts contains five million acres of land divided roughly into three classes: Agricultural and population area, two million acres; two million more or less productive woodland constantly drawn upon for wood industries and general use, with little attempt at systematic reproduction and and thus tending to degenerate into a third class, one million acres of almost totally unproductive land mostly unfit for agriculture, but of great value for wood culture. This land is usually a burden to the state and the community because besides being useless, it yields no revenue in taxes proportionate to public expense for necessary protection from fire, insects, etc., and for highways and other public utilities which must be maintained.

Three alternatives lie before a wood-manufacturing plant when it has used up all the available local supplies:—Go out of business; remove to some other part of the state or to another state; or import its material from outside the state, perhaps 1000 miles or even across the continent. All these conditions mean both that our woodlands are being constantly depleted and added to the class of idle land, and also that the cost of wood and everything made of wood is rising alarmingly. If we stop to think there is hardly anything with which we have to do whether in so often forgotten, that the cost of wood and everything made of wood or in the making of which wood is concerned—such cost is rising alarmingly. This is obvious enough when we build or repair a board, but is not always recognized in subtler ways. For hardly anything we have to do with, whether in so-called practical life of in culture, art, pleasure, or even "spiritual" things but wood has had its part, and often a large one, in the final result, and therefore in the ultimate cost not merely of just living but of the enjoyment and usefulness of life.

The obvious remedy is to produce everywhere adequate local wood supplies. But how do it? What are the hindrances and discouragements which have thus far in this country proved insuperable? What are the methods by which they may be overcome?

This is the subject of the class at its next meeting, Dec. 5th.

The following questions were given to the class to answer at the next meeting:

- 1.—Why should forests be counted a permanent natural resource more than other indispensable products, as, for example, the grains?
- 2.—What are among the most important woods, somewhat in order of importance, and for what used?
- 3.—What are some of the weed trees? Why "weed"? Why or under what circumstances do they come up rather than valuable species?

The Auburndale Mother's Association meeting which will be held Wednesday afternoon, Dec. 3, at 3.00 P. M., in the Congregational Chapel, will be a fireside meeting with the Foreign Missionary Society. "Other Mothers and their problems" and "Christmas Customs in other lands" will be presented in costume. There will also be special music. A social hour with tea will follow.

SADLER—MURNAGHAN

On last Tuesday morning at eight o'clock at the Church of Our Lady, Miss Bridget A. Murnaghan, daughter of Mrs. Margaret C. Murnaghan, of Cook street, Newton, was married to Mr. Lionel J. Sadler, of Park street, Newton. The ceremony was performed by Rev. Lawrence W. Slattery, pastor of the church, who also celebrated the nuptial mass which followed.

The bride wore a traveling suit of blue velvet and a black velvet picture hat. She carried a shower bouquet of white Killarney roses.

The bridesmaid, Miss Helen Murnaghan, sister of the bride, wore a suit of brown velvet, and a brown velvet hat. She carried pink Killarney roses. The best man was Mr. John J. Stackhouse, of West Roxbury, a cousin of the bride.

Mr. Joseph H. Gildea, a cousin of the bride, presided at the organ.

The wedding breakfast was served at the United States Hotel, Boston, after which the happy couple left on a wedding trip to New York.

Mr. and Mrs. Sadler will be at home after December 15, at 23 Cook street, Newton.

BALL AT COPLEY-PLAZA

The ball to be given at the Copley-Plaza tomorrow evening, by Mrs. Helen W. Bowers, of Brookline, promises to be a brilliant event. A large number of Newton society people have subscribed and many diners are to be given before the dance. Among the patronesses are Mrs. Arthur T. Safford and Mrs. Robert H. Gross, of West Newton.

PROBATE COURT.

To the heirs-at-law, next of kin, and
all other persons interested in the
estate of Richard Webster late of
Newton in said County, deceased.

WHEREAS, a certain instrument
purporting to be the last will and tes-
tament of said deceased has been pre-
sented to said Court, for Probate, by
Helen Blanchard Webster who prays
that letters testamentary may be is-
sued to her, the executrix therein
named, without giving a surety on her
official bond.

You are hereby cited to appear at
a Probate Court to be held at
Cambridge in said County of Middle-
sex, on the second day of December
A.D. 1919, at nine o'clock in the fore-
noon, to show cause, if any you have,
why the same should not be granted.

And said petitioner is hereby direct-
ed to give public notice thereof, by
publishing this citation once in each
week, for three successive weeks, in
the Newton Graphic a newspaper pub-
lished in Newton in said County, to be
one day, at least, before said
Court, and by mailing postpaid, or de-
livering a copy of this citation to all
known persons interested in the es-
tate, seven days at least before said
Court.

Witness, Charles J. McIntire, Es-
quire, First Judge of said Court, this
twelfth day of November in the year
one thousand nine hundred and nine-
teen.

F. M. ESTY, Register.

Nov. 14-21-28.

Notice Is Hereby Given, that the sub-
scriber has been duly appointed execu-
trix of the will of Oscar W. Walker
late of Newton in the County of Middle-
sex, deceased, testate, and has
taken upon herself that trust by giv-
ing bond, as the law directs. All per-
sons having demands upon the estate
of said deceased are hereby required
to exhibit the same; and all persons
indebted to said estate are called upon
to make payment to

NELLIE R. WALKER, Executrix.

NEWS ABOUT FLOUR

Flour Production. In the four and
one-half months the mills of the
United States have produced 55,571,-
000 barrels of flour, against the same
period last year, 45,708,000 barrels of
flour. That is, the mill production of
four and one-half months has exceed-
ed last year's record by almost 10,-
000,000 barrels, while flour exports
have been almost identical. This in-
dicates, either that the people of the
United States are eating flour and
bread at a greatly expanded ratio, or
else that the invisible stocks of flour
in the United States are increasing
rapidly. Probably the truth lies be-
tween the two, and that there has
been an expansion of bread consump-
tion, (which is distinctly in the na-
tional interest because bread is still
the cheapest food and replaces nec-
essarily higher priced foods), and
also there is possibly an enlargement
of domestic flour stocks. This latter
phase may even have bordered on
four hoarding, as a great many irre-
ponsible stories have circulated to
the effect that flour will be scarce,
which a study of the figures of wheat
supply does not indicate, and that
there is contemplated the putting into
use of substitute and war flours.

Retail Flour Situation. The partial
crop failure in the Northwestern
States, where is grown the strong
wheat of the United States, has given
this year a premium, because of its
scarcity, to that quality of wheat.
Coincidentally with the relative scar-
city of strong wheats, (which made
more loaves to the barrel of flour)
the people of the United States have
undoubtedly increased the bakery
trade as against the household con-
sumption. There is a real reason
why the baker should prefer a flour
which makes more loaves of bread to
the barrel, but the same reason does
not maintain in household use.

Price Advances. It is interesting to
note that the raw material raised by
the producer—wheat—advanced to
June, 1919 from the level of 1913, 166
per cent. In the same period, the
semi-manufactured product, flour,
handled by the wholesaler, advanced
127 per cent.; and the finished prod-
uct, as handled by the baker, bread,
reaching the consumer, advanced 74
per cent.

ERICKSON—BARTLETT

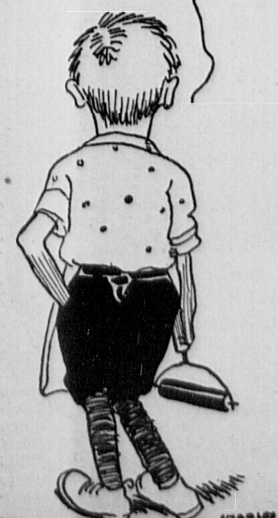

Miss Elizabeth Weston Bartlett, the
daughter of Mr. and Mrs. Ralph W.
Bartlett of Arlington street, Newton,
was married at noon Thanksgiving
Day to Mr. Hector C. Erickson of Chi-
cago and New York. The ceremony
was performed in the Unitarian
Church at Billerica, by its pastor,
Rev. William L. Walsh, and was at-
tended by the family and immediate
relatives.

The bride was gowned in a taupe
velour travelling suit, trimmed with
opossum fur and she wore a small
turquoise blue picture hat.

After a wedding trip thru the South
Mr. and Mrs. Erickson will reside at
the Vanderbilt Hotel, New York City
where they will be at home after
March first.

THE RADIANTFIRE

A demonstration of unusual timeli-
ness and interest is now in progress
at the office of the Newton & Water-
town Gas Light Company, 308 Wash-
ington street, Newton where Mr.
Davis, special representative of the
makers is demonstrating the Radiant-
fire Perfect Gas Heater every after-
noon, or will call by appointment any
morning or evening. The Radiantfire
is the most marvelous heating appli-
ance in the world, being absolutely
odorless and economical to operate.
Call if you can, or phone Newton
North 980. It will pay you. Advt.

BOWLING CLUB AT BACHRACH STUDIO

The men of the Louis Fabian Bach-
rach Studio have formed two bowling
teams which meet at the Y. M. C. A.
every Wednesday evening. The first
game of the series was played Nov.
19. The score was 4-0 in favor of the
second team.

The highest score was won by Mr.
Horace Pierce of Boston who rolled a
total of 322, with a high single of 132.
Frank Michelson of Worcester came
second with a high single of 116.

Probate Court.
To all persons who are or may become interested in the estate hereinafter mentioned, held in trust under the will of Job A. Turner late of Newton in the County of Middlesex, and to all persons whose issue not now in being may become so interested:

WHEREAS, Frederic A. Turner and Albion B. Turner the surviving trustees under said will have presented to said Court their petition praying that they may be authorized to sell, either at public or private sale, certain real estate held by them as such trustees situated in Boston in the County of Suffolk, and particularly described in said petition, for the reasons therein set forth.

You are hereby cited to appear at a Probate Court to be held at Cambridge, in said County of Middlesex, on the first day of December A.D. 1919, at nine o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.

And said petitioners are ordered to serve this citation by delivering a copy thereof to each person interested in the estate fourteen days, at least, before said Court, or by publishing the same once in each week, for three successive weeks, in the Newton Graphic a newspaper published in Newton the last publication to be one day, at least, before said Court.

Witness, Charles J. McIntire, Esquire, First Judge of said Court, this twelfth day of November in the year one thousand nine hundred and nineteen.

FUNERAL OF REV. LYMAN H. MORSE

Rev. Lyman H. Morse, who died suddenly at Jamestown, R. I., a few days ago, was buried Saturday afternoon in the family lot in Newton Cemetery. Funeral services earlier were held at 21 Morseland avenue, Newton Centre, at which Professor John M. English of the Newton Theological Institution, and now acting pastor of the First Baptist Church, Newton Centre, was the officiating clergyman. There was no music. Many clergymen and theological professors were among those in attendance.

FEDERAL Electrical Contractors Household Appliances

on the subject of shortbread, so popular with Scotch and English folk.

"But, good as was the old-fashioned kind," remarked our hostess, "it was so extremely rich that the heavy taste lingered long after eating."

"Well," said Detsy, "there's nothing like that about the shortbread we have at our house—Lorna Doone Biscuit. It's just the right thing, and ready to serve, any time."

"I was talking to mother about them only the other day," says that Lorna Doone, "and all the appetizing, fashionable, good-tasting, sweet, crisp, and delicious."

Baking note: The perfect shortbread is mealy, crumbly and not over-rich. Add to all this a wonderful flavor, developed by scientific baking, and you have LORNA DOONE Biscuit, which comes all ready to serve, by the pound or in the famous In-er-seal Trade Mark package. The name LORNA DOONE is on every biscuit.

DON'T BE FOOLED

In fighting the magazine zone rates the publishers' trust does so under guise that it places a tax on intelligence and the dissemination of news matter. This is a misconstruction of the facts. The zone rates on second-class mail matter only apply to the advertising or commercial sections of the publications for which the publishers get several hundred dollars a page and in many instances several thousand dollars a page. All this has been possible simply because they were able to build up tremendous circulations at the expense of other patrons of the postal service.

When advertising was carried at a flat rate of postage it made it mighty hard for the struggling local paper to exist and the small-town merchant to compete with the great mail-order houses of the city.

If this zone rate on advertising remains a law the people residing in the local communities are bound to feel the favorable effects before very long. It is to be hoped that the general users of the mails will finally realize the significance of the magazine zone rates and prevail upon their members of Congress not to allow the law to be repealed.

AUBURNDALE CLUB LADIES' NIGHT

The first Ladies' Night at the Assembly Hall last Saturday evening was enjoyed by a large and enthusiastic gathering of members and friends, an unusual program was rendered by the Misses French and Misses Clarke, of Boston, four young ladies of exceptional musical and dramatic ability known as the "Musical Four." A group of vocal and instrumental selections were followed by a number of unique Chinese character songs in costume which were greatly appreciated.

Refreshments and dancing followed the entertainment with music by the ever popular Knight's Orchestra. The club rooms being open for inspection, some of the ladies availed themselves of the opportunity of trying their skill at bowling with surprisingly good results.

REAL ESTATE NEWS

John T. Burns & Sons report that they sold for Sarah F. Ivy, two lots of land on Fairmont avenue, Newton. Both lots contain 48,000 sq. ft. and are valued at \$11,000. L. C. Hungerford was the purchaser.

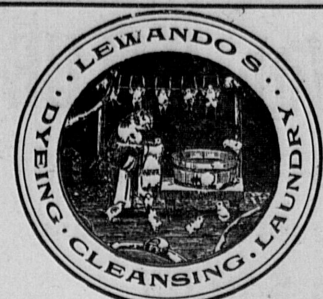

Burns & Sons have also sold the single frame house located at 1471 Centre street, corner Allerton road, Newton Highlands. With the house there is a frame garage and 9,000 feet of land. The total valuation of the same is \$8,500. C. C. Brown conveys to Willa E. Tolles for occupancy.

John T. Burns & Sons have also sold to Fred T. Dacey a lot of land on Hammondswood road, Chestnut Hill, containing 8,598 square feet. Florence A. Proctor gives title. The value of the land is \$2,000.

John T. Burns have also sold the two family, frame house located at No. 260-262 Lake avenue, Newton Highlands. With the house, there are 10,000 square feet of land and the total valuation is \$12,000. Eva May MacLean conveys to Albertus H. Forrist, who buys for home and investment.

Burns & Sons have also sold for Robert G. Jones a lot of land on Mason road, corner Cedar street, Newton Centre. This lot contains 8,500 square feet and is valued at \$2,500. William F. Murray, the purchaser, intends to erect at once a brick, colonial home. All the above sales were negotiated through the Burns Agency.

—Mrs. M. E. Peters, of Prince street has closed her house for the winter.

—The property at 37 Perkins street has been sold to Mr. W. T. Hall, who will occupy.

—Mr. Bernard Farrell has moved from 1358 Washington street to 23 Davis street.

—Mr. Martin Gannon of Davis street has moved into his new house, on Adella avenue.

—Mrs. Krollinger of Webster street who has returned from the hospital recently is improving rapidly in health.

—Mr. Harry L. Ayer of Prince street is chairman of the dinner committee just appointed by the Mass. Golf Association.

—Rev. J. Edgar Park of Winthrop street was the speaker at the Monday Night Meeting of the Freshman Class at Harvard this week.

—Horace Cole of Andover, and Richard Cole of Williams spent the Thanksgiving recess at their home on Somerset road.

—Tuesday afternoon the Ladies' Aid of the First Unitarian Church met at the parish house to work on the vestments for the recently organized Sunday School Choir.

—On Thanksgiving Mrs. Arthur Howard of Prince street entertained several friends of her daughter, Marjorie, who returned from Vassar College for the Thanksgiving recess.

—At the Fair last Thursday held at the Unitarian Church over \$2,000 was realized. The money is to be used for the benevolences connected with the Ladies' Aid, and the Alliance.

—On Tuesday the regular monthly meeting of the Women's Alliance was held at the Parish House of First Unitarian Church. Mrs. James P. Tolman spoke on "Some Missionary Opportunities."

—With present sky high prices on all magazines, let us quote you figures on renewing your present magazine subscriptions or on adding new ones to your list. Tel. Newton North 18 for prices.

—About December 1st Rev. J. Edgar Park will publish a whimsical Christmas story called, "The Return of Our Boys." The proceeds of its sale will be devoted to the fund of the Second Church.

—The construction of a Baptismal Font for the Second Church has been undertaken by Miss Lillian Link, a New York sculptress. It is to be made of Champagne marble and will be ready for Children's Day, 1920.

—During the week November 30-December 5 of special Unitarian services in Boston, the First Unitarian Church will hold a service on Friday evening, Dec. 5th, at which the Rev. Dr. Samuel M. Crothers will preach.

—Miss Lucy Allen assisted by Miss Margaret Haskell entertained the Journey Club at her home, Monday afternoon. Mrs. Haskell of St. Louis gave Barrie's "Quality Street" delightfully. Over seventy were present.

DOUBLE WEDDING

An event of most unusual interest was the double wedding last Saturday night of Miss Jeannette E. Burns and Miss Mary Agnes Burns, the daughters of Mr. and Mrs. John T. Burns of Newton. Miss Jeannette Burns was married to Mr. Edgar Williams of Williamsport, Pa., and Miss Mary Burns to Mr. George Wallace Odell of Stratham, N. H.

The wedding took place at seven o'clock at the Church of Our Lady, the ceremony being performed by the pastor, Rev. Lawrence W. Slattery.

Miss Jeannette Burns was married first, her sister, Miss Mary Burns being her maid of honor, while at the marriage of Miss Mary Burns, Mrs. Jeannette Burns Williams was the matron of honor.

Mr. Odell acted as best man for Mr. Williams, and Mr. Williams served in the same capacity for Mr. Odell.

The brides were gown'd alike in white satin with pearl trimming, and trains hanging from the shoulders. Dorothy Burns of Newtonville, a niece of the brides was the flower girl.

A largely attended reception followed at the Burns home on Jefferson street, which was beautifully and artistically decorated by Cotton with roses, pink, smilax, ferns and other flowering plants. Electric lights placed among the flowers added greatly to the beautiful effects.

The ushers were Messrs. Thomas H. Burns, Carl G. Burns, and Joseph Waters of Newton, Louis Odell and Horace Odell of Stratham, N. H. and John Harris of Stoughton.

The bride couples were assisted in receiving by Mr. and Mrs. John T. Burns and Mrs. Lillian Odell.

After a wedding trip to New York and Atlantic City, Mr. and Mrs. Odell will make their home at 84 Charlesbank road, Newton and Mr. and Mrs. Williams will reside at 674 First avenue, Williamsport, Pa.

CENTRAL SQUARE THEATRE

How Judith Rutledge's idealistic conception of life in the great cities was sent crashing on the rocks of a harsh reality is the theme of "Her Kingdom of Dreams," starring Anita Stewart and which will be seen at Gordon's Cambridge Central Square Theatre Monday, Tuesday and Wednesday.

There will also be five big vaudeville acts—all stars—headed by A. Seymour Brown, America's great song writer and company of ten Funsters in a complete musical comedy act, "Pardon Me"; Barrette, a versatile specialty; Gertrude Dudley in Class and Jazz; McNally-Dinus and DeWoolfe in "Making Good"; and Dolly's Pets a treat for the kiddies.

There will be an entire change of program Thursday, Friday and Saturday with new vaudeville and photoplays headed by Douglas Fairbanks in "His Majesty, the American."

W. C. T. U.

The Newton W. C. T. U. will meet Thursday, Dec. 4, at 2:30 P.M., with Mrs. Lewis, 57 Hyde street, Newton Highlands, speaker, Mrs. Alice Rice Carroll, Topic, "The Influence of the Motion Pictures in the Community." Come and bring a friend with you.

Newton

—The Hall Block in Nonantum, has been sold to E. F. Chaffee.

—Telephone MacLean, 725 or 2654-M North, for anything in the carpenter line.

—The Sarafian Estate, 230 Bellevue street, has been sold to A. and Davis.

—Mr. and Mrs. H. E. Damon of Franklin street have moved to Short Hills, N. J.

—Hudson's Head Cold Remedy contains no quinine. Made since 1876. Best for fresh colds.

—Mr. and Mrs. Francis B. Shuster of Tremont street are receiving congratulations on the birth of a son.

—Mr. Abram B. Fox of Nonantum is one of the incorporators in the recently organized Rapids Furniture Co., Inc. of Boston.

—Mr. B. Frank Hallett, who died suddenly last Friday in New York, was a brother of Miss Louise Hallett of Centre street.

—On Tuesday evening the Lotus Male Quartet assisted by Miss Ethel Hinton, gave a very successful concert at the Baptist Church.

—Mrs. Mary Murphy a former resident of this city died last week Thursday at the home of her daughter, Mrs. Frank H. Bernard in Allston.

—The United Choirs of Grace Church, Newton will sing the "Forty-sixth Psalm," by Buck, on Sunday evening, November 30th, at 7:30, with piano and organ accompaniment.

—Sunday evening at 7:30 Buck's "Forty-sixth Psalm" will be rendered by the choir of Grace Church. The Rev. Laurens MacLure will give the fifth lecture of "The Commandments."

—With present sky high prices on all magazines, let us quote you figures on renewing your present magazine subscriptions or on adding new ones to your list. Tel. Newton North 18 for prices.

—Owing to the great appreciation shown by the community of the series of musical services which are being held at the Methodist Church on Sunday evenings, it has been decided to continue these services for four weeks longer.

—The week Dec. 7-14 marks an important period in Baptist Churches. This week is known as "Christian Enlightenment Week" and is the time when members of the Baptist Churches pledge their support to advance God's Kingdom in the world.

—Franklin E. Bancroft of Oakleigh road was with the International Trade Commission in its recent visit in Boston, joining them in Rochester, N. Y. and accompanying them on their special train to Boston. Mr. Bancroft was the representative of the Boston Chamber of Commerce.

—The Social Club of the Louis Fabian Bachrach Studio of Newton held a bowling party at the Strand Alleys, Watertown on Tuesday night of last week. This was the first of many entertainments scheduled by the club for the coming winter. About fifty members and their friends were present.

—Perhaps one of the most looked for days in the month for the L. F. Bachrach employees is the day when the POD is due. The POD is a little monthly pamphlet issued by Mr. Bachrach and edited by Miss Helen Kent of Newton, giving in a small way all the news from the different Bachrach studios.

—On Tuesday at the annual feast of ingathering of the Women's Association of Eliot church Miss Mary Wilcox gave a most stirring address on "Americanization." Miss Louise K. Brown sang two solos, accompanied by Mrs. James E. Clark, and the Eliot Guild served tea. The Thank Offering was divided between Home and Foreign Missions.

—In keeping with the other Unitarian Churches Channing Church will hold special services during the week of Nov. 30-December 7. On Sunday, Nov. 30, the Rev. Maxwell Savage of Worcester will speak, on Tuesday night, Rev. Christopher Eliot of Bulfinch place, on Thursday, Rev. Miles Hanson of Roxbury, and on Friday, the Rev. Charles W. Casson, On Dec. 7th the Rev. William L. Sullivan will speak at Tremont Theatre, and on December 14, the Rev. Dr. Samuel M. Crothers will speak at Tremont Theatre.

Newton Highlands

—Mr. P. E. Walker has removed from 30 Floral street to 16 Dickerman road.

—Miss Katherine Kingman and Miss Phyllis Coombs of Wheaton College are at home for Thanksgiving.

—Robert Lingham and Holden Whittemore of Massachusetts Agricultural College are spending the holiday with their parents.

—Miss Bessie Noble of Lincoln street is one of the prize winners in the Boston Traveler short story contest open to high school pupils.

—The young people of the Congregational Church are about to organize a Young People's League. A nominating committee has already been chosen.

—With present sky high prices on all magazines, let us quote you figures on renewing your present magazine subscriptions or on adding new ones to your list. Tel. Newton North 18 for prices.

—The Men's Club of the Congregational Church will meet next Thursday in the vestry of the church. The speaker of the evening will deal with the problem of clothing from the point of view of the dealer. Community singing will be a feature of the evening.

—Six violins are greatly needed by the branch of the West Newton Music School at the Hyde School. Miss M. E. Blake is in charge of the work, and any one having a violin or wishing to contribute towards the cost of purchasing one or more is asked to telephone N. S. 494-M.

—Last Sunday Mr. and Mrs. Clarence H. Lingham entertained the young people of the Congregational Church in the church parlors. Mr. Pendleton spoke on "Self-Control" and a most enjoyable hour was spent. Next Sunday Mr. and Mrs. G. Marsden Griswold will entertain the young people at their home on Columbus street. There will be a speaker from overseas.

Newtonville

—Charles Farley, pianos, Puritan phonographs. Tel. N. N. 3044-M. Advt.

—Mr. E. A. Wilkie has closed his house, 288 Mill street for the winter.

—The many friends of Miss Bertha Miller will be glad to learn that she is recovering from her recent illness.

—Miss Abigail Leete was a member of the cast which presented an original play at Mt. Holyoke college last week.

—The Red Cross workrooms will be open on Fridays instead of Thursdays, this week and next, then on Thursdays until the work is finished.

—The Misses Miller of Woodside road attended the Harvard-Yale game, and entertained over the week-end, Miss Helen Carroll of Smith College, and Mr. Charles Carroll of Yale College.

—Beginning the first Sunday in December there will be a men's forum in the Methodist Church at noon. Interesting debates led by well-known people are planned. The public is invited.

—With present sky high prices on all magazines, let us quote you figures on renewing your present magazine subscriptions or on adding new ones to your list. Tel. Newton North 18 for prices.

—Announcement is made by Mr. and Mrs. Wendell C. Hatch of Grove Hill avenue of the engagement of their daughter, Mary Evelina, to Allston Henry Cheever of Cambridge, son of Mr. and Mrs. George A. Cheever. Miss Hatch is a Simmons College girl, class of 1918. Mr. Cheever has been a student at Worcester Polytechnic Institute.

—The fourth meeting of the Every Saturday Club will be held on November 29th, at the home of Mr. and Mrs. Wallace C. Boyden, 64 Oakwood road. The subject for the evening is "The Greater Exodus," "Governor Winthrop," "The Massachusetts Bay Charter" with Mr. William H. Sylvester, chairman, assisted by Mr. J. R. Prescott, and Mrs. William Cummings Richardson.

—At a bridge given for her sister Mrs. F. G. Schipper of Newtonville, on Saturday, November 22nd, Miss Phyllis Betts Caldwell of Mount Vernon, N. Y., announced her engagement to Wallace Crowell Lippincott of New Rochelle. Miss Caldwell is well known throughout the Newtons having formerly resided with her parents on Walnut street, Newtonville, and is a graduate of Newton High 1913.

—The Woman's Association of Central Church will hold its December all day meeting and luncheon Wednesday. A full attendance is needed for much sewing urgently asked for by the Newton Welfare Bureau on children's dresses. Red Cross work will be provided also. The luncheon in charge of Mrs. G. W. Ayransen will be served at 12:30, following which Mrs. W. E. Strong and Mrs. H. F. Ross will give an account of the summer conference of the Woman's Seaman's Friend Society at the Isles of Shoals.

OVER THE WIRES

(A Novel Floral Service)

How often have you wished to send flowers to a distant city. Until recent years you could not do so because the distance was too great and flowers are perishable.

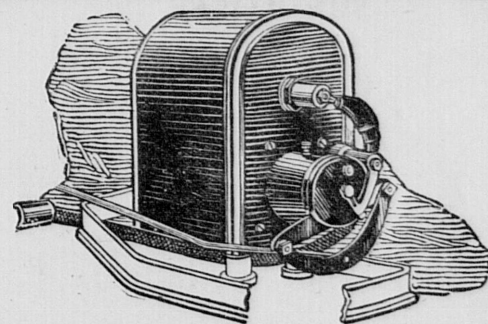

NOW THERE IS A WAY

Come to our store and we will wire your order as you specify to our correspondent florist in the city you designate and he will deliver your flowers just as we would.

"Say It With Flowers"

COTTON, The Florist

Opposite Newton R. R. Station

Does Ignition give you trouble ?

Very often something besides the magneto is to blame for faulty ignition.

Frequently it's poor gasoline that fails to vaporize properly and therefore ignites reluctantly and burns slowly and incompletely.

You can easily eliminate this ignition trouble by standardizing on SOCONY Motor Gasoline. It is carefully refined and uniform in quality wherever you buy it—and you are never far away from a garage or service station that sells SOCONY.

Fill up on SOCONY and once your carburetor is adjusted for this quick-burning fuel, you are sure of plenty of power on a lean mixture that burns up completely—that gives big mileage per gallon in all weathers.

At filling time look for the red, white and blue SOCONY Sign.

Every gallon the same.

—At Elliot Church Sunday, Rev. Arthur E. Holt, Ph.D., Social Service Secretary of the National Council of Congregational Churches, will preach. Sunday evening at 7.30 the Community Sing, led by Mr. George Lincoln Parker, Capt. Wilnot Whitney who was decorated for distinguished service, will speak.

—Channing Alliance held a successful Thanksgiving sale in the church parlors on Tuesday afternoon. The tables were bountifully supplied with good things in the way of canned fruits, jellies and preserves, food of all sorts, candy; an apron table offered an unusually attractive variety of well made aprons, while another contained a desirable assortment of Christmas cards. Mrs. H. L. Simpson was chairman of the whole and among those who ably assisted her were: Mrs. E. W. Hodgson, the Misses Maud and Hattie Henry, Mrs. Stephen W. Holmes, Mrs. C. H. Barney, Mrs. Robert E. Mandell, Mrs. Edward Melins, Mrs. G. W. Zedren, Mrs. A. J. O'Connor, Miss Edith Byfield, Miss Carolyn Clarke, Miss Margaret Ball, Miss Adelaide Ball, Miss Edith Fisher. A delicious supper was served to a large number of people, Mrs. J. N. Palmer, being chairman, assisted by Mrs. A. W. Blakemore, Mrs. J. P. Russell, Miss Catherine R. Howard, Mrs. John C. Cole.

Newton

—There will be a fair at the Methodist Church next Wednesday afternoon and evening beginning at 2.30. The fair will represent the seasons. The chairman of the different tables are: Spring, Mrs. J. B. Backlife; Summer, Mr. E. H. Bell Fall, Mrs. Arthur S. Flinn; Winter, Mrs. George Bauer. The fair will be under the auspices of the Ladies' Aid Society. Supper will be served from 5.30 to 7.30.

—Mr. and Mrs. Harry B. Stebbins of Sargent street will give a tea on Saturday, December 6, in honor of their daughter, Miss Frances Stebbins. —There will be an entertainment, followed by dancing in the Channing Church parlors on Saturday evening, Dec. 6th, for the benefit of the South Middlesex Federation of Young Peoples' Religious Unions. The Melrose Society will present "The Queen of Hearts."

In a Quandary.

A charming hostess, who was entertaining a party of children, discovered one little fellow sitting in a corner apparently lost in thought. "What are you thinking about, Harry?" "Mother told me not to take two oranges," piped the little man, "and I was thinking I would be mighty lucky if I got one."

HOW BOOKS ARE STERILIZED

Simple Apparatus Used by French Scientists in Conducting Their Deadly Gas Attack.

Almost the first thing to meet the eyes of French hygienists in their wartime campaign for protecting the younger generation was their old enemy, the circulating book, well known as a carrier of disease. The many obvious solutions of the problem shared one disadvantage while killing the germs they destroyed the book also.

For the method perfected by Doctor Marsoulan, and now practiced in the Institute for Wounded and Infirm Workmen at Montreuil, it is claimed that for one-fourth of a cent for each book, and with safety to operators, books can be sterilized without the slightest injury. Two pieces of very simple apparatus are used, a beater and a disinfectant.

The beater is a long box open at one end and communicating at the other with an ordinary stove. Inside of the beater are wooden rods so arranged that the turning of a handle will cause them to strike on the books placed on a sliding frame. As the rods beat the books, the heavier particles of dust fall out into a tray of disinfectant below, and the lighter are carried by an exhaust fan to a stove, where they are burned.

The books are hung, open, by spring clips from a skeleton framework, and wheeled into the disinfecting chamber, which is equipped with a tank containing a solution of formaldehyde. The temperature is raised to 120 degrees Fahrenheit, the formaldehyde kills the germs, and the fumes are carried off by a funnel.—Popular Mechanics Magazine.

NOTE INCREASE OF RABIES

Recrudescence of Dread Disease Declared to Be a Direct Result of the War.

Among the plagues to follow the great war, rabies must be reckoned with. Already it has reappeared in England, while from the very beginning an increase was apparent in France. Before the struggle began Belgium and the districts doomed to be occupied in northern France swarmed with dogs, and rabies was sufficiently common. This abundance was due in part to the extensive use of the dog as a draught animal in those localities. After the invasion these animals moved westward in large numbers. They appeared to breed as usual and were under little or no police supervision, although conditions for suppressing the danger were most favorable. Rabies showed an increase from the North sea to Switzerland, and was carried far into the interior of France. Here police protection was as good as absent. The type too is virulent, as shown by the short incubation period. Lenoir, who writes to the above effect in a health bulletin abstracted in the Journal de Medecine et de Chirurgie Pratique, was the officer in charge of an anti-rabies campaign, which suppressed the disease in South Africa in 1902.

Hard to Find Good in Crow.

About as omnivorous as anything could well be, crows eat dead animals and are dreaded agents in the spreading of diseases such as hog cholera, foot-and-mouth disease and glanders. Insatiable egg eaters, they scour the fields, hedge rows, thickets and orchards for nests of birds and even for eggs of the barnyard fowls. They displayed, I well remember, almost human intelligence in watching our turkey hens to their nests, and then waiting on some nearby fence stake or dead tree top for the eggs. They follow the wild ducks to their nesting grounds in the far north to feast on the eggs and young. Prairie chickens suffer severely from their depredations and the pheasant preserves are the frequent victims of their marauding habits.—Exchange.

Butter From Coconut Milk.

Butter is churned from coconut milk as from cow's milk. According to a British patent of late date the milk is completely extracted by crushing the fresh kernel of the coconut to a paste with the addition of skimmed coconut milk from a later stage. The cellulose is then separated in a filter press, and the resinous matter is removed in a centrifugal separator. The cream is then collected from the purified milk in a centrifugal cream separator. The separated cream is pasteurized, subjected to a lactic fermentation, churned into butter, and this is washed with water. Albumen or vegetable casein is precipitated from the skimmed coconut milk by heat and powdered gypsum, and is collected, washed, pressed and dried.

NEWTON CLUB

The first of the Neighborhood dinners last week Thursday night was a great success, and augured well for the continuation of the plan throughout the winter. About 120 sat down to the long tables which filled about every available place on the second floor. Every one was tagged with his or her name and introductions were unnecessary. Mr. Piper served a most bountiful and delicious repast which was enlivened with singing. Numerous candidates for the next Mayor of Newton were nominated and cheered with promises of support. Following the dinner, there was dancing in the assembly hall, and all the other functions of the club were crowded to the limit.

The dinners will be held on Wednesday in December, with the possible exception of Christmas eve. There will be a special observance of New Year's eve.

FIGHTERS GOT THEIR "EATS"

How American Soldiers at the Front Were Supplied by the Commissary With Food.

The service of supply of the American army receives a lion's share of praise for our victory. Needs of men in the trenches and on the fighting line were well cared for. Hot meals were served to them to an extent unprecedented in any other war. Under barrage fire and gas attacks, however, hot food could not be carried forward. To meet this difficulty sealed containers were provided, each holding sufficient food for 25 men for a day. These containers were absolutely airtight to prevent poisoning of food by gas. They contained a dry, hard corn bread, corned beef, corned-beef hash, roast beef, salmon, sardines, salt, sugar and coffee soluble in cold water, together with the necessary can openers. Each container weighed 107 pounds and was cleverly camouflaged for its trip to the firing line. An emergency ration similar to the "iron ration" of the British army was provided for the Americans. This was the ration they carried over the top and used only in dire extremity. It consists of ground meat and wheat pressed into a cake, and a block of sweet chocolate. The cake can be eaten dry or stirred into cold water. One cake boiled four minutes in three pints of water makes a nourishing soup, in one pint of water an acceptable porridge. The S. O. S. relied upon its mighty accumulation of foods from America for everything except fresh vegetables. It was almost independent in this respect, however, for 16,000,000 pounds of dehydrated vegetables were contracted for in the United States.—Thomas F. Logan in Leslie's.

Praise "Stars and Stripes."

Newspaper men, magazine men, literary and, in fact, everyone in America interested in catching the spirit of the Yank invasion of Europe, should by all means read copies of that great voice of the American expeditionary forces, the Stars and Stripes. Letters from pals and relatives paint little intimate tableaux of the extraordinary life of the Yankees in France, but a few copies of the Stars and Stripes can rear an atmosphere which hundreds of excellent letters could not begin to comprise. The editors, by their work, show that they are regular fellows. They have the viewpoint of the buck private, as well as that of the gray-haired executive with the silver stars on the shoulders.—The Quill.

Wiping Out Wild Beasts.

One of the efforts of the state government of Arizona and the federal government in their campaign for the eradication of predatory animals, which cause large losses in range stock, is the employment of skilled hunters. Thirteen are now in the employ of the state and federal governments.

Other men are exterminating rodents which destroy ranges. One of the hunters within two months has killed 11 mountain lions. Another killed 55 coyotes within a month.

No "Can't" in Banking.

The vice president of a big San Francisco bank remarked recently that they had run their business without any bank after the fire of 1906, without any money before the issue of clearing-house certificates in 1907 and without any men in the war-time influenza epidemic of 1918, offering further proof, if proof be needed, of the resourcefulness of bankers.—Pacific Banker.

Had a Reason.

"What makes you so sleepy around the office?"
"It's my sense of duty, boss."
"Huh?"
"I lie awake too much at night thinking about my work."

HOUSES COULD NOT FORGET

Faithful Animals Long Remembered Young Master Who Met Tragic Death a Year Ago.

It has often been said that a "dog is a man's best friend." This has certainly proved true in the case of Johnny Ingram, a fifteen-year-old boy, who froze to death during the big snowstorm about a year ago on the banks of Spring river, says a Stillwater (Okla.) dispatch.

When the body of the unfortunate boy was found two large greyhounds sat shivering in the snow guarding their young master's remains from wolves and other wild beasts.

After the boy's burial the two faithful hounds would make almost daily trips out to the cemetery and sit for hours at his grave. On these days they would not partake of a bite to eat until they returned to the Ingram home.

Many have followed the dogs to the cemetery out of curiosity to see what they would do. They were often found lying there, one on each side of the grave, their heads between their paws, as if in silent prayer.

Last summer the dogs were seen to gather wild pansies and violets in their mouths and trot off toward the cemetery, where they would deposit the flowers upon the boy's grave. These flowers were favorites with the lad. About a month ago the two dogs appeared to be sick.

A veterinary surgeon was called from Stillwater, but after examining the dogs he declared that he could find nothing wrong with them. However, they still refused to eat and finally disappeared.

NO THOUGHT OF GRATITUDE

Hungry School Teacher Unfortunately Had "Cast Bread Upon the Waters" in Vain.

Two Hoosier teachers were traveling through Canada the other day. They had to take a very early train, and as a result intended to eat breakfast in the dining car. But there was no dining car on the train. Hungrily they faced the prospect of a day of fasting, for they would not arrive at their destination until late afternoon. "We have just two cakes of chocolate," said one, taking store of their possessions. "Will you eat yours now or wait a while?"

The second ate her cake then, trusting to luck to find a station luncheon. But the first waited until noon and until a mother and two small children had settled themselves in the seat opposite the teachers.

Finally she took the cake of chocolate, eyed it in happy anticipation and then unwrapped it. But lo, the two youngsters were against her knee, and they, too, were looking at it with happy anticipation. Of course it was divided between them.

Half an hour later the mother opened her grip and out came the family lunch of fried chicken, sandwiches, etc. But not one bite did the generous teacher get. "What was that about a cup of cold water?" she asked the other teacher hintingly.

The woman with the full basket stared at her coldly. Then she took a drinking cup from her grip and extended it. "You may have it," she offered, "but there's paper cups at the can."—Indianapolis News.

His Narrow Escapes.

"Uh—well, sah, I's back 'um wanderin' all over de face o' creation," said Brother Shook, who had been absent for some time. "When muh yallah wife run off wid dat gamblin' man I quit home, and I's been on de gad ever since."

"Did yo' ketch up wid 'em?" asked Brother Bobshy.

"Did I ketch up wid 'em? Man, dey kept ketchin' up wid me, de best I could do. When dat scoundrel stole muh wife I left so's I wouldn't be yuh when he brung her back. And, bless goodness, everywhuhs I went dar dey was, twell it got to be like a bad dream. But de white folks finally slapped de gamblin' man in jail and muh wife's fust husband come along and she took up wid him. And I comes smilin' home to peace and happiness."—Kansas City Star.

New Enemy of the Oak.

Reports of the defoliation of various species of oak have come into the forest service offices from western Washington, the Rogue River valley and the Willamette valley, according to District Forester Cecil.

This defoliation has been caused by a caterpillar known as the western oak looper, which operates from Oregon to British Columbia, and which has been known to defoliate the oak in certain areas for several years in succession. Successful methods of controlling this caterpillar have been devised by the bureau of entomology.

(Cor. Church Street)
WORKS AT BRIGHTON

Auburndale

—Mr. Arthur Hartford is moving from 435 to 2069 Commonwealth avenue.

—The Woman's Guild will have a sale of food and fancy articles on December 6.

—Mrs. Arthur L. Goodrich of Central street has gone to Alliston to be with her son for the winter.

—Mrs. G. A. Drost of Central street has gone to Concord, N. H., to be with her daughter for the winter.

—Mr. Charles B. Floyd of Walcott street is assisting in the work of the Newton Hospital Endowment Fund.

—Mr. and Mrs. Albert Stoessel were entertained over Thanksgiving by Mrs. Charles D. Pickard of Hancock street.

—Mrs. George W. Shepard of Central street who has been confined to her bed for several weeks is improving in health.

—On Sunday a fire was rung from box 43 for a blaze in the house of Mr. Harry A. Every, 48 Islington road, caused by an explosion of varnish.

—Auburndale has reason to be proud of her record in the Red Cross enrollment. The membership fees totaled \$1350, a gain of 480 over last year.

—Mr. Tyler, who has been a resident of Auburndale for many years, is ill at the Newton Hospital, but his many friends here will be glad to know that he is on the road to recovery.

—Dr. and Mrs. Keene are rejoicing over the birth of a nine pound boy. Mrs. Keene was formerly Miss Jessie Joy, daughter of Mr. and Mrs. A. B. Joy of Maple street.

—The "Covered Luncheon" held by the Woman's Guild at the Church of the Messiah was very well attended and was enjoyed by all present. The afternoon was spent in sewing and planning for the work of the year.

—Mr. and Mrs. Charles E. Kennedy and Miss Heloise Kennedy entertained at dinner on Thanksgiving Day, Dr. and Mrs. Little and son, formerly of Newton Highlands, and Miss Gertrude Wightman of Central street. The decorations in yellow and green were very effective, and the place cards charming. After the dinner a Jack Horner Pie caused much merriment.

About 50 men came from Needham last Friday night to play the Lawrence Club, at a bowling tournament given at the rooms of the Auburndale Men's Club at Woodland Park. It was an exciting evening, there were 8 teams, and the score ended with 2675 for the Lawrence Club and 2627 for Needham. The Needham Club represents the Episcopal Church at that place, and the Lawrence Club the Church of the Messiah.

The handsome old-fashioned dresses which were worn at the Woman's Club Dress Show have more than a passing interest. They have been on exhibition at a prominent shop on Temple Place, Boston. Two dating from 1800 and 1820 are owned by Mrs. George W. McNear. One was owned by Mrs. H. W. Longfellow, and one by Mrs. A. R. Wells. The oldest are owned by Mrs. A. L. Bunker, made about 200 years ago, and one of them is being exhibited at the Salem Art Museum. All of these were both amusing and instructive and it is in just such ways as this that the Woman's Club is helping to educate the community.

Gloom and Gladness.

A pessimist is a man who believes that it will take centuries for the world to recover from the blow to civilization; and the optimist is a man who retorts that there will be plenty of centuries.—Rochester Post-Express.

PROBATE COURT.

To the heirs-at-law, next of kin and all other persons interested in the estate of Willard S. Higgins late of Newton in said County, deceased. WHEREAS, a certain instrument purporting to be the last will and testament of said deceased has been presented to said Court, for Probate, by George S. Fuller who prays that letters testamentary may be issued to him, the executor, therein named, without giving a surety on his official bond.

You are hereby cited to appear at a Probate Court, to be held at Cambridge in said County of Middlesex, on the seventh day of December A. D. 1919, at nine o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.

And said petitioner is hereby directed to give public notice thereof, by publishing this citation once in each week, for three successive weeks, in the Newton Graphic a newspaper published in Newton the last publication to be one day, at least, before said Court, and by mailing postpaid, or delivering a copy of this citation to all known persons interested in the estate, seven days at least before said Court.

Witness, Charles J. McIntire, Esquire, First Judge of said Court, this twenty-sixth day of November in the year one thousand nine hundred and nineteen.

F. M. ESTY, Register.
